**TRANSFER OF OWNERSHIP:** Each transfer of ownership of a registered horse shall be recorded by AQHA.

(a) The responsible party as specified in rule 224(f)(1) must submit all transfer items to AQHA immediately after purchase to ensure prompt service, to reduce the possibility of losing either certificate or transfer report and to lessen the chance of complications that might make it impossible to ever record the transfer. (b) If a registration certificate and transfer form are delivered to AQHA without sufficient information, the registration certificate will be retained by AQHA until the transfer can be completed and recorded. (c) To record a transfer, the responsible party must supply AQHA the following items: (1) The registration certificate of a horse; (2) A properly completed and signed AQHA transfer report by the last recorded owner, as well as one from any subsequent owner(s) and (3) The required fee, as specified in rule 222, with the membership status of the buyer determining the applicable transfer fee. (d) AQHA will recognize the signature of any one of the joint owners of the horse on AQHA's transfer report if such owner is named on the horse's current registration certificate, except for a transfer by one joint owner to him or herself, which transfer shall require the signature of all joint owners. Additionally, AQHA will recognize the signature of any partner when a partnership is a record owner. If such recognition is not to be permitted, or is to be limited otherwise, the joint owners or partnership must file with AQHA a written agreement to that effect, specifying horse's name and registration number, and signed by all such joint owners or partners. (e) When written authorization (on a form furnished by AQHA upon request) has been filed in AQHA's office, AQHA will accept the signature of such authorized individual as sufficient to complete the transfer. The written authorization must be signed both by the record owner of the horse specified in such authorization and the person being authorized to sign a transfer.
