

Exhibitors Ineligible for Level 2 at the 2017 Lucas Oil AQHA World Championship Show

AQHA exhibitors are leveled by points earned and any AQHA world or reserve world championships earned. Most of AQHA's alliance partners level their competition playing field on money earned by their exhibitors.

The following criteria will be used to determine Level 2 eligibility of exhibitors at the 2017 Lucas Oil World:

- 1) Points earned in AQHA-approved classes that exceed the number of points allowed to remain Level 2 eligible. These individuals are not specifically listed below, as these criteria fall within the AQHA levelling program. To check Level 2 eligibility, go to <https://www.aqha.com/services/leveling>.
- 2) Points earned in AQHA-approved classes (exhibitors placing in approximately the top 2 percent in horse-based leveled classes will not be eligible as Level 2 competitors); For the 2017 Lucas Oil World, the time period ranges from November 1, 2012 to October 31, 2015, which also coincides with the Leveling program data that determines point ranges for the Leveled class.
- 3) Exhibitors having earned a world or reserve world championship in the specific class in the last three years (2014, 2015 and/or 2016);
- 4) Alliance partner guidelines and monies earned by exhibitors and by class. (See specific exclusions by class below.)

These criteria will be reviewed for leveling purposes, which will further even the playing field as intended and thereby protect the integrity of the Level 2 program, sponsored by Adequan® (polysulfated glycosaminoglycan) at the 2017 Lucas Oil World.

OPEN EXHIBITORS

In addition to AQHA Level 2 eligibility for the Adequan® Level 2 Championships, AQHA alliance partner earnings will also be considered.

Speed, rail and individually worked events: To show a qualified horse at the Adequan® Level 2 Championships, the open exhibitor cannot be listed on the ineligible exhibitors list.

Halter and cattle classes: To show a qualified horse at the Adequan® Level 2 Championships, the exhibitor must be Level 2 eligible and cannot be listed on the ineligible exhibitors list. Level eligibility can be verified at services3.aqha.com/leveling.

Horses placing in the top two in the Level 3 classes at the November World Show are not eligible for Level 2 for the subsequent three years in that class, regardless of points earned in the past three years.

It is the responsibility of the exhibitor to provide accurate and up-to-date data to AQHA for purposes of eligibility verification.

In accordance with the guidelines listed above, the following exhibitors are not eligible to compete in Level 2 at the 2017 Lucas Oil AQHA World Show:
