Fort Worth, Texas**

Mr. President, the Youth Activities Committee makes the following recommendations:

1. For the scholarships task force to support the creation of a scholarship program through the American Quarter Horse Foundation benefiting youth members at the AQHYA World Championship Show.
2. To continue the young adult joint committee task force to encourage young adult involvement with members of the Amateur Committee, Marketing and Membership Committee and Youth Activities Committee.
3. To re-elect Jennifer Horton as the Youth Activities Committee chair.

With no additional motions made, the committee discussed a variety of other youth topics including supporting a ranch riding division in National High School Rodeo Association events, technologies in youth programs, an overview of AQHYA programs, exploring a potential youth weanling challenge program, and a variety of other ideas to grow AQHYA membership and encourage involvement from current youth members.

On behalf of the Youth Activities Committee, I move that the Membership support the recommendations and forward them to the Board of Directors for approval.
