2019 LUCAS OIL AQHA WORLD CHAMPIONSHIP SHOW QUALIFYING HANDBOOK

RULES AND REGULATIONS

Effective Date and Repeal

These rules become effective January 1, 2019, and apply to the 2019 Lucas Oil AQHA World Championship Show. Subject to modification, these rules will apply to subsequent AQHA World Championship Shows.

The Lucas Oil AQHA World Championship Show shall be governed by the rules and regulations of the AQHA’s Official Handbook and the Lucas Oil AQHA World Championship Show Qualifier’s Handbook. All participants and owners agree to abide by such rules and regulations.

Any rules and regulations not covered by the 2019 AQHA Official Handbook or by rules and/or regulations of the 2019 Lucas Oil AQHA World Championship Show will be handled by World Show management, and their decision will be final without recourse of any nature.

The 2019 Lucas Oil AQHA World Championship Show shall be in Oklahoma City from November 7 through November 23.

No official AQHA points will be earned by participation in this World Championship Show; however, any finalists, top ten placings, Reserve World Champion and World Champion will be recognized on the permanent record of the respective horse.

VIO200. INHUMANE TREATMENT. No person shall treat any horse in an inhumane manner. This prohibition against inhumane treatment applies to AQHA members and non-members. Inhumane treatment shall include, but not be limited to, the prohibited conduct specified below. Inhumane treatment to horses other than American Quarter Horses and other animals used in competition is included in this prohibition as it indicates a general course of dealing with horses which is unacceptable to AQHA.

VIO200.1 For purposes of this rule, a person responsible for the care of a horse is also responsible for and may be disciplined for the inhumane conduct of their trainers, agents, representatives and employees. For violation of this rule, an individual may be disciplined, suspended, fined, denied AQHA privileges, disqualified, expelled from show grounds and/or expelled from AQHA.

VIO201. Inhumane treatment of any horse or any other animal on show grounds is strictly prohibited. Treatment of any horse will be considered inhumane if a person, educated or experienced in accepted equine training techniques, would perceive the conduct of an individual to be inhumane.

VIO202. For purposes of this rule, a fines and penalty system has been established based on the severity of the offense. All offenses per VIO204 below will be assigned a minimum level of offense (level 1 = mild; level 2= moderate; level 3 = severe). Depending on the facts of a situation, the level of offense may be increased.

VIO203. Warning or Show Ground Removal cards will be issued based on the frequency and level of offense.

VIO204. Inhumane treatment includes, but is not limited to:

VIO204.1 placing an object in a horse’s mouth so as to cause undue discomfort or distress (minimum level 2);

VIO204.2 leaving a bit in a horse’s mouth for extended periods of time so as to cause undue discomfort or distress (minimum level 1);

VIO204.3 tying a horse’s head up (above withers), back or around in a stall or anywhere at an AQHA event in the manner as to cause undue discomfort or distress (minimum level 2);
VIO204.3.1 tying a horse in a stall without access to food or water for an extended period of time. (minimum level 1)
VIO204.4 longeing or riding a horse in a manner as to cause undue discomfort or distress to the horse (minimum level 1);
VIO204.5 tying or fastening any foreign object onto a horse, halter, bridle and/or saddle in order to desensitize the horse (minimum level 2);
VIO204.6 use of training techniques or methods such as poling or striking a horse’s legs with objects (minimum level 2);
VIO204.7 excessive spurring or whipping (minimum level 1);
VIO204.8 excessive jerking of reins (minimum level 1);
VIO204.9 excessive fencing (minimum level 1);
VIO204.10 excessive spinning (defined as no more than eight (8) consecutive turns in either direction) (minimum level 1);
VIO204.11 schooling over ramped oxers in reverse order (i.e., from highest to lowest instead of lowest to highest) (minimum level 1);
VIO204.12 schooling using rails higher than four (4) feet (minimum level 1);
VIO204.13 use of prohibited equipment, including, but not limited to: lip chains, saw tooth bits; hock hobbles; tack collars; tack curb straps or tack hackamores; whips used for showmanship; war bridles or like devices; wire or solid metal curb straps no matter how padded; wire cavesson; wire or cable tie-downs; bumper bits; metal bosals (no matter how padded); metal longeing hackamores; chambons; headstalls made of metal (no matter how wrapped or padded), twisted rawhide, or rope may not be used on a horse’s head (3/8 inch rope may be used with a slip/gag bit or a bonnet); running martingales used with curb bits used without rein stops (minimum level 2); belly bands; tight cavessons; riding in a curb bit without a curb strap; draw reins attached between or around the front legs will not be allowed; side reins (direct rein from bit to cinch or surcingle) (minimum level 1);
VIO204.14 use of any item or appliance that restricts movement or circulation of the tail (minimum level 3); use of any item or appliance other than a weighted tail that restricts movement of horse’s tail (minimum level 1); use of any drug, chemical, foreign substance, surgical procedure or trauma that would alter a horse’s normal tail function (minimum level 2);
VIO204.15 the use of any substance, including, but not limited to, any type of colorant, dye, glue or hair to hide an injury created by intentional or negligent treatment, prohibited training techniques or prohibited equipment. For purposes of this rule, “injury” is defined as an open wound, raw area and/or scabbed area (minimum level 2).
VIO204.16 a horse which appears to be sullen, dull, lethargic, emaciated, drawn or overly tired (minimum level 1);
VIO204.17 intentional or negligent treatment which results in any bleeding, open wound and/or raw area – intentional (minimum level 3); unintentional (minimum level 1); for purposes of this section, “negligence” is the failure to exercise care that a reasonably prudent person would exercise. Regardless of whether the bleeding, open wound and/or raw area resulted from intentional or negligent treatment, the horse shall be disqualified.
VIO204.18 applying excessive pressure on or excessively jerking of a halter lead shank or an allowed lip cord (minimum level 2);
VIO204.19 any other treatment or conduct deemed by a show official to be inhumane or abusive (minimum level 1)
VIO330.1 the above prohibition includes application or administration of any drug, chemical, foreign substance, surgical procedure, or trauma, accidental or intentional (as to trauma, this prohibition applies to horses foaled after January 1, 1990), which results in, or could result in, alteration of normal tail function, carriage, conformation or overall appearance of the horse.
The AQHA Executive Committee has ultimate authority to impose less or more severe penalties as compared to this chart as it deems necessary. This chart may be modified at any time by AQHA’s Executive Committee. All fines and penalties are cumulative and run consecutively in the case of multiple offenses. Habitual offenders are subject to the severest fines and penalties.

The AQHA Executive Committee has ultimate authority to impose less or more severe penalties as compared to this chart as it deems necessary. This chart may be modified at any time by AQHA’s Executive Committee. All fines and penalties are cumulative and run consecutively in the case of multiple offenses. Habitual offenders are subject to the severest fines and penalties above.

Lip chains of any type are prohibited. The Executive Committee has approved the use of an allowed lip cord. See guidelines below:

- Stallions one year of age and older may be shown with an allowed lip cord in open and amateur divisions; lip chains of any type are prohibited; all other types of lip cords that do not meet the definition of an allowed lip cord are prohibited.
- The following horses may not be shown with a lip cord:
  - weanlings;
  - mares of any age;
  - geldings of any age;
  - any horse shown in a performance halter class, and;
- Applying excessive pressure on or excessive jerking of an allowed lip cord is prohibited.
- Allowed lip cords shall only mean:
  - a round, smooth soft/flexible nonabrasive cotton polyblend cord with a dense core that has an unsecured keeper with at least ¾ inches of the cord outside of the halter before attachment of keeper or leather part of lead shank;
  - is applied only over gum and not through mouth;
  - with respect to the cord applied over the gum, is made up of cord having a diameter of at least 3/8 inches; cord applied over gum may not contain internal or external metal.
  - no foreign substances or additional materials may be added to the lip cord.
  - all other types of lip cords that do not meet the definition of an allowed lip cord are prohibited.
ELIGIBILITY/OWNERSHIP

- Show results not received by AQHA by August 10, 2019, will not be used to determine eligibility for the Lucas Oil World Championship Show.
- A horse is eligible to compete in each class in which it has earned the minimum number of points assigned for that class in Level 3 and/or Level 2. All qualifiers will receive an invitation to the show in the event(s) in which they have qualified.
  - In Amateur:
    - To qualify for Level 2, the exhibitor must be Level 2 eligible and earn at least the minimum number of points set to qualify in Level 2 for that class. He/she will then be sent an entry form and invited to enter the World Show in Level 2.
    - If the horse/exhibitor earn at least the minimum number of points to qualify in a Level 3 class and is Level 2 eligible, that horse/exhibitor will be sent two entry forms, one for Level 2 and one for Level 3 in that class.
    - The exhibitor cannot show “down” in Level 2 if he or she is ineligible as a Level 2 participant. In that case, that person must earn at least the minimum number of points to qualify in Level 3 only.
    - Level 2 classes DO NOT count towards All-Around Amateur tabulation.
  - In Open:
    - Halter and all cattle classes are levelled by the exhibitor, so if that exhibitor is Level 2 eligible and the horse gets the proper number of points set for Level 2, he/she will be sent an entry form and invited to enter the World Show in that class; however, horses placing in the top two in the Level 3 classes at an Open World Show are not eligible for Level 2 for the subsequent three years in that class, regardless of points earned in the past three years.
    - All other classes are levelled by the horse, so if that horse earns at least the minimum number of points to qualify for Level 2 and is Level 2 eligible, he/she will be sent an entry form and invited to enter the World Show in Level 2; however, horses placing in the top two in the Level 3 classes at an Open World Show are not eligible for Level 2 for the subsequent three years in that class, regardless of points earned in the past three years. Further, there are exhibitors that are ineligible to show in Level 2 based on monies and/or points earned in organizations other than AQHA. (see specific listing)
    - If a horse is Level 2 eligible and earns at least the minimum number of points to qualify for Level 3 in a class, he/she will be sent two entry forms and invited to enter the World Show in both the Level 2 and Level 3 in that class.
    - In halter and cattle classes, if an exhibitor is ineligible as a Level 2 competitor, that exhibitor must only show that horse in Level 3.
    - In all other classes in the Open division, if the horse is ineligible to be a Level 2 competitor, he/she must be shown only in Level 3.
    - Level 2 classes DO NOT count towards Superhorse tabulation.
- 70% of the entry fee (not office, show, drug, grounds or cattle fees) will be added back to the class for which they are paid. 30% of the entry fee will be retained by AQHA to help cover the cost of hosting the show.
Level 2 information:
  o Level 2 is not available in the following classes:
    o Amateur boxing
    o Amateur jumping
    o Amateur pleasure driving
    o Amateur weanlings
    o Jumping
    o Pleasure driving
    o Progressive working hunter
    o Two-year-old pleasure
    o Weanlings
  o 3 judges in placed classes when held separately from the Level 3 prelims
  o Level 2 classes will have only one go round that will be considered a finals
  o Upon completion of Level 2 finals, Level 2 awards will be presented
  o ½ of the qualifying points of the corresponding Level 3 class are needed to qualify
  o ½ of the required entry fee of the corresponding level 3 class will be charged
  o 70% of entry money to jackpot, 30% of entry to awards and administration
  o If Level 2 eligible and qualify for Level 3, can enter both Levels (will be charged entry fees for each)
  o 10 placings and 5 finalists, 3 trophies and 2 buckles awarded
  o Top ten and 5 finalists placings will be put on horse’s permanent record; however, title will not reflect
    the placing as a world show placing (For example: first place in level 2 amateur western pleasure will
    read “Level 2 Champion” and give the show date)
  o No Level 2 shoot outs will be held
  o In the Open Division, after official draws have been posted, no exhibitor changes will be allowed
    that would result in a separate run from the original entry.
    o If the same exhibitor enters in Level 3 and Level 2 for a dual entry, the exhibitor cannot be
      changed to a different Level 3 and Level 2 rider that would cause separate rides in the work
      order.
    o If a dual entry exhibitor decides to change to a Level 3 only rider, his Level 2 entry will be
      scratched.
    o If two different exhibitors enter Level 3 and Level 2 on the same horse, the exhibitors can be
      changed on either entry but the horse will still compete in each working order in the original
      position.
  o Placed classes
    o Level 2, hunter under saddle, western pleasure, showmanship, horsemanship and equitation on
      the flat will run separate from the Level 3 prelims.
    o Working hunter and hunter hack – Level 3 will have a work order and run first followed
      immediately by Level 2 competitors with a different work order.
    o Showmanship – If the same horse is entered in both levels with the same exhibitor, the two levels
      will be held concurrently, with the Level 3 score rolling over and counted also as the Level 2
      score. If a horse is entered in Level 3 with one exhibitor and in Level 2 with a different
      exhibitor, that horse will work twice, once in the Level 3 work order and once at the end of the
      Level 2 work order.
  o Halter – Level 2 and Level 3 classes will be held concurrently. Both classes will be shown at one time.
    If an exhibitor is eligible, he/she may enter both levels but the horse will be shown only one time.
  o Team Penning and Ranch Sorting
    o Level 3 will have a work order and run first followed by Level 2 competitors with a different
      work order.
    o If a team wants to ride in Level 2, all team members must be Level 2 eligible.
Speed events (barrel racing, pole bending, stake race and breakaway roping)
1) Same horse entered in both levels ridden by same rider can roll over time or take two runs. **This must be declared at the time of entry.**
2) Horses entered only in Level 2 will have their own work order and run after the end of Level 3/Level 2 concurrent prelims.
3) If a horse is entered in Level 3 with one exhibitor and in Level 2 with a different exhibitor, that horse will work twice, once in the Level 3 work order and once during the Level 2 work order.

Scored Events (equitation over fences, cutting, working cow horse, boxing, tie-down roping, heading, heel ing, reining, western riding, trail, ranch riding)
1) Same horse entered in both levels ridden by same rider; Level 3 score will roll over and be counted for the Level 2 score for the Level 2 placings.
2) Horses entered only in Level 2 will have their own work order and work after the end of the Level 3 Level 2 concurrent prelims.
3) If a horse is entered in Level 3 with one exhibitor and in Level 2 with a different exhibitor, that horse will work twice, once in the Level 3 work order and once at the end of the Level 2 work order.

- Dual entries will show as part of the Level 3 work order, but his score will also count in the Level 2 part of the class; therefore, when the Level 2 work order is drawn, the dual entries will appear at the bottom of the Level 2 order with an asterisk but will not show again.
- If a horse is entered in both Level 3 and Level 2 and shown by the same exhibitor, that horse will be drawn in the Level 3 working order and only shown once. These dual entries will be depicted on the Level 3 work order with an asterisk.
- Dual entries will show as part of the Level 3 work order, but his score will also count in the Level 2 part of the class; therefore, when the Level 2 work order is drawn, the dual entries will appear at the bottom of the Level 2 order with an asterisk but will not show again.
- If a horse is entered in Level 3 with one exhibitor and in Level 2 with a different exhibitor, that horse will work twice, once in the Level 3 work order and once during the Level 2 only work order.
- If needed, Level 3 shootouts will occur after all Level 3/Level 2 concurrent entries have been shown.
  - Level 2 awards will be given after the L2 only section of the class.

- Only official AQHA records will be used as the basis to determine eligibility. All points considered for eligibility in this show must have been earned starting August 1, 2018, at AQHA-approved shows, and no points earned any AQHA-approved shows beginning August 1, 2019 or after that date, will be counted or considered for eligibility purposes.
- Points earned in Rookie/Level 1 classes will NOT count towards qualification, except Level 1 Open (horse) points count towards the minimum required to be eligible to compete in Performance Halter at the Lucas Oil World.
- Points earned at Introductory Shows and in EWD classes will NOT count towards qualification.
- Points earned by a youth from August 1<sup>st</sup> to December 31<sup>st</sup> in the year he/she turns 19 years of age will count toward Amateur qualification for the upcoming Amateur World Show. (This applies for youth who meet amateur eligibility/membership requirements as of January 1 after the youth turns 19 years of age.)
- In amateur competition, the invitation is for the same horse/exhibitor combination. Therefore, horses must be shown by the same exhibitor listed at the time of entry and that exhibitor must be eligible as the owner or a relation of the owner to show the horse in accordance with Rule SHW220 of the 2019 AQHA Official Handbook.
  - A current AQHA amateur membership is required of all amateur exhibitors and may be purchased at the time of entry for $65.
  - A current AQHA membership is also required of the horse’s owner and may be purchased at the time of entry.
  - For amateur weanling classes only, an immediate family member as outlined in Rule SHW220 may substitute as exhibitor.
- In open competition, the invitation is for the horse.
  - A current AQHA membership is required of all exhibitors in open classes and may be purchased at the time of entry for $55.
- A current AQHA membership is required of every horse owner and may be purchased at the time of entry for $55.
- Exhibitors’ names must be listed on the entry form along with their AQHA ID number showing current membership.
- Exhibitor changes may be made at the show, but proof of current membership will be required.
- In the open division, exhibitor changes must be made in the show office by **noon the day before the class**.

- Youth exhibitors, those that are 18 years old or under as of January 1 of the show year, are eligible to show horses in the open division.
  - If the youth is within three years of becoming old enough to be an Amateur (19 as of January 1), they will need to be cognizant of Rule SHW220.1 regarding ownership.
  - In halter, the exhibitor must be at least 9 years old as of January 1 of the show year.

- If the horse is a weanling, the ownership deadline is waived in both the Amateur and Open divisions, and the weanling can be sold after the entry deadline; however, the weanling must have been entered prior to the entry deadline. Ownership may change up to 24 hours prior to the class.

- No weanlings be shown at both the Select World and the Amateur division at the World Show in the same year, even with a different exhibitor. Payouts for weanlings will be sent to the owner at the time the class takes place.

- Ownership requirements are as follows:
  - If a lessee qualifies a horse for and intends to exhibit that horse at the 2019 Lucas Oil AQHA World, a showing lease must be in effect and on file with AQHA at the time the lessee (a) enters the horse into the World Show, and (b) exhibits the horse at the World Show. Should a showing lease expire prior to the above times, a new showing lease will be required.
  - The transfer of ownership of a horse to a non-family youth for participation in the AQHYA World and subsequent transfer back to (a) the previous owner; (b) a joint ID of the previous owner; (c) an “immediate family” member of the previous owner, or (d) an entity owned in whole or in part by the previous owner for an entry in the Adequan® Select World Show and/or AQHA World Championship Show held in the same calendar year is prohibited and will disqualify the horse from entry in that year’s Adequan® Select World Show and/or AQHA World Championship Show.
  - Further, horses cannot be transferred out of an ownership and then be shown in a different breed organization’s championship and/or world show and then transferred back into (a) the original owner’s name; (b) a joint ID of the original owner; (c) an “immediate family” member of the original owner, or (d) an entity owned in whole or in part by the original owner so as to be shown an AQHA world show in the same year.
  - An otherwise qualified entry for the Adequan® Select World Show or the AQHA World Championship Show will automatically be revoked if:
    I. Ownership of the qualified horse is transferred to a youth or other person not having a family relationship with the transferor as specified in the AQHA Official Handbook;
    II. The horse is actually exhibited at the Ford AQHYA World Championship Show occurring in the same calendar year as the Adequan® Select or AQHA World Championship Show; and
    III. The horse is transferred back to the former owner for entry in the Adequan® Select or AQHA World Championship Show held in the same calendar year. Although the horse will lose qualifying status for the Adequan® Select and AQHA World Championship Shows, points will not be revoked from the horse’s permanent record.
Level 3 State/Affiliate Invitees:
  o For each state/affiliate, an invitation in each class will be sent to the highest point-earning horse/exhibitor combination which did not earn the necessary points set by AQHA to qualify for that class, providing at least one-half the minimum required points have been earned. For calculating this, qualifying points required will first be rounded down to the nearest whole number. Example: If the class requires 14.5 points to qualify, that figure will be rounded down to 14. The highest point-earning horse/exhibitor combination qualifying must have earned at least 7 pts (one-half of 14) to be invited.
  o If the highest point-earning horse/exhibitor combination is tied, AQHA will invite all that are tied for first place in that class.
  o There will only be one invitation per state or affiliate per class, except in case of ties, even if the recipient(s) chooses not to enter the show.
  o Points must be earned during the qualifying period.
  o Points DO NOT have to be earned in the exhibitor’s state of residence. The points may be earned at any AQHA-approved show, excluding Introductory/Rookie/Level 1 and EWD classes or shows.
  o For classes to count toward all-around eligibility, the exhibitor/horse must have earned a national qualification in those classes. A class entered as an invitee will NOT count toward all-around tabulation.
  o Those exhibitors earning a state/affiliate invitation will not be called a world show qualifier neither will the horse’s record indicate he/she is a world show qualifier.

If no horse/exhibitor from Alaska, Hawaii and/or countries with a recognized international AQHA affiliate qualified by points in a specific Level 3 class, AQHA will invite the horse/exhibitor from that state or country which earned the highest number of qualifying points in that class, including ties. (For these cases, the requirement to earn one-half the minimum qualifying point level does not apply.)
  o The method for determining the highest point earning horse/exhibitor will be the horse/exhibitor earning the most qualifying points in each event at AQHA-approved shows within the respective state or country of the owner’s domicile during the qualifying period of June 1, 2019, through May 31, 2019.

Any International Exhibitor eligible to show at an AQHA World Show may extend their World Show invitation by one year to allow for travel and horse lease planning. For example, if an exhibitor qualifies for the 2019 Adequan® Select World, they may elect to show in either the 2019 or 2020 World Show. This applies to earned or invited qualifiers for all AQHA World Shows.
  ➢ The minimum eligibility points required in each class will be determined and adjusted annually.
  ➢ All 2019 World Champions, in amateur and open, will be invited to compete in the same class(es) at the 2019 World Championship Show.
    o Note: if the horse was a stallion when he won the world championship, he must enter this year’s world show as a stallion – he will NOT be invited back if he is now a gelding (unless he qualifies as a gelding acquiring the number of points set for geldings).
  ➢ The exhibitor in the amateur class(es) must be the owner at the time of invitation and a current AQHA amateur member.
  ➢ In halter, weanling world champions of 2018 will be invited as yearlings for 2019, yearlings as two-year-olds, etc.

Performance Halter:
  1. To be eligible to enter an Open Performance Halter class at the 2019 Lucas Oil AQHA World, the horse must meet the requirements in a., b. and c. below:
    a. earn the required number of points to qualify for Open Performance Halter at the Lucas Oil AQHA World OR show at twenty (20) shows in a performance halter class (shows will be counted by show numbers);
b. earn an Open Performance ROM during the qualifying year, or if ROM is earned prior to the qualifying period, earn at least ten (10) riding points in the open division during the qualifying period; and
c. qualify for, enter and compete in an L3 or L2 Open Performance class at the Lucas Oil AQHA World.

If for any reason the horse does not compete in an Open Performance class at the Lucas Oil AQHA World, the horse will be disqualified from the Open Performance Halter class at the Lucas Oil AQHA World and will NOT be counted as an entry in such class. Any awards won in the Open Performance Halter class must be relinquished. Entry fees are non-refundable.

2. For national qualifiers to be eligible to enter an Amateur Performance Halter class at the Lucas Oil AQHA World, an amateur/horse combination must meet the requirements in a., b. and c. below:
   a. earn the required number of points to qualify for Amateur Performance Halter at the Lucas Oil AQHA World OR show at ten (10) shows in a halter class (shows will be counted by show numbers on a one-horse/one-exhibitor basis);
   b. earn a performance ROM in open, amateur or youth division during the qualifying period, or if the ROM is earned prior to the qualifying period, earn at least ten (10) riding points in the open, amateur or youth divisions combined during the qualifying period (showmanship points DO NOT count in either the ROM or the ten (10) riding points, nor do Level 1 amateur, Level 1 youth points or points earned at Introductory shows; however, Level 1 points in the open division will count towards the riding points in open and/or amateur); and
c. qualify for, enter and compete in an L3 or L2 Amateur Performance class other than Showmanship at the Lucas Oil AQHA World.

