AMERICAN QUARTER HORSE
An American Quarter Horse possesses acceptable pedigree, color and markings, and has been issued a registration certificate by the American Quarter Horse Association. This horse has been bred and developed to have a kind and willing disposition, well-balanced conformation and agile speed. The American Quarter Horse is the world's most versatile breed and is suited for a variety of purposes - from working cattle on ranches to international reining competition. There is an American Quarter Horse for every purpose.

AQHA MISSION STATEMENT
• To record and preserve the pedigrees of the American Quarter Horse, while maintaining the integrity of the breed and welfare of its horses.
• To provide beneficial services for its members that enhance and encourage American Quarter Horse ownership and participation.
• To develop diverse educational programs, material and curriculum that will position AQHA as the leading resource organization in the equine industry.
• To generate growth of AQHA membership via the marketing, promotion, advertising and publicity of the American Quarter Horse.
• To ensure the American Quarter Horse is treated humanely, with dignity, respect and compassion, at all times.

FOREWORD
The American Quarter Horse Association was organized in 1940 to collect, record and preserve the pedigrees of American Quarter Horses. AQHA also serves as an information center for its members and the general public on matters pertaining to shows, races and projects designed to improve the breed and aid the industry, including seeking beneficial legislation for its breeders and all horse owners. AQHA also works to promote horse ownership and to grow markets for American Quarter Horses.

Shows, races and performance events give breeders and exhibitors opportunities to compete for awards and prize money, providing opportunities for breeders to continually strive to improve the breed.

AQHA also publishes The American Quarter Horse Journal and the Quarter-Racing Journal, which highlight information about horses, horsemen, shows, sales, racing and histories of all-time great horses, and the men and women who bred them, along with ways for breeders, trainers, exhibitors and trail riders to improve their business operations, horsemanship and enjoyment of the horse.

American Quarter Horses continue to be the world's most versatile breed of horse because of their abilities to excel in so many different arenas and because of the continued commitment of American Quarter Horse breeders, directors and staff to providing outstanding programs and services – at the lowest possible fees – of any equine breed registry or membership organization.

POLICY STATEMENT

“THE WELFARE OF THE AMERICAN QUARTER HORSE”

AQHA is the world’s largest breed registry and equine recreational organization, with more than 6 million American Quarter Horses registered worldwide and AQHA membership in excess of 220,000. AQHA international headquarters in Amarillo, Texas, issues and maintains the pedigrees and registration records of all American Quarter Horses, and oversees various programs and incentives - including races, shows, recreational activities and supporting sponsorships - that promote America’s oldest distinct breed of horse. AQHA provides beneficial services for its members that enhance and encourage American Quarter Horse ownership and participation, and strives to generate growth of AQHA membership via the marketing, promotion, advertising and publicity of the American Quarter Horse. Furthermore, AQHA actively protects the welfare and integrity of American Quarter Horses, as evidenced by the following Statement of Position:

AQHA STATEMENT OF POSITION

The American Quarter Horse Association’s mission is to record and preserve pedigrees of American Quarter Horses, while maintaining the integrity of the breed. Further, AQHA encourages American Quarter Horse ownership and participation. AQHA actively protects the American Quarter Horse by establishing and strictly enforcing rules that govern every AQHA-approved event in order to reflect the natural ability of the horse. To that end, AQHA is committed to the following beliefs:

• Every American Quarter Horse, all other horses and all animals, shall, at all times, be treated humanely and with dignity, respect and compassion.

• Stringent rules established and enforced by AQHA demand that American Quarter Horse breeders, owners, trainers and exhibitors are continually responsible for the well-being and humane treatment of any American Quarter Horse entrusted to their care. Such rules include, but are not limited to, prohibited training practices, prohibited surgical procedures, prohibited chemical administration, or prohibited devices that could affect a horse’s performance or alter the horse’s natural conformation. Such rules further include required compliance with all AQHA medication rules and policies.

• Above all, the American Quarter Horse’s welfare is paramount to other considerations, and the continual development of procedures that ensure humane treatment of the breed and of all other horses and all animals involved with AQHA events, and fair competition supersedes all other concerns.

AQHA’S DISCLAIMER OF RESPONSIBILITY FOR SAFETY

AQHA does not assume responsibility for safety of participants at the shows or other events it sanctions and responsibility for participant safety remains solely with show management. Show management applies for AQHA approval on a voluntary basis, agreeing to conduct the show according to AQHA rules, which are designed to promote fair competition. Assumption of responsibility for safety by show management is required by AQHA as an express condition to grant the designation “AQHA-approved show.” AQHA’s limited objective is to require, by rule enforcement, a “level playing field” of competition in order that performance of exhibitor and horse can be judged uniformly by competent judges; horses are identified by registration certificate; and horses perform or are exhibited free of prohibited substances that
could affect their performance. Safety is a concern of everyone, but AQHA does not assume responsibility for it. AQHA’s limited purpose for sanctioning a show is to promote fair competition.

**DISCIPLINARY PROCEDURES**

The AQHA Executive Committee is the forum within AQHA that, initially or ultimately, hears or reviews evidence of alleged violations of rules and regulations by members and/or participants in AQHA-approved events. A member may be disciplined, suspended, fined and/or expelled from AQHA, and any nonmember participant may be denied any or all AQHA privileges.

AQHA rules pertaining to prohibition of drugs, surgical alteration or any inhumane treatment of the horse provide for absolute responsibility for a horse’s condition by an exhibitor, trainer, participant and/or the owner, thereby making the exhibitor, participant and/or the owner eligible for possible disciplinary action upon proof of the presence of such prohibited drug by laboratory analysis, existence of surgical alteration or any inhumane treatment of the horse.

**ENHANCEMENT OF PENALTY**

AQHA reserves the right to independently direct disciplinary action or sanction against individuals coming under its jurisdiction by participation in AQHA-approved shows, contests, race meets or other events. The AQHA Executive Committee may enhance or initiate suspension, fine and/or otherwise penalize offenders of AQHA rules and regulations, and/or those of other jurisdictions; and include owners or lessees who have placed the care and custody of their horses to such offenders.

**SPECIFIC AQHA RULES AND POLICIES TO PROMOTE THE WELFARE OF THE AMERICAN QUARTER HORSE**

**Racing**

AQHA expresses concern for the health and welfare of the racing athlete through rules and through financial support of worthy industry initiatives. These include support of a racing surface research project, support of the industry’s Racing Medication and Testing Consortium and national movements through Racing Commissioners International for uniform medication rules.

AQHA has adopted the following rules limiting the participation of two-year-olds as referenced in RAC301.5.

To further increase incentives for racing older horses, AQHA implemented the Bank of America Quarter Horse Racing Challenge, a regional racing program with bonus awards. The Challenge’s goal is to increase racing opportunities for older horses. In the Challenge, 83 percent of the purse monies of the races offered are for older horses.

AQHA and the AQHA Racing Council and Committee will continue to seek ways and opportunities to ensure the welfare of the racing American Quarter Horse. The AQHA Racing Council and Committee ensures that rules and policies regarding the welfare of racing American Quarter Horses are continually revised and updated as directed by the AQHA Statement of Position.

**Shows**

Shows sanctioned as approved events by AQHA are regulated by some of the most strict rules enforced within the equine industry and
designed to ensure that the safety and welfare of American Quarter Horses competing in approved events are not jeopardized. A number of rules in this Official Handbook are a testament to the fulfillment of these aims and purposes.

AQHA's stance on unsportsmanlike conduct and/or inhumane treatment of a horse is addressed in VIOLATIONS.

Policy on Controlled Substances and Tail Alteration: AQHA's policies concerning the administration of controlled substances (drugs) are well-documented as being among the most stringent in the equine industry. AQHA began drug testing at AQHA-approved shows in 1973 and was among the first, if not the first, equine breed association to do so. AQHA performs random testing throughout the year. AQHA's policy concerning the administration of controlled substances is outlined in VIOLATIONS. Additionally, AQHA has funded research in an effort to determine techniques for evaluation of altered tails in horses, the results of which were presented to equine veterinarians from the United States in October 1992 at a seminar at Colorado State University entitled, “Techniques for Evaluation of Normal and Altered Tail Function in the Equine Utilizing Physical Examinations and Electrodiagnostics.” Some of these same techniques are still utilized by AQHA in random testing at the three World Championship Shows.

AQHA spends more than $1 million annually to test for evidence of controlled substances and/or tail alteration in horses competing in AQHA-approved events. Beginning in 1993, American Quarter Horses competing in non AQHA-approved events also became subject to testing for controlled substances and evidence of tail alteration.

AQHA's Executive Committee has taken action - including investigation, prosecution, suspension of privileges and/or fines being levied - on all cases where substantial evidence existed of violations of AQHA's controlled substances and tail alteration rules. In 2005, AQHA shows in the United States began collecting a per horse drug testing fee to enhance AQHA's ability to enforce its controlled substance policy.

Humane Treatment

The welfare of American Quarter Horses exhibited in AQHA-approved show events is safeguarded in comprehensive rules throughout this Rulebook that provide for their well-being. AQHA's Executive Committee has taken action - including investigation, prosecution, suspension of privileges and/or fines being levied - on all cases where substantial evidence existed of violations of AQHA's animal welfare rules.

Bits and Equipment

To enhance the humane standards to which American Quarter Horses are subjected for competition and training, uniform guidelines regarding bits and equipment are outlined in VIOLATIONS.

In western classes, horses 5 years old and younger may be shown in a snaffle bit, hackamore, curb bit, half-breed or spade bit. Horses 6 years old and older may only be shown in a curb bit, half-breed or spade bit. Chin straps are required and must meet the approval of the judge, must be at least one-half inch in width, and must lie flat against the jaw of the horse.

Prohibited equipment in western classes include jerklines, tie-downs with bare metal in contact with the horse’s head, cavesson or noseband and tack collars. Prohibited equipment in English classes includes draw reins and roweled spurs. Standing or running martingales are also prohibited except in working hunter, jumping and equi-
tation over fences.

Prohibited equipment at all AQHA shows includes lip chains, belly bands and riding in a curb bit without a curb strap, wire, curb strap with tacks/rivets or solid metal curb straps no matter how padded, wire cavessons, wire or cable tie-downs, bumper bits, metal bosals no matter how padded, metal lounging hackamore, chambons, headstalls made of metal (even if encased in a protective material), twisted rawhide, or rope (3/8 inch rope may be used with a slip (gag) or a bonnet), running martingale used with curb bits used without rein stops, side reins (direct rein from bit to cinch or surcingle), draw reins attached between or around the front legs.

In roping, speed events, team penning and ranch sorting, western-type equipment must be used. Use of rawhide or mechanical hackamores, or other types of bridles is the choice of the contestant.

In halter, the use of safety leads will not be allowed for weanlings shown in any halter class, any horse shown in a performance halter class or any horse shown in a ranch horse conformation class.

Lameness and Movement
American Quarter Horses are easily identified by their unique conformation that allows the breed to be versatile in a variety of athletic endeavors. The evaluation of lameness is a major factor in judging American Quarter Horses competing in conformation and performance events and is subsequently stressed in AQHA’s Judges Conferences, conducted throughout the year and designed to educate AQHA’s approved judges.

Lameness and movement are further emphasized in the judging of classes at AQHA-approved shows.

The condition and conformation of the horse also is considered. At the discretion of the judge, a horse may be penalized or eliminated from a class “if the horse appears sullen, dull, lethargic, emaciated, drawn or overly tired.”

Cattle Classes
In AQHA classes that involve the use of cattle, AQHA strives to safeguard the welfare of the cattle, as well as the welfare of both the horses and riders competing in the class. All AQHA-approved shows are encouraged to have a veterinarian on call and are encouraged to provide proper equipment and medication should accidental injury occur. In both cutting and team penning, an optimum number of cattle are prescribed for the class, and the cattle may not be worked more than once within a go-round. Cattle used in the working cow horse class may only be used once within a go-round. Cattle used in roping events may not be used in other classes. In all heading and heeling classes, cattle shall be protected by horn wraps. The use of a hotshot to move cattle should only be used when the safety of the cattle is at risk.

Additional rules in this Rulebook outline specific guidelines within each class regarding proper care and handling of cattle. At the judge’s discretion, contestants may be penalized or disqualified.

Speed Events
During the course of a speed event, including barrel racing, pole bending and stake race, contestants may utilize a riding crop to enhance the horse’s natural ability to race. However, in all speed events, the judge, at his discretion, “may disqualify a contestant for excessive use of a bat, crop, whip or rope in front of the cinch.”

AQHA and its Animal Welfare Commission will continue to seek ways and opportunities to ensure the welfare of the American Quarter Horses exhibited in AQHA-approved events. The Animal Welfare Commission strives to ensure that rules and policies regarding the welfare
of American Quarter Horses exhibited in AQHA-approved events are continually revised and updated as directed by the AQHA Statement of Position.

**EQUINE RESEARCH**

AQHA’s Equine Research Committee was established as a means of funding equine research at colleges and universities in an effort to better diagnose, manage and prevent diseases not only in American Quarter Horses, but in all horses. The Equine Research Committee annually allocates more than $300,000 in support of a diverse range of research projects related to the health, welfare and utility of the horse, and of importance to the horse owner and horse industry. Funding decisions are based on the project’s scientific merit, clinical application and/or potential benefit to the horse and horse industry. Breakthroughs include the prevention, treatment and management of colic; metabolic pathways, genetic inheritance modes, diagnostics and preventive measures for various genetic diseases; pathology and prevention of equine pulmonary disorders; reproductive pathology and disease prevention; as well as other advancements for a wide range of diseases have been accomplished via AQHA’s Equine Research Committee.

Research findings are published by AQHA on the Association’s website so that AQHA members, owners, breeders, trainers and other participants in the industry may make knowledgeable decisions regarding the health and welfare of all horses.

**EDUCATION**

Since beginning publication of *The American Quarter Horse Journal* in 1948, AQHA has made an ongoing commitment to educate owners concerning the health, safety, nutritional, sanitation and shelter needs of American Quarter Horses. *The American Quarter Horse Journal*’s mission is to promote the American Quarter Horse and to convey to readers the Association’s policies and standards for the breed and the industry.

AQHA also has spent hundreds of thousands of dollars in producing brochures and other educational materials on such topics as tips on purchasing a horse and equine health. AQHA has produced dozens of educational videos, in cooperation with horse industry experts, that cover humane and correct training techniques for AQHA-approved events. Through more than 30 years on network and online television, AQHA has featured horse health care segments on many episodes in cooperation with expert veterinarians.

AQHA, through its affiliation with trusted manufacturers and Corporate Partners, provides greater accessibility of quality health, nutrition, handling and tack products to its members.

**SUMMARY**

The American Quarter Horse Association works to ensure not only the integrity and welfare of American Quarter Horses, but also the integrity and welfare of the entire horse industry. AQHA continually revises its policies concerning animal welfare via the Public Policy Committee, Alliance Partners and its Animal Welfare Commission. Through these avenues, as well as industry leadership, advisory groups and councils, the American Quarter Horse Association is able to expand upon its proven efforts to safeguard the welfare of American Quarter Horses as outlined by the AQHA Statement of Position.

ARTICLE III
Directors

Section 1. The business and property of AQHA shall be managed and controlled by the Board of Directors and an Executive Committee hereinafter created and empowered.

The Board of Directors shall be comprised of members of annually Elected Directors, Past AQHA Presidents, Directors Emeritus, Directors-at-Large, Honorary Vice Presidents, International District Directors and Appointed International Directors.

Elected Directors, Past AQHA Presidents, Directors Emeritus, Directors-at-Large, Honorary Vice Presidents and International District Directors shall have the privilege of attending all Board of Directors meetings, taking part in discussion and voting, unless otherwise specified herein. Appointed International Directors shall not have voting privileges but may attend all Board of Directors meetings and take part in discussion.

It is a privilege, not a right to serve on the Board of Directors. Throughout his/her tenure, a Director must (1) remain an AQHA member in good standing, (2) adhere to AQHA rules and regulations pertaining to membership conduct, (3) conduct themselves in an exem-
plary manner such as to favorably reflect on the Board of Directors and AQHA, and (4) refrain from conduct that is detrimental to the interest of AQHA, its programs, policies, objectives and harmonious relationship of its members. A Director’s conduct is subject to continual review, and a Director’s service on the Board of Directors may be terminated or rejected by the Board of Directors with or without notice and formal hearing. If a Director’s service on the Board of Directors is terminated by the Board of Directors, or if a resignation in lieu of such termination is accepted, such Director shall be ineligible to be nominated to serve as a Director for a minimum of seven (7) years from the date of their termination or resignation.

(a) Elected Directors. (1) The number of Elected Director(s) that may represent a Representative District shall be determined by an Annual Allocation formula which is based on the number of active AQHA numbered and appendix horses (“Active Horse Population”) within such a Representative District as of September 30 of the preceding year.

(2) In accordance with the Annual Allocation formula, the number of Elected Directors will be frozen permanently at 150, with a tolerance of two percent (2%) to allow for mathematical variances. (Elected Director Number”).

(3) The term “Horse Population Factor” shall mean the total Active Horse Population in the world divided by the Elected Director Number. For example, if, for a particular year, the total Active Horse Population in the world on September 30th is 3,000,000 and the Elected Director Number is 150, the Horse Population Factor would be 20,000 (3,000,000 divided by 150).

(4) A Representative District is entitled to be represented by Elected Director(s) who are annually nominated and elected as provided herein.

(5) Each U.S. state, Canadian province or international country having a major portion of the Horse Population Factor shall constitute a Representative District.

(6) By majority vote of the Executive Committee, where a U.S. state or Canadian province has less than a major portion of the Horse Population Factor, it may be grouped with one or more other U.S. states or Canadian provinces to form a Representative District that has at least a major portion of the Horse Population Factor.

(7) Alternatively and by majority vote of the Executive Committee, if a U.S. state or Canadian province has less than a major portion of the Horse Population Factor, it may be:

(i) grouped with one or more other U.S. states or Canadian provinces to form a Representative District having at least 25% of the Horse Population Factor; or

(ii) allowed to stand alone to form a Representative District having at least 25% of the Horse Population Factor.

(8) Where an international country has less than a major portion of the Horse Population Factor but has at least 25% of the Horse Population Factor, it shall constitute a Representative District.

(9) The Elected Director position gained as a result of the application of subsections (a)(7) or (a)(8) above shall not be counted toward the Elected Director Number referenced in (a)(2) above.

(10) A Representative District, after gaining its initial Elected Director, shall be entitled to be represented by an additional Elected Director when the Representative District reaches an Active Horse Population equal to or greater than 1.5 times the Horse Population Factor.
Thereafter, the Active Horse Population a Representative District must have to gain additional Elected Directors is equal to the following formula: \(^{(\text{Current number of Elected Directors plus .5}) \times \text{Horse Population Factor}}\).

