

HORSE WELFARE COALITION

About the Horse Welfare Coalition

The Horse Welfare Coalition is an alliance of veterinary, horse-industry and agricultural groups representing over 500,000 individual members in the United States. Our mission is to promote humane and responsible care of the horse through public education and policy advocacy. Members of the Coalition represent many of the leading organizations in the areas of veterinary medicine, breed registration, horse-industry advancement and agricultural management.

The Horse Welfare Coalition is **opposed** to HR 503/S. 1915 the American Horse Slaughter Prevention Act.