If for any reason the horse does not show in an Amateur Performance class at the Lucas Oil AQHA World, the horse will be disqualified from the Amateur Performance Halter class at the Lucas Oil AQHA World and will NOT be counted as an entry in such class. Any awards won in the Amateur Performance Halter must be relinquished. Entry fees are non-refundable.

3. The exhibitor in the Amateur Performance class at the Lucas Oil AQHA World must be the same exhibitor that qualified the horse for the Amateur Performance class. Likewise, the exhibitor in the Amateur Performance Halter class at the Lucas Oil AQHA World must be the same exhibitor that qualified the horse for the Amateur Performance Halter class. However, it is not necessary for the exhibitor in the Amateur Performance class to be the same exhibitor in the Amateur Performance Halter class so long as the two different exhibitors are “immediate family members” as defined by AQHA Amateur eligibility rules.

4. For state/affiliate invites to be eligible to enter an Amateur Performance Halter class at the Lucas Oil AQHA World, an amateur/horse combination must meet the requirements in a., b. and c. below:
   a. earn at least half the points set as the minimum to qualify in order to be invited as a state/affiliate invitee in each particular class For example: if the minimum number of points set to qualify for Amateur Performance Geldings is 4, the invitee must have reached at least 2 points in order to be invited. Note: qualifying points will first be rounded down to the nearest whole number, and then one half of THAT number is required in to be invited. This program is operated by AQHA, not the affiliate, and exhibitors are invited based on the state in which they reside, not where they show.
   Once the qualifiers are run (around August 20th), AQHA will run the list of those that were top in their class but didn't qualify. Those invitations will be sent out around August 25. If the first place horse/exhibitor is tied, all of those ties for first will be invited.
AQHA will not go below the first place points even if the first place duo will not be attending.

b. earn a performance ROM in open, amateur or youth division during the qualifying period, or if the ROM is earned prior to the qualifying period, earn at least ten (10) riding points in the open, amateur or youth divisions combined during the qualifying period (showmanship points DO NOT count in either the ROM or the ten (10) riding points, nor do Level 1 amateur or youth points or points earned at Introductory shows; however, Level 1 points in the open division will count towards the riding points in open and/or amateur); and
c. qualify for, enter and compete in an Amateur Performance class other than Showmanship at the AQHA World Show.

If for any reason the horse does not show in an Amateur Performance class at the Lucas Oil AQHA World, the horse will be disqualified from the Amateur Performance Halter class at the AQHA World Show and will NOT be counted as an entry in such class. Any awards won in the Amateur Performance Halter must be relinquished. Entry fees are non-refundable.

- If a horse qualifies in both halter and performance halter, he/she may be exhibited in both classes.
- An Open exhibitor may show a maximum of four horses per class. That exhibitor can show all four horses in Level 3 or in Level 2 (if eligible) of that class – or, can show 3 horses in Level 3 and one in Level 2 – or, can show 2 horses in Level 3 and 2 in Level 2 (if eligible) – or, any combination thereof, so long as the exhibitor does not show more than four horses in a class.
- In team penning, ranch sorting and jumping, a rider can ride up to four horses, as these classes are all-age classes.
- An Amateur exhibitor may show a maximum of three horses per class. That exhibitor can show all 3 horses in Level 3 or in Level 2 (if eligible) of that class – or, can show 2 horses in Level 3 and one in Level 2 – or, can show 1 horse in Level 3 and 2 in Level 2 (if eligible) – or, any combination thereof, so long as the exhibitor does not show more than three horses in a class.
- If an Amateur and horse are Level 2 eligible and also earns at least the minimum number of points required to qualify for Level 3 in a class, that combination can enter BOTH the Level 2 and Level 3 portions of the class.
- If an Amateur exhibitor qualifies more than one horse in a non-individual working class, both horses can be entered, but one must be scratched prior to the start of the class.
- All horses not officially entered in the show, but assisting in cutting or team roping events, must be registered American Quarter Horses.
- Anyone with current AQHA membership may assist in amateur heading and/or heeling.
- For purposes of this subsection, the below terms shall have the following meanings:
  - “Amateur Qualifying Owner” = the record owner who owned the horse during the time that it qualified for the 2018 AQHA Amateur World Show.
  - “Open Qualifying Owner” = the record owner who owned the horse during the time that it qualified for the 2018 AQHA Open World Show.
VETERINARIANS

- “Family Member” = those individuals/entities as listed in Rule SHW220.

A horse/exhibitor combination (“Combination”) is ineligible to compete at the 2019 AQHA Amateur World Show if the horse is shown at the 2019 Youth World Championship Show while under the ownership of someone that is not a family member of the Amateur Qualifying Owner.

A horse is ineligible to compete at the 2019 AQHA Open World Show if:

1. The horse is shown at the 2019 Youth World Championship while under the ownership of someone that is not a family member of the Open Qualifying Owner; AND

2. The horse entered in the 2019 AQHA Open World Show is a horse that the Open Qualifying Owner is either the record owner or has an ownership interest in.

- Further, horses cannot be transferred out of an ownership and then be shown in a different breed organization’s championship and/or world show and then transferred back into the original owner’s name to be shown at an AQHA world show.

- The same horse/exhibitor combination is ineligible to compete in the same class(es) at the Adequan® Select World Show and the corresponding Level 3 Amateur class(es) at the Lucas Oil AQHA World; however, a horse/exhibitor combination may show in the same class at both the Adequan Select World Show and the corresponding Level 2 Amateur class at the Lucas Oil AQHA World.

- An AQHA World Championship Show judge may not judge a horse if:
  - he/she was the owner, trainer, agent in any capacity or conditioner of that horse within the previous three months;
  - he/she has received a salary, commission or any kind of remuneration for selling or buying a horse for the owner or exhibitor for the horse in question within the previous three months;
  - he/she, in any capacity and regardless of whether a horse was involved in the transaction, has been in the employ or has represented the owner or exhibitor of the horse in question within the previous three months.

  - All weanlings (and yearlings) must be registered and parentage-verified with AQHA by entry deadline September 16, 2019. NO EXCEPTIONS.
- As there are no official AQHA points for two-year-old western pleasure until July 1 of each year, this class will be considered open as far as point eligibility is concerned.

If you do not list a person to stall with, AQHA does not take responsibility for where your stall may be located.
- PLEASE NOTE: If a horse is entered in Level 2 and Level 3, the drug testing fee will be charged once in Amateur and once in Open – for example: Smokey is entered in Amateur Level 2 reining and in Amateur Level 3 reining, the drug testing fee will be charged ONCE. If Smokey is entered in Amateur Level 2 reining and OPEN Level 3 senior reining, the drug testing fee will be charged 2 times – once for Amateur and once for Open.

**ONE FREE BADGE PER HORSE WILL BE ISSUED – ONLY PAY FOR EXTRAS!**

- Obstacle Fee (Hunter Hack): $10 per entry
- Obstacle Fee (Trail/Over Fence classes): $25 per entry

*if the horse will be shown once in Level 3 by a rider and again in Level 2 by a different rider (separate work order), the cattle charge will be assessed two times as the horse will work two times; however, if a horse is ridden by one rider in both levels (once in the Level 3 work order), the cattle charge will be assessed once as the horse will work once.

**Ford Club Passes**: $75 per week (first week-Open week, November 1-9 – second week-Amateur week, November 10-17), $125 for full show, or $20 per day – the daily tickets can be bought at the show

**Grounds Fee**: $60 flat fee – If a stall is not ordered, this fee will automatically be charged.

- 70% of the entry fee (not office, show, drug, grounds or cattle fees) will be added back to the class for which they are paid. 30% of the entry fee will be retained by AQHA.
- Level 2 Fees:
  - Office Charge: $70 per class entry
  - Drug/Tail Testing Fee: $50 per horse (unless the horse is also shown in Level 3 in the same class – then the drug test fee will be paid once on the Level 3 entry
  - Open and Amateur Entry Fees: half the Level 3 entry fee of corresponding class.
  - Cattle Charge: will be charged each time the horse is put on cattle (for example: if a rider chooses to show in Level 3 and Level 2 heading, he will ride only once so will be charged one cattle fee. However, if an owner wants his horse ridden in Level 3 heading by his trainer and then the owner will ride the horse in Level 2 heading, he will be charged two cattle charges as the horse will work twice)

- Weanlings and Two-Year-Old Western Pleasure will be held as Level 3 only.
- Entries should be mailed to: World Championship Show, 1600 Quarter Horse Drive, Amarillo, TX 79104. They can also be faxed to (806) 349-6412 or e-mailed to worldshow@aqha.org; however, if faxed or e-mailed, do NOT mail in originals.

SUBSTITUTIONS
- If an amateur exhibitor’s horse should die that is nationally qualified in showmanship, western horsemanship, hunt seat equitation or equitation over fences, the amateur may substitute another horse for a deceased horse so long as the following elements are met:
  1.) Original entry must have been received by AQHA prior to September 16, 2019;
  2.) Review of AQHA official records prior to the class in question reflect that the substitute horse meets applicable amateur ownership requirements; and
  3.) The amateur exhibitor submits the following documentation for AQHA’s receipt at least one hour prior to the class in question:
     (a) Written statement reporting the death of the deceased horse;
     (b) Original registration certificate of the deceased horse to be properly marked and returned by AQHA; and
     (c) Completed Amateur World Show entry form (no additional fees required) reflecting the substitution of the substitute horse for the deceased horse.
  4.) All of the items referenced above must be verified at least one hour prior to the class in question.
- Amateur exhibitors who nationally qualify in classes other than those referenced immediately above may substitute another horse for a deceased horse so long as the following elements are met:
  1.) Review of AQHA official records on September 16, 2019 reflect that the substitute horse meets applicable amateur ownership requirements; and
  2.) The amateur exhibitor submits the following documentation for AQHA’s receipt on or before September 16, 2019;
     (a) Written statement reporting the death of the deceased horse;
     (b) Original registration certificate of the deceased horse to be properly marked and returned by AQHA; and
     (c) Completed Amateur World Show entry form for the substitute horse.
- For amateur weanling classes only, an immediate family member, as outlined in SHW220, may substitute as exhibitor.

TEAM PENNING/RANCH SORTING ENTRIES/ALTERNATES
- All entries in open and amateur team penning and ranch sorting must list the other team member(s) at the time of entry, along with horse’s name and registration number.
- Amateur exhibitors may not have been rated as a #7 or above in the Ranch Sorting National Championships or a #7 in the United States Team Penning Association as of January 1, 2019.
All team members in Level 2 team penning and ranch sorting classes must be Level 2 eligible.
  o Each team will be considered one entry and rules referring to entries in this handbook refer to a team (i.e. calculation of points toward Superhorse, All-Around Amateur, etc.). However, with regard to distribution and awarding of sponsor added monies and purses, calculation will be made on an individual entry basis.

Any number of team penning and ranch sorting alternates may be named at the time of entry; however, the alternate must consist of a qualified horse in open competition, and horse and rider in amateur competition.
  o Alternates must be put into the show at least one hour prior to start of the class.
  o Alternates must pay the $100 entry fee at the show, and such fee will not be added to the purse.

Absolutely no changes or additions in alternate horse/riders listed in team penning or ranch sorting will be allowed after the entry deadline, September 16, 2019.

CANCELLATIONS/REFUNDS

A full refund will only be given if requested prior to the entry deadline. A partial refund may be considered if a horse becomes severely injured, disabled or deceased, but only if requested a minimum of two weeks prior to the start of competition. Documentation from an AAEP-approved veterinarian stating the severity of the debilitating injury or illness is required. Stall, drug, obstacle and entry fees will be refunded; however, office fees and cattle charges will be not be refunded. Illness, accidents or other incidents concerning people will not be eligible for refund.

DRAW PROCEDURES FOR LEVEL 3 AND LEVEL 2 CLASSES

Each weanling class will have a working order according to each weanling’s age, with the youngest showing first and oldest showing last.

In the open division, exhibitor changes must be made by 5 p.m. the day before the class, and working orders will be posted the night before the class.