(ii) A Representative District shall not lose an Elected Director Position unless, for three (3) consecutive years (“Grace Period”), its Active Horse Population remains below the Active Horse Population number otherwise required for the Representative District to maintain its current number of Elected Directors. During the three (3) year Grace Period, the following shall apply:

(i) the Elected Director Position that would have otherwise been lost due to a decline in Active Horse Population shall not be counted towards the Elected Director Number; and

(ii) vacancies created by elevations of Elected Directors shall not be filled.

(12) Each Elected Director shall be domiciled in the Representative District which he/she represents by actual residence therein, having the intent to make it his/her permanent home. To be eligible for election and to serve on the Board of Directors, an individual shall have been a member in good standing of AQHA for three consecutive and uninterrupted years immediately previous to nomination. Elected Directors shall serve for a period of one year and until the general election of Elected Directors at the next Membership Business Meeting.

(i3) The Nominations and Credentials Committee shall meet before the Membership Business Meeting to give members or representatives from state, country, provincial or regional organizations an opportunity to present credentials of individuals for nomination and election to the Board as Elected Directors.

(14) In order for the Nominations and Credentials Committee to consider a nomination of an individual, written credentials must be received by the office of the Executive Vice President on or before February 1 of the year that such credentials are to be reviewed by the Nominations and Credentials Committee. Such filing deadline may be extended by the Executive Committee upon finding of extraordinary circumstances.

(15) In addition to other relevant matters concerning the individual under consideration, the Nominations and Credentials Committee will evaluate candidates according to criteria established by the Executive Committee.

(16) At the Membership Business Meeting, the Chairman of the Nominations and Credentials Committee will present the Nominations and Credentials Committee’s slate of nominations for Elected Directors, and thereafter, nominations from the floor will be received by the President. To be eligible for nomination for Elected Director from the floor at the Membership Business Meeting, an individual’s membership credentials must have previously been presented to the Nomination and Credentials Committee as set forth above. Nominations received from the floor will be received only in opposition to a particular individual, and not in opposition to the total slate for a particular state, country, province or region. At the close of nominations, the President will conduct the election.

(b) Past Presidents. All Past Presidents of AQHA shall have lifetime tenure on the Board of Directors;

(c) Directors Emeritus. The Board of Directors shall contain a category of Director Emeritus, in recognition of the individual who
has, in the past, served AQHA faithfully as an Elected Director, International District Director or Appointed International Director, which category shall be designated with lifetime tenure, on the following basis: The individual who has reached the age of 65 years, having served ten (10) cumulative years as an Elected Director, International District Director or Appointed International Director. Upon reaching his/her 65th birthday, he/she will continue as an Elected Director, International District Director or Appointed International Director until the next Annual Membership Meeting, whereupon he/she will automatically be elevated to Director Emeritus, thereby creating a vacancy to be filled by either the (1) election of an Elected Director or International District Director in his/her Representative District or International District subject to the Annual Allocation or (2) the appointment of an Appointed International Director subject to Article III Section 1(f). Directors Emeritus are not required to serve on an AQHA Standing Committee if they so choose but still must meet General Board Meeting and New Board meeting attendance requirements in subsection (g) below to retain Board of Director voting privileges.

(d) Directors-at-Large. An individual who has served twelve (12) cumulative terms as an Elected Director, International District Director or Appointed International Director, at the expiration of the twelfth term, shall automatically receive designation as “Director at-Large,” and serve with lifetime tenure on the Board of Directors, thereby, creating a vacancy to be filled by either the (1) election of an Elected Director or International District Director in his/her Representative District or International District subject to the Annual Allocation or (2) appointment of an Appointed International Director subject to Article III Section 1(f) Directors-at-Large are not required to serve on an AQHA Standing Committee if they so choose but still must meet General Board Meeting and New Board meeting attendance requirements in subsection (g) below to retain Board of Director voting privileges.

(e) Honorary Vice President. The Board of Directors shall contain a category of Honorary Vice President in recognition of individuals who merit such honor by reason of distinguished service to AQHA. All Honorary Vice Presidents of AQHA shall have lifetime tenure on the Board of Directors.

The Nominations and Credentials Committee shall meet before the Membership Business Meeting to give members or representatives from state, country, provincial or regional organizations an opportunity to present credentials of individuals for nomination and election as an Honorary Vice President.

In order for the Nominations and Credentials Committee to consider a nomination of an individual for Honorary Vice President, written credentials shall be received by the office of the Executive Vice President on or before January 1 of the year that such credentials are to be reviewed by the Nominations and Credentials Committee. Such filing deadline may be extended by the Executive Committee upon finding of extraordinary circumstances.

In addition to other relevant matters concerning the individual under consideration, the Nominations and Credentials Committee will evaluate Honorary Vice President candidate(s) according to criteria established by the Executive Committee.

At the Membership Business Meeting, the Chairman of the Nominations and Credentials Committee will present the Nominations and
Credentials Committee’s slate of nomination(s), if any, for Honorary Vice President(s). Nomination(s) for Honorary Vice President(s) will not be received from the floor. After presentation of the Nominations and Credentials Committee’s slate of nomination(s) for Honorary Vice President, the President will conduct the election.

(f) International Directors. Each officially recognized international affiliate shall appoint one Appointed International Director. The current president of the international affiliate shall certify in writing to AQHA’s Executive Vice President his/her board’s appointment to serve as the Appointed International Director at least thirty (30) days prior to the annual meeting of the Board of Directors. The president of the international affiliate may however make changes to their appointment up to seven (7) days prior to the annual meeting of the Board of Directors. Appointed International Directors shall be in addition to an international country’s Elected Director(s), if any, specified in Article III Section 1(a) above. Appointed International Directors shall be domiciled in the country that his/her international affiliate represents by actual residence therein, having the intent to make it his/her permanent home. To be eligible to become an Appointed International Director, an individual shall be a member in good standing of AQHA. Depending upon which international affiliate an Appointed International Director represents, an Appointed International Director shall represent one of the following International Districts: (1) Europe; (2) Mexico, South and Central America; or (3) Australasia-Africa.

At the Annual Convention each International District shall nominate and elect International District Director(s) to represent and vote for their International District during the Board of Directors meetings. The number of International District Director(s) that may represent an International District shall be determined by an International Annual Allocation formula. The International Annual Allocation formula is based on the number of active AQHA numbered and appendix horses as of September 30 of the preceding year in the International District discounted to an extent by the number of active AQHA numbered and appendix horses in Representative District(s) within the International District as of September 30 of the preceding year. International District Directors shall serve for a period of one year and until the general election of Directors at the next annual Membership Business Meeting.

International District Directors and Appointed International Directors shall serve on the International Committee during their term.

g) Any Elected Director or International District Director who is absent for two (2) consecutive times from the General Board Meeting and New Board Meeting at AQHA’s Annual Convention is automatically removed as a Director without further action, upon his/her second absence, making available for his/her District a vacancy to be filled by regular election of an individual who will represent that District’s interests at AQHA’s Annual Convention and Board of Directors meetings. Failure to attend either the General Board Meeting or the New Board Meeting at an AQHA Annual Convention shall be considered an absence. However, failure to attend both the General Board Meeting and the New Board Meeting at an AQHA Annual Convention shall only be considered one (1) absence. Absences shall be evidenced by roll call at both the General Board Meeting and the New Board Meeting.

Any Director Emeritus, Director-At-Large or Honorary Vice Presi-
dent who is absent for three (3) consecutive times from the General Board Meeting and the New Board Meeting at AQHA's Annual Convention shall automatically lose their Board of Director voting privilege without further action, upon his/her third absence. Failure to attend either the General Board Meeting or the New Board Meeting at an AQHA Annual Convention shall be considered an absence. However, failure to attend both the General Board Meeting and the New Board Meeting at an AQHA Annual Convention shall only be considered one (1) absence. Absences shall be evidenced by roll call at both the General Board Meeting and the New Board Meeting. Any Director Emeritus, Director-At-Large or Honorary Vice President who loses their voting privilege as a result of this provision shall nevertheless have the privilege of attending all meetings of the Board of Directors and take part in discussions. **ARTICLE VIII**

**Indemnification**

**Section 1.** AQHA shall indemnify, to the fullest extent permitted by these bylaws or the laws of the State of Texas, any person made or threatened to be made a defendant or respondent to any threatened or pending action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that the person (a) was or is a director, trustee, officer, employee, member of a committee or member of a council created pursuant to this Rulebook or duly designated by the Executive Committee of AQHA, or (b) was or is serving any other corporation, partnership, joint venture, trust or other business or charitable enterprise as a director, trustee, officer or employee at the specific request of AQHA (hereinafter “indemnitee”). This indemnification is available only if, with respect to the matters made the basis of the underlying action, suit or proceeding, such indemnitee:

(a) acted in good faith,
(b) acted in a manner he or she reasonably believed to be in the best interests of AQHA, and
(c) had no reasonable cause to believe his or her conduct was illegal or unlawful.

The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or on a plea of nolo contendere or its equivalent, shall not of itself, create an irrebuttable presumption that the indemnitee did not meet the requirements set forth above.

This indemnity shall include all usual and customary expenses incurred in defense of or response to the action, suit or proceeding including, attorneys’ fees, costs, judgments, fines and amounts paid in settlement that are reasonably incurred by such person in connection with such action, suit or proceeding. The indemnification provided herein shall inure to the benefit of the indemnitee and his or her heirs, executors or administrators and shall not be exclusive of any other rights to which the indemnitee may be entitled by virtue of the laws of the State of Texas, any other Bylaw of AQHA, a written agreement with AQHA, or the vote of the Executive Committee of AQHA.

Notwithstanding the above provisions, a person shall not be indemnified with respect to any action, suit or proceeding filed by or undertaken by the AQHA against the person to whom indemnity would otherwise be available.

**Section 2. Conditions Precedent and Rights of AQHA.** To preserve this right of indemnity, an indemnitee shall promptly notify AQHA of any actual or threatened action, suit or proceeding, whereupon AQHA shall have the right to, but not the obligation to, assume and direct the defense thereof through attorney(s) selected and paid for by AQHA. If, in its sole discretion, AQHA, by and through its Executive Committee, determines that the failure of the indemnitee to promptly notify AQHA of any actual or threatened action, suit or proceeding prejudiced the rights of AQHA under this provision, it may deny indemnity to the person to whom indemnity would otherwise be available. The selection of attorney(s) will be subject to the consent of the indemnitee, which consent will not be unreasonably withheld. Any settlement, monetary or otherwise, of the action, suit or proceeding shall require the express consent of the Executive Committee of AQHA, and absent such consent, shall be the sole responsibility of the indemnitee.

VIO204.15 the use of any substance, including but not limited to any type of colorant, dye, glue or hair to hide an injury created by intentional or negligent treatment, prohibited training techniques or prohibited equipment. For purposes of this rule, “injury” is defined as an open wound, raw area and/or scabbed area. (minimum level 2).
VIO204.16 a horse which appears to be sullen, dull, lethargic, emaciated, drawn or overly tired (minimum level 1);
VIO204.17 intentional or negligent treatment which results in any bleeding, open wound and/or raw area – intentional (minimum level 3); unintentional (minimum level 1); for purposes of this section, “negligence” is the failure to exercise care that a reasonably prudent person would exercise. Regardless of whether the bleeding, open wound and/or raw area resulted from intentional or negligent treatment, the horse shall be disqualified.
VIO204.18 applying excessive pressure on or excessively jerking of a halter lead shank or lip cord, or an allowed safety lead (minimum level 2).
VIO204.19 any other treatment or conduct deemed by a show official to be inhumane or abusive (minimum level 1).
VI0204.20 It is prohibited to pour any substance into a horse's ears unless it is for a therapeutic purpose, which must be documented in a properly completed Medication Report Form (minimum level 2).

VI0205. AQHA may accept (1) an individual's conviction, no contest plea, or deferred adjudication or (2) judicial confiscation of a horse under state, federal, provincial or international law, for an offense of cruelty to or inhumane treatment of a horse, whether or not an American Quarter Horse is involved, as a presumptive violation of this rule, the effect of which is to automatically suspend the individual from AQHA membership privileges, or deny such privileges, for a period of no less than two (2) years after AQHA receives notice of the conviction, no contest plea, deferred adjudication or judicial confiscation. After the expiration of the two-year suspension, the individual may apply for reinstatement. AQHA may also temporarily suspend an individual charged or indicted pursuant to state, federal, provincial or international law for an offense of cruelty or inhumane treatment of a horse, whether or not an American Quarter Horse. Such temporary suspension may remain in place pending the outcome of the legal proceedings made basis of the charge or indictment.

VI0206. AQHA may accept suspension rulings pertaining to cruel or inhumane treatment of horses from other recognized equine related associations and state racing commissions, the effect of which is to automatically suspend the individual from AQHA membership privileges, or deny such privileges, for a length of time equal to the suspension for which reciprocity is given.

VI0220. UNSPORTSMANLIKE CONDUCT or any other form of misconduct that is irresponsible, illegal, indecent, profane, intimidating, threatening or abusive is prohibited. This provision applies to:

VI0220.1 AQHA members, nonmembers, exhibitors, trainers, owners, owner representatives, spectators and all other persons on the show grounds of an AQHA-approved event; and

VI0220.2 AQHA members on the show grounds of an event held in conjunction with an AQHA-approved event; and

VI0220.3 AQHA members on the show grounds of an event during which an AQHA-approved class is held regardless of whether the conduct is associated with or occurs during an AQHA-approved class.

VI0221. Show management may immediately expel individuals exhibiting unsportsmanlike conduct from show grounds and shall file a written report with AQHA concerning the conduct in question.

VI0230. INHIBITING COMPETITION. Any form of conduct that inhibits competition at AQHA-approved events is expressly prohibited. This offense includes not only the person suggesting the prohibited conduct, but all who participate in the scheme or plan. Such conduct includes, but is not limited to:

VI0230.1 padding classes by entering a horse(s) not otherwise qualified for the competition to fill a class to increase points;

VI0230.2 paying another's entry fee, directly or indirectly; or

VI0230.3 encouraging a potential competitor to refrain from entering the class.

VI0231. For inhibiting competition, an AQHA member may be disciplined, suspended, fined and/or expelled from AQHA, and a nonmember may be denied AQHA privileges. Furthermore, violation of this rule shall be grounds for AQHA to disqualify the horse(s) entered by the persons that participate in the scheme or plan prohibited by this rule.

VI0232. To assist AQHA in the promotion of true competition, any
person approached by another to cooperate in a scheme or plan to inhibit competition shall immediately report the matter to show management and then to AQHA in writing within 10 days, failing which, the person approached may be subject to disciplinary action by the Executive Committee, the same as the person or persons suggesting the scheme or plan.

**VIO233.** AQHA Stewards may immediately issue a Warning or Show Ground Removal cards to individuals whose conduct is in violation of AQHA rules and shall file a written report with AQHA concerning the conduct in question. Individuals receiving two warning cards from AQHA Stewards in a 12-month period may be cited to appear before an AQHA hearing committee in accordance with AQHA's disciplinary procedures. Regardless of whether an AQHA Steward is present at the show in question or whether an AQHA Steward takes action regarding violations of AQHA rules, nothing herein prevents show management or AQHA from taking appropriate action with respect to individuals who violate such rules.

**VIO240. PROHIBITED ASSISTANCE.** If a contestant, while inside the show arena or show ring, is assisted in any manner by another person or provides assistance in any manner to another person, the contestant shall automatically be disqualified. This rule does not apply to co-contestants assisting each other in team events such as dally team roping, cutting, team penning or ranch sorting. Furthermore, this rule does not apply to a contestant who assists another contestant if such assistance was necessitated for the safety of competing exhibitors or horses as determined by the judge; however, the contestant in need of such assistance shall be disqualified.

**VIO250. RESPONSIBLE PARTY.** The exhibitor, Absolutely Responsible Person and owner (collectively referred to as “Responsible Parties”) are each responsible for a horse’s condition, presumed to know all AQHA rules and regulations and are eligible for disciplinary sanctions for violation of AQHA rules and regulations according to AQHA’s disciplinary procedures.

**VIO251.** An individual is an Absolutely Responsible Person if:

- **VIO251.1** he/she designates himself/herself on the entry blank as exhibitor, or authorizes another to designate him/her as exhibitor on the entry blank;
- **VIO251.2** he/she signs the entry blank on behalf of himself/herself or another, or causes an agent or representative to sign it;
- **VIO251.3** he/she physically participates in the event by riding or showing the horse; or
- **VIO251.4** he/she is the actual trainer, having presented or caused to be presented the horse at the show grounds for exhibition.

**VIO252.** Both the exhibitor designated on the entry blank and one having actual possession of the horse while physically participating with the horse in the event are conclusively presumed to be authorized by the owner to execute all documents, necessary or convenient, to allow the horse’s participation in an AQHA-approved event, including documents pertaining to drug testing and the use of Lasix. If an individual is prevented from performing his/her duties, including absolute responsibility for the condition of the horse, by illness or otherwise, or is absent from the show, he/she shall immediately notify the show secretary, and appoint a substitute, and such substitute shall place his/her name on the entry blank. The exhibitor and owner acknowledge an exhibitor represents the owner in regard to his/her horses entered in an approved show.
VIO253. Upon request of show management or AQHA representative, every Responsible Party shall:

VIO253.1 permit examination of a horse for determination of the presence of prohibited surgery, mechanical device, artificial appliance, foreign drug or substance;

VIO253.2 permit examination of a horse for determination of normal tail function; and

VIO253.3 permit a specimen of urine, saliva, blood, hair or other substance to be taken for testing.

VIO253.4 Refusal to comply with such request shall constitute grounds for immediate disqualification of the horse from further participation at the show, the horse being barred from participation in future AQHA-approved events or shows for such period as determined by the Executive Committee or other appropriate committee and suspension of the Responsible Party's AQHA membership.

VIO300. PROHIBITED MEDICATION, DRUG, SUBSTANCE. No person shall cause to be administered internally or externally to a horse, either before or during an approved event, any medication, drug, or substance which could affect its performance or appearance at that event, except for those conditionally permitted therapeutic medications, the use of which is specifically provided for in the therapeutic medication addendum and not otherwise prohibited by governmental regulations.

VIO301. Upon discovery of administration of such prohibited medication, drug or substance, show management shall immediately report the matter to AQHA. Any substance, administered internally or externally, whether drugs or otherwise, or action which may interfere with the testing procedure or mask or screen the presence of a prohibited medication, drug or substance is forbidden.

VIO302. It is presumed the sample of urine, blood, saliva, hair or other substance tested by the approved laboratory is the one taken from the horse in question, its integrity is preserved, and that all procedures of such collection and preservation, transfer to the laboratory, and analysis of the sample are correct and accurate, and the report received from the laboratory pertains to the sample taken from the horse in question and correctly reflects the condition of the horse during the show in which it was entered, with the burden on the exhibitor or other Responsible Party to prove otherwise at any hearing in regard to the matter conducted by AQHA.

VIO303. If the laboratory report on the chemical analysis of urine, blood, saliva or other sample taken from the horse indicates the presence of a prohibited medication, drug or substance, this shall be taken as prima facie evidence such prohibited medication, drug or substance has been administered to the horse either internally or externally.

