War Horses - Math

Thousands of horses have been used throughout history in war and revolution.

- 1. How many years passed between the Revolutionary war in 1775 and the first World War in 1914?
- 2. If 14,560 horses were used in the 7th Cavalry Regiment, 198,000 horses were used in the 9th and 10th Cavalry Regiments, and 1,575,000 were used in the 12th thru 23rd Cavalry Regiments overseas, how many horses were used total?
- 3. The Confederate Army had 1299 cavalry units and the Union Army had 1943 cavalry units. How many more units did the Union Army have?