Drawings for working order positions (“positions”) for Lucas Oil World preliminary and final classes shall be conducted in accordance with the below procedures. The below procedures do not otherwise alter or amend the rules and regulations contained in the AQHA Official Handbook of Rules and Regulations. World show management’s decisions regarding the drawings shall be final.

  o Draws for preliminary and finals classes shall be conducted by a computer program designed to randomly draw positions. All preliminary draws will be conducted prior to the Lucas Oil World and posted on AQHA’s Web site and at the show grounds prior to the classes. Working orders for finals classes will be posted as soon as reasonably possible prior to the classes being held.
  o For purposes of the draw procedures listed below, a “multiple horse exhibitor or MHE” is an exhibitor that is listed to show more than one entry in the same class.
  o Draw Procedures for individually worked classes

    ➢ A working order for a class will be drawn, and redrawn if necessary, until the random computer program produces a working order that spaces at least four runs by other exhibitors (three runs by other exhibitors in the case of finals) between MHE working order positions. We will attempt to have ten runs in between an exhibitor that has multiple horses in a class in the prelims and five between multiples in the finals. However, depending on the number of times an exhibitor is listed, this attempt may fail and AQHA reserves the right to use the original number of spaces between runs at four in the prelims and three in the finals.

Example 1: If an MHE is listed to show two entries in a preliminary class having 16 or more entries, and the random computer program produces a working order that lists the MHE positions #1 and #6, then such working order shall be final and posted.
Example 2: If an MHE is listed to show two entries in a preliminary class having 16 or more entries, and the random computer program produces a working order that lists the MHE in positions #1 and #5, the working order will be redrawn until the random computer program produces a working order that results in at least four runs by other exhibitors in between the MHE’s working order positions.

Example 3: If an MHE is listed to show two entries in a finals class having 15 entries, and the random computer program produces a working order that lists the MHE in positions #1 and #5, then working order shall be final and posted.

- If possible, a random draw will be made to allow more than the usual four between runs; however, AQHA reserves the right to continue the four spaces between runs. (Note that if a preliminary class has 15 or less entries, such class will simply be held as a finals class due to the low number of entries.)

- If it is mathematically impossible to achieve the spacing described above, a working order for a class will be drawn, and redrawn if necessary, until the random computer program produces a working order that spaces at least three runs (two in the case of finals) between MHE working order positions.

- The above process, and, if necessary, the gradual reduction of spacing “goals” between MHE positions (i.e., for preliminary classes begin with “goal” of four spaces, then three, then two, then one) will continue unless and until it is mathematically impossible for MHE positions to be separated by another exhibitor’s run.

- Notwithstanding the fact that it may be mathematically possible, if, after repeated attempts, the random computer program does not produce a working order for a particular class in accordance with above, world show management, in the interest of time, has sole discretion to discontinue its draw attempts for that particular class and accept any randomly produced working order – even if such working order places an MHE in back-to-back positions.

In short, while world show management will make repeated attempts to achieve spacing “goals” for MHE’s via the random computer drawings, the above draw procedures are not meant to guarantee nor do they entitle an MHE to a working order that does not result in back-to-back positions.

- If exhibitor changes are made after a draw is completed, the new exhibitor will show in the place of the original exhibitor entered regardless if such exhibitor change results in the new exhibitor having to show within close proximity of other positions, if any, previously drawn for the new exhibitor. For finals classes, exhibitor changes will be allowed only if:
  1. the original exhibitor is unable to compete due to verified injury or is unable to compete due to emergency circumstances beyond the exhibitor’s control (e.g., death in the family), and
  2. World show management, in its sole discretion, allows such change. Exhibitor changes are strongly discouraged and allowances will only be considered in extraordinary circumstances as set forth above. Even if extraordinary circumstances exist, world show management, again, in its sole discretion, may deny a request for an exhibitor change.

- Draw Procedures for Group Classes:
  Regardless of whether an exhibitor is listed to show multiple horses in group classes, no attempt will be made to space any particular number of runs between the positions drawn for such multiple entries as an exhibitor may only show one horse in a group class.

- Draw Procedures for Cutting Classes:
  In accordance with NCHA procedures, for all Cutting classes, exhibitors will compete exactly as drawn in the working order, even if the same exhibitor draws back-to-back positions.
If a horse is entered in both Level 3 and Level 2 and shown by the same exhibitor, that horse will be drawn in the Level 3 working order and only shown once. These dual entries will run concurrently and be depicted on the Level 3 work order with an asterisk.

- Dual entries will show as part of the Level 3 work order, but the score will also count in the Level 2 section of the class; therefore, when the Level 2 work order is drawn, the dual entries will appear at the bottom of the Level 2 order with an asterisk but will not show again.
- If a horse is entered in Level 3 with one rider and in Level 2 with a different rider, that horse will work twice, once in the Level 3 work order and once in the Level 2 work order.
- If needed, shootouts will occur after all Level 3/Level 2 concurrent entries, and after any shootouts; awards will be given upon completion of Level 2.

ARRIVAL/HEALTH REQUIREMENTS

- The Oklahoma State Fairgrounds will receive horses entered in the show on Wednesday, November 6, 2019, beginning at 8 a.m. POSITIVELY NO HORSES WILL BE STALLED NOR PERSONS ALLOWED ON THE GROUNDS BEFORE THIS TIME.
- Oklahoma state law requires all horses to have an approved, official health certificate issued within 30 days of the show by a licensed, accredited veterinarian, showing positive identification of the horse, as well as all vaccinations.
  - An official equine passport issued from Alabama, Florida, Georgia, Kentucky, North Carolina, South Carolina, Tennessee, Virginia, West Virginia, Oklahoma, Texas, Arkansas, Louisiana or Mississippi may be used as fulfilling health requirements.
  - A VEE vaccination is not required, but if vaccinated, such should be indicated on the health certificate and must not have been vaccinated within 14 days of the Show.
  - A health certificate must accompany all horses showing a negative Coggins test for Equine Infectious Anemia issued within 12 months of movement; except weanlings six months of age or younger must have a current negative Coggins test. The health certificate applies to all horses over 12 months of age, including those within the state of Oklahoma and must contain the breed and age of the horse.
- All health papers and Coggins results should indicate the horse’s registered name.
- The health papers, Coggins results and copies of original registration certificates can be provided digitally.
- Horses affected by or having been exposed to any contagious disease during the 30 days preceding the World Show will be excluded from the grounds.
- All horses (whether entered or not) and livestock that enter the grounds are subject to examination by AQHA officials/designated representatives and/or state officials (collectively “officials”) for determining whether such animals are, have been infected/exposed, or are likely to be infected with an infectious or contagious disease. If after such examination, officials have reason to believe that an animal’s health condition places other animals at risk, such officials, at their sole discretion, may quarantine such animal (and others that may have been infected/exposed) or, if appropriate, require that such animals be transported off the grounds. All participants (defined below) agree to fully cooperate with the officials and abide by their decisions/instructions, failing to do so shall be grounds for the participant’s immediate expulsion from the grounds, disciplinary action by AQHA and/or possible action by local/state/federal officials/agencies.
- In case of outbreak of any contagious or infectious disease among the horses, neither AQHA, The American Quarter Horse Journal, Lucas Oil, Adequan®, B & W Trailer Hitches, Bank of America, Boehringer Ingelheim, Cripple Creek, Ford, John Deere, Justin Boot Company, Markel Insurance, Nutrena, SmartPak, Wrangler, Zoetis, 6666 Ranches, Shorty’s Caboy Hattery, Elite Stall Mats, the State Fair of Oklahoma, Kiser Arena Specialists, nor the Oklahoma City Chamber of Commerce and Convention and Tourism Bureau will be liable for any damage or loss that may occur to any person or horse.
This show will follow all regulations of the Horse Protection Act of 1970, Public Law 91-540 or as amended.

Upon entry, every exhibitor, owner, trainer, person in care, custody or control of a horse, and all other World Show participants (collectively “Participants”) accept the facility and grounds, including but not limited to, the arenas, barns, stalls and alleyways on an “as is” basis.

All Participants agree to obey the decisions/instructions of (1) AQHA representatives; (2) Oklahoma State Fairground officials; and (3) local, state and federal officials.

**Every exhibitor, owner, trainer, and person in care, custody or control of a horse is strongly encouraged to vaccinate for Equine Influenza Virus (EIV) and Equine Herpesvirus (EHV) / rhinopneumonitis within 6 months of the Lucas Oil World. Vaccines should be administered by or under a veterinarian’s direction per the manufacturer’s recommendations. These steps can help prevent equine influenza and EHV-1 spread among commingling competition horses. Go to [https://www.zoetisus.com/products/horses](https://www.zoetisus.com/products/horses) for more information.**

**LIABILITY/RISKS**

Participants agree that they understand the nature of World Show participation and attendance activities (“Activities”) and that the Activities include, but are not limited to, “inherent risks of equine activities” that may result in property damage and bodily injury, including, but not limited to, permanent disability, paralysis, and death (collectively “risks”); that such risks may be caused by participant’s own action or inaction, the action or inaction of others participating in the activities, the condition of the premises at which the activities take place, and/or the negligence of the “releasees” named below.

Participants understand that “inherent risk of equine activities” means dangers or conditions that are an integral part of equine activities, including, but not limited to, any of the following: (a) the propensity of an equine to behave in ways that may result in injury or loss to persons on or around the equine; (b) the unpredictability of an equine’s reaction to sounds, sudden movements, unfamiliar objects, persons, or other animals; (c) hazards, including, but not limited to, surface or subsurface conditions; (d) a collision with another equine, another animal, a person, or an object; and (e) the potential of an equine activity participant to act in a negligent manner that may contribute to injury or loss to the person of the participant or to other persons, including, but not limited to, failing to maintain control over an equine or failing to act within the ability of the participant.

A PARTICIPANT FULLY ACCEPTS AND ASSUMES ALL SUCH RISKS AND ALL RESPONSIBILITY FOR LOSSES, COSTS, AND DAMAGES PARTICIPANT INCURS AS A RESULT OF PARTICIPANT’S PARTICIPATION IN THE ACTIVITIES. PARTICIPANT HEREBY RELEASES, DISCHARGES, AND COVENANTS NOT TO SUE AQHA, AQHA CORPORATE PARTNERS, OKLAHOMA STATE FAIR, CITY OF OKLAHOMA CITY, OKLAHOMA CITY FAIRGROUNDS TRUST, OKLAHOMA CITY PUBLIC PROPERTY AUTHORITY OR THEIR RESPECTIVE ADMINISTRATORS, DIRECTORS, AGENTS, OFFICERS, MEMBERS, VOLUNTEERS, AND EMPLOYEES, AND, IF APPLICABLE, OWNER AND LESSORS OF PREMISES ON WHICH THE ACTIVITIES TAKE PLACE, (EACH CONSIDERED ONE OF THE “RELEASEES” HEREIN) FROM ALL LIABILITY, CLAIMS, DEMANDS, LOSSES, OR DAMAGES WHENEVER OR HOWEVER ARISING AS TO INJURY, DEATH AND/OR PROPERTY DAMAGE OCCURRING AS A RESULT OF PARTICIPANT’S PARTICIPATION IN THE ACTIVITIES OR CAUSED OR ALLEGED TO BE CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE OF THE RELEASEES OR OTHERWISE.

A participant agrees to indemnify, hold harmless and defend releasees from any and all liability, whenever or however arising, from all third party claims, demands, causes of action, suits, judgments, liabilities, costs and expenses of any nature arising out of (i) participant’s negligent act(s) or omissions during or related in any way to the Activities; and/or (ii) Participant’s willful act(s) or omission(s) during or related in any way to the Activities.
STALLING

Stalling at the Oklahoma State Fairgrounds is optional. However, if you plan to stall your horse on the fairgrounds at any time during the Lucas Oil AQHA World, you must purchase a stall at time of entry. No stalls will be sold after entries close September 16, 2019, except to those sold with late entries paying the late fee or those extra stalls that may be available. AQHA will allow horses not entered in the show to stall on the grounds. After all horses entered in the world show and any ancillary classes are stalled, if space is available, you may purchase stalls for horses you may have with you that are not entered. The cost will be $200 per stall, regardless of how long the stall will be used, and all extra stalls will be located in Barn 5. You can use the blank form sent in your qualifying packets and return them to AQHA with your entries, or turn them in at the time of the show in the horse show office.