VIO304. The Responsible Party is eligible for disciplinary sanctions, whether or not they had actual knowledge of the presence of a prohibited medication, drug or substance, directly participated in the administration thereof, innocently miscalculated its retention time in the horse's system, or any other reason for which its presence is established.

VIO305. Presence of a prohibited medication, drug or substance in a horse participating in an AQHA-approved event shall be grounds for the Executive Committee to take the following action if it is determined that the use of said medication, drug or substance was not within the guidelines set forth in the Therapeutic Medication Addendum:

VIO305.1 disqualify the horse from all classes in which it participates at the show;
VI0305.2 bar the horse from participation in further AQHA-approved events or shows for such period as determined appropriate, and, upon request, the owner shall deliver the horse’s registration certificate to AQHA to either be held during the period of the horse’s suspension from participation or for purposes of AQHA to prominently note the horse’s ineligibility to participate in AQHA-approved events on the face of the registration certificate. Although ownership of such horse may, thereafter, be transferred to another party, the transfer of ownership will not dissolve or shorten the terms of a suspension/ineligibility to participate; and

VI0305.3 discipline the Responsible Party(ies) under AQHA’s general disciplinary procedure or offer an administrative penalty as determined appropriate by the Executive Committee.

VI0305.4 Pending final hearing by the Executive Committee or such other appropriate hearing committee, the Executive Vice President may, by giving written notice of its action to the owner of record at his current address as shown on AQHA records, temporarily suspend such horse from further participation in an AQHA-approved event or show.

VI0320. PROHIBITED SURGICAL PROCEDURE, MECHANICAL DEVICE OR ARTIFICIAL APPLIANCE. Any surgical procedure, mechanical device or artificial appliance that could affect a horse’s performance or alter its natural conformation or appearance is prohibited unless it meets one of the following exceptions:

VI0320.1 surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the horse;

VI0320.2 use of a pacemaker or prosthetic eye if the owner files a written request for permission and requests it be reviewed and considered by AQHA’s Executive Committee (approval, if granted, will be noted on the horse’s registration certificate);

VI0320.3 tails lengthened by hair to hair attachment only with no attachments of any kind to the tailbone. The use of weighted tails is legal; or

VI0320.4 earplugs or cotton in the horse’s ears.

VI0321. Upon discovery of the existence of prohibited surgery, mechanical device or artificial appliance, show management shall immediately report the matter to AQHA.

VI0322. The Responsible Party is eligible for disciplinary sanctions, whether or not they had actual knowledge of the surgical procedure, mechanical device or artificial appliance, or directly authorized the surgical procedure or administration of prohibited devices. Purchase, and subsequent exhibition of a horse with such condition in an AQHA-approved show makes an individual a Responsible Party under this rule. Violation of this rule is grounds for the Executive Committee, or an appropriate committee of AQHA, to take disciplinary action according to AQHA’s disciplinary procedures.

VI0330. ALTERATION OF TAIL FUNCTION. For the purpose of this rule, normal tail function is defined as “being able to raise the tail to or above the horizontal plane.” A horse’s inability to raise its tail to or above the horizontal plane in response to a tail test conducted on-site by an AQHA-approved veterinarian shall be considered a violation of this rule. An AQHA-approved veterinarian may examine any registered American Quarter Horse for an altered tail if entered in any event held in conjunction with an AQHA-approved show, whether or not said event is approved by AQHA.
VIO330.1 The above prohibition includes application or administra-
tion of any drug, chemical, foreign substance, surgical proce-
dure, or trauma, accidental or intentional (as to trauma, this prohi-
bition applies to horses foaled after January 1, 1990), which results
in, or could result in, alteration of normal tail function, carriage,
conformation or overall appearance of the horse.

VIO331. The Responsible Party is eligible for disciplinary sanctions,
whether or not they had actual knowledge of the trauma, authorized the
surgical procedure or directly participated in the administration of any
drug, chemical or foreign substance that altered normal tail function.
Purchase and subsequent exhibition of a horse with such condition in
an approved show makes an individual a Responsible Party under this
rule. Violation of this rule is grounds for the Executive Committee, or an
appropriate committee of AQHA, to take disciplinary actions according
to AQHA's disciplinary procedures.

VIO332. If, upon examination by AQHA or show representative
(after obtaining prior AQHA authorization), a horse's tail function or
appearance is found to be abnormal, the horse shall be immediately
reported to AQHA. Upon written notification to the owner by AQHA,
the horse's participation privileges in AQHA-approved events may be
temporarily suspended pending hearing.

VIO333. A horse found to have abnormal tail function or appear-
ance may have its participation privileges reinstated if, upon examina-
tion by AQHA's approved veterinarians, the tail is found to be normal
in both appearance and function. Unless otherwise specified herein,
a minimum of one year from the time of suspension of privileges must
elapse before the horse is eligible for re-examination at the owner’s
expense. After such examination, participation privileges of the horse
will remain suspended until reconsideration by the Executive Commit-
tee or any appropriate committee of AQHA, which the owner must
request in writing. The owner shall have the burden of persuasion to
prove normal tail function and appearance.

VIO334. In the case of trauma to a horse’s tail which does alter or
could result in alteration of tail function, to shorten the stipulated
one-year period prior to consideration for reinstatement provided
above, the owner shall file a written report concerning the injury and
its circumstance with AQHA within 30 days of the occurrence.

VIO334.1 Upon receipt of this report, at the owner’s expense,
AQHA may require a veterinarian examination that becomes a part
of the horse’s file. The veterinarian must be approved by AQHA.

VIO334.2 Within one year from the filing date by the owner of the
trauma report, if the Executive Committee has, in the meantime,
barred the horse from participation in AQHA-approved events, or if
an owner’s report has been filed, after one year from the date of
Executive Committee action barring the horse, the owner may
request, in writing, a re-examination of the horse and rehearing
before the Executive Committee for a determination as to whether
the horse’s tail function, carriage, conformation and overall appear-
ance is normal. If the Executive Committee’s determination is
adverse, the owner may repeat his request for reinstatement at the
expiration of one year from the date of the latest hearing. The
owner shall have the burden of persuasion to prove normal tail
function and appearance.

VIO400. THERAPEUTIC MEDICATION ADDENDUM

VIO400.1 Does not apply if prohibited by governmental regulations.
VIO400.2 Exhibitors, owners, trainers and veterinarians are cautioned against the use of medicinal preparations, tonics, pastes and products of any kind, the ingredients and quantitative analysis of which are not specifically known, as many of them may contain a prohibited substance.

VIO400.3 A Therapeutic Medication Hotline is available by calling 1-800-633-2472.

VIO401. Prohibited drugs or substances include:

VIO401.1 Any product that contains an ingredient or is a drug which might affect the performance of a horse as a stimulant, depressant, tranquilizer, analgesic, local anesthetic or psychotropic (mood and/or behavior altering) substance. Stimulants and depressants are defined as substances that stimulate or depress the cardiovascular, respiratory or central nervous system.

VIO401.2 Any substance, regardless of how harmless or innocuous it might be, that might interfere with drug testing procedures.

VIO401.3 Any anabolic steroid

VIO401.4 Any nonsteroidal anti-inflammatory drug (NSAID) other than those other than those allowed by AQHA at the proper therapeutic dosage as contained in these Guidelines.

VIO401.5 Clenbuterol

VIO401.6 Albuterol

VIO401.7 Any metabolite and/or analog of any of the above described prohibited drugs or substances.

VIO402. Conditionally Permitted Therapeutic Medication: Any drug, medication or substance that could affect the performance of a horse that is used for the legitimate treatment of illness or injury and is not specified as a prohibited substance as defined in VIO401.1, VIO401.5, VIO401.6, or VIO401.7 above shall be considered a conditionally permitted therapeutic medication. However, conditionally permitted therapeutic medications are prohibited and use thereof subjects the person to disciplinary action, unless all conditions of their administration are met.

VIO403. Each of the following requirements is a condition to authorize administration of conditionally permitted therapeutic medications, which shall be verified in a written medication report, available from AQHA or show management, completed in its entirety, and filed with show management before exhibition of the horse per VIO403.3 – VIO403.10 below:

VIO403.1 Administration by a veterinarian who is licensed to practice veterinary medicine in the state, province or country where the event is being held (“Licensed Veterinarian”) or from a written prescription (written instructions) by a Licensed Veterinarian which documents administration of medication is necessary for the legitimate treatment of illness or injury. The administration of a conditionally permitted therapeutic medication for the purpose of transport, grooming, training, etc. is not therapeutic under this authorization rule.

VIO403.2 The horse must be withdrawn and kept out of competition for not less than 24 hours after the medication is administered, with the exception of Furosemide (Lasix®), see VIO405.9.

VIO403.3 Identification of the medication: the name, amount, strength/concentration and mode of administration.

VIO403.4 Date and time of administration.

VIO403.5 Identification of the horse: name, age, sex, color and entry number.
VIO403.6 Diagnosis of illness/injury, reason for administration, and name of administering and/or prescribing veterinarian.

VIO403.7 Signature of veterinarian or person administering the medication. If by prescription (written instructions), a copy must be attached to the medication report.

VIO403.8 The medication report must be filed with show management within one hour after administration of the medication or one hour after show management is available, if administration occurs at a time other than during competition hours.

VIO403.9 The medication report must be signed by show management and time of receipt recorded on the report.

VIO403.10 While the medication report must be filed only if the administered medication will be present in amounts detectable in blood and/or urine samples at the time of competition/sampling, exhibitors are hereby cautioned it is their responsibility to determine whether or not such medication has had time to clear the horse’s system. If there is any doubt, a medication report should be filed.

VIO403.11 Regardless of whether the medication report requirements described above are met, laboratory detection of concentration levels of an otherwise conditionally permitted therapeutic drug that are inconsistent with the administration of a therapeutic dosage of such drug (including, but not limited to, inconsistencies regarding reported dosage and time constraints) shall constitute presumption of a violation of this rule, and the Responsible Party has the burden of persuasion to establish that the drug was administered in a therapeutic dosage and not less than 24 hours prior to competition.

VIO403.12 Regardless of whether all of the conditionally permitted therapeutic medication requirements listed in VIO403 are met, it shall be considered a rule violation if the same plasma or urine sample contains more than one (1) of the permitted NSAIDs listed in VIO405.1 - VIO405.7.

VIO404. Restrictions concerning the use of conditionally permitted therapeutic medications that may be administered within 24 hours of showing:

VIO404.1 Subject to the specified restrictions, only those thirteen (13) drugs or medications listed in VIO405.1 – VIO405.13 below may be administered within 24 hours of showing. The provisions in VIO405.1 – VIO405.13 below contain rules concerning maximum allowable plasma concentration levels followed by “Guidelines”.

The Guidelines are applicable to most horses. Nevertheless, reliance upon the guidelines does not guarantee compliance with the rules, since the response of individual horses may vary. Exhibitors, owners, and trainers should consult the drug manufacturer and knowledgeable veterinarians for up-to-date information and more specific advice concerning the therapeutic use of a drug or medication for a particular horse.

The Guidelines, if heeded, will minimize the chances of positive drug tests. However, all Responsible Parties are cautioned that the guidelines are only general guidelines, and it is their responsibility to see to it that conditions prevail for full compliance with all AQHA rules. Reliance upon the Guidelines will not serve as a defense to a charge of violation of the rule in the event of a positive drug test. Should the testing laboratory report the presence of one of the drugs or medications listed in VIO405.1 – VIO405.13 below in an amount greater than what would be consistent with the Guidelines or at a level higher than a specified maximum permitted plasma
concentration, the matter will be reviewed and disciplinary action may be taken. **VIO404.2** Regardless of whether all of the conditionally permitted therapeutic medication requirements for a specific NSAID listed in **VIO405.1** – **VIO405.7** below are met, it shall be considered a rule violation if the same plasma or urine sample contains more than one (1) of the NSAIDs listed in **VIO405.1** - **VIO405.7** below.

**VIO405. CONDITIONALLY PERMITTED THERAPEUTIC MEDICATIONS.** Only those 13 drugs or medications listed below may be administered within 24 hours of showing:

**VIO405.1** Phenylbutazone (an NSAID) - The maximum permitted plasma concentration of phenylbutazone is 15.0 micrograms per milliliter.

Guidelines: When phenylbutazone is administered, the dose should be accurately calculated according to the actual weight of the animal. Each 24 hours, not more than 2.0 milligrams per pound of body weight should be administered, preferably less. For a 1,000 pound animal, the maximum daily dose is 2.0 grams, which equals two 1.0 gram tablets, or two 1.0 gram units of paste, or 10.0 cc of the injectable (200 milligrams per milliliter). Neither a total daily dose nor part of an injectable dose should be administered during the 12 hours prior to competing. In the event the phenylbutazone is administered orally, half of the maximum daily dose (1.0 gram per 1,000 lbs.) can be administered each 12 hours (i.e., 12 hours apart) during a five day treatment program even if such oral administration occurs within 12 hours of competition. Phenylbutazone should not be used for more than five successive days.

**VIO405.2** Diclofenac (Surpass) (an NSAID) - The maximum permitted plasma concentration of Diclofenac (Surpass) is 0.005 microgram per milliliter.

Guidelines: Every 12 hours, not more than 73 mg of diclofenac liposomal cream should be administered (not more than 146 mg per 24 hour period) to one affected site. This 73 mg dose equals a 5-inch ribbon of cream not greater than 1/2 inch in width, which should be rubbed thoroughly into the hair over the joint or affected site using gloved hands. Administration of diclofenac cream should be discontinued 12 hours prior to competing. Do not apply diclofenac cream in combination with any other topical preparations including DMSO, nitrofurazone or liniments, and do not use on an open wound. Diclofenac cream should not be administered for more than 10 successive days.

**VIO405.3** Flunixin (an NSAID) - The maximum permitted plasma concentration of Flunixin is 1.0 microgram per milliliter.

Guidelines: When Flunixin Meglumine (Banamine®) is administered, the dose should be accurately calculated according to the actual weight of the animal. Each 24 hours, not more than 0.5 milligram per pound of body weight should be administered. For a 1,000 pound animal, the maximum daily dose is 500 milligrams, which equals two 250 milligram packets of granules, or one 500 milligram packet of granules, or 500 milligrams of the oral paste (available in 1,500 milligram dose syringes), or 10.0 cc of the injectable (50 milligrams per milliliter). No part of a dose should be administered during the twelve (12) hours prior to competing. Any medicated feed must be consumed and/or removed at least twelve (12) hours prior to competing. The medication should not be used for more than five successive days.
**VIO405.4** Ketoprofen (an NSAID) - The maximum permitted plasma concentration of Ketoprofen is 40.0 nanograms per milliliter. 

Guidelines: When Ketoprofen (Ketofen®) is administered, the dose should be accurately calculated according to the actual weight of the animal. Each 24 hours, not more than 1.0 milligram per pound of body weight should be administered. For a 1,000 pound animal, the maximum daily dose is 1.0 gram, which equals 10.0 cc of the injectable (100 milligrams per milliliter). No part of a dose should be administered during the twelve (12) hours prior to competing. The medication should not be used for more than five successive days.

**VIO405.5** Meclofenamic Acid (an NSAID) - The maximum permitted plasma concentration of Meclofenamic Acid (Arquel®) is 2.5 micrograms per milliliter.

Guidelines: When Meclofenamic Acid is administered, the dose should be accurately calculated according to the actual weight of the animal. Each 12 hours, not more than 0.5 milligram per pound of body weight should be administered, preferably less. For a 1,000 pound animal, the maximum 12 hour dose is 0.5 gram, which equals one 500 milligram packet of granules. The medication should not be used for more than five successive days.

**VIO405.6** Naproxen (an NSAID) - The maximum permitted plasma concentration of Naproxen is 40.0 micrograms per milliliter. 

Guidelines: When Naproxen is administered, the dose should be accurately calculated according to the actual weight of the animal. Each 24 hours, not more than 4.0 milligrams per pound of body weight should be administered. For a 1,000 pound animal, the maximum daily dose is 4.0 grams, which equals eight 500 milligram tablets. No part of a dose should be administered during the twelve (12) hours prior to competing. Any medicated feed should be consumed and/or removed at least twelve (12) hours prior to competing. The medication should not be used for more than five successive days.

**VIO405.7** Firocoxib (Equioxx) (an NSAID) - The maximum permitted plasma concentration of Firocoxib (Equioxx) is 0.240 microgram per milliliter.

Guidelines: When Firocoxib (Equioxx) is administered, the dose should be accurately calculated according to the actual weight of the animal. For a 1,000 pound animal, the maximum daily dose is 45.5 milligrams, which equals 0.1 milligram per kilogram of body weight once daily. No part of a dose should be administered during the 12 hours prior to competition. Firocoxib (Equioxx) should not be administered for more than 14 successive days.

**VIO405.8** Acetazolamide – This medication may only be administered to horses documented through DNA testing to be positive (N/H or H/H) for HYPP (Hyperkalemic Periodic Paralysis). While these rules do not contain a maximum allowable plasma concentration level for Acetazolamide, laboratory detection of levels of Acetazolamide that are not consistent with administration in accordance with the following guidelines may result in prosecution of a rule violation.

Guidelines: When Acetazolamide is administered, the dose should be accurately calculated according to the actual weight of the animal. For a 1,000 pound animal, the maximum daily does is 45.5 milligrams, which equals 0.1 milligram per kilogram of body weight once daily. No part of a dose should be administered during the 12 hours prior to competition. Firocoxib (Equioxx) should not be administered for more than 14 successive days.

**VIO405.9** Furosemide (Lasix®) – The maximum plasma concentration of furosemide is 100 nanograms per millimeter. Each 24 hours, the dose should not exceed 500mg. Guidelines: When used,
Furosemide must be administered intravenously at least four hours prior to competition. Medication report must be filed with show management as required in VIO403 above.

VIO405.10 Isoxsuprine - Guidelines: When administered, the dose should be accurately calculated according to the actual weight of the animal. Each 24 hours, not more than 1.6 milligrams per pound of body weight should be administered (usually divided in two equal doses given 12 hours apart). For a 1,000 pound animal, the maximum daily dose is 1,600 milligrams, which equals 80 20-milligram tablets. No part of a dose should be administered during the four hours prior to competing. Any medicated feed should be consumed and/or removed at least four hours prior to competing.

VIO405.11 Lidocaine/Mepivicaine - This medication may only be used under actual observation of event management (or designated representative) and/or the official show veterinarian, either of which must sign the medication report form, to aid in the surgical repair of minor skin lacerations which, by their very nature, would not prevent the horse from competing following surgery. Medication report form must be filed with show management as required in V10403 above.

VIO405.12 Dexamethasone - The maximum permitted plasma concentration is 3.0 nanograms per milliliter at the time of competition.

