WALK/TROT, ROOKIE AND LEVEL 1 COMPETITOR ELIGIBILITY

- Eligibility is determined on a class-by-class basis (i.e. you may be eligible for some classes but not others)
- Walk/Trot eligibility – Riders entered in a walk/trot class cannot show in the corresponding loping/cantering class. Exhibitor must be Level 1 eligible to enter walk/trot; eligibility is determined by class.
- Rookie eligibility is based on the exhibitor and horse’s eligibility as of January 1, 2019
 - 2019 Rookie eligibility print-outs for EXHIBITORS and HORSES are required
www.aqha.com/services/leveling
- Level 1 eligibility is based on the exhibitor’s eligibility as of January 1, 2018
 - 2018 Level 1 eligibility print-out for EXHIBITORS is required www.aqha.com/services/leveling

NOTE: An exhibitor can continue to show in Level 1 classes for which he/she won at a Level 1 Championship show, if Level 1 eligible otherwise; however, he/she is no longer eligible to compete in that class at any future Level 1 Championships. ([AQHA Rule SHW245.3](#) regarding Level 1 eligibility)

LEVEL 1 ELIGIBILITY (2018)

To be eligible for Level 1 competition, an individual may **NOT**:

- Have exceeded the point cap for that class;
- Have earned a superior award in a particular class in any equine organization with a membership of more than 7,500 members (including AQHA);
- Have placed in the top three at any AQHA world show in a particular class;
- Have won a world, reserve world, national or reserve national championship title in a particular class (excluding Level 1 classes) in any equine organization with a membership of more than 7,500 members (including AQHA);
- Have won an international or reserve international title for that particular class at the European Championships or German Championships regardless of whether the international class in question was an AQHA-approved class
- Have won a total of \$5,000 in cash and/or prizes with any equine organization
- Have been an accredited horse show judge or who has trained professionally
- Ownership of the horse is not required to participate in Level 1 classes

If a competitor won a Level 1 Championship, he/she cannot show in that same class at future Level 1 Championships.

- However, that exhibitor can continue to show in that class at AQHA shows (excluding the Level 1 Championships) until he/she meets the point level.
- The exhibitor being mentioned can also still show at the Level 1 Championship in any other class(es) for which he/she is still Level 1 eligible
- Eligibility is from January 1 – December 31. On January 1, 2018, if that exhibitor is Level 1 eligible, they are eligible to compete at the 2019 Level 1 Championship of their choice in the Level 1 classes for which they are eligible.

COMPETING AS A ROOKIE EXHIBITOR

- To be eligible to enter any of the 2019 Level 1 Championships, a Rookie exhibitor must:
 - Be Rookie eligible in the class they wish to enter as of January 1, 2019
 - Be an AQHA member at the time of entry and at the time of the show

ROOKIE ELIGIBILITY (2019)

- Rookie eligibility is based on lifetime achievements (in open, amateur and/or youth Divisions) of exhibitor and horse.
- For an exhibitor to be Rookie eligible:
 - That exhibitor must have earned fewer than 10 lifetime points in that class in any division; open, amateur or youth.
 - The exhibitor may also not have won \$5,000 or more in any equine organization or association by class.
- For a horse to be Rookie eligible:
 - The horse must have earned fewer than fifty (50) lifetime points in that class in any division; open, amateur or youth.
 - The horse may also not have won \$1,000 or more in any equine organization or association by class.
 - The point and earnings limit does not apply to horses in over fence classes.
- Eligibility is from January 1 – December 31. On January 1, 2019, if that exhibitor and horse are Rookie eligible, that team is eligible to compete at the 2019 Level 1 Championship of their choice in the Rookie classes for which they are eligible.
- Ownership of the horse is not required to participate in Rookie level classes.

- Rookie classes will be held as all-age amateur and all-age youth classes.
- Rookie classes will be held separately from Level 1 classes and, if the horse/exhibitor are eligible, may show in both.

OTHER INFORMATION

- It is not required that the exhibitor own the horse.
- The horse must be a registered American Quarter Horse and the exhibitor must be a current amateur or youth member in good standing with AQHA. If a membership will expire prior to the Level 1 Championships, the membership can be renewed at the time of the show.
- An exhibitor may show up to three horses in individual working events, so long as they are properly eligible.
- A horse/exhibitor may compete in a Level 1/Rookie/Walk Trot amateur or Level 1/Rookie/Walk Trot youth class at only one Level 1 championship in a year. For example, if the horse and/or exhibitor competes in the 2019 AQHA Central Level 1 Championship in ranch riding, they cannot then compete in ranch riding at any other Level 1 Championships. However, if that horse/exhibitor competes in ranch riding at the AQHA Central Level 1 Championship, they can show in any other class (showmanship, halter, reining, etc.) at a different Level 1 Championship.
- All horses are subject to drug testing under the provisions of Rule VIO253 of the 2019 AQHA Official Handbook.
- Because stallions are not allowed in Level 1, Rookie or Walk Trot classes, they will be prohibited from the show grounds.
- An entry number will be assigned to every horse by the show secretary.
- A horse cannot be shown in both halter and performance halter. The exhibitor/owner must choose between the two.
 - A horse is eligible to be shown in performance halter so long as that horse:
 - Has earned a Racing ROM;
 - Has earned a Performance ROM prior to January 2010;
 - Has earned a Performance ROM after January 2010 so long as their record reflects they have earned at least five or more AQHA performance points in riding classes (except in showmanship).