- Stalls will be assigned by a draw according to barn, with the following price schedule:
  - Super Barn & Barn 4 - $350
  - Barns 6 & 8 - $250
  - Barn 9 - $40 per day to a maximum of $200
  - Barn 5 - $40 per day to a maximum of $160 (wired stalls) (stalls purchased for horses not entered in the show or ancillary classes will also be stalled in this barn)
  - Haul-in fee – $60 flat fee no matter how many times you come on to the grounds. If no stall is purchased, the haul-in fee will be charged.

- If you wish to stall with someone, you will be required to name that person on your stall form. If you are in a group, choose one person whose name everyone in the group will list as the “stall with” person. Trainers can send in a list of people they approve to stall with them. If you do not list a person to stall with, AQHA does not take responsibility for where your stall may be located.

- Stalling procedure is as follows:
  - After close of entry, on September 16, 2019, stall forms will be sorted by area requested.
  - Individuals who donated time and horses used in the previous year’s AQHA, AQHYA World Championship Judging Contest, Judges Qualifying Exam and Collegiate Horsemanship Championship will receive stalling area preference.
  - A random draw will then be held until all stalls in an area are assigned. If there are more requests for an area than stalls available, the excess will then be rerouted to the random draw. The price difference in assigned stalls versus requested stalls will be refunded.
  - Stall assignments cannot be changed under any circumstances.
  - AQHA will not be responsible for stalls not being assigned together if each entry blank is not completed correctly or does not indicate correctly where and with whom the horse is to be stalled.
  - Stalls are assigned and prices assessed for the duration of the Show in the Super Barn, Barn 4, Barn 6 and Barn 8. Stalls are assigned by consecutive days in Barns 5 and 9. Horses remaining in stalls before or after the assigned days in Barns 5 and 9 will be impounded and subject to a $250 fine. Should you require extra days in Barns 5 and 9, you will be assigned different stalls and if horses are moved, you will be responsible for any shavings, tack or lost items. Further, world show management shall have the authority to move horses, tack, etc., in wrong stalls or staying after the “date out” listed on the stall contract. The owner or “stall with” person is responsible for all costs incurred with moving horses.
IF STALL CURTAINS ARE USED ACROSS AN ALLEY, THEY MUST BE TIED BACK AND REMAIN OPEN FOR PASSAGE THROUGH. THERE WILL BE NO EXCEPTIONS.

- Stall decorations may not extend more than three feet into the alley.
- **NOTE:** Stall decorations may be constructed any time until the first day of competition.

The World Show will provide large, portable containers for the disposal of manure and trash. These containers will be located throughout the building at all times. Bedding or manure must be put into the containers. Help keep our buildings clean.

Release – exhibitors must obtain a release from the stall office to transport horses off the grounds. Hourly passes for riding off grounds must be obtained from the check-in station.

**AQHA WORLD SHOW IV BAG RULE**

AQHA’s World Championship Shows mark the highest point of competition for American Quarter Horses competing in their respective events. Additionally, AQHA’s World Shows annually attract tens of thousands of visitors, as well as corporate and community sponsors who look forward to touring the stall areas and seeing the world’s most premier equine athletes. As such, in order to preserve the integrity of the show and the public’s positive perception of same, some hard and fast rules must be imposed as they relate to all disciplines. Toward that end, AQHA has adopted the following policy regarding the intravenous use of fluids that has become almost commonplace in the stall area of many shows.

In short, we want to encourage people to tour the barn area as well as enjoy the competition itself. Our goal is that people leave with a long, lasting positive memory of horses that are happy, healthy, well-cared for and perfectly capable of competing at the event. IV bags hanging in stalls do not give this impression. We appreciate your help and understanding on this matter.

The following rules apply with respect to the administration of any fluids and/or medications to a horse on World Show grounds via IV bags:

1. IV administration must be for the legitimate treatment of illness or injury.
2. IVs may only be administered in a specific stall area designated by AQHA. The IV may not be administered in any other area on the show grounds including, but not limited to, rented stalls, barns, trailers, etc…The only exception to this rule shall be IV administration to a horse that, because of a legitimate illness or injury, is unable to be led to the specific stall area designated by AQHA (note: see #4 below).
3. The IV must be administered by a veterinarian who is licensed to practice veterinary medicine in the State of Oklahoma. If the person in the care, custody and control of a horse (“Authorized Party”) desires the AQHA World Show veterinarian to administer the IV, the Authorized Party shall be required to sign a general release and waiver of liability releasing AQHA and the World Show veterinarian from any liability associated with the IV administration.
4. With respect to any IV administration on World Show grounds (see #2 above), a written IV Administration Report available from AQHA or show management must be completed in its entirety and filed with the AQHA World Show veterinarian who shall acknowledge receipt by his/her signature and date. Such report must include:
   a. Diagnosis of illness/injury, reason for administration, and name of administering and/or prescribing veterinarian;
   b. Identification of the fluid and/or medication (the name, amount, strength/concentration);
   c. Date and approximate time of anticipated IV administration;
   d. Identification of the horse: name, age, sex, color and entry number;
(e) Signature of veterinarian to administer the medication; and
(f) Signature of veterinarian prescribing the IV administration. If by prescription, a copy of
the prescription must be attached to the IV Administration Report.

(5) If the AQHA World Show veterinarian, in his/her sole discretion, determines that a proposed IV
administration is not for the legitimate treatment of illness or injury, the horse may still receive
the IV administration in the specific areas referenced in #2 above. However, should an IV be
administered in such case, the horse must be withdrawn from any classes to occur within 24
hours of the IV administration.

(6) Failure to abide by these rules shall subject a responsible party, as defined by AQHA rules and
regulations, to disciplinary action including but not limited to requirement that the responsible party
immediately remove the horse in question from show grounds.

(7) The above rules are in addition to AQHA’s drug rules contained in the AQHA Official Handbook
of Rules & Regulations which also must be strictly adhered to.

- An Amateur exhibitor may show a maximum of three horses per class. That exhibitor can show all 3 horses in Level 3 or in Level 2 (if eligible) of that class – or, can show 2 horses in Level 3 and one
in Level 2 – or, can show 1 horse in Level 3 and 2 in Level 2 (if eligible) – or, any combination thereof, so long as the exhibitor does not show more than three horses in a class. If an Amateur and horse are Level 2 eligible and also earns at least the minimum number of points required to qualify for Level 3 in a class, that combination can enter BOTH the Level 2 and Level 3 portions of the class.

- Working orders will be posted for all classes, including non-individual working classes, such as halter, western pleasure, hunter under saddle and pleasure driving, and all exhibitors must enter the arena at the direction of show officials in the drawn order.
- The American Quarter Horse Association and world show management reserve the right to change the order of classes before or during the Show. It is the responsibility of the exhibitor to be aware of changes and check the show office for changes.
- When an exhibitor or horse is disqualified from showing by management or by officials of the World Show, that decision is final.
- Announcements regarding the progress of the preceding class will be given over the PA system in the stall areas.
- Show management shall exclude horses from competition should there be any unnecessary delay on the part of the exhibitor in bringing the horse into the ring.
- In the event a horse is excluded from competition, all entry fees and charges will be forfeited without liability to the AQHA World Championship Show.
- Any horse not matching its registration certificate may be prohibited from participation without recourse of any nature.
- No one, other than contestants in the class and show officials, will be allowed in the arena or in the lower alleyway during the judging except herd holders and turn back men in cutting.
- An entry number will be assigned to every horse by the show secretary that must be worn according to the following positions in each class. Any horse entering the arena without a number will be disqualified.
- If a horse enters the arena without a back number placed in the proper position for that class, that entry will be disqualified. The proper placement of the back numbers is defined below:
  - In halter and showmanship, the correct number must be worn on the exhibitor’s back.
  - In western performance classes and English classes on the flat, each exhibitor will have two numbers assigned which must be placed on each side of the saddle or saddle pad.
  - In jumping, working hunter, equitation over fences and hunter hack classes, it is optional to wear the correct number on the back or on each side of the saddle or saddle pad.
  - In pleasure driving, the correct number must be placed on each side or the back of the cart.
- In the finals of western riding, trail and ranch riding, the score will not be announced until the end of the class.
- Level 2 recognition:
  - The aim of the AQHA leveling program is to level the playing field, with the overall goal being to get more new people involved in showing their American Quarter Horses and drive the showing market in a strong direction.
  - Levels are formulated from an objective handicapping system that assigns exhibitors and horses to competition levels. That handicapping system is based on real data from AQHA shows.
  - Level point ranges are designed to group horses and riders with their peers of similar experience and points earned.
  - Classes are leveled by class and based on exhibitor or horse records. Level eligibility is based on both points and awards earned.
  - Classes leveled by exhibitor record: youth, amateur select amateur, halter and cattle classes.
  - Classes leveled by horse record: open division classes (excluding halter and cattle events).
  - At the 2019 Lucas Oil AQHA World, there will be no Level 2 classes offered for amateur boxing, open/amateur jumping, open/amateur pleasure driving, open/amateur weanlings, two-year-old western pleasure and progressive working hunter.
Level 2 eligibility will be determined by the exhibitor/horse’s show record over the last three years. Keep in mind all amateur classes, as well as open halter and cattle classes, are leveled by the exhibitor record. All other open classes are leveled by the horse’s record. Note: Additional criteria exist (beyond those used at all other shows) to determine exhibitor eligibility in open Level 2 classes for the Adequan® Level 2 Championships.

- Points earned in AQHA-approved classes (exhibitors placing in approximately the top 2 percent in horse-based leveled classes will not be eligible as Level 2 competitors)
- Exhibitors having earned a world or reserve world championship in the specific class in the last three years
- Alliance partner guidelines and monies earned by exhibitors and by class.

Horses placing in the top two in the Level 3 classes at the Open World Shows are not eligible for Level 2 for the subsequent three years in that class, regardless of points earned in the past three years.

- Any exhibitor or rider who refuses to obey the requests of the judge, ring steward, equipment judge or any world show official is automatically barred from further competition and forfeits all previous winnings, together with entry fees and other charges.
  - At the discretion of the show management and/or the World Show Committee, the offending individual and his entire exhibit may be removed from the grounds.
- When an exhibitor or horse is disqualified from showing by the management or by officials of the Lucas Oil AQHA World, the decision is final.
- Once the horse is shown in a go-round of a class at the Lucas Oil AQHA World, it must be shown by the same exhibitor for the remainder of that class, except as outlined in the draw procedures portion of this booklet.
- Any horse qualified for the finals may only be excused from said finals by show management or the official show veterinarian and will be subject to drug and tail testing. Failure to comply will result in possible disciplinary action.
- Any horse scratched from finals will be considered a finalist and eligible for any prizes and the notation will be added on the horse’s record.
- If a horse is disqualified or receives a no time in the finals or scratches before the finals due to lameness, he/she will still be considered a finalist and eligible for awards. In the finals, if a horse is excused due to lameness, he/she will not be considered a finalist and will not be eligible for awards.
- Horses placing first through tenth in the finals will receive the top ten awards and the achievement will be recorded on the horse’s record. All remaining placings in the class will be considered as finalists, and such will be recorded on the horse’s record. If a horse is disqualified or receives a no time in the finals (unless excused due to lameness, abuse or unsportsmanlike conduct), it will still be considered a finalist and eligible for awards.
  - In scored and placed classes, all horses enter the finals with a clean slate. No score or placing is carried over from the preliminaries. A qualified run must be made in the finals for the horse to be eligible for a top ten placing. A score of zero or a disqualification will still be considered a finalist.
  - In barrel racing, pole bending and stakes race, all horses enter the finals with a clean slate. No times are carried over from the preliminaries. An official time must be made in the finals for the horse to be eligible for a top ten placing. A no-time or a disqualification will still be considered a finalist.
  - In team penning and ranch sorting, the preliminary and finals times and number of cattle will be added together for the final placing. If a team receives a no time in the finals, the preliminary time and number of cattle will be used to determine the final placing. Any team...
that pens or sorts (receives a time) in both the preliminaries and finals will place above any team that only pens or sorts (receives a time) in the preliminaries. In breakaway roping, only the time received in the finals will be used to determine the final placing. To place in the top ten, a horse must receive a time in the finals. All others receiving a no time in the finals will be considered a finalist.