Guidelines: In order to help trainers, owners and their veterinarians achieve compliance with this rule in connection with the therapeutic use of dexamethasone, it should be administered in accordance with the guidelines below. These guidelines include several alternative scenarios for dose time and route of administration. Whenever dexamethasone is administered, the dose should be accurately calculated according to the actual weight of the animal. Alternative Number 1. (2.0 mg or less per 100 pounds IV or IM at 12 or more hours before competition). Each 24 hours, not more than 2.0 milligrams of dexamethasone injectable solution per 100 pounds of body weight should be administered intravenously or intramuscularly, preferably less. For a 1,000 pound animal, the maximum daily intravenous or intramuscular dose of dexamethasone injectable solution is 20.0 milligrams, which equals 5.0 milliliters of the injectable solution (4.0 milligrams per milliliter). No part of this dose should be administered during the 12 hours prior to competing. Dexamethasone should not be administered for more than five successive days. Alternative Number 2. (0.5 mg or less per 100 pounds IV at 6 or more hours before competition). Each 24 hours, not more than 0.5 milligram of dexamethasone injectable solution per 100 pounds of body weight should be administered intravenously, preferably less. For a 1,000 pound animal, the maximum daily intravenous dose of dexamethasone injectable solution is 5.0 milligrams, which equals 1.25 milliliters of the injectable solution (4.0 milligrams per milliliter). No part of this dose should be administered during the six hours prior to competing. Dexamethasone should not be administered for more than five successive days. Alternative Number 3. (1.0 mg or less per 100 pounds orally at 6 or more hours before competition). Each 24 hours, not more than 1.0 milligram of dexamethasone powder per 100 pounds of body weight should be administered orally, preferably less. For a 1,000 pound animal, the maximum daily oral dose of dexamethasone powder is 10.0 milligrams, which equals one packet of dexamethasone powder (10.0 milligrams per packet). No part of this dose should be administered during the six hours prior to competing. Any medicated feed should be either consumed or removed at least six (6) hours prior to competing.
Dexamethasone should not be administered for more than five successive days.

VI0405.13 Methocarbamol - The maximum permitted plasma concentration of methocarbamol is 0.5 micrograms per milliliter.

Guidelines: Whenever methocarbamol is administered, the dose should be accurately calculated according to the actual weight of the horse. Each 24 hours, not more than 5.0 mg per pound of body weight should be administered, preferably less. For a 1000 pound animal, the maximum dose each 24 hours is 5.0 grams, which equals ten 500 milligram tablets or 50 cc of the injectable (100 milligrams per milliliter). No dose should be administered during the 24 hours immediately following the prior dose. No part of a dose should be administered during the 12 hours prior to competing. Any medicated feed must be consumed and/or removed at least 12 hours prior to competing. Methocarbamol should not be administered for more than five successive days.

VI0406. Administration of these conditionally permitted therapeutic medications does not require that the horse be withdrawn and kept out of competition for a period not less than 24 hours after the medication is administered, nor is there a requirement that a medication report be filed with show management, except when Lidocaine/Mepivicaine is used per VI0405.11 above.

VI0500. SUSPENSION: Any member may be suspended and denied AQHA privileges and any nonmember may be denied AQHA privileges by AQHA’s Executive Vice President for:

VI0500.1 failure to pay when due any obligation owing to AQHA, or any of its subsidiaries including, but not limited to, Q Data, or any of its publications including, but not limited to, The American Quarter Horse Journal, and Quarter Racing Journal.

VI0500.2 failure to pay when due any obligation owing to an AQHA-approved affiliate; or an AQHA-approved show; or

VI0500.3 giving a worthless check for entry fees, stall fees, office charges, stock charges or any other fees or charges including bank charges for returned check connected with the exhibition of horses.

VI0501. Prior to a suspension or denial of privileges, AQHA will provide written notification to the member or nonmember of their outstanding obligation per VI0500.2-3. Unless within 31 days after date of such notice, the member or nonmember disputes the validity of the obligation or any portion thereof, AQHA will assume the obligation to be valid and may proceed with a suspension or denial of AQHA privileges. If, within 31 days of date of such notice, a member or nonmember notifies AQHA in writing that the obligation or a portion thereof is disputed, AQHA will obtain a verification of the obligation, and AQHA will mail to the member or nonmember a copy of such verification. If the member or nonmember does not fully pay the obligation within 15 days of date of such verification of the obligation, AQHA will assume the obligation to be valid and may proceed with a suspension or denial of AQHA privileges.

VI0502. Upon suspension and/or denial of privileges by the Executive Vice President, the name, address, city and state of such member or nonmember and description of disciplinary action may be published on AQHA’s official website, aqha.com. Any suspension and/or denial of AQHA privileges under this section shall terminate upon full payment of the obligation due.
VI0505. DISCIPLINARY AND APPEAL PROCEDURE.
Executive Committee Jurisdiction: The Executive Committee is the forum within AQHA that, initially or ultimately, hears or reviews evidence of alleged violation of rules and regulations by members or nonmembers, decides all matters pertaining to registration of horses, and hears appeals from other committee action. A member may be disciplined, suspended, fined and/or expelled from AQHA and any nonmember may be denied any or all AQHA privileges. Registration certificates may be altered or cancelled and registration applications denied. Proof necessary to establish a rule violation or registration ineligibility is that quantum of proof that would lead a reasonable person to believe the matter alleged in the notice of hearing is established by the credible evidence admitted before the Executive Committee. A majority vote of the Executive Committee shall determine guilt, and its decision and action shall be final and binding on all parties.

VI0510. EXTENT OF SANCTION: In regard to any violation of AQHA rules and regulations, the Executive Committee shall have jurisdiction to invoke sanction, including revocation or denial of membership privileges, revocation of participation privileges in all AQHA-approved events for a definite or indefinite period, denial of privilege of access or presence on show grounds of an AQHA-approved show, and in addition, assessment of fine not to exceed $25,000. Executive Committee sanction may include denial of privilege to advertise in AQHA's official publications.

VI0515. ADMISSIBILITY OF EVIDENCE AND SUFFICIENCY OF PROOF: Proceedings before the Executive Committee shall be informal, and rules of evidence, both at common law or provided by Texas rules of civil or criminal evidence, need not be strictly observed. The standard by which admissibility is determined is whether the evidence is such that an ordinarily prudent person is willing to rely upon it. As an AQHA member, the owner or lessee of an American Quarter Horse, or participant at an AQHA-approved event, and a person appearing before the Executive Committee, a standing committee or any subcommittee, agrees that all witnesses and participants in such hearing shall be immune from any civil liability whatsoever, including, but not limited to, libel, slander, invasion of privacy, defamation or product disparagement, for testimony given in the course of the preparation for or at the hearing.

VI0520. ABSOLUTE RESPONSIBILITY: AQHA rules pertaining to prohibition of drugs or surgical alteration provide for absolute responsibility for a horse's condition by an exhibitor, trainer, or Absolutely Responsible person or Responsible Party as affirmed by AQHA rules, whether or not such person was actually instrumental in, or had actual knowledge of, the administration of such drug or surgery, thereby making such person eligible for possible disciplinary action upon proof of the presence of such drug by laboratory analysis or existence of surgical alteration. This rule of procedure for disciplinary action pertains to drug or surgical alteration cases in regard to notice, hearing and effect of suspensions or other sanctions, but burden of proof and presumptions as contained in said drug or surgical alteration rules specifically govern such cases.

VI0521. An owner or lessee of a registered American Quarter Horse may be held responsible for the actions of all third parties in whose care the owner or lessee places his/her horse, including, but not limited to, trainers, agents, representatives, exhibitors and employees. When such third party is convicted of a violation of AQHA rules involv-
ing an owner or lessee's horse, or if an owner or lessee acquires personal knowledge of such rule violation by the third party, the owner or lessee is responsible to take such prompt and reasonable action as to protect his/her horse. An owner or lessee may be disciplined in accordance with the rules contained herein, including the enhancement of penalty rule, for failure to take such prompt and reasonable action.

VIO600. NOTICE OF HEARING: Anyone accused of any violation shall be given not less than 15 days notice of a time and place for hearing such accusation by the Executive Committee at which hearing he shall have the opportunity, in person and by counsel, to present evidence in his own behalf and to hear and refute evidence against him. Such notice is deemed received when delivered according to AQHA's general notice procedure.

VIO610. TEMPORARY SUSPENSION: Pending final hearing by the Executive Committee, the Executive Vice President may, by giving written notice of his action:

VIO610.1 temporarily suspend such member, the effect of which shall be to deny him further AQHA privileges until the Executive Committee can hear the matter and take the appropriate disciplinary action; and

VIO610.2 temporarily suspend the registration of the horse in question, and upon AQHA request, the owner or lessee shall return the registration certificate to the Executive Vice President, pending final determination of its validity, the effect of which shall be to suspend participation privileges in AQHA-approved events.

VIO620. PUBLICATION: When a member is disciplined, suspended or expelled, or a nonmember is denied membership privileges, or when a member or nonmember is temporarily suspended by the Executive Vice President pending hearing, the name and address (city and state) of such member or nonmember and description of the disciplinary action may be published on AQHA's official website, aqha.com. A current list of suspended or disciplined persons shall be maintained at AQHA's office, with the responsibility of each member, horse owner or those involved in transactions concerning American Quarter Horses, to contact AQHA for information regarding the membership status of a particular individual or legal entity.

VIO630. CERTIFICATE CANCELLATION: Upon determination that a horse is either ineligible for registration or eligible only upon fulfillment of certain conditions, the registration certificate shall be cancelled or amended upon fulfillment of those conditions. If cancelled, the horse shall not participate in AQHA-approved events. If registration is conditional, the horse shall not participate in AQHA-approved events until those conditions are fulfilled and the registration certificate is reinstated.

VIO640. ENHANCEMENT OF PENALTY: The Executive Committee may enhance suspension, penalty and/or fine of repeat offenders of AQHA rules and regulations and include owners or lessees who have repeatedly placed the care or custody of their horses with such repeat offenders, according to guidelines that it may, from time to time, set to a maximum of indefinite suspension of membership privileges and/or fine to a maximum of $25,000. Such disciplinary actions are enhancements of those disciplinary actions listed in VIO510.

VIO641. An owner or lessee of a registered American Quarter Horse is responsible for the actions of all third parties in whose care the owner or lessee places his horse, including, but not limited to, trainer or exhibitor. When such third party is convicted of a violation of AQHA
rules involving owner’s or lessee’s horse, or if an owner or lessee acquires personal knowledge of such rule violation by the third party, the owner or lessee is responsible to take such prompt and reasonable action as to protect his horse and AQHA from repeat offenses. Failure by the owner or lessee to take such action, or repeat offenses by such third parties involving the owner’s or lessee’s horse or horses, constitutes the owner or lessee eligible for inclusion in enhancement of penalty under AQHA disciplinary rules.

VI0650. EFFECT OF MEMBERSHIP SUSPENSION: On or after such time as any person has been suspended, expelled or denied AQHA privileges, in addition to other provisions of the AQHA Official Handbook or policy of AQHA, the following restrictions set forth below shall apply. For purposes of this subsection, the term “Family” shall mean the person that has been suspended, expelled or denied AQHA privileges, that person’s spouse and that person’s child.

VI0650.1 That person shall not participate, and shall be ineligible to participate, in any AQHA-approved event. Such person shall be ineligible to hold approved judges credentials or any other AQHA accreditation.

VI0650.2 No horse that is recorded in the name of such person is eligible to participate in any AQHA-approved event such as shows or races. No horse that is recorded in the name of such person’s family is eligible to participate in such AQHA-approved events unless waived by the AQHA Executive Committee.

VI0650.2.1 UNREGISTERED HORSES: In the case of the sale by a suspended person to an innocent third party purchaser not the owner at time of foaling, when accompanied by written transfer from the suspended owner to the registration applicant; or

VI0650.2.2 REGISTERED HORSES: In the case of the sale by a suspended person, ownership which has not been recorded in the suspended person’s name, to record ownership into the suspended person and transfer to the innocent third party purchaser.

VI0650.3 That person, that person’s family or entity owned in whole or part by that person’s family shall not register any horse with AQHA. Transfers to that person, that person’s family or entity owned in whole or part by that person’s family shall not be processed. To prevent hardship on innocent third parties, AQHA has discretion to waive procedural requirements if all other registration or transfer requirements of AQHA are fulfilled.

VI0650.4 Signatures will be honored on registration applications, transfer reports and bills of sale for the purpose of allowing that person, that person’s family, or entity owned in whole or part by that person’s family to transfer horses recorded in their ownership at the time of the disciplinary action to innocent third parties.

VI0650.5 No horse shall be registered that is either sired by a horse or out of a mare owned by such suspended person or their family if such person is under suspension at time of breeding.

VI0650.6 AQHA shall not accept the signature of such person, such person’s family member or entity owned in whole or part by that person’s family on registration applications, breeder’s certificates or stallion breeding reports evidencing breeding taking place on or after date of such disciplinary action.

VI0650.7 Written leases filed with AQHA prior to the time of disciplinary action and covering horses owned by the disciplined
person or their family shall remain valid, and the signature of the lessee shall be accepted during the term of such lease, but for no renewal thereof.  

**VIO651.** During the period of expulsion, suspension or denial of AQHA privileges, failure to comply with these restrictions and any other express conditions or restrictions of said disciplinary action may constitute grounds for further disciplinary action.  

**VIO655. EFFECT OF SUSPENSION ON PRIVILEGES IN AQHA-APPROVED EVENTS:** On or after such time as any person has been denied participation privileges in AQHA-approved events, but his membership privileges are not affected, the following restrictions shall apply:  

- **VIO655.1** That person shall not be eligible to participate in any AQHA-approved event;  
- **VIO655.2** Horses that are recorded in the name of such person, or owned in whole or in part by such person, are not eligible to participate in any AQHA-approved event;  
- **VIO655.3** That person shall not be eligible to hold approved judges credentials or any other AQHA accreditation.  

**VIO656.** During the period of denial of AQHA privileges, failure to comply with these restrictions and any other express conditions or restrictions of said disciplinary action may constitute grounds for further disciplinary action.  

**VIO657.** If denial or revocation of show privileges includes denial of access or presence on show grounds, the person shall refrain from entry or presence on show grounds of any AQHA-approved show grounds during the term of his or her suspension. Failure to comply with such restriction may result in (1) further disciplinary action against such person and (2) disqualification of exhibitors and horses that such person helped prepare for the show or assisted at the show.  

**VIO658.** Every person who is suspended or otherwise disciplined by one of the below specified associations may be suspended or disciplined by AQHA, upon official notice to AQHA by the disciplining association, for the following offenses:  

- **VIO658.1** unsportsmanlike conduct at a show or contest;  
- **VIO658.2** inhumane treatment of horses; or  
- **VIO658.3** prohibited surgical procedure or injection or administration of foreign substances or drugs that could affect a horse’s performance or alter its natural conformation or appearance.

Prohibited Medication, Drug and Substance Rule Violations

Any laboratory report resulting from random testing conducted by the AQHA that indicates the presence of any prohibited substance, the presence of any permitted medication in levels that exceed those allowed under these rules and guidelines or the presence of more than one NSAID, all of which are violations of these medications rules, will constitute prima facie evidence that the substance(s) was administered to the horse either internally or externally in violation of the AQHA medications rules or was not within the guidelines in the AQHA Rulebook.

The AQHA Executive Committee has ultimate authority to impose less or more severe penalties as compared to this chart as it deems necessary. This chart may be modified at any time by AQHA’s Executive Committee. All fines and penalties are cumulative and run consecutively in the case of multiple offenses. Habitual offenders are subject to the severest fines and penalties above.
determination of whether a medication rule violation has occurred will be based upon the laboratory results.

The following disciplinary actions may be considered by AQHA, AQHA Show Rule Violations Committee or AQHA Executive Committee in addressing a violation of the medications rules. The following are general guidelines only. The AQHA, AQHA Show Rule Violations Committee or AQHA Executive Committee may assess discipline (including fines, probations and suspensions) that is equal to, less than or greater than the discipline provided in the following guidelines based upon the nature of the violation and the severity of the circumstances presented in each case. REGISTRATION RULES AND REGULATIONS

REG100. STUD BOOK. The official Stud Book of the American Quarter Horse Association consists of horses issued registration certificates based upon their parentage. These certificates shall be either in the Numbered registry or in that of the Appendix, depending upon the registration status of the sires and dams. Prior to 1962, foals registered with AQHA might have been in the registries labeled Numbered, Permanent, Tentative, Old Appendix and New Appendix, but only the Numbered and Appendix exist today.

REG100.1 General Provisions Payment is required at the time of processing and payable in U.S. funds only. Mailing address: P.O. Box 200, Amarillo, Texas 79168. Overnight Delivery Address: 1600 Quarter Horse Drive, Amarillo, Texas 79104. aqha.com. 806-376-4811.

REG100.2 Through the payment of a membership fee to AQHA, an individual acknowledges that membership in AQHA is voluntary and agrees to be bound by all terms and conditions provided in this Official Handbook.

REG100.3 A required form must be properly completed in its entirety and signatures provided as requested.

REG101. Assignment of Burden of Persuasion for Registration Eligibility. In all proceedings concerned with or affecting the registrations and records of AQHA, and in all disciplinary actions, the burden of resolving any doubt as to the true parentage, identification of a horse or qualification for registration shall be upon the applicant, owner, lessee or other member or members involved. The determination, decision and action of the Executive Committee upon all such questions shall be final and binding upon all parties. As the above specified party or parties have the burden of persuasion, by failure to present relevant evidence concerning such questions to AQHA or at a hearing scheduled to resolve the question, they shall be deemed to have waived their right to later present such evidence to a court of law, if they seek judicial review of AQHA’s action.

REG101.1 Burden of Persuasion. The burden of persuasion of a controverted registration fact is that amount of evidence admissible under AQHA’s rules pertaining to disciplinary procedure, which will convince an ordinary prudent person.

REG101.2 Parentage Testing. Genetic tests may be required as the Executive Committee determines, including, but not limited to, questions of true parentage or identification of horses. Taking into consideration the results of such tests, and other information as may be available, the Executive Committee may authorize such corrections in the records as may be determined necessary or appropriate.

REG101.3 Conditional Issuance. The certificate evidencing registration is issued on the following condition, which shall be printed on the face thereof: “This certificate is issued in reliance on the written application signed and attested by the individual specified by AQHA rules; and upon the express condition that AQHA has the privilege to correct and/or cancel the certificate for cause under its rules and regulations.”

REG101.4 Registration of Offspring. In order to protect innocent, third party owners of offspring that are the product of breedings of previously eligible parents taking place prior to date of cancellation of the registration certificate of a parent or parents, such offspring are eligible for registration; however, a previously
issued registration certificate shall be recalled to designate the pedigree behind the cancelled parents as “unknown.”

**REG102. REGISTRATION PROCEDURES.** To register a horse:

**REG102.1.** The record owner or record lessee of the foal’s dam at time of foaling (at time of breeding if an embryo transfer foal) is responsible for submitting a properly completed and signed registration application and a completed and signed breeder’s certificate. In the event a frozen embryo permit is used to register a foal, the owner of the permit shall sign the registration application as the owner at time of foaling.

