2007 American Quarter Horse Association World Championship Show

The Countdown Begins

Celebrate with AQHA as it approaches 5 million.

The American Quarter Horse Association, the world's largest equine breed registry and membership organization begins its "Countdown to 5 Million" and encourages every member to keep up with the count. In fact, one AQHA member will ride off with the actual registration number 5000000 in an online auction that begins in a couple of weeks.

"We are so proud to celebrate this incredible milestone with all our valued members," said AQHA Executive Vice President Bill Brewer. "We are the only equine organization worldwide to reach this number, and we couldn't have gotten here without the continued support of our members and owners. It's going to be a great celebration, and we look forward to discovering which horse will receive number 5000000 and where in the world lives!"

It is anticipated that AQHA will hit the 5 Million mark shortly after the beginning of 2008. While it's impossible to peg the exact date or time, should registrations continue on their current path, the milestone likely will be hit in late January or early February next year. A real-time counter on AQHA's Web site will keep everyone updated the Association's progress.

In addition to the online auction for the number, AQHA also will conduct a "guess the date and time" contest for all members. Each AQHA member can submit one guess via the Association's Web site as to when they think the 5 Millionth horse will be registered. The member coming closest to the actual day and time without going past it will win a trip for two* to the Bonanza Creek Guest Ranch in Martin-

dale, Montana, courtesy of the Dude Ranchers of America.

How the auction works:

AQHA members can log into www.aqhamembers.com using their ID number and PIN.

Once there, members can simply click on the "Countdown to 5 Million" icon and be taken to the auction site.

The auction has not begun yet, but the start date will be announced on www.aqha.com. The auction will end at 5 p.m. central daylight time Monday, December 31, 2007.

The member submitting the highest bid will win the right to use registration number 5000000 (certain rules will apply to this number and are posted in the auction area).

Please be sure to read the important rules before submitting bids. Should bidders have any questions, they can simply e-mail AQHA for a response or call (806) 376-4811.

In 1941, AQHA registered its first horse - a stallion named Wimpy. A bronze of that first horse sits at the entrance to AQHA. In 1974, AQHA surpassed registration number 1000000 but did not assign the number to a horse. It was reserved to honor the men and women who helped build the Association. In 1983, registration number 2000000 was given to a mare named TWO MILLION, owned by the King Ranch of Kingsville, Texas. Eight years later in 1991, THREE MILLION CASH, owned by the Phillips Ranch of Frisco, Texas, was given registration number 3000000. Ten years after that, in 2001, registration number 4000000 was given to SHINELIKEFOURMILLION owned by Carol Rose of Gainesville, Texas.

Vital Win for Kristen Glover

Sooner Trailer All-Around Amateur credits her talented mare.

A disappointing youth career and a talented mare spurred Kristen Glover to earn the Sooner Trailer All-Around Amateur title.

"I started showing when I was 5 years old, and my first year to go to the Youth World was when I was 12. My ultimate goal was just to win a world championship, and I didn't get that done my whole youth career," Kristen said.

But in Kristen's first year as an amateur, she bought Vital Signs Are Good, then a 3-year-old western pleasure mare who carried Kristen to her first world championship.

That ambition achieved, Kristen wanted to win the Sooner Trailer award. On November 9, she met her newest goal.

"You're going to get knocked down a lot, but just get up and keep going," Kristen said, getting teary as she talked about what she has learned from showing horses.

"I got knocked down constantly going for the Youth World, and you just keep trying. God has blessed me

with her. She's just done a lot for me."

The Sooner Trailer All-Around Amateur award goes to the amateur horse and exhibitor who earn the most points during the World Show. Exhibitors had to show one horse in a minimum of three events to be eligible. Points were awarded for placing in the top 10 in the classes.

Kristen said she tried to concentrate on each class as it came up and not think about her ultimate goal. Kristen rode "Lucy" to championship finishes in western pleasure and western riding, along with third-place finishes in performance halter mares and horsemanship and a fifth-place finish in show-

manship.

"I don't know what I'm going to do (next)," Kristen said.

"I've really accomplished all I wanted to accomplish. It's just incredible. I probably couldn't do it on any other horse. She's just really cool."

Lucy has earned more than \$67,000 in National Snaffle Bit Association competition.

In addition to the wins at the 2007 Bank of America Amateur Week, Lucy has two world championships in western riding and two in western pleasure as well as a reserve world championship in western riding and multiple high-point titles.

Kristen, who works in her family's car dealership, has applied for medical school.

She plans to continue showing and enjoying her horses in her spare time, including showing one of Lucy's babies in the 2-year-old western pleasure during open week.

"I'm going to enjoy having her and appreciate her, because she is one of a kind. There will never be another one like her."

Are You Smarter than a Junior Master Horseman?

AQHA's Junior Master Horseman program was created to bring the world of horses into the lives of children and horse enthusiasts.

Along with the American Youth Horse Council, AQHA developed a guide titled "Junior Master Horseman: Level One," which presents basic age-appropriate and kid-tested activities, created specifically to encourage young horsemen to embrace beginning horsemanship in a meaningful, safe and fun way.

Horse or no horse, all participants can experience the dynamics of learning "everything" about horses at their own pace, individually or with a group.

Each day of the AQHA World Championship Show, a question will be pulled from the JMHH guide. If you answer the question correctly, you can win a Team Wrangler-logo jacket.

So just how smart are you? Smarter than a Junior Master Horseman?

QUESTION

Most mature horses don't require the extra vitamins and minerals like young growing horses, broodmares and high performance horses.

What vitamin does a horse make in his body tissues and does not need to be added to his diet?

For the answer, check out a Junior Master Horseman guide at the AQHA booth in the Trade Show.

YESTERDAY'S WINNER

Marwan Quraishi of Washington, Pennsylvania, had the correct answer (as did four other entries) for Friday's question, which was: What is sodium chloride the scientific name for?

The answer is salt.

Marwan, you can pick up your AQHA-logo polo shirt in the Media Room.

ENTRY FORM

Bring your answer to the Media/Press Room on the west-side of the coliseum by 4 p.m. today. If more than one person provides the correct answer, the winner will be chosen randomly from the correct responses.

With hors d'oeuvres, beverages and an enjoyable atmosphere, World Show draw parties are a great place to meet fellow competitors and unwind before that championship ride. Finalists will also receive specially designed buttons and ribbons to identify them as a world champion competitor!