Level 3 classes only:
- ALL TIES FOR 15TH PLACE IN TIMED, SCORED AND PLACED EVENTS WILL ADVANCE TO THE FINALS.
- Shootouts:
  - In Level 3 scored classes with 65-74 entries, the top 15 scoring horses (plus ties) in the prelims will advance to the finals. Immediately following the preliminary round, there will be a “shootout” competition for the next 10 highest scoring horses (including ties). These 10 will perform again and the top five scoring horses (ties will be broken) from the shootout round will also advance to the finals.
  - In Level 3 scored classes with 75 – 99 entries, the top 15 scoring horses (plus ties) in the prelims will advance to the finals. Immediately following the preliminary round, there will be a “shootout” competition for the next 15 highest scoring horses (including ties). These 15 will perform again and the top five scoring horses (ties will be broken) from the shootout round will also advance to the finals.
  - In Level 3 scored classes with 100 and more entries, the top 15 scoring horses (plus ties) in the prelims will advance to the finals. Immediately following the preliminary round, there will be a “shootout” competition for the next 20 highest scoring horses (including ties). These 20 will perform again and the top five scoring horses (ties will be broken) from the shootout round will also advance to the finals.
  - SHOOTOUT TIE-BREAKER SYSTEM: Only five horses from each shootout will advance to the respective finals. Ties will be broken by totaling all five judges’ scores. If the horses are still tied, then ties will be broken by the tie-breaker judge. Judge #1 is the first tie breaker. If judge #1 scored the tied horses alike, then judge #2 becomes the tie breaker. If judge #2 scored the tied horses alike, then judge #3 becomes the tie breaker and so on until a judge is found that did not score the tied horses alike.
  - In Level 3 classes showmanship, horsemanship and hunt seat equitation, if the class has more than 100 entries, the class will be split in half and the top 15 exhibitors (plus ties) from each section will be taken to a semi-final. These 30 exhibitors (plus ties) will immediately perform the pattern again. In showmanship, the top 15 (plus ties) from the semi-final will advance to the finals. In horsemanship and hunt seat equitation, the top 20 (plus ties) will advance to do railwork. From the railwork, the top 15 (plus ties) will advance to the finals.

Entry minimum: All halter classes and senior performance classes will be held regardless of the number of horses qualified and entered by the entry deadline of the show, September 16, 2019.
- If a junior class does not have a minimum of five (5) horses qualified and five (5) or more paid entries by the entry deadline of the show, September 16, 2019, such class shall be cancelled.
  - However, the entries which are paid will have the opportunity to compete in the senior division of the class to compose an all-age class.
- A go-round will be held in all classes with more than 15 entries.
  - To compete in the finals, entries must compete and qualify in the go-round.
  - Any entry disqualified in the go-round cannot advance to the finals.
  - The placing received in the go-round could have an effect in breaking ties in the finals.
- If 15 entries or less are entered in a particular class, there will not be a go-round and only the final performance will be held.
  - In pleasure driving, if 12 or less entries are received, there will not be a go-round and only the finals performance will be held.
Championship Finals for performance events:

- The top 15 placings, including ties and additional entries from the shootout, in each performance event will participate in the championship finals, except in pleasure driving, where the top 12 horses in amateur and open shall participate in the championship finals.

DRUG TESTING/TAILS/PROHIBITED APPLIANCES

- All horses are subject to examination, drug and tail testing under the provisions of Rule VIO330 and VIO400 of AQHA’s Official Handbook.
- Rule VIO330 states: “For the purpose of this rule, normal tail function is defined as “being able to raise the tail to or above the horizontal plane.” A horse’s inability to raise its tail to or above the horizontal plane in response to a tail test conducted on-site by an AQHA-approved veterinarian shall be considered a violation of this rule.”
- Belly bands are prohibited.
- Weighted tails are legal.
- Any use of artificial appliances is prohibited; however, the use of earplugs or cotton in the horse’s ears is acceptable.

ATTIRE/LOGOS

- AQHA rules cover the required apparel for each class; however, this is a world class event that will receive worldwide publicity. Therefore, exhibitors are urged to be neat and clean at all times.
- Anyone assisting the contestants in the arena (except amateur members) may display up to four sponsor logos (any company) on equipment and apparel, etc., provided the following size restrictions are met;
  - 1) Logos on any attire or equipment may not exceed a maximum of 2 in. X 3 in, or 6 square inches
  - 2) Pocket emblems and apparel manufacturer logos on clothing for sale “off the rack” may not exceed 1 in. X 2 in or 2 square inches
  - 3) Anyone violating these guidelines will be disqualified from the competition and/or fined a maximum of $500.
- Endorsements by current AQHA Corporate Partners are exempt from the size requirements
- Non-AQHA corporate partner logos, larger than the specs listed above, may NOT be worn in the arena during competition. No logo may be covered with any sort of tape, cloth, etc., to circumvent these rules for any reason.

IMPORTANT PAYOUT INFORMATION

Please be advised that if you earn money premiums, the United States Internal Revenue Service regulations require we withhold 28% of those earnings unless AQHA has a current W9 form on file.

The W9 form must be completed using the OWNER’s name and social security or tax number. The actual earnings will always be issued to the owner of the horse, so the IRS requires us to have the information for the owner (not the trainer, not the owner’s parents, etc. For example: if a horse is owned by John Doe Ranches, the W9 must list that entity in the name area and then the tax ID # or social security number of the authorized signer for that ownership).

If you have not turned in a W9 in the horse owner’s name to AQHA, we need you to print the form below and complete it* and bring the form to the show office during the World Show, or return to the AQHA offices no later than Friday, December 7, 2019 to the attention of Heidi Lane, or you can e-mail the completed form to worldshow@aqha.org or fax to (806) 349-6412.

*If the horse is a weanling and is sold after the entry deadline, be sure to provide the SSN/tax number of the owner at the time of the weanling’s class.

GENERAL JUDGING/MONITORING PROCEDURES
- All events will be judged according to the rules listed in the AQHA Official Handbook. No other publication will supersede the rules of the Handbook or the Lucas Oil AQHA World Show Qualifier’s Handbook.
- A minimum of five (5) judges will judge all scored and placed Level 3 classes.
  - Judges will score each class independently and will place thru 15 places.
  - Their individual score or placing cards will be given to the World Show management for tabulation.
  - Placed classes:
    - The high and low placing will be discarded and placing shall be determined by combining the remaining three placings.
- Ties:
  - Placed events:
    - In the finals, all ties will be broken by totaling all five judges’ placings.
      - If the ties then cannot be broken, it will be done by using the tie-breaker judge. Judge #1 is the first tie-breaker; if judge #1 did not use any of the tied horses, then judge #2 becomes the tie-breaker judge; if judge #2 did not use any of the tied horses, then judge #3 is used, etc., until the judge is found that used at least one of the tied horses. This judge’s placing will be used to break the tie. This method, and only this method, is used to break all ties in placed events for both the go-round and finals.
    - Please refer to the chart below for numerical scores in placed classes only:
      1. 120 6. 55 11. 15
      2. 105 7. 45 12. 10
      3. 91 8. 36 13. 6
      4. 78 9. 28 14. 3
  - Time events:
    - Any horse (or in the case of team penning or ranch sorting, team) receiving no time on its first run, whether in the go-round or the finals, is eliminated.
      - If there is a tie for the world championship, the tie will be run off until there is a winner.
      - In the case of a go-round, the ties will be left unbroken.
      - In the case of a finals, the ties will be broken by the placing received in the go-round.
      - If, by chance, the same horses were tied in the go-round and the ties were left unbroken, or there was not a go-round, then the ties must be run off until the placing is decided.
  - Scored events:
    - Any horse receiving no score on his first run, whether in the go-rounds or the finals, is eliminated.
    - If there is a tie for the world championship, except in working cow horse (see the individual class for procedure), the tie will be worked off until there is a winner.
All ties for other than world championship (except in working cow horse – see class for details) will be broken by totaling all five judges’ scores.

If the horses are still tied, then ties will be broken by the tie-breaker judge. Judge #1 is the first tie breaker. If judge #1 scored the tied horses alike, then judge #2 becomes the tie breaker. If judge #2 scored the tied horses alike, then judge #3 becomes the tie breaker and so on until a judge is found that did not score the tied horses alike. If all five judges scored the tied horses alike, then the ties will be broken by the following method:

- In the case of a go-round, the ties will be left unbroken.
- In the case of finals, the ties will be broken by the placing received in the go-round.

If, by chance, the same horses were tied in the go-round, and ties were left unbroken, or there wasn’t a go-round, then the ties must be worked off until there is a winner.

Final placings will be determined by the time or score.

To determine the World Champion in team penning and ranch sorting, the preliminary time, finals time and total number of cattle penned and sorted will be added together.

In scored classes of western riding and trail, the score will be held in the FINALS ONLY until the final placings are announced.

A monitoring system involving penalty reviews will be implemented not only as an aid to assist the judges, but also in an effort to provide the exhibitors with a fair and accurate score or time. A run will not be reviewed if, after giving back the penalty points in question, the exhibitor’s score would not be enough to: a) advance to the finals, or b) place in the top ten in the finals.

- The monitor system will be used to review any lack of concurrence in scores or times when major penalties, disqualifications, zero scores, “re-rides”, “no times” are involved (hereafter “major penalties; see specific classes), or
- when a judge requests a review.

- Lack of concurrence concerning lameness or non-major penalties will not be reviewed.
- A penalty review will not have any impact on the run content. The judge may only add or subtract the penalty value.
- All penalty reviews will take place during the next drag, break, cattle change or at the end of the class.

- It is possible that a public announcement may not be made that an exhibitor’s performance is being reviewed.
    - Regardless of whether a public announcement is made, no scores or times are official until penalty reviews are completed.
    - No judge shall be required to change his/her score following a video replay. Each judge’s decision is an individual call and based on the individual decision from a video replay.

Movement of horses in any class will be at the discretion of the judge; however, horses will not be pulled out or lined up in placing order by any judge at any time, except in halter and as directed by show management.

Before any horse can enter the show arena, he/she must be inspected for lameness by AQHA Stewards.

If the stewards determine the horse is “obviously lame”, as described in Rule SHW325 of the AQHA Official Handbook, he/she will be disqualified from competition and not allowed to enter the show.
arena. If the horse is not “obviously lame”, he/she will be allowed to show in the competition where the final determination will be made by the five judges.

- Help horses are also subject to lameness testing.
- All judges are to inspect each horse for possible lameness at all times while being judged.
  - In both performance and halter classes, a horse shall automatically be disqualified if three or more judges call the horse lame during the class.
    - If one or two judges (but less than three) call a horse lame during a performance class, all judges will receive a notification that an entry is being considered for lameness. If, prior to the end of the class, a total of three or more judges (including judge(s) making the initial call(s)) have called the horse lame, the horse shall automatically be disqualified.
    - If one or two judges (but less than three) call a horse lame during a halter class, the horse will be required to re-track the entire pattern. If, prior to the end of the class, a total of three or more judges (including judge(s) making the initial call(s)) have called the horse lame, the horse shall be automatically disqualified.
    - No announcement will be made over the public address system that a horse is being excused.
  - Judges’ rulings regarding lameness are official and are not subject to review.
- At no time may an exhibitor request a review of a class or go.
- Judges may excuse a horse from the competition for poor mannerisms.
- A contestant will be disqualified and immediately excused for abuse of a horse.