**REG102.2.** Each registration application must be completed and signed by the owner of the foal’s dam at the time of foaling (at time of breeding if an embryo transfer foal) by the dam’s lessee (if a record of the lease is on file with AQHA) or by a person authorized to sign for the owner or lessee (if a record of the authorization is on file with AQHA) for the foal to be eligible for registration. In the event a frozen embryo permit is used to register a foal, the owner of the permit shall sign the registration application as the owner at time of foaling.

**REG102.2.1.** In regard to involuntary transfers pertaining to an unregistered horse, including, but not limited to court judgment, stableman’s lien or security interest foreclosure, AQHA may accept the signature of the interested party or stableman on a foal application for registration in lieu of the record mare owner at time of foaling and on a transfer report if: (1) the interested party had possession of the unregistered horse and its dam at time of foaling, (2) the judgment or foreclosure was made against the owner as reflected on AQHA records, (3) the stallion owner at time of breeding provides a breeder’s certificate, (4) the foal is parentage verified through DNA testing, (5) all other registration requirements are satisfied, and (6) the interested party signs an indemnity waiver releasing AQHA from all future claims pertaining to the horse.

**REG102.2.2.** In the event an interested party did not have possession of the mare and foal at time of foaling, the interested party will need to provide a court judgment as evidence of ownership being awarded to them. AQHA may accept the signature of the party awarded ownership by the court on a foal application for registration in lieu of the record mare owner at time of foaling and on a transfer report so long as: (1) the judgment explicitly identifies the horse, (2) the judgment was against the owner reflected on AQHA records for the mare at time of foaling, (3) the stallion owner provides a breeder’s certificate, (4) the foal is parentage verified through DNA testing, (5) all other registration requirements are satisfied, and (6) the interested party signs an indemnity waiver releasing AQHA from all future claims pertaining to the horse.

**REG102.3.** If one parent of the horse being registered is a Thoroughbred, AQHA must receive information in form requested by AQHA by which AQHA can verify the Thoroughbred’s current owner, pedigree and registration status with The Jockey Club of North America (“The Jockey Club”), or a Thoroughbred registry recognized by The Jockey Club (“Recognized Thoroughbred Registry”). The ownership as listed with The Jockey Club or a Recognized Thoroughbred Registry at the time of the registration application will be used for AQHA records. As to subsequent registration applications for offspring, if the application indicates an ownership change of the Thoroughbred, it will be necessary for AQHA to verify such ownership change with The Jockey Club or a Recognized
Thoroughbred Registry. Thoroughbreds must comply with AQHA white requirements found in REG109.8 and AQHA may require four color photographs clearly showing all white markings.

**REG102.4** Each horse will be registered to the name of the record owner (or record lessee) of the dam at the time the horse was foaled (if foal is the result of embryo transfer refer to REG112 and REG113), and that owner or lessee (or authorized agent) must sign the registration application. That record owner or lessee must have a current membership when the application is submitted or a non-member registration fee will be required.

**REG102.5** When a registration application shows the horse to be registered has white markings beyond the prescribed lines in REG109.8, excessive white markings or white spot or spots, pictures of the horse shall be required and the horse may be inspected to determine if parentage verification is required before the application is processed.

**REG102.6** When a horse is inspected for possible excessive white markings, the owner will pay AQHA a $50 inspection fee prior to the inspection. If the horse is found to be within the limitations described in REG109.8 and its actual markings are shown to be as indicated on the registration application and other material submitted, the inspection fee will be refunded.

**REG102.7** If after the horse is foaled, changes of ownership occur, then each change requires a properly completed and signed transfer report.

**REG102.8** Parentage must be verified through genetic testing before a foal can be registered if:

- **REG102.8.1** either of the parents was less than 2 years of age at time of conception;
- **REG102.8.2** it was the result of an embryo/oocyte transfer;
- **REG102.8.3** it was conceived by the use of cooled transported semen;
- **REG102.8.4** it was conceived by the use of frozen semen;
- **REG102.8.5** it was more than 48 months of age at time application for registration is made;
- **REG102.8.6** its dam was exposed to more than one stallion within a 30 day time period;
- **REG102.8.7** it has white markings exceeding the limitations specified in REG109.8;
- **REG102.8.8** it is foaled January 1, 2007, or after and is a descendant of Impressive 0767246 as required in REG109.3;
- **REG102.8.9** the Executive Committee has justifiable cause to question its parentage.

**REG102.9** Registration applications for horses foaled in a country recognized by AQHA as an international affiliate should be submitted for processing to the affiliate and submission to AQHA for approval. Properly completed registration applications received by AQHA without evidence of such processing will require notification by AQHA to the recognized international association that such application has been received and processed. Applicant shall not be required to pay an additional fee, other than usual AQHA registration fees, for this service and shall not be required to be a member of the international association; however, those applicants who are not AQHA members will be subject to AQHA's nonmember fee schedule.

**REG103. NAMING A HORSE.** Each horse for which registration is applied must be given a name acceptable to AQHA.
REG103.1 The name must not exceed 20 characters, including letters, numbers and blank spaces.

REG103.2 Arabic numerals are permitted as a suffix.

REG103.3 Punctuation marks are not permitted.

REG103.4 A name may be reused if all of the following criteria are met by the horse originally issued the name:

REG103.4.1 is deceased as evidenced by AQHA records;

REG103.4.2 does not have a performance record (show or race);

REG103.4.3 has not received any AQHA special achievement recognition award or alliance recognition that appear on AQHA records as an award;

REG103.4.4 does not have offspring with a performance record (show or race) nor any AQHA special achievement recognition award or alliance recognition that appear on AQHA records as an award;

REG103.4.5 does not have produce or get younger than 10 years of age.

REG103.5 A name may be reserved for a period of one year from the date AQHA receives a written reservation request and the applicable non-refundable fee. Should the name not be used within that time period, the name will be released without further notice by AQHA unless, prior to the expiration of the reservation, the name is reserved again for another one year period per the procedure immediately above.

REG104. OBTAINING A NUMBERED CERTIFICATE.

Except as otherwise limited on proper compliance with the rules and regulations of AQHA, a stallion, mare, gelding or spayed mare may be registered in the Numbered section of the Stud Book that:

REG104.1 has a Numbered American Quarter Horse sire and a Numbered American Quarter Horse dam. Such horse, when registered, shall receive a registration number. For horses foaled on or after January 1, 1992, any undesirable trait or condition commonly considered a ‘Genetic Defect’ as listed in REG109 shall be recorded on the registration certificate.

REG104.2 previously has been listed in the Appendix, and the following conditions are met: (1) the horse has qualified for Register of Merit in AQHA-approved events not restricted in any way (youth and/or amateur Register of Merit do not qualify a horse for advancement); (2) AQHA has received a signed statement from a licensed veterinarian certifying that the horse does not have a parrot mouth per REG109.1 and (3) AQHA has received photographs of the horse clearly showing all white markings and (4) if the horse is a stallion, AQHA has received a signed statement from a licensed veterinarian certifying it is not cryptorchid per REG109.2. Horses having parrot mouth, cryptorchidism, HYPP or excessive white markings are not eligible for advancement. When a horse is advanced, it is necessary to surrender the registration certificate before a Numbered certificate can be issued.

REG104.3 was previously listed in the Appendix and attains a registration number, any offspring listed in the Appendix shall on that date become eligible for advancement to the Numbered registry. Advancement of such offspring to the Numbered registry shall be on request from the record owner and accompanied by the Appendix registration certificate, or

REG104.4 was foaled in an international country having a Quarter Horse Association recognized by AQHA that operates its own
stud book; was issued a registration certificate by such international association; and which traces to a minimum of 93.75 percent (15/16) lineage to horses issued Numbered registration certificates by AQHA. To receive such Numbered certificate from AQHA, the horse's owner must make application through the recognized international association in the country he resides to supply AQHA all required proof of breeding and identification with appropriate fee.

REG105. OBTAINING AN APPENDIX CERTIFICATE. Except as otherwise limited on proper compliance with the rules and regulations of AQHA, a stallion, mare, gelding or spayed mare that has one parent with an AQHA number and the other parent registered in the Appendix, The Jockey Club of North America or any Thoroughbred registry recognized by The Jockey Club of North America may be listed in the Appendix.

REG105.1 For horses foaled on or after January 1, 1992, any undesirable trait or condition commonly considered a ‘Genetic Defect’ as listed in REG109 shall be recorded on the registration certificate.

REG105.2 When application is made to register a foal sired by an unnamed Thoroughbred stallion or out of an unnamed Thoroughbred mare, that stallion or mare must be named with approval of The Jockey Club before the registration of the foal can be completed.

REG105.3 Horses listed in the Appendix shall be eligible to compete in AQHA-approved events subject to meeting the requirements established for these events.

REG105.4 Any stallion or mare listed in the Appendix that cannot qualify for at least one of the Registers of Merit shall remain in the Appendix, unless both parents have qualified for a Numbered AQHA registration certificate and the foal meets all other requirements.

REG105.5 A horse is eligible to receive an Appendix certificate if foaled in an international country with a Quarter Horse association recognized by AQHA which operates its own stud book; was issued a registration certificate by such association; and which traces to a minimum of 93.75 percent (15/16) lineage to horses registered with the AQHA and the Jockey Club of North America or any Thoroughbred registry recognized by the Jockey Club of North America. To receive such Appendix certificate from AQHA, the horse's owner must make application through the recognized international association in the country he resides to supply AQHA all required proof of breeding and identification with appropriate fee.

REG106. HORSES NOT ELIGIBLE FOR REGISTRATION INCLUDE:

REG106.1 offspring resulting from an Appendix registered sire or dam bred to another Appendix registered horse;

REG106.2 offspring resulting from an Appendix registered sire or dam bred to a Thoroughbred sire or dam;

REG106.3 a horse having white markings beyond the proscribed lines as listed in REG109.8 shall be subject to cancellation where the registration application fails to indicate or misrepresents the horse’s actual markings and the horse cannot be parentage verified;

REG106.4 foals born on or after January 1, 2007, and testing homozygous positive for HYPP (H/H).

REG107. EXTRAORDINARY REGISTRATION

REG107.1 The Executive Committee shall have authority to declare eligible for registration as breeding stock only, a horse whose registration certificate has been previously cancelled, but, in the majority opinion of the Executive Committee, is outstanding by
performance or produce, and thus worthy of registration as breeding stock, though lacking some technical requirement of AQHA rules to allow it to remain registered.

REG107.1.1 “Outstanding by performance or produce” shall mean that the horse, before its certificate was cancelled, attained the designation of “AQHA Superior Event Horse,” or that one or more of its offspring attained such designation.

REG107.1.2 The Executive Committee shall accept as breeding stock only those horses that have a sire or dam which have a Numbered certificate and (1) the other parent so registered; or (2) listed in the AQHA Appendix registry; or (3) registered with The Jockey Club of North America or any Thoroughbred registry recognized by The Jockey Club of North America; or (4) is proven to the satisfaction of the Executive Committee by genetic testing to be eligible by pedigree for a registration status named above.

REG107.1.3 A horse is not eligible for consideration under this rule if it has any condition listed in REGIO9 as a genetic defect.

REG107.2 An owner may make application for consideration under this rule by payment of the requisite fee and submission of such photographs, reports of pedigree substantiation and other supporting materials as the Executive Committee may, from time to time, require.

REG108. GENETIC TESTING

REG108.1 If there is justifiable cause to question parentage of a foal, the Executive Committee may require the foal, sire and dam to be genetically tested, the expenses of which shall be allocated as the Executive Committee determines. The results of this test, together with other available information, may be taken into consideration by the Executive Committee in its determination of the foal’s parentage as recognized by AQHA. Such genetic testing shall be done by an organization approved by AQHA.

REG108.2 The owner or lessee of a stallion exposed to one or more mares, shall, at his own expense, file with AQHA a written report of the stallion’s DNA type, obtained from a laboratory approved by AQHA, and in accordance with procedures adopted by AQHA. Once such type is filed with AQHA, it is not necessary to repeat such filing annually, except as requested by AQHA.

REG108.3 A DNA type for the stallion and mare must be on file with AQHA prior to the registration of any foal.

REG108.4 All stallions are required to have a genetic disease panel test on file with AQHA prior to the registration of their foals resulting from breeding’s occurring after January 1, 2015.

REG108.5 Effective January 1, 2015, only those parentage verified foals whose sire and dam have tested negative for all genetic diseases on the genetic panel test will receive the designation “N/N” for each of the genetic tests.

REG109. GENETIC DEFECTS AND UNDESIRABLE TRAITS. In accordance with its Mission Statement and Welfare Policy Statement, AQHA endeavors to educate its membership and protect the welfare and integrity of the breed. Part of such endeavor includes AQHA’s efforts associated with the research, identification and promulgation of rules and regulations concerning genetic defects and undesirable traits through AQHA’s governance process. In that regard, researchers have noted that the American Quarter Horse does not have more genetic diseases than other equine breeds rather, AQHA has just been proactive and taken the lead at identifying genetic diseases
affecting the American Quarter Horse breed. The conditions listed below and commonly considered undesirable traits or genetic defects by the Board of Directors shall be indicated on the registration certificate for horses foaled on or after the indicated date, once the condition is known. Upon discovery, the owner shall immediately report such condition to AQHA for marking its condition on the registration certificate as provided below. Failure to timely report these conditions may subject the owner to possible disciplinary action. Genes come in pairs; each parent contributes one copy to the offspring. With respect to the autosomal dominant genetic diseases listed below (HYPP, PSSM, and MH), only one defective gene is necessary to express the genetic disease in question. Such gene can be inherited from either of the parents or from both of the parents. With respect to autosomal recessive genetic diseases listed below (GBED and HERDA), typically, two copies of an abnormal gene (two copies = a pair) must be present in order for the horse to show signs of the genetic defect in question. Horses with only one copy of the defective gene are considered “carriers”.

REG109.1 Parrot Mouth - either overshot or undershot, defined by the American Association of Equine Practitioners as “no occlusal contact between the upper and lower central incisors.” Designation effective for foals born on or after January 1, 1992.

REG109.2 Cryptorchid - meaning less than two visible testicles descended into the scrotum. Designation effective for foals born on or after January 1, 1992.

REG109.3 Hyperkalemic Periodic Paralysis (HYPP) - designation effective for foals born on or after January 1, 1998. HYPP is an inherited autosomal dominant genetic disease. A muscular disease caused by a hereditary genetic defect that leads to uncontrolled muscle twitching or profound muscle weakness, and in severe cases, may lead to collapse and/or death. According to research, this condition exists in certain descendants of the stallion Impressive, AQHA registration number 0767246.

REG109.3.1 The following notification shall be placed on registration certificates of foals descending from the stallion Impressive or any other bloodline determined to carry the HYPP gene: “This horse has an ancestor known to carry HYPP, designated under AQHA rules as a genetic defect. AQHA recommends testing to confirm presence or absence of this gene.” When the parent(s) tracing from the HYPP line has tested negative for HYPP with an appropriate designation appearing on their registration certificate, the above notification is not required, and will, instead, be substituted by the designation “N/N”; or, after testing negative for the gene, the notification may be substituted by the designation “N/N” upon request of the owner at his or her expense.

REG109.3.2 Mandatory testing for HYPP. At such time as AQHA requires mandatory parentage verification of any foals to be registered in either the Numbered or Appendix registry, per REG102.8 any foal tracing to bloodlines known to carry the HYPP gene shall be tested for HYPP at the time the genetic testing for parentage is performed. The results will be designated on the registration certificate in lieu of the above notification. Such testing will not be necessary if the foal’s closest ancestors (parents), tracing to the HYPP line, have been tested negative and designated on their registration certificates; these foals will automatically be designated “N/N” on their registration certificate.

REG109.3.3 Effective with foals born on or after January 1,
2007, all descendants of the stallion Impressive, #0767246, shall be required to be parentage verified and HYPP tested, subject to the conditions in REG109.3.2 above. Any foal testing homozygous positive for HYPP (H/H) will not be eligible for registration with AQHA.

**REG109.4 Polysaccharide Storage Myopathy (PSSM)** is an inherited autosomal dominant genetic disease that causes excess glycogen storage in muscles which can result in tying-up, muscle tremors, and/or gait abnormalities.

**REG109.5 Glycogen Branching Enzyme Disease (GBED)** is an inherited autosomal recessive disease that terminates protein synthesis which can result in late-term abortions or death in foals shortly after they are born.

This diagram is an approximate illustration of white markings that are not considered undesirable or uncharacteristic of the breed as specified in REG109.8. The actual provisions of the rule take precedence in its effect on a particular registration matter, as conformation of a particular horse does not, in each case, coincide with the dimensions of this diagram. Horses with markings beyond these guidelines must be parentage verified prior to registration.
REG109.6 Hereditary Equine Regional Dermal Asthenia (HERDA), also known as Hyperelastosis Cutis (HC), is an inherited autosomal recessive disease that weakens collagen fibers that connect the skin of a horse to the rest of the horse. Affected horses can have fragile hyperextensible skin which can result in tears, scars and lesions. Affected horses are also known to exhibit impaired healing to such injuries.

REG109.7 Malignant Hyperthermia (MH) is an inherited autosomal dominant disease that causes a life-threatening condition that is usually triggered by exposure to certain drugs used for general anesthesia. In susceptible horses, these drugs can induce an uncontrolled increase in skeletal muscle oxidative metabolism which affects the body’s capacity to supply oxygen, remove carbon dioxide, and regulate body temperature, potentially leading to circulatory collapse and death if not treated quickly.

REG109.8 White Markings: A horse having white markings with underlying light skin beyond any one of the following proscribed lines shall be eligible for registration by AQHA only if it is parentage verified through DNA typing the offspring, its sire and its dam. Breeders should be aware that the American Quarter Horse, while long recognized, identified and promoted as a solid-colored horse, can and does occasionally produce offspring with overo paint characteristics. Such markings are uncharacteristic of the breed and are considered to be undesirable traits. The following notification shall be placed on registration certificates of horses exceeding these marking limitations: “This horse has white markings designated under AQHA rules as an undesirable trait and uncharacteristic of the breed.”

REG109.8.1 A line parallel with the ground drawn around the front leg at the point halfway between the point of the elbow (the center of the olecranon tuberosity or proximal epiphysis of the ulna) and the protrusion on the back of the knee (the accessory carpal bone or lateral styloid process).

REG109.8.2 A line parallel with the ground at the center of the gaskin on the hind legs. (The center of the gaskin shall be defined as an imaginary point on the front of the gaskin equidistant between the stifle joint and the center of the hock.) The top point of reference to be the bony protrusion on the inside (medial) of the stifle region (technically known as the medial condyle of the tibia) and the most prominent bony protrusion at the top and inside of the hock (technically known as the medial malleolus of the tibia).

REG109.8.3 A line around the horse’s neck immediately behind the poll and through the midpoint of the throat latch.

REG109.8.4 Within an area described as two inches on either side of the ventral midline, beginning at a point midway between the front legs and extending to, and including, the sheath and udder.

REG109.8.5 Additionally, there is allowed a single area of white marking with underlying light skin, such that it can be completely covered with a disk one inch in diameter, either free standing on the horse’s body or being a portion of white marking extending past the above proscribed lines.