SUBSTITUTIONS

- Should a horse entered in a 2019 Level 1 Championship die, the exhibitor owning the horse may substitute and participate with another horse in showmanship, horsemanship, hunt seat equitation and equitation over fences. The appropriate show office must be notified by noon the day prior to the appropriate class and be provided a written statement reporting the death of the horse, along with the original registration certificate that can be marked to indicate the horse is deceased.
- Exhibitors who enter in any class not listed in the bullet point above, may participate with another horse if the original horse dies before the entry deadline, so long as the appropriate show office is notified by noon the day prior to the appropriate class and is provided a written statement reporting the death of the horse, along with the original registration certificate that can be marked to indicate the horse is deceased.
- If a horse becomes severely injured or disabled, a substitute will be allowed so long as a written statement is provided with the entry(ies) by an AAEP-approved veterinarian stating the severity of the debilitating injury or illness, and lack of the probability of short-term recovery. The appropriate show office must be notified by noon the day prior to the particular class.

The helmet must also be properly fitted with harness

secured. It is mandatory that all youth wear an ASTM/SEI approved hard hat with harness during all English classes including flat and over fence classes. It is recommended that Amateurs wear an ASTM/SEI approved hard hat with harness in all English classes.”

GENERAL JUDGING/MONITORING PROCEDURES

- All AQHA events will be judged according to the rules listed in the AQHA Official Handbook. No other publication will supersede the rules of the AQHA Official Handbook, or the Level 1 Championships Handbook, including the show program.
- Judges shall examine and check for lameness in all horses brought into any class.
 - In both performance and halter classes, a horse shall automatically be disqualified if two or more judges call the horse lame during the class.
 - If it is determined that an entry does not fit the criteria of Rule SHW325 of the AQHA Official Handbook of being obviously lame, the horse will not be excused and will remain in the arena.
- There will be three judges for all classes, and their placings will be combined.
- Judges will score each class independently and will place through 15 places.
- In placed classes, judges' individual score or placing cards will be given to show management for tabulation.
- Ties:
 - Placed events:
 - If the ties cannot be broken by totaling judges' placings, it will be done by using a tie-breaker judge. Judge no. 1 is the first tie-breaker; if judge no. 1 did not use any of the tied horses, then judge no. 2 becomes the tie-breaker judge; if judge no. 2 did not use any of the tied horses, then judge no. 3 becomes the tie breaker; until the judge is found that used at least one of the tied horses. This judge's placing will be used to break the tie. This method, and only this method, will be used to break all ties in placed events.
 - Please refer to the chart below for numerical scores in placed classes only:

1.	120	6.	55	11.	15
2.	105	7.	45	12.	10
3.	91	8.	36	13.	6
4.	78	9.	28	14.	3
5.	66	10.	21	15.	1
 - Timed events:
 - Any horse receiving no time on its first run is eliminated.
 - If there is a tie for the Level 1 Championship, the tie will be run off until there is a winner.
 - Scored events:
 - If the ties cannot be broken by totaling judges' placings, it will be done by using a tie-breaker judge. Judge no. 1 is the first tie-breaker; if judge no. 1 did not use any of the tied horses, then judge no. 2 becomes the tie-breaker judge; if judge no. 2 did not use any of the tied horses, then judge no. 3 becomes the tie breaker; until the judge is found that used at least one of the tied horses. This judge's placing will be used to break the tie. This method, and only this method, will be used to break all ties in scored events.
 - If there is a tie for the Level 1 Championship, the tie will be worked off.
 - All ties will be broken by totaling the judges' scores.
- A monitoring system involving penalty reviews will be implemented not only as an aid to assist the judges, but also in an effort to provide the exhibitors with a fair and accurate score or time. A run will not be reviewed if, after giving back the penalty points in question, the exhibitor's score would not be enough to place in the top ten.
 - The monitor system will be used
 - to review any lack of concurrence in scores or times when major penalties, disqualifications, zero scores, "no times" are involved (hereafter "Major Penalties; see specific classes), or
 - when a judge requests a review.

- Lack of concurrence concerning lameness or non major penalties will not be reviewed.
- A penalty review will not have any impact on the run content. The judge may only add or subtract the penalty value to the score.
- All penalty reviews will take place during the next drag, break, or at the end of the class.
 - It is possible that a public announcement may not be made that an exhibitor's performance is being reviewed.
 - Regardless of whether a public announcement is made, no scores or times are official until penalty reviews are completed.
- No judge shall be required to change his/her score following a video replay. Each judge's decision is an individual call and based on the individual decision from a video replay.
- Movement of horses in any class will be at the discretion of the judge; however, horses will not be pulled out or lined up in placing order by any judge at any time, except as directed by show management.
- Any clear evidence of fresh blood on the horse, including, but not limited to, the nose, chin, mouth, tongue or gums, regardless of cause, shall be cause for disqualification.
- A contestant will be disqualified and immediately excused for abuse of a horse.
