- There will be three judges for all classes, and their placings will be combined.
- Judges will score each class independently and will place all entrants in the class.
- Judges shall examine and check all horses in each class for lameness as per SHW325 of the 2021 AQHA Official Handbook.
 - In all classes, a horse shall automatically be disqualified if two or more judges call the horse lame during the class.
 - Lameness is evaluated on a class-by-class basis. A horse determined to be lame in a specific class will be disqualified in that class but remains eligible to be shown in remaining class(es) entered.
 - Should a horse not compete in the remaining class(es), it will receive all credits earned to that point from previous class(es) to be used toward calculating all-around awards and prize money. However, horse must compete in the minimum required classes to remain eligible for all-around awards and prize money.
- If an exhibitor or horse is disqualified from showing by show management or by officials of the Championship Show, the decision is final.
- The score sheets and/or placing cards for all classes will be given to show management for tabulation.
- A monitoring system to review major penalties will be in effect for all classes, except those classes held on the outdoor courses.
 - The monitoring system enhances the ability of judges to assess major penalties fairly and accurately.
 - The monitoring system will automatically be used to review any lack of concurrence in major penalties, disqualifications, or zero scores.
 - Judges cannot review for lameness, non-major penalties, maneuver evaluation, or lack of concurrence in score or placing.
 - Reviews will have no impact on run content except to add or subtract the penalty value to the score. Under no circumstances will the run content or one-point penalties be adjusted.
- All reviews will take place during the next drag, break, cattle change, or at the end of the class.
 - It is possible that a public announcement may not be made for all pending reviews. Regardless of whether a public announcement is made, scores are not official until reviews are complete and scoresheets are mathematically verified.
- No judge shall be required to change his/her score following a video replay. Each judge's decision is made independently after reviewing the video replay.
- Any clear evidence of blood on the horse, including but not limited to the nose, chin, mouth, tongue, or gums, regardless of cause, shall be cause for disqualification.