REG109.8.7 For determining the above defined marking limitations, an inspection of a horse, including a horse in a standing position, may be conducted from any angle or distance from the horse, and the person conducting the inspection may be in a standing, crouching or any other position.
REG110. STALLION BREEDING REPORT

REG110.1 The owner of every American Quarter Horse stallion must make a written report showing the exposure of all American Quarter Horse mares and Thoroughbred mares exposed to said stallion since the previous November 30. The owner of every listed Thoroughbred stallion must make a written report showing the exposure of all American Quarter Horse mares since the previous November 30. The stallion breeding report must be postmarked or delivered to AQHA on or before November 30 of the breeding year; reports for stallions standing south of the equator must be postmarked or delivered to AQHA on or before June 30 of the breeding year. If a stallion is leased during the breeding season according to AQHA records, the lessee must make this written report.

REG110.2 This report shall include the names, registration numbers and breeding dates for all mares owned by the owner of the stallion as well as mares owned by other parties. Persons using a retained semen rights permit per REG111 must file a stallion breeding report or supplemental stallion breeding report listing mares bred using the stored semen by November 30 of the breeding season.

REG110.3 Only one foal can be registered per mare listed on a stallion breeding report. In order for multiple foals resulting from breedings to a particular mare to be registered, the mare must be listed multiple times (with breeding dates) on the stallion breeding report corresponding to the number of foals sought to be registered.

REG110.4 Thirty days must elapse between exposure to different stallions for foals to be eligible for registration. Refer to REG102.8.6.

REG110.5 If the stallion for which the report being filed is a Thoroughbred, the requirements set forth in REG102.3 must be met.

REG111. COOLED TRANSPORTED SEMEN AND FROZEN SEMEN

REG111.1 The stallion owner or lessee shall clearly distinguish those mares bred using cooled transported semen or frozen semen on the stallion breeding report.

REG111.2 In the event a stallion owner wishes to (1) transfer a stallion, but retain rights to use frozen semen or (2) keep the stallion and transfer semen right(s), he may purchase retained semen rights permits from AQHA. The application for purchase must be on a form provided by AQHA. The application must be signed by the record owner or lessee of the stallion and only the record owner or lessee can purchase retained semen rights permits. Once a stallion is sold, a former owner or lessee cannot purchase additional permits from AQHA.

REG111.2.1 Each of the retained semen rights permits purchased may be used as the breeder’s certificate for the registration of only one foal. These permits shall require only the signature of the permit owner. AQHA will record the number of outstanding permits for each individual stallion and that number will be a matter of public record. It is the ultimate responsibility of a prospective buyer to confirm with the seller, the number of outstanding permit applications as of the date of sale.

REG111.2.2 The ownership of the retained semen rights permits may be transferred. Each transfer of ownership of the permit shall be recorded by AQHA. The rules of transfer of ownership as per REG124 for transfer of ownership of a horse shall apply, except the request to transfer ownership of the permit shall be accompanied by the retained semen rights permit
instead of the registration certificate.

REG111.2.3 Purchaser of the retained semen rights permit is responsible for filing the appropriate stallion breeding report as required per REG110.

REG111.3 Any foal resulting from the use of cooled transported semen or frozen semen must have its pedigree verified by genetic testing, including sire, dam and foal and/or by other genetic testing as AQHA deems necessary, all expense of which shall be the registration applicant’s. In addition, the Executive Committee has the authority to require parentage verification by genetic testing of all foals born on any premise receiving transported semen.

REG111.4 The Executive Committee has the authority to send representatives to inspect the premises and practices of any person or breeding establishment using artificial insemination and no person shall refuse, upon reasonable request, full access to said premises.

REG111.5 When a foal is produced by cooled transported semen or frozen semen, such fact will be listed on its registration certificate.

REG111.6 With respect to a stallion foaled in 2015 or after, the semen of such stallion may not be used beyond 2 calendar years following the year of his death or his being gelded to produce a foal eligible for registration with AQHA.

REG112. EMBRYO/OOCYTE TRANSFER

REG112.1 A horse foaled by a mare that is not its genetic dam but transferred to her by embryo/oocyte transfer technique shall be eligible for registration. In addition to other AQHA registration rules, the offspring shall not be eligible for registration unless:

REG112.1.1 prior to the intended collection of the fertilized egg, record owner or lessee has notified AQHA in writing of its intention to attempt an embryo/oocyte transfer and has paid the proper fee. For mare enrollments received after collection of the embryo/oocyte, but prior to foaling, a late fee of $100 will be assessed, in addition to regular fees required. For mare enrollments received after foaling, a late fee of $200 will be assessed, in addition to regular fees required. The mare can be enrolled for her lifetime or the enrollment must be made each year that a transfer is to be performed, and once made, the fee is not refundable, nor can any substitution be made.

REG112.1.2 its pedigree has been verified through genetic testing of foal, sire and donor mare; and by such other testing as AQHA reasonably deems necessary to verify the validity of the genetic testing, all expense of which shall be the registration applicant’s.

REG112.2 The enrollment notice must be sent by certified mail, return receipt requested, to preserve for the record owner or lessee of the donor mare, the only acceptable proof to AQHA of timely compliance, if such proof is requested.

REG112.3 In accordance with AQHA-approved procedures, an embryo/oocyte transfer may be transported from the premises where the donor mare was located at the time of its removal from her for use in a recipient mare at another location. To be eligible for such transportation, notice of intention to transport the embryo/oocyte transfer shall be given AQHA in conjunction with the advanced notice of intended collection specified above.

REG112.4 If a mare is designated with AQHA for embryo/oocyte transfer for a specific year, but the procedure is not attempted in the designated year, AQHA must be notified in writing by December 31 of the designated year that the owner has elected not to attempt
embryo/oocyte transfer. Without such notice, a foal produced the following year by designated mare is not eligible for registration without genetic testing for parentage verification. If a mare is enrolled for her lifetime, all of her offspring must be parentage verified before they can be registered regardless of the breeding method used.

REG112.5 In the event a mare owner wishes to (1) collect an embryo and freeze it for use at a later date (2) transfer a mare, but retain rights to use frozen embryos or (3) keep the mare and transfer “frozen embryo permit(s)”, he may purchase frozen embryo permits from AQHA. The application for purchase of a permit must be on a form provided by AQHA. Once a mare is sold, a former owner cannot purchase additional permits from AQHA.

REG112.5.1 The application for a frozen embryo permit must be signed by both the mare owner and the stallion owner at time of breeding to verify identity of mare and stallion and date of fertilization. The stallion owner, if he/she so chooses, may also sign the breeder’s certificate portion of the application. If the stallion owner signs the breeder’s certificate portion of the application, the permit, when used to register a foal, will serve as both the stallion breeding report and the breeder’s certificate.

REG112.5.2 If the stallion owner does NOT sign the breeder’s certificate portion of the application, the permit, when used to register a foal shall only serve as the mare owner’s signature on the breeder’s certificate for registration of the foal. Breeder’s certificate requirements regarding the stallion owner’s signature as well as stallion breeding report requirements must still be met in order for the foal in question to be eligible for registration. CAUTION: Understand that per AQHA rules, if a stallion owner transfers a stallion whose semen was used to fertilize the embryo prior to satisfying the breeder’s certificate and stallion breeding report requirements, then such requirements can only be met by the then current owner of the stallion. Such current stallion owner may or may not agree to satisfy such requirements. Whether such current stallion owner does is a private treaty between him/her and the owner of the mare owner rights permit attempting to register the foal.

REG112.5.3 Each of the frozen embryo permits purchased may be used for the registration of only one foal. AQHA will record the number of outstanding permits for each individual mare and that number will be a matter of public record. It is the ultimate responsibility of a prospective buyer to confirm with the seller, the number of outstanding permit applications as of the date of sale.

REG112.5.4 The ownership of the permit may be transferred. Each transfer of ownership of the embryo permit shall be recorded by AQHA. The rules for transfer of ownership as listed in rule REG124 for transfer of ownership of a horse shall apply, except the request for transfer of the permit shall be accompanied by the embryo permit instead of the registration certificate.

REG112.6 In the event a mare owner wishes to (1) transfer a mare, but retain rights to use frozen oocytes or (2) keep the mare and transfer “frozen oocyte permit(s)”, he may purchase frozen oocyte permits from AQHA. The application for purchase of a permit must be on a form provided by AQHA. Once a mare is sold, a former owner cannot purchase additional permits from AQHA.
**REG112.6.1** The application for a frozen oocyte permits permit must be signed by the mare owner. This permit, when used to register a foal shall only serve as the mare owner’s signature on the breeder’s certificate for registration of the foal. Breeder’s certificate requirements regarding the stallion owner’s signature as well as stallion breeding report requirements must still be met in order for the foal in question to be eligible for registration. **CAUTION:** Understand that per AQHA rules, if a stallion owner transfers a stallion whose semen was used to fertilize the oocyte prior to satisfying the breeder’s certificate and stallion breeding report requirements, then such requirements can only be met by the then current owner of the stallion. Such current stallion owner may or may not agree to satisfy such requirements. Whether such current stallion owner does is a private treaty between him/her and the owner of the mare owner rights permit attempting to register the foal.

**REG112.6.2** Each of the frozen oocyte permits purchased may be used for the registration of only one foal. AQHA will record the number of outstanding permits for each individual mare and that number will be a matter of public record. It is the ultimate responsibility of a prospective buyer to confirm with the seller, the number of outstanding permit applications as of the date of sale.

**REG112.6.3** The ownership of the permit may be transferred. Each transfer of ownership of a frozen oocyte permit shall be recorded by AQHA. The rules for transfer of ownership as listed in rule REG124 for transfer of ownership of a horse shall apply, except the request for transfer of the permit shall be accompanied by the

Having the correct photos will expedite the registration process so you can get your papers sooner. When submitting photographs of your horse, please remember to:

- Use a high-quality digital camera. Avoid instant cameras because the photos tend to overexpose or fade.
- Take photos on a sunny day with the sun behind the photographer.
- Always send four basic views - front, rear, left side and right side.
- You should include a fifth photo - a 3/4 front view clearly showing the face and all four feet. If someone is helping you, make sure they are out of this photo.
- Position the horse with his legs apart so all four feet can be seen in each of the photographs.
- Do not saddle or blanket your horse and make sure the horse is clean of mud and debris.
- The horse being photographed should be the only horse in the photo.
- Take photos on level ground - steer clear of tall grass and other obstacles which can block the view of the horse.
- Pull back the forelock so head markings can be seen.
- Take separate, close-up photos of unusual markings and markings that fall out of the normal marking area.
- Be aware of the background. A solid background is best for light colored horses, while a dark horse shows up best with a lighter background.

embryo permit instead of the registration certificate.  

**REG 112.7** When a foal is produced by an embryo/oocyte transfer, such fact will be listed on its registration certificate.  

**REG 112.8** AQHA may inspect the premises and practices of any party using or intending to use embryo/oocyte transfer procedures.  

**REG 112.9** The burden of verifying true parentage is the registration applicant’s, and any question of parentage shall be resolved against the registration of a horse carried by a recipient mare through embryo/oocyte transfer.  

**REG 112.10** With respect to a mare foaled in 2015 or after, any embryos or oocytes of such mare may not be used beyond 2 calendar years following the year of her death or being spayed to produce a foal eligible for registration with AQHA.  

**REG 113. BREEDER AND BREEDER’S CERTIFICATE**  

**REG 113.1** The breeder of a horse is the owner of the dam at the time of service, except when a mare is held under lease at time of breeding and written notification of such lease signed by the lessee and lessor is on file with AQHA, in which event the registration certificate shall show the lessee as the breeder. When a frozen embryo permit is used to register a foal, the original purchaser of the frozen embryo permit shall be listed as the breeder.  

**REG 113.2** Registration applications must be accompanied by a completed breeder’s certificate signed by the record owner of the sire and the record owner of the dam at the time of service. If a stallion and/or mare is bred while under lease agreement filed with AQHA, the signature of such lessee on the breeder’s certificate is required. A breeder’s certificate is not required if:  

**REG 113.2.1** a properly signed frozen embryo permit is used to register a foal, as the breeder’s certificate requirements were met when application to purchase the frozen embryo permit was made;  

**REG 113.2.2** the same entity is the record owner of sire, dam and foal;  

**REG 113.2.3** a retained semen rights permit is used to register a foal, AQHA requires only the signature of the permit owner on the permit to verify the service of the sire. Record owner of the dam at time of breeding must sign the appropriate breeder’s certificate on the registration application.  

**REG 113.3** Alteration of information on a breeder’s certificate will necessitate verification.  

**REG 113.4** For a horse covered by a lease filed with AQHA, only the lessee or lessee’s authorized agent may sign a breeder’s certificate for breedings that occurred during the effective period of the lease.

REG115.7 BALD FACE: a very broad blaze. It can extend out and around the eyes and it can extend down to the upper lip and around the nostrils.

REG116. RE-REGISTRATION CERTIFICATE. Re-registration certificates are issued to indicate a change in the sire, dam or foaling year.

REG116.1 A re-registration certificate requires a properly completed registration application, accompanied by a breeder’s certificate, a stallion breeding report and a statement from the owner (or lessee or authorized agent for owner) of the dam at time of foaling, which gives details as to why the horse was incorrectly registered. In addition, if the foaling year is changed to an earlier year, the difference between the registration fee paid at that time and the amount which should have been paid at that time, must be remitted. AQHA must be provided with the original registration certificate before a re-registration certificate can be issued.

REG117. CORRECTION OF A REGISTRATION CERTIFICATE

REG117.1 The registration certificate shall accurately describe the horse for which it has been issued. An owner is responsible for immediately reporting any discrepancy on a registration certificate to AQHA and returning it for correction. The Executive Committee may cancel a registration certificate if preliminary examination indicates the certificate does not describe the horse for which it was issued.

REG117.2 A corrected certificate is issued to indicate a change in color, markings, gender (male to female or vice versa) or foaling month; from gelding to stallion; removal of scars or brands which previously had been indicated on the certificate; or the correction of a date of transfer. AQHA must be provided with the original certificate before a corrected certificate can be issued.

REG117.3 A free correction on a registration certificate may be made through the 12th month following a horse’s foaling date or six months from the date a registration certificate was issued, whichever is later.

REG117.4 Correction of an original registration certificate may be obtained by the current record owner or owner’s authorized agent by filing the proper form completed in all respects, along with four full-view current photographs of the horse showing both sides, front and rear views.

REG117.5 When a significant correction in the description of a horse is requested, positive identification may be required if the ownership is no longer recorded in the name of the original owner (owner of dam at time of foaling). Such positive identification requires written affirmation and signature on a photograph of the horse (clearly showing distinctive markings) from the original owner or authorized agent stating that the photograph is of the
If the application for a corrected certificate contains a discrepancy that raises a question as to the identity of the horse, an inspection may be required.

If a horse is still in the ownership of the party that first made application to register it, correction of a registration certificate that is a change of color only may be obtained by the record owner, by filing a written statement of the correct color. The registration certificate and correction fee must be returned with the signed statement.

To correct the date of transfer recorded with AQHA, AQHA must be provided with signed statements from both seller and buyer giving the correct date, the horse's registration certificate and the correction fee. At AQHA's discretion and in the interest of equity, the date of transfer may be corrected upon AQHA's receipt of a signed statement from either buyer or seller.

If a registration certificate is delivered to AQHA's office for a correction, but the correction items are not in proper order to issue a corrected certificate, the registration certificate will be retained by AQHA until the correction can be completed and a new certificate issued.

A horse's name may be changed so long as it has not:

- competed in an AQHA-approved show or special event;
- started in a recognized race;
- earned a special achievement recognition award as per SHW817;
- earned any money or award with an AQHA affiliate as shown on AQHA records;
- appeared on any breeding document submitted to AQHA.

A replacement certificate is a new registration certificate issued when the original certificate is in existence but has been defaced. AQHA must be provided with the original certificate before a replacement certificate can be issued.

AQHA may issue a duplicate registration certificate after the current record owner or authorized agent files the properly completed form and stating the circumstances under which the original registration certificate was lost or destroyed, and pays the required fee. Such form is to be accompanied by four full-view current photographs of the horse, showing both sides, front and rear views.

If the owner is not AQHA's record owner, he additionally shall provide AQHA a statement from the last record owner to obtain the duplicate registration certificate. Such statement shall describe the circumstances of the transfer and the identity of the person to whom the registration certificate was delivered.

If the certificate was lost by a trainer or racing official at the track, statements from such other persons should accompany the record owner's request for a duplicate certificate.

If the application for the duplicate certificate contains a discrepancy to question the identity of the horse, AQHA may require inspection.

To issue a duplicate certificate when the record owner
or authorized agent cannot be located to complete a statement, after all reasonable efforts by the current owner and then by AQHA, the following items are required:

REG120.5.1 properly completed and signed transfer reports or acceptable bills of sale reflecting each ownership change beginning with the record owner.

REG120.5.2 statement signed by each party who had the original certificate in his or her possession after the record owner;

REG120.5.3 a signed statement from current owner giving details of all attempts to contact record owner.

REG120.5.4 four current full-view photographs of the horse, both sides, front and rear views.

REG120.6 In regard to involuntary transfers, including, but not limited to, court judgment, stableman's lien or security interest foreclosure, when a previous owner is unavailable to verify the whereabouts of the original registration certificate or refuses to adhere to a court judgment by delivering the original registration certificate for transfer, at AQHA's discretion, and in the interest of equity, requirement of statement of the record owner may be waived and the current owner deemed eligible for a duplicate certificate.

REG121. AGE OF A HORSE

REG121.1 The age of a horse shall be computed on the basis of a calendar year starting January 1 of the year foaled. It is a weanling during the calendar year in which foaled and a yearling during the first calendar year following its foaling date, regardless of the time of year foaled. For example, a horse foaled anytime in 2011 was considered to be one year old on January 1, 2012, and two years old on January 1, 2013.

REG121.2 A horse is not eligible to participate in AQHA-approved events if its age, as determined by examination of its teeth, does not correspond to the age shown on its registration certificate. Such determination by tooth examination is to be made in accordance with the current guidelines of the American Association of Equine Practitioners.

REG121.3 Every exhibitor, owner or trainer shall, upon request by AQHA, a show manager or racing steward, permit a tooth examination to be made by a representative of AQHA and/or a licensed veterinarian. Refusal to comply with such request shall constitute grounds for immediate disqualification of the horse from the AQHA event in progress or any other AQHA-approved event and shall constitute grounds for suspension of AQHA membership.

REG121.4 Should such tooth examination show the horse's age to not correspond to the foaling date shown on its registration certificate, such examination shall constitute sufficient evidence that the horse's age as shown on its registration certificate is erroneous. The horse automatically shall be suspended from participating in the AQHA-approved event in progress and any future AQHA-approved events pending a hearing before the Executive Committee.

REG121.4.1 The exhibitor, owner or trainer shall, upon request by AQHA, a show manager or racing steward, deliver the horse's registration certificate to the requesting party who immediately shall forward the certificate and statements from the person or persons making such examination and findings to AQHA Registration Department.