**RULES FOR SPECIFIC CLASSES**

- **BARREL RACING/POLE BENDING/STAKE RACE**
  - In all barrel and poles classes, the following disqualifications will be monitored:
    - Failure to follow pattern.
    - Excessive use of whip, rope, crop, bat or reins anywhere on the horse.
  - In barrel racing, pole bending and stakes race, all horses enter the finals with a clean slate. No times are carried over from the preliminaries to the finals. An official time must be made in the finals for the horse to be eligible for a top ten placing. A no-time or a disqualification will still be considered a finalist.
  - If there is a tie for the world championship, the tie will be run off.
    - For all other placings, the fastest time in the finals will be used to separate the ties.
      - If, after the tie breaker, there remains a tie, then the ties will be run off until decided.
    - In the case of a go-round, the ties will be left unbroken.
    - In the case of electric timer malfunction, re-runs may be required as directed by show management and their decision shall be final.
  - The finals working orders will be random draws – not the slowest to the fastest times of the preliminaries.

- **CUTTING**
  - Three (3) and five (5) point penalties may be monitored.
    - The penalty review will not have any impact on the run content except to add or subtract the penalty value (3 or 5 points) to the score.

- **HALTER/PERFORMANCE HALTER**
  - In all halter classes, horses will walk one at a time to the five judges. As the horse approaches, the judges will step to their right to enable the horse to trot straight to a cone placed 50 feet
away. At the cone, the horse will continue trotting, turn to the left and trot toward the left wall of
the arena. After trotting, the horses will line up per the ring steward’s instructions.

- If a Level 3 class has 16 entries or fewer in the arena to be judged, horses will NOT be lined up
  under each of the five judges.
- If lining up under all five judges, only the top ten will be brought back under each of the five
  judges.
- Stallions one year of age and older may be shown with an allowed lip cord in open and amateur
  divisions; lip chains of any type are prohibited; all other types of lip cords that do not meet the
  definition of an allowed lip cord are prohibited.
- The following horses may not be shown with an allowed lip cord;
  - weanlings;
  - mares of any age;
  - geldings of any age;
  - any horse shown in a performance halter class
- Applying excessive pressure on or excessive jerking of an allowed lip cord is prohibited.
- Allowed lip cords shall only mean:
  - a round smooth soft/flexible nonabrasive cotton polyblend cord with a dense core that has an
    unsecured keeper with at least ¾ inches of the cord outside of the halter before attachment of
    keeper or leather part of lead shank;
  - is applied only over gum and not through mouth;
  - with respect to the cord applied over the gum, is made up of cord having a diameter of at
    least 3/8 inches; cord applied over gum may not contain internal or external metal.
  - no foreign substances or additional materials may be added to the lip cord.
- Manners of horses:
  - A well-mannered horse is defined as a horse that is under control by the exhibitor while
    tracking and standing for inspection such that it may be exhibited safely and viewed
    safely by the judge. The horse should stand reasonably still and flat-footed. At their
    discretion, the judge may fault a horse that is poorly mannered (including, but not limited
    to, biting, rearing, striking or bucking) but does not disrupt or endanger other horses or
    exhibitors around them, and is able to be inspected by the judge. A horse that is
    excessively unruly or poor mannered (see Rule SHW362 of AQHA’s Official
    Handbook), not clearly under the control of the exhibitor, and/or disruptive to the point
    that the safety of other horses or exhibitors or the judge is jeopardized, should be
    disqualified and excused from the class. Any clear evidence of fresh blood on the horse,
    including, but not limited to, the nose, chin, mouth, tongue, or gums, regardless of cause,
    shall be cause for disqualification.
- Any horse, with the exception of weanlings, that becomes detached from its handler and is no
  longer under control by the handler will automatically be disqualified and excused.
- If a particular horse, with the exception of weanlings, exhibits poor mannerisms (i.e. rearing,
  kicking, backing or falling into other, etc.) causes other exhibitor(s) to lose their horse(s), only the
  initiating horse will be disqualified and excused.
  - The decision of the judge(s) and/or ring steward(s) will be final.
- Any horse, with the exception of weanlings, that has fallen will automatically be disqualified and
  excused.
  - A horse is considered having fallen when on his or her side with four feet extended in the
    same direction.
**HUNT SEAT EQUITATION**
- Five (5) point penalties, Ten (10) point penalties, and disqualifications may be monitored.
  - Each exhibitor will complete the pattern individually.
  - The top 20 scoring exhibitors will be invited back to perform on the rail.
  - If there is a tie for 20th, the tie will not be broken.
  - All exhibitors invited back to work on the rail will work in one heat, no matter the number returning. There will be no splits or cuts for rail work.
  - Each judge will score the pattern work from 1-100 points.
    - The top 20 scoring exhibitors, including ties, will be invited back to perform on the rail.
    - All exhibitors invited back to work on the rail will work in one heat, no matter the number returning. There will be no splits or cuts for rail work.

**HUNTER HACK**
- Each judge will score the pattern work from 1-100 points.
  - The top 20 scoring exhibitors, including ties, will be invited back to perform on the rail.
  - All exhibitors invited back to work on the rail will work in one heat, no matter the number returning. There will be no splits or cuts for rail work.

**HUNTER UNDER SADDLE**
- An exhibitor who fails to take the prescribed gait when called may be penalized at the judges’ discretion.
- Judges may ask horses to hand gallop.
- Preliminary placings in rail classes will not be posted at the World Show or on the Internet until after the finals of those classes.
- Finalists will be announced and posted by back number order only prior to finals.

**JUMPING**
- Time allowed will be used under the direction of show management, judges and professional course designer.
  - The time allowed to complete the course will be calculated from an actual measurement of the course’s length.
  - The length of course will be announced and posted prior to the start of the class.
  - The judges will assure that the course has, in fact, been properly measured and the time allowed calculated according to the default speed of 350 meters/minute.
    - The judges may change the time allowed if they feel it is inaccurate, but only after consultation with the course designer.
  - The time allowed may only be adjusted after the first competitor completes the round without a disobedience, and not later than following the third competitor to complete the course without a disobedience.
  - After the first competitor has completed their round, the time allowed and the competitor’s time should be announced.
  - The time limit to complete the course is double the time allowed. Refer to Rule SHW658 of AQHA’s Official Handbook regarding calculation of time allowed.
- Go-rounds:
  - Horses disqualified in the first jumping round will not qualify for a jump-off.
  - Time will be used to break all ties on horses with jumping faults and/or the combination of jumping and time faults.
  - If horses are tied by faults and time, the go-round placing will be used to break the tie.
  - If the go-round cannot break the tie, a coin will be flipped to decide the placing.
• All horses jumping clean in the first round of the finals will advance to the jump-off. In the jump-off, if multiple horses jump clean, the world championship will be determined by the horse with the fastest time. For horses in the jump-off without clean rounds, jumping faults, time faults and/or the combination of jumping and time faults will be used to break all ties.
  o If a major penalty, one that would result in elimination, is unclear to a judge(s), he/she will submit his/her score (faults and/or time) and ask that the score be held, pending a review of the video at the next break or at the end of the class.
    ▪ Should the judge(s) determine via video replay, that elimination was incurred, the entry shall be disqualified.
    ▪ If, however, no elimination occurred, the score will be announced as originally submitted.
  o The following eliminations may be monitored:
    ▪ Third cumulative disobedience anywhere on course.
    ▪ Jumping an obstacle before it is reset, or without waiting for signal to proceed.
    ▪ Starting before judges signal to proceed.
    ▪ Failure to enter ring within one minute of being called.
    ▪ Failure to cross the starting line within 45 seconds after an audible signal to proceed.
    ▪ Jumping an obstacle before crossing start line unless said obstacle is designated as a practice obstacle, or after crossing the finish line, whether forming part of the course or not.
    ▪ Off course.
    ▪ Deliberately addressing an obstacle (penalized at any time the horse is in the ring).
    ▪ Rider and/or horse leaving the arena before finishing the course (penalized at any time the horse is in the ring).
    ▪ Excessive use of whip, rope, crop, bat or reins anywhere on the horse.

➢ **RANCH RIDING**
  o Three (3) point penalties, five (5) point penalties may be monitored.
  o Zero (0) scores and OP’s (Off Pattern) penalties may also be monitored
  o Cattle may be present in the arena in any of the ranch riding classes, including amateur.

➢ **RANCH SORTING**
  o In the preliminaries, the top 15 fastest times with the greatest number of cattle sorted will advance to the finals.
    ▪ All ties for 15th place will advance to the finals.
  o There will be a 90, 75 or 60 second clock for each class, at the option of the Event Producer.
  o The official clock is the electronic display clock.
  o The official time of each run is determined by the amount of time used until all 10 cattle are sorted or the time limit has expired.
    ▪ Time will continue until all cattle are sorted in the correct order or the time limit is reached, either of which becomes the official time for that team.
  o A lap timer is to be used in all sorting classes to break ties where the cattle count is equal in runs of less than ten cattle sorted.
    ▪ The stop watch used for lap time purposes will also be the back-up timer in the event of a malfunction of the electronic display clock.
  o Lap times are cumulative in multiple go-round events, as well as, the number of cattle sorted, but do not replace the official time of each run.
  o Lap times only come into play when the cattle counts and the official times are identical.
In the preliminaries, the top 15 fastest times with the greatest number of cattle sorted will advance to the finals.

- Ties at 15th place in the preliminary round will be broken based on the number of cattle sorted and their lap times.
  - The tie will be broken based on one of the following methods:
    - 1. The official time clock will be used to break all ties for 15th place when ten head of cattle are sorted. The team(s) with the fastest official time(s) will advance to the finals.
    - 2. The lap time will be used to break all ties for 15th place when ten head of cattle are sorted. The team(s) will advance to the finals.
    - 3. In any case, only the fastest 15 teams in the preliminaries will advance to the finals except where cattle count and lap times are tied.

- The final placing will be determined based upon the following:
  - 1. Total number of cattle sorted will be broken by adding preliminary and finals official times together with the best combined time placing best.
  - 2. Ties for number of cattle sorted will be broken by adding preliminary and finals official times together with the best combined lap time placing best.
  - 3. Ties for number of cattle sorted and official time ties will be broken by adding the lap times from the preliminary round and final round with the best combined lap time placing best.
  - Cattle count and times in both rounds always beat cattle count and times in one round.

- The following no-times, disqualifications or re-rides may be monitored:
  - If any part of a numbered cow crosses the start/foul line prior to its correct order.
  - If any part of a sorted cow re-crosses the start/foul line.
  - If any part of any unnumbered cow crosses the foul line before the tenth cow is cleanly sorted.
  - If a numbered cow jumps any fence and either leaves the arena or ends up in the opposite pen, but did not pass through the gate.
  - Should a herd be numbered incorrectly or have too many non-numbered cattle.
  - Unnecessary roughness to cattle or horses or unsportsmanlike conduct.
  - Excessive use of whip, rope, crop, bat or reins anywhere on the horse.

- **REINING**
  - Two (2), with the exception of marker penalties, and five (5) point penalties, Zero (0) scores may be monitored.

- **SHOWMANSHIP**
  - Showmanship is a placed class.
  - Five (5) point penalties, Ten (10), point penalties, and disqualifications may be monitored.

- **TEAM PENNING**
  - In the preliminaries, the top 15 fastest times and the greatest number of cattle penned will advance to the finals
    - All ties for 15th place will advance to the finals.
    - To determine final placings, the preprimary time, the finals time and the total number of cattle penned will be added together. If the total number of cattle penned are the same, the world championship will be worked off.
o For all other placings, the fastest final time and the number of cattle penned will be used to separate the ties.
o If the teams are still tied, then the times must be run off until the placings is decided.
o The following disqualifications and no-times will be monitored:
  ▪ Any delay of team to commit to the cattle after the flagman drops his flag.
  ▪ If an animal is knocked or cut into the pen after time is called.
  ▪ If an animal escapes from the pen after time is called but prior to the time that any un-penned cattle are on the cattle side of the line.
  ▪ If an animal escapes as a team is calling for time.
  ▪ Contact with cattle by hands, hats, ropes, bats, roman or any other equipment.
  ▪ Any attempt by a dismounted rider to work cattle before remounting.
  ▪ If more than three cattle are across the starting line at any one time.
  ▪ Unnecessary roughness to cattle or horses or unsportsmanlike conduct.
  ▪ Excessive use of whip, rope, crop, bat or reins anywhere on the horse.

