

**Recreational Activities Committee Report
2019 AQHA Convention
Fort Worth, Texas**

Mr. President, the Recreational Activities Committee makes the following recommendation:

1. To re-elect Bill Horton as Recreational Activities Committee chair.

With no motions made, the Recreational Activities Committee discussed a variety of topics:

Exploring the development of the Youth Weanling Challenge as proposed by the Youth Involvement subcommittee of the Recreational Activities committee

Having the Recreational Activities Outreach subcommittee, along with AQHA staff, develop a survey of Horseback Riding Program participants and recreational riding-interested members to gain information to help meet the needs of those members

Developing a contest among AQHA affiliates to enroll new Horseback Riding program members

Having AQHA staff review and update Horseback Riding Program and recreational activities content on AQHA's Website

On behalf of the Recreational Activities Committee, I move that the Membership support the recommendation and forward it to the Board of Directors for approval.

Bill Horton, Chairman
