

**COWBOY MOUNTED SHOOTING WORLD CHAMPIONS**

NOTE -- There were two 2012 CMS World Champions -- the show in early 2012 (which was really 2011 champions, but buckles were printed with 2012) and the show in 2013 that is 2012 champions. For the 2013 show, the competition dept decided to change the name of the title to the previous year in which these folks actually qualified and showed. In 2019, the 2018 world championships were awarded in March 2019 in Houston, and then the 2019 world championships were moved to the CMSA World in Amarillo
