**Eligible Races**

1. Race conditions will be set by the individual tracks.
2. Races with \$15,000 or more in purses may be a recognized AQHA stakes race.

Enrollment in the Bank of America Racing Challenge is required for entry to all Bonus Challenge races. All races must have a minimum of five entries to be run. If there is not a minimum of five horses, Bonus Challenge purse funds will be held by AQHA and redistributed in the next calendar year through the Bonus Challenge fund. The final decision and preference system for individual races will be made by the host track facility and the AQHA Racing Council representative of the Bank of America Racing Challenge.

**Rules and Regulations**

Races will be run under rules set forth by each jurisdiction in which a Bonus Challenge race is run. Any rules infraction or disqualification arising out of an individual Bonus Challenge race will be handled by the jurisdiction in which the race is held in. Any questions or disputes arising over the eligibility of a Challenge-enrolled horse will be handled by the AQHA Racing Council’s representative of the Bank of America Racing Challenge. You must be an AQHA member to enter a horse in a Bonus Challenge race.