➢ TIE-DOWN/BREAKAWAY/HEADING/HEELING
o In tie-down roping, the roper may throw only two loops and must be done so within a one-minute time limit. In the Open division, if more than one loop is thrown, the roper must carry a second rope tied to the saddle and this rope must be used for the second loop.
  ▪ The one-minute time limit is from the time the calf leaves the chute until the roper signals the time is complete. Although the time limit stops when the roper signals the tie is complete, the horse will continue to be judged until the rider has mounted the horse and ridden forward.
o Breakaway roping will be placed by the fastest time in the finals only.
o Zero, two, three and five point penalties may be monitored:
  ▪ Any attempt by a contestant to position his horse behind the barrier, enabling the contestant to rope the animal without attempting to leave the box.
  ▪ In breakaway, that the loop passes over the head of the calf.
  ▪ In breakaway, a contestant that breaks the rope from the horn by hand or touches the rope or string after the catch is made.
  ▪ In heading/heeling, the rope not being wrapped around the saddle horn at least one complete turn.
    • Under no circumstances will the run content or one point penalties be adjusted.
o In the heeling class, any head catch made by the header must be a legal catch. Legal catches are both horns, half-head and around the neck.
o Anyone with a current AQHA membership riding a registered American Quarter Horse may assist in heading and/or heeling.

➢ TRAIL
o Three (3) and five (5) point penalties Zero (0) scores may be monitored.
o Only two refusals are permitted at any obstacle in the trail class.
  ▪ After two refusals, the contestant must go to the next obstacle.

➢ WESTERN HORSEMANSHIP
o Five (5) point penalties, Ten (10), point penalties, and disqualifications may be monitored.
o Each judge will score the pattern work from 1-100 points.
  ▪ The top 20 placed exhibitors, including ties, will be invited back to perform on the rail.
  ▪ All exhibitors invited back to work on the rail will work in one heat, no matter the
number returning. There will be no splits or cuts for rail work.

- **WESTERN PLEASURE**
  - An exhibitor who fails to take the prescribed gait when called may be penalized at the judges’ discretion.
  - Judges may ask horses to extend the lope.
  - Preliminary placings in rail classes will not be posted at the World Show or on the Internet until after the finals of those classes.
  - Finalists will be announced and posted by back number order only prior to finals.

- **WESTERN RIDING**
  - Three (3) point and five (5) point penalties and Zero (0) may be monitored.

- **WORKING COW HORSE/BOXING**
  - All exhibitors will complete their reined work and will immediately follow with working the cow, except in the finals, where the reined and cow work may be held separately.
    - The judges may, at their discretion, award new cattle to enable the contestant to show his or her horse’s ability on the cow.
      - Horses should keep working until the judge blows the whistle. If exhibitor quits working before the judge blows the whistle, a score of 0 will be given.
    - All horses must be shown in the same bit, snaffle, hackamore and reins in the cow work that was used in the reined work.
  - One score will be tabulated from the reined work with the high and low discarded, and one score will be tabulated from the cow work with the high and low discarded. A total score will then be tabulated from both work scores.
  - Any rework will be of the cow portion only.
  - Monitoring rules for reining will be used for the reined work. In the cow work, zero (0) scores, two (2), three (3) and five (5) point penalties may be monitored.
  - If there is a tie in the top 15 placings, including for World Champion, the tie will be broken by adding all five judges’ scores in the cow portion only. If there is still a tie, it will be broken by the tie-breaker judge (Judge number 1). For further procedures, see the tie-breaking portion in GENERAL JUDGING/MONITORING PROCEDURES.

- **WORKING HUNTER**
  - In all working hunter classes, the following will be monitored:
    - A total of three disobediences, which can include any of the following: refusal, stop, run out or extra circle.
    - Jumping an obstacle before it is reset.
    - Bolting from the arena.
    - Off course.
    - Deliberately addressing an obstacle.
    - Failure to trot a small circle on a loose rein for soundness after jumping the last fence.

**JUDGING CONTEST**

- Exhibitors or owners who volunteer and are selected to participate in the AQHA and/or the AQHYA World Championship Horse Judging Contest and/or the Judges Qualifying Exam will receive special consideration for their 2019 AQHA World Championship Show stalling request. This special consideration will be extended for up to and including 12 stalls for all horses volunteered and selected. Groups of 11 or
more stalls requesting Area A will be automatically rerouted to Area B. Volunteers will be
accepted Sunday, November 4, at 9 a.m. and completed by Friday, November 9, at
noon at the stalling office.
- Only individuals whose horses were actually invited to be used in the contest will
  receive a stalling preference.
- One individual for horses used will receive a stalling preference and this preference
  will go to the individual who initially volunteers the horse. Stalling preference will not
  go to additional individuals who own, groom, train or exhibit the horse and did not
  initially volunteer the horse, nor will it go to individuals who show the horse in the
  contest who did not initially volunteer the horse.
- It is the responsibility of individuals volunteering for the contest to check in with the
  contest coordinator prior to exhibiting the animal to receive credit for volunteering.
- When requesting stalls for the following year’s show, all stalls must be requested in the
  name of the volunteer.
- All individuals to be stalled with the volunteer must send entries through the volunteer
  and be listed individually.
- Stalling preferences are non-transferable.
- AQHA may deny stalling preferences to volunteers without recourse of any nature and
  place stalling requests in the random drawing pool.

2019 AQHA WORLD CHAMPIONSHIP SHOW ASSUMPTION OF RISK, RELEASE OF LIABILITY AND INDEMNITY AGREEMENT

As a condition of participation in the 2019 AQHA World Championship Show (“World Show”), and in consideration of being allowed to participate, the Participant does hereby:

2. CERTIFY that I have read, understand and agree to obey (a) all AQHA Rules & Regulations (including, but not limited to, Rule SHW220 (Amateur Eligibility); Rules VIO100, VIO200, VIO300 & VIO330 (Violations); and Rule GEN111 (Likeness Reproduction)). I further agree to obey the directions of the AQHA representatives conducting the 2019 AQHA World Championship Show.

2. ACKNOWLEDGE, agree, and represent that Participant understands the nature of World Show participation and attendance activities (“Activities”) and that the Participant is qualified, in good health, and in proper physical condition to participate in such Activities;

3. FULLY UNDERSTAND THAT THE ACTIVITIES INCLUDE, BUT ARE NOT LIMITED TO, “INHERENT RISKS OF EQUINE ACTIVITIES” THAT MAY RESULT IN PROPERTY DAMAGE AND BODILY INJURY, INCLUDING, BUT NOT LIMITED TO, PERMANENT DISABILITY, PARALYSIS, AND DEATH (collectively “RISKS”); that such RISKS may be caused by Participant’s own action or inaction, the action or inaction of others participating in the Activities, the condition of the premises at which the Activities take place, and/or THE NEGLIGENCE OF THE “RELEASEES” NAMED BELOW;

4. UNDERSTAND AND AGREE that “Inherent risk of equine activities” means dangers or conditions that are an integral part of equine activities, including, but not limited to, any of the following: (a) the propensity of an equine to behave in ways that may result in injury, death, or loss to persons on or around the equine; (b) the unpredictability of an equine’s reaction to sounds, sudden movement, unfamiliar objects, persons, or other animals; (c) hazards, including, but not limited to, surface or subsurface conditions; (d) a collision with another equine, another animal, a person, or an object; and (e) the potential of an equine activity participant to act in a negligent manner that may contribute to injury, death, or loss to the person of the participant or to other persons, including but not limited to, failing to maintain control over an equine or failing to act within the ability of the participant;

5. FULLY ACCEPT AND ASSUME ALL SUCH RISKS AND ALL RESPONSIBILITY FOR LOSSES, COSTS, AND DAMAGES PARTICIPANT INCURS AS A RESULT OF PARTICIPANT’S PARTICIPATION IN THE ACTIVITIES;

6. WARRANT AND REPRESENT that, if the Activities involve horses, Participant is adequately qualified and experienced to both (a) safely handle and ride a horse in a manner to protect Participant and other third parties, and (b) participate with groups of riders and horses, such as to take adequate defensive action to avoid injury from third party participants and horses. Furthermore, Participant understands that it is Participant’s responsibility to ascertain the adequacy of Participant’s training and experience, the adequacy and training of Participant’s horse, and for Participant conduct himself/herself in a manner such as to make the Activities safe and enjoyable for all participants;

7. HEREBY RELEASE, DISCHARGE, AND COVENANT NOT TO SUE AQHA, AQHF, AND/OR AQHA CORPORATE PARTNERS OR THEIR RESPECTIVE ADMINISTRATORS, DIRECTORS, AGENTS, OFFICERS, MEMBERS, VOLUNTEERS, AND EMPLOYEES, AND, IF APPLICABLE, OWNER AND LESSORS OF PREMISES ON WHICH THE ACTIVITIES TAKE PLACE, (EACH CONSIDERED ONE OF THE “RELEASEES” HEREIN) FROM ALL LIABILITY, CLAIMS, DEMANDS, LOSSES, OR DAMAGES WHenever OR HOWEVER ARISING AS TO INJURY, DEATH AND/OR PROPERTY DAMAGE OCCURRING AS A RESULT OF PARTICIPANT’S PARTICIPATION IN THE ACTIVITIES OR CAUSED OR ALLEGED TO BE CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE OF THE RELEASEES OR OTHERWISE.

8. AGREE to indemnify, hold harmless and defend RELEASEES from any and all liability, whenever or however arising, from all third party claims, demands, causes of action, suits, judgments, liabilities, costs and expenses of any nature arising out of (i) Participant’s negligent act(s) or omissions during or related in any way to the Activities; and/or (ii) Participant’s willful act(s) or omission(s) during or related in any way to the Activities; and/or (iii) any misinformation or misrepresentations made by Participant in this Agreement. Participant agrees to pay any of RELEASEES costs, expenses and reasonable attorney fees incurred, arising directly or indirectly out of or with respect to any third party claims or associated with the enforcement of the indemnity obligations referenced above.

9. AGREE that this Assumption of Risk/Release of Liability/Indemnity Agreement (“Agreement”) (a) shall bind me, my family, my heirs, legal representatives, successors and assigns; (b) shall be governed by the laws of the State of Texas; and (c) shall be subject to the exclusive jurisdiction of the state and federal courts located in Potter County, Texas.

PARTICIPANT HAS READ THIS AGREEMENT, FULLY UNDERSTANDS ITS TERMS, UNDERSTANDS THAT PARTICIPANT IS GIVING UP SUBSTANTIAL RIGHTS BY SIGNING IT AND HAS SIGNED IT FREELY AND WITHOUT INDEUCMENT OR ASSURANCE OF ANY NATURE AND INTEND IT TO BE A COMPLETE AND UNCONDITIONAL RELEASE OF ALL LIABILITY TO THE GREATEST EXTENT ALLOWED BY LAW AND AGREE THAT IF ANY PORTION OF THIS AGREEMENT IS HELD TO BE VOID, VOIDABLE, INVALID OR INOPERATIVE, THE BALANCE, NOTWITHSTANDING, SHALL CONTINUE IN FULL FORCE AND EFFECT AS THOUGH SUCH VOID, VOIDABLE, INVALID OR INOPERATIVE PROVISION HAD NOT BEEN CONTAINED HEREIN. BY SUBMITTING THIS DOCUMENT TO AQHA, I HEREBY AGREE TO BE BOUND BY ALL THE TERMS AND CONDITIONS OF AQHA’S OFFICIAL HANDBOOK OF RULES AND REGULATIONS.

Request for Taxpayer Identification Number and Certification

1. Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.

2. Business name/disregarded entity name, if different from above

3. Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes.
   - Individual/sole proprietor or single-member LLC
   - Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership)
   - Other (see instructions)

4. Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):
   - Exempt payee code (if any)
   - Exemption from FATCA reporting code (if any) (Applies to accounts maintained outside the U.S.)

5. Address (number, street, and apt. or suite no.) See instructions.

6. City, state, and ZIP code

7. List account number(s) here (optional)

Part I: Taxpayer Identification Number (TIN)
Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see What Name and Number To Give the Requester for guidelines on whose number to enter.

or

Employer identification number

Part II: Certification
Under penalties of perjury, I certify that:
1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.
