

Scored Class

1. If the horse is shown in both levels by the same exhibitor, the level 3 score will roll over and count as the Level 2 score.

2. If the horse is entered only in Level 2, it will be at the top in the Level 2 draw.

3. If the horse is shown in both levels but with different exhibitors, the horse will be shown a second time in the Level 2 draw.