REG121.4.2 At a time and place designated by the Executive Committee, a hearing will be held at which time the horse's record owner, and/or breeder, shall provide evidence to substan-
tiate the foaling date shown on the registration certificate. In absence of substantial evidence to the contrary, the Executive Committee may cancel the horse’s registration and take appropriate action against the person or persons involved. **REGI21.4.3** If the pedigree is substantiated but the age discrepancy remains unresolved, the Executive Committee may direct an appropriate notation be made on the certificate to allow the horse to be used for breeding purposes, but prohibiting its participation in approved events.

**REGI22. GELDINGS - SPAYED MARES.** When a horse is gelded or a mare is spayed, such fact should be reported to AQHA immediately.

**REGI22.1** This should be done by providing AQHA the horse’s registration certificate and a statement from the owner of record indicating the date the horse was gelded or spayed. At no charge, AQHA will make the appropriate notation in its records and on the registration certificate and return the certificate to the owner.

**REGI22.2** The track identifier or racing secretary of a track under the supervision of a state-appointed racing body or the secretary of an AQHA-approved event may correct a registration certificate to reflect the fact of gelding by notation on the registration certificate in an indelible manner, along with the date such notation is made, initialing such notation. Additionally, such track or show official shall immediately inform AQHA of such correction to the certificate.

**REGI23. SCARS AND BRANDS.** All scars, brands and tattoos on a horse should be shown on its registration certificate.

**REGI23.1** Brands, scars or identifying tattoos not appearing on the certificate will be added by AQHA free of charge if the record owner submits the registration certificate, a diagram showing the shape and location of the scar or brands, and the date of injury or branding, if known; or the location and exact description.

**REGI23.2** For white hairs appearing on the scar tissue, on an area of the horse previously covered by darker hairs, refer to **REGI17.2** and **REGI17.4**.

**REGI24. TRANSFER OF OWNERSHIP.** Each transfer of ownership of a registered horse shall be recorded by AQHA.

**REGI24.1** The responsible party as specified in **REGI24.4** must submit all transfer items to AQHA immediately after purchase to ensure prompt service, to reduce the possibility of losing either certificate or transfer report and to lessen the chance of complications that might make it impossible to ever record the transfer.

**REGI24.2** To record a transfer, the responsible party must supply AQHA the following items:

- **REGI24.2.1** the registration certificate of the horse;
- **REGI24.2.2** a properly completed and signed AQHA transfer report by the last recorded owner, as well as one from any subsequent owner(s) and;
- **REGI24.2.3** the required fee, with the membership status of the buyer determining the applicable transfer fee.

**REGI24.3** AQHA will recognize the signature of any one of the joint owners of the horse on AQHA’s transfer report if such owner is named on the horse’s current registration certificate, except for a transfer by one joint owner (or agent) to him or herself, which transfer shall require the signature of one of the other joint owner(s)/agent(s). Additionally, AQHA will recognize the signature of any partner when a partnership is a record owner. If such recog-
nition is not to be permitted, or is to be limited otherwise, the joint owners or partnership must file with AQHA a written agreement to that effect, specifying horse’s name and registration number, and signed by all such joint owners or partners.

**REG124.4 Seller’s Responsibility:** The owner of record at time of sale has the responsibility for completing an AQHA transfer report in its entirety and for delivery of it to AQHA.

* **REG124.4.1** The seller must provide on the transfer report the correct name and registration number of the horse, date of sale, name and address of buyer, and signature and address of seller. The seller shall deliver the transfer form, along with the registration certificate, to AQHA, along with any other documents required to complete the transfer of ownership. Payment of the required fee shall be a matter of private negotiation between the buyer and seller and may be paid by either of them, but such fee must accompany the transfer, with the membership status of the buyer determining the applicable transfer fee.

* **REG124.4.2** Auction Sale: For a horse sold through an auction, the seller may rely on the auction management to send the registration certificate, properly completed transfer report and required transfer fee to AQHA on the seller’s behalf. Ultimate responsibility for completion and delivery of the transfer report along with any other documents required to complete the transfer of ownership to the current owner, to AQHA, continues however to remain with the seller.

**REG124.5 Any alteration or defacement, change or amendment of a transfer report may necessitate verification.**

**REG124.6 When a horse is claimed at a recognized race track, the racing secretary shall collect a transfer fee and membership fee, if necessary, from the claimant which shall be forwarded to AQHA, together with the registration certificate, a written report of the race showing the date of the race, and the name and address of the person claiming the horse. Upon receipt of such fee(s), certificate and report, AQHA will complete the transfer without the report being signed by the record owner. If the notice of claim and the supporting documents are received by AQHA within 14 days of the claim, the transfer will receive free special handling rush service.**

**REG124.7 If a registration certificate and transfer report are delivered to AQHA without sufficient information, the registration certificate will be retained by AQHA until the transfer can be completed and recorded.**

**REG125. LEASES**

**REG125.1 For a lease of a horse to be recognized, written notice of such lease must be filed with AQHA, signed by both the recorded owner as lessor, and the lessee. The notice shall specify the effective date of lease and may not exceed three years. At the expiration of a three year lease term, the lease must be re-recorded to remain effective. If the lease term is for a shorter period, it shall also provide a termination date. To terminate a lease other than expiration of the lease term, provide written notice to AQHA specifying the termination date, signed by both lessor and lessee, or by a properly executed transfer report which shows a change of ownership from lessor to lessee, signed by the record owner/lessor. No fee is charged for terminating a lease, whether automatic or by subsequent notice.**

**REG125.2 Enforcement of the lessee’s limitation on use of the horse is solely the responsibility of the lessor.**
REG125.3 Transfers of horse ownership from recognized claiming races terminate a lease.

REG125.4 During the term of the lease, AQHA will not record subsequent changes in ownership until the lease is terminated. Only the lessee or lessee’s authorized agent is authorized to sign a breeder’s certificate, stallion breeding report or registration application pertaining to the leased horses.

REG126. AUTHORIZATIONS

REG126.1 When a horse is owned by a company, ranch, farm, syndicate, corporation, partnership, university or school, club or family, AQHA must have an authorization form on file to indicate who may sign documents for that entity. Written authorization is also required when an individual owner appoints another individual to sign in his or her behalf.

REG126.2 On all AQHA documents, except transfers as limited in rule REG124.3, AQHA shall recognize the signature of any one of the joint owners of a horse if such owner is named on the horse’s current registration certificate. Additionally, AQHA shall recognize the signature of any individual partner when that person is shown as an individual in the partnership name.

REG126.3 In the case of a child younger than 18 years of age, AQHA requires a statement from the legal guardian or parent giving the birth date of the child and designating the person(s) signing on behalf of the minor.

REG126.4 When the owner of a horse is deceased, AQHA must have legal documentation on file appointing the agent or representative for the estate (letters testamentary, letters of administration, etc.) and bearing the original certification or seal of the clerk of the probate court. In the event there was no formal probate of the estate, a statement of heirship must be completed by the heirs and notarized.

REG126.5 Authorization of agent may be cancelled by written notification signed by record owner or record lessee. Such termination of authorization will take effect on the date received at AQHA.

REG126.6 When an authorization is granted by a lessee, that authorization will remain in effect until the date the cancellation of the authorization or termination of lease is received in AQHA’s office.

REG127. DEATH OF A HORSE AND HORSES SOLD WITHOUT PAPERS

REG127.1 When any registered horse dies or is disposed of without papers, the owner must notify AQHA and surrender the registration certificate to AQHA for such notation. The registration certificate will be changed to note the horse’s death and returned to the owner, unless AQHA is otherwise directed.

REG127.2 When AQHA records indicate a horse has lived 25 years past January 1 of its foaling year, it will be automatically presumed to no longer be alive and automatically removed from the inventory of living horses. Offspring conceived after that date are ineligible for registration and the horse may not participate in AQHA-approved events until the owner verifies the horse is still living. Verification may require full-view color photographs and a written statement which the owner may be requested to provide on an annual basis.
SHW100. AQHA SHOW APPROVAL is a privilege, not a right, granted or rejected at AQHA's discretion on an annual basis according to continuous evaluation of the applicant, including, but not limited to competence of show management, enforcement of AQHA rules, quality of show, and service to AQHA members.

SHW100.1 AQHA reserves the right to approve only the number of shows per calendar year it deems appropriate for the same organization or management.

SHW100.2 An “AQHA-approved event” means an official class of competition or show with results that are accepted by AQHA in its records as official.

SHW100.3 AQHA will issue a statement of official approval of the proposed special event or show, or notify the organization or individual making the application of reasons for not approving a show or special event.

SHW100.4 Lack of approval of any certain class in a proposed show need not invalidate the recognition of the remainder of the show.

SHW100.5 – All approved classes must be open to any AQHA owner meeting age, ownership and eligibility requirements. Membership in AQHA and/or AQHYA for youth competition is the only mandatory membership. This rule shall not supersede the need for memberships or certifications required by governmental regulatory bodies.

SHW100.6 To compete in an AQHA-approved class, a horse must be entered in the class with show management prior to the start of the class.

SHW100.7 The exhibitor must accurately complete entry forms and assumes responsibility for any errors.

SHW100.8 A horse entered in the wrong class may be transferred to its correct class after the judging program has been printed.

SHW100.9 Any contestant withdrawing from a show after entering shall forfeit any fees and all go-round money which may be credited to him at the time of his withdrawal; except that in case of incapacitating sickness or injury to himself or his horse, or serious illness or death in the contestant's family, all prize monies won by him to that point shall be paid.

SHW100.10 Any AQHA-approved show which fails to pay for services rendered by third parties in connection with the holding of the approved shows (i.e. judges' fees, cattle charges, facilities, insurance or drug testing fees, etc.) or pay premium monies to exhibitors can be denied AQHA approval for present and future shows. The sponsoring organization can be denied privileges of AQHA and suspended from membership.

SHW100.11 One of the individuals designated on the show approval application as show manager or show secretary for AQHA-approved shows and special events must have attended an AQHA show management workshop within 3 years preceding the date of the scheduled show.

SHW100.12 Alliance approved managers and secretaries are not required to attend a show management workshop in order to hold an AQHA alliance event.

SHW100.13 Show management delinquent and/or habitual in submitting (1) show approval requests, (2) results, (3) incomplete information or (4) failing to submit electronic results will be reviewed by the AQHA Show Grievance Committee.

SHW100.14 Show management is not allowed to add to the total number of approved shows.
SHW101. NEW/FIRST-TIME SHOW/SPECIAL EVENT
which was not approved or held the prior year is considered a new show.

SHW101.1 A letter of request for a new show must be directed to AQHA’s Competition Department and accompanied by a $25 non-refundable processing fee.

SHW101.2 Applicants desiring to hold an AQHA-approved show must obtain prior AQHA approval.

SHW101.3 No new show, including a special event, will be approved if there already exists another show or special event on the same day, within each region’s specific mileage calculated by MapQuest’s shortest driving distance:

- 350 miles – Regions 1, 2, 7 and 8
- 200 miles – Regions 3, 4, 5, 6, 9 and 10
- 120 miles – For international shows (excluding Canada)

SHW102. APPROVAL FOR A PREVIOUSLY HELD SHOW with priority dates will carry over from year to year, but show approval application must annually be obtained for each individual show.

SHW102.1 To obtain approval for a previously held show with priority dates, a show application for approval must be (1) properly completed in its entirety, (2) accompanied by the non-refundable application for approval fee, (3) submitted and received at least 120 days prior to the first date of the proposed show in order to be published on the aqha.com show events calendar, and (4) accompanied by a list of all classes, whether or not all of the classes are limited to AQHA-registered horses and a proposed schedule of classes.

SHW103. PRIORITY DATES FOR PREVIOUSLY HELD SHOWS. An AQHA-approved show, versatility ranch horse show, or Level I show sanctioned by the affiliate, having been held the previous year is considered an established show and has priority to reserve identical days per calendar week for the current year until terminated by AQHA. This reservation is called a priority date.

SHW103.1 Shows held on a US federal holiday will retain their priority date for that particular holiday: New Year’s Day; Martin Luther King Day, Presidents Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving Day, and Christmas Day.

SHW103.1.1 Shows held in international countries will retain priority date for their country-specific holidays. International affiliates shall be required to identify their country specific holidays to AQHA.

SHW103.2 Versatility Ranch Horse All-Around shows will have priority over regular shows offering individual versatility ranch horse classes, should a conflict arise with approval on the same weekend, due to proximity of the events.

SHW103.3 Shows which move onto a holiday, due to the normal calendar roll, resulting in conflict with an existing holiday show, (within 150 miles shortest driving distance) will be required to move dates.

SHW103.4 Priority dates are a privilege, not a right, and therefore cannot be sold or transferred from one sponsoring body to another sponsoring body without notifying and being approved by the Affiliate and AQHA. A change of sponsorship does not make a show become a new show, unless AQHA and the affiliate are not notified in which case the show becomes a new show and is worked as such. A change in the sponsoring body can happen once in a 3 year time period. Violation of this rule could result in
disciplinary action.

**SHW103.5** Special events, introductory shows, and Equestrians with Disability shows do NOT retain priority dates from year to year.

**SHW103.6** A show will not retain priority dates in subsequent years if it cancels for reasons other than:

- **SHW103.6.1** acts of God (fire, flood, blizzard, tornado, hurricane, etc.);
- **SHW103.6.2** facility conflict (with written verification from facility);
- **SHW103.6.3** loss of facility beyond show management’s control (with written verification from facility);
- **SHW103.6.4** conflict with AQHA regional events;
- **SHW103.6.5** outbreak of equine disease or infection.

**SHW103.7** A show that changes sponsoring body (the individual or group financially responsible for holding the show), changes location more than 150 miles, or moves to another state is considered a new show without priority dates.

**SHW103.8** A state can have up to 2 (two), 6 pointed circuits per year and the affiliate must approve these. Any circuit of 6 points or more which was established prior to 2013 is grandfathered in.

- **SHW103.8.1** States may earn three total 6-pointed circuits per year if the following criteria is met:
  - **SHW103.8.2** Must hold two of these three types of shows: Level I, Introductory, Single Judge.
  - **SHW103.8.3** Must be held for two consecutive years and have applied for a third consecutive year before applying for an additional 6-pointed circuit.
  - **SHW103.8.4** Level I, Introductory or Single Judge shows must continue to be held or the additional 6-pointed circuit will not be approved.

**SHW103.9** An event with five or more show numbers must take one day off before a new event can start at the same facility.

**SHW104. SHOW APPLICATION FOR APPROVAL FEES**

Based on total number of entries from the previous year’s event, rookie entries excluded.

- $3,000 = 5,000 or more entries
- $2,000 = 2,500-4,999 entries
- $750 = 1,000-2,499 entries
- $500 = Events with 500-999 entries
- $100 = Events with I-499 entries
- $100 = Introductory Shows, Level I Shows, Rookie Shows, Versatility Ranch Horse Shows, New Special Events or New Shows
- $50 = Dressage, Western Dressage, or EWD

**SHW105. SHOW APPLICATION LATE FEES** are determined by the date the fully completed application and required approval fee is received in AQHA’s office.

**SHW105.1**

- $200 - 90-119 days prior to show date
- $400 - 60-89 days prior to show date
- $1,000 - less than 59 days prior to show date and subject to denial
- $1,000 or denial - less than 59 days prior to show date

**SHW106.** Changes in a show application, after filing, may be made after the 120-day deadline specified above, provided AQHA is able to publish changes on the aqha.com show events calendar and show
management should share through the show’s event website, social
media and any other media used to notify exhibitors of the change,
prior to the approved date. Requests for a new class type to be added
should be received by AQHA in writing (E-mail is acceptable) at least
30 days prior to the first date of the event.

SHW107. DATE AND/OR LOCATION CHANGE
REQUESTS must be submitted in writing and accompanied by a
$25 non-refundable fee.

SHW108. TYPES OF SHOWS:
Livestock Shows and Fairs. Some of the largest AQHA- approved
shows are held during livestock shows and fairs. These collective
events, which feature shows for other livestock, offer all levels of
competition including youth classes. The number of entries may be
high, and you can find seasoned and casual exhibitors.

SHW108.1 All major livestock shows and state fairs that
meet eligibility requirements will be allowed one double
judged-double pointed AQHA-approved show per year.

SHW108.2 Split/Combined (**S/C**) Any two consecutive shows
can be combined into one show and split over two days. There are
two judges and two sets of points each class is held only once. Entry
fees may be charged per judge/show.

SHW108.2.1 Existing split/combined shows have the option
of modifying their schedule to allow a four-day show to be
held in two days or a two-day show to be held in one day by
holding two shows simultaneously.

SHW108.2.2 Any two consecutive shows may be allowed to
combine to be one show with classes split over a maximum of
two consecutive days with two judges and two sets of points
with classes only held once. Maximum combination of shows
in one day will be up to four shows; no more than four judges
are allowed to judge in the ring at one time, with the exception
of the halter classes which are allowed a maximum of six
judges in the ring at one time.

SHW108.2.3 A maximum of two existing affiliate-designat-
ed approved shows and existing state shows/fairs operating
under the double-judge format may have the option of chang-
ing to a three or four judged format provided it does not
increase the number of shows in that circuit.

SHW108.2.4 If show management wishes to return to
original format after having utilized the DJ/DP the following
year format they may do so.

SHW108.3. Special Events (**SpEv**) As the name implies, spe-
cial events may feature two single events like team penning and
ranch sorting, barrel racing and pole bending or roping events like
team roping and tie-down roping. Both serious and casual competi-
tors attend special events. A single set of points is awarded at each
special event. A maximum of two class types will be allowed per
event.

SHW108.3.1 Organizations or individuals wishing to stage
or sponsor special events must obtain AQHA approval for
results to be recognized and points to be awarded to the
horses that place sufficiently high in that event.

SHW108.3.2 All rules and regulations pertaining to AQHA-
approved shows will be followed.

SHW108.3.3 Two existing special events per year per state
may apply to be double judged and must have affiliate approv-
al. Special events must be in good standing for three consecutive years. Additional shows or points cannot be added to existing events.

**SHW108.3.4** AQHA state/provincial affiliates may request two special events by category, per state/province.

**SHW108.3.5** A maximum of two class types will be allowed per event except for English Special Events which, for a trial period of three years (2021-2023), will be allowed to include English classes from Categories IV, V and VII. English special events will not be limited in number of events allowed per year during the trial period but must have approval of affiliate and meet all other show approval requirements. Success at the end of the trial period to be measured by an increase or stabilization in the number of entries in all the English classes.

**SHW108.4 Level 1 Shows/Rookie** shows hosted by or approved by AQHA state and provincial affiliates and are usually held as stand-alone events but can be held during an open (non-AQHA-approved) show. A minimum of six Level I youth and six Level I amateur classes are recommended. An instructional clinic/seminar should be held in conjunction with the show and presented by an AQHA Professional Horseman. The show judge may not serve as a clinician except in international countries. Level I shows may be held over two days and only one set of points are awarded.

**SHW108.5 Alliance Shows ("AL EV")** AQHA points can be earned by competing at shows hosted by AQHA alliance partners such as National Cutting Horse Association, National Reining Horse Association, National Reined Cow Horse Association, National Snaffle Bit Association, Cowboy Mounted Shooting, etc. Approved events award points based on the AQHA system to those exhibitors who enjoy showing in both associations. Exhibitors must meet AQHA ownership and eligibility requirements. A complete list of alliance partners can be found at aqha.com.

**SHW108.6 Versatility Ranch Horse Competition ("VRH")** demonstrates the versatility of the working ranch horse in six classes – ranch riding, ranch trail, ranch reining, ranch cutting, ranch cow work and ranch conformation. Points will be awarded in each individual class according to the placing received and based on the number of horses competing in the particular class. Points will also be awarded to the All-Around winners who compete in classes based on their cumulative credits from the individual classes. To be eligible for all-around, one rider/one horse must compete in a minimum of one cattle class, one other riding event other than a cattle class, and ranch conformation for points in the All-Around VRH competition. Year-end awards will be based on the number of points received in the All-Around placing. The Versatility Ranch Horse competition promotes the athletic ability and versatility of the horse.

**SHW108.7 AQHA Ranching Heritage Challenge** highlights the versatility, soundness and willing attitude of American Quarter Horses that are ranch-born and-raised. Through a series of ranch horse competitions, the Ranching Heritage Challenge is intended to increase demand for ranch horses by providing an opportunity for ranches and horse owners to compete in a unique ranch horse competition for a significant purse. These Challenges are open to horses bred by an AQHA Ranching Heritage Breeder which have been fully enrolled in the program. Anyone may own and show an eligible horse
in these Challenges which offer multiple divisions for various ages and skill levels for both horse and rider. Classes include working ranch horse, ranch cutting, ranch riding, team roping and barrel racing.

**SHW108.8 AQHA Equestrians with Disabilities** This competition is open to people with physical or cognitive disabilities who love competing with American Quarter Horses. Classes can be held at AQHA-approved shows and events, US para-equestrian events or can be stand-alone events. In order to participate in EWD events, an AQHA diagnosis form and AQHA acceptable adaptive equipment form must be completed. A valid AQHA membership number or membership application must be submitted to AQHA. Upon receipt of the forms, an AQHA membership card will be issued with EWD notation.

**SHW108.9 Dressage** is a French term meaning “training” and its purpose is to develop the horse’s natural athletic ability and willingness to work making him calm, supple and attentive to his rider. Dressage patterns, or “tests,” are designed to showcase the horse’s ability to demonstrate these strengths through various movements. Competition occurs in a regulation size arena with specific apparel and equipment all regulated by USEF. Dressage may be offered at an AQHA-approved show or special event and must be judged by a licensed USEF/USDF judge. Open, amateur and youth eligibility are based on AQHA criteria.

**SHW108.9.2 Western Dressage** is designed to develop a partnership between a happy equine athlete working in harmony with its rider and to demonstrate training based on the principles of classical dressage that produces a horse that is physically strong, balanced, supple, and flexible. Lightness and unity with its rider are the hallmark of a western dressage horse. Western dressage uses a progressive training scale demonstrated through western dressage patterns or “tests.” USEF/WDAA rules will be used for conducting and judging western dressage. Competition occurs in a regulation size arena with specific apparel and equipment all regulated by USEF and/or AQHA. Open, amateur and youth eligibility, including horse ownership requirements for amateur and youth, will be based on AQHA criteria. Refer to SHW215, SHW220, SHW225, and SHW235.

**SHW108.10 INTRODUCTORY SHOWS** To increase and enhance new exhibitors’ participation and the AQHA show experience, AQHA, in its sole discretion, may waive and/or relax certain AQHA show rules for introductory shows which include AQHA classes in their already scheduled open, all-breed or 4-H shows. Introductory shows do not retain priority date status.

**SHW108.10.1** Rules which may be relaxed for introductory shows include: date and proximity conflicts with other shows; qualifications and obligations of show officials, or judges application rules for specialized Level 1 judges.

**SHW108.10.2** Introductory shows shall be allowed to include limited exhibitor eligibility classes for the youth, amateur and open divisions.

**SHW108.10.3** Unless expressly waived or relaxed by AQHA, introductory shows will adhere to all show rules and can only be single judged.

**SHW108.10.4** AQHA reserves the right to require six core classes: western pleasure, showmanship, western horsemanship, hunter under saddle, hunt seat equitation and trail.

**SHW108.10.5** Introductory shows that exceed a 12-hour
competition limit may be fined.

**SHW108.10.6** Points earned at introductory shows do not count toward World Show qualification.

**SHW108.10.7** An exhibitor who has placed in the top 10 in a class at an AQHA World Show is not eligible to compete at an introductory show in that particular class.

**SHW109. SCHEDULES.** Show management has the option of holding some classes the afternoon or evening before their approved show date(s) provided that afternoon or evening not conflict with another existing approved event. For example, at a weekend show, the Saturday show may begin the preceding Friday afternoon and the Sunday show may begin on Saturday.

**SHW110. JUDGES** must be chosen from AQHA’s approved list.  

**SHW110.1** If a judge is unable to fulfill a judging commitment, the acceptance of a substitute will be at AQHA’s option.

**SHW110.2** A show is required to state the name of the judge for the show on the aqha.com show events calendar prior to the scheduled show date. It is also strongly urged to provide the name of the judge on both the entry blank and catalog or premium list.

**SHW110.3** It is strongly recommended that the judge work no more than 10 hours in one day. If the hours spent judging are expected to run to an excessive length, show management should consider hiring additional judges.

**SHW110.4** With the exception of timed events, a show management team/entity that consists in whole or in part of:

(a) common individual(s) listed as show management;
(b) common individual(s) involved in the actual management of a show (whether or not listed);
(c) common individual(s) who are compensated by or have an ownership interest in a show management team/entity; or
(d) immediate family members (spouse, parent, child or grandparent)

May not hire a judge that has already judged three shows, or set of shows for that show management team/entity in that calendar year.

**SHW112. CLASSES.** In scored classes which are leveled and in pattern classes, to include showmanship, horsemanship, equitation over fences and hunt seat equitation, the Level 2 and Level 3 classes must run concurrently. Show management continues to have the option of running any placed classes separately which are leveled. Show management also has the option of running the rookie and Level 1 classes concurrent or separate.

**SHW112.1** For classes run concurrently or separately, the points available to the Level 2 class will be based on the number of Level 2 entries in the class.

**SHW112.2** The number of points available to the Level 3 entries will be the total number of both Level 2 and Level 3 entries in the class.

**SHW112.3** Approval may be obtained to hold junior and senior open division classes when applicable; western pleasure, reining and working cow horse events which may be divided into three classes.

**SHW112.4** No 2-year-old may be shown in any performance class prior to July 1 of its 2-year-old year, except in showmanship at halter.

**SHW112.5** Jumping, team penning and ranch sorting are all-age classes only.

**SHW112.6** Only junior horses 5 years old and younger may be exhibited in junior classes.

**SHW112.7** Only senior horses 6 years old and older may be exhibi-
ited in senior classes.

**SHW112.8** Junior and senior classes, junior and hackamore/snaffle bit classes may be combined only when there are two or less entries in one or both divisions, all three classes (senior, junior and snaffle bit/hackamore) may be combined only when there are two or less entries in at least two divisions. If a show wishes to combine a junior and senior bit reining class and has a hackamore/snaffle bit reining class, the hackamore/snaffle bit class still will be recognized as an approved class. Entries may be accepted after a class is combined. If classes have been combined and additional entries are accepted such that there are now three or more entries in each age division, classes must be split back the way they were originally offered. All-age classes may be split at the direction of the judge and the show management with the unanimous consent of all exhibitors involved in the class (or classes) in question.

**SHW112.9** In all performance classes where each entry performs individually, the order of competition shall be determined by show management drawing lots. Horses entered in any class must be assembled in ample time for judging to start on time and continue without delay. They must remain in readiness until dismissed by the judge. A tardy contestant may be denied competition.

**SHW112.10** In all performance classes, horses are to be ridden astride, except in pleasure driving where they will be driven, and in showmanship where they are led with a halter.

**SHW112.11** It is mandatory that shows with multiple judges and arenas that offer the option of work at will for trail, western riding and working hunter must group like exhibitors together. Working orders for each group may be worked in a random order. For example, if the caliber of exhibitors and/or horses for Level I and I3 and under is similar, they would be worked as one group. Then, if the caliber of exhibitors and/or horses for select, Junior and I4 to I8 are similar, they would be worked in a different group and could compete on a more difficult course. The same pattern must be used within each group.

**SHW112.12** It is mandatory all patterns and courses be posted at least one hour prior to the class commencing.

**SHW112.13** The score in the eliminations or go-rounds, and the score of each horse in the finals, or the score in the finals only will determine the final placings; consistency of performance to be recognized as a major factor.

**SHW112.14** Any show that does not offer the required halter/performance halter classes in the open division will not have its results recognized.

**SHW112.15** AQHA strongly recommends show management provide a youth division for exhibitors 18 years of age and under and an amateur division for eligible exhibitors.

**SHW112.16** In multiple judged shows in the timed events only, one judge may oversee/judge the class(es) and sign all sets of judge’s cards.

**SHW112.17** To offer working hunter under saddle in any division, a show must also offer at least one of the following over fence classes: hunter hack, equitation over fences, working hunter, and/or jumping. Working hunter under saddle is to be held immediately following the over fence classes. Management has the option to keep or remove jumps from the ring.
SHW113. SPECIFIC CLASS PROCEDURES FOR LEVEL-ELED CLASSES:

SHW113.1 INDIVIDUALLY WORKED CLASSES WITH SUBSEQUENT RAIL WORK – Western Horsemanship, Hunt Seat Equitation, Hunter Hack

SHW113.1.1 All exhibitors will participate in the pattern portion.

SHW113.1.2 The class will be placed and the judge's top exhibitors will be called back for rail work. Judge will place a maximum of 15 exhibitors.

SHW113.1.3 Level 2 entries not initially called back for rail work will stand by to see if separate Level 2 rail work is necessary.

SHW113.1.4 Providing enough Level 2 entries are included among the judge's top placings to award all available Level 2 points, no further rail work is needed.

SHW113.1.5 Should the number of Level 2 entries in the judge's initial top placings be insufficient to award all available Level 2 points, the remaining Level 2 entries will be called back for rail work. The remaining available points for the Level 2 class will be allowed based on the judge's placings.

SHW113.1.6 If a Level 2 finals is necessary to distribute all points, at the judge's discretion, exhibitors may be required to only work one way of the arena.

SHW113.2 SCORED CLASSES - Western Riding, Trail, Ranch Riding, Working Cow Horse, Cutting, Tie Down Roping, Team Roping, Ranch Trail, Reining, Working Hunter, Equitation over Fences, Showmanship - At show management's discretion, working orders may be in sequence or in blocks and classes will run concurrently. The class will be placed to distribute all available Level 2 and Level 3 points.

SHW113.3 RAIL CLASSES SHOWN AS A GROUP - Western Pleasure and Hunter Under Saddle

SHW113.3.1 All exhibitors will participate on the rail, following which the class will be placed. Judge will place a maximum of 15 exhibitors.

SHW113.3.2 Providing enough Level 2 entries are included among the judge's top placings to award all available Level 2 points, no further rail work is needed.

SHW113.3.3 Should the number of Level 2 entries in the judges initial top placings be insufficient to award all available Level 2 points, the remaining Level 2 entries will be called back for rail work and the judges will allocate the remaining available points for the Level 2 class.

SHW113.3.4 If a Level 2 finals is necessary to distribute all points, at the judge's discretion, exhibitors may be required to work only one way of the arena.

SHW113.4 HALTER When a halter class is leveled there are two judging options:

SHW113.4.1 Option #1. The judge will place a maximum of 15 exhibitors both Level 2 and Level 3 and line up placings head to tail, in front of the judge, in the order placed.

SHW113.4.2 The Level 2 entries will then form a separate line to reflect the Level 2 placings for the judge.

SHW113.4.3 Option #2. The judge places a maximum of 15 entries on the Level 3 judges' card. The Level 2 entries are
circled on the Level 3 judges’ card. Those entries are transferred to the Level 2 judges’ card.

**SHWI13.5** When a class is leveled, the announcer should begin by announcing the Rookie and then the Level 1 placing’s or the Level 2 and then the Level 3 placing’s

**SHWI14. LEVEL 1 CLASSES** There is no limit to the number of Level 1 classes that may be offered; however, showmanship at halter, western horsemanship and hunt seat equitation are strongly recommended for most shows.

**SHWI14.1** If Level 1 classes are applied for, then the corresponding AQHA amateur or youth classes must also be offered.

**SHWI14.2** The Level 1 youth or Level 1 amateur class must be held prior to the corresponding amateur or youth class if the same judge is judging the Level 1 and corresponding class, with the exception of pattern classes at show management’s option.

**SHWI14.3** All-age Level 1 youth classes may be held or Level 1 youth classes may be split into age groups. These must be applied for and held as 13 and under and 14-18. All age Level 1 amateur classes may be held or Level 1 amateur classes may be split into age groups. Must be applied for and held as Level 1 amateur and select Level 1 amateur classes.

**SHWI14.4** Level 1 halter may be offered as an approved and pointed class at any AQHA-approved show.

**SHWI14.5** Stallions may not be exhibited in any youth classes regardless of level. The only exception is for youth ages 14 and older residing in Mexico, South and Central America who may exhibit stallions in youth performance classes if such classes are held in Mexico, South and/or Central America. Additionally, stallions may not be shown in rookie or Level I amateur classes.

**SHWI14.6** Level 1 halter class winners are only eligible for Grand and Reserve Champion at Level I shows.

**SHWI16. OPEN DIVISION APPROVAL.** An open division may be approved provided a minimum of five halter classes for stallions, a minimum of five halter classes for mares, a minimum of five halter classes for geldings and one performance class are offered.

**SHWI16.1** The halter classes must include individual classes for yearlings, 2-year-olds, 3-year-olds, 4-year-olds and older, and performance halter for American Quarter Horses.

**SHWI16.2** Show management will have the option of combining age groups into 2 and under and 3 and over with the unanimous consent of all exhibitors to be affected. Performance halter would continue to be offered as a separate class.

**SHWI16.3** Classes may be combined only if there are two or less entries in at least one of the halter age groups to be combined.

**SHWI16.3.1** Once halter age groups are combined and additional entries are taken, it is mandatory that halter age groups be split to the originally requested classes should 1/2 point or more become available in each age group.

**SHWI16.3.2** A Grand Champion and Reserve Champion must be selected for each sex in halter classes having three or more entries.

**SHWI17. AMATEUR DIVISION APPROVAL.** An amateur division may be approved separately or in conjunction with an AQHA-approved show for all ages and/or a youth show, provided at least four AQHA-approved amateur performance events are offered.
SHW117.1 At show management’s option, any number of performance classes may be offered as select (ages 50 and over) and the exhibitor has the option of competing in the select class or the all-age class.

SHW117.1.1 Classes will be combined back to an all-age class should there be less than three entries in the select or amateur class.

SHW117.1.2 If additional entries are accepted resulting in three or more entries in both the select and amateur classes, classes must be split back the way they were originally offered.

SHW117.1.3 Prior to posting patterns in pattern classes, show management is to assess entries in the amateur and select classes. If, in show management’s assessment it appears that amateur and select classes could combine due to lack of entries, then show management will keep patterns consistent. If there are enough entries in both amateur and select that they will be held separately, show management may use different patterns for the amateur and select classes.

SHW117.2 To have an approved amateur halter division, halter classes must include individual classes for yearlings, 2-year-olds, 3-year-olds, 4-year-olds and older, and performance halter for American Quarter Horses.

SHW117.2.1 A Grand Champion and Reserve Champion must be selected for each sex in amateur halter classes having three or more entries.

SHW117.3.1 Classes may be combined only if there are two or less entries in at least one of the halter age groups to be combined.

SHW117.3.2 Once halter age groups are combined and additional entries are taken, it is mandatory that halter age groups be split to the originally requested classes should 1/2 point or more become available in each age group.

SHW117.4 Show management has the option to offer amateur weanling halter classes in each sex division.

SHW118. YOUTH DIVISION APPROVAL. A youth division may be approved separately or in conjunction with an AQHA-approved show for all ages provided a minimum of four approved youth performance events are offered, two of which must be showmanship at halter and either western pleasure or western horsemanship.

SHW118.1 To have an approved youth halter division, halter classes must include individual classes for yearling, 2-year-old, 3-year-old, and 4-year-old and older American Quarter Horse mares and geldings, as well as performance halter for AQHA registered mares and geldings.

SHW118.1.1 A Grand Champion and Reserve Champion must be selected for each sex in youth halter classes having three or more entries.

SHW118.2 Show management will have the option of combining age groups into 2 and under and 3 and over with the unanimous consent of all exhibitors to be affected. Performance halter would continue to be offered as a separate class.
SHW118.2.1 Classes may be combined only if there are two or less entries in at least one of the halter age groups to be combined.

SHW118.2.2 Once halter age groups are combined and additional entries are taken, it is mandatory that halter age groups be split to the originally requested classes should 1/2 point or more become available in each age group.

SHW118.3 Show management has the option to offer youth weanling halter classes for both mares and geldings.

SHW118.4 Age group limits in youth events may be set by show management. For horse show purposes, the age of an individual on January 1 of that year shall be maintained throughout the entire year. (Example: A youth who has a birthday in July, and is 18 years of age on January 1, must show throughout the entire year as an 18-year-old.)

SHW118.5 It is recommended large classes be divided into age groups to provide more equal competition. Age divisions however, do not apply to halter classes.

SHW118.5.1 If there is to be one class, undivided, the age group is to be 18 and under.

SHW118.5.2 If there are to be two classes, the age divisions must be (1) 13 and under and (2) 14 – 18.

SHW118.5.3 If there are to be three classes, the age divisions must be (1) II and under; (2) 12 – 14; and (3) 15 – 18.

SHW118.5.4 Age groups may be combined at a show, at the direction of the judge and the show management, with the unanimous consent of all exhibitors involved in the class only if there are two or less entries in one or both of the age groups to be combined.

SHW118.5.5 The II-and-under age group may never be combined with the I5-I8 age group.

SHW118.5.6 When the II-and-under and I2-I4 age groups are combined, that class shall be reported and shown as I4-and-under.

SHW118.5.7 When the I2-I4 and I5-I8 age groups are combined that class shall be reported and shown as I2-I8.

SHW120. INSPECTIONS/TESTING. If show management or an AQHA affiliate desires to conduct its own inspection, drug or surgical alteration testing, it must obtain written authorization from AQHA and instructions as to procedures and licensed veterinarians.

SHW120.1 At an AQHA-approved show, only state or provincial affiliates or representatives of show management, acting pursuant to AQHA rules or AQHA, may request specimens of urine, saliva, blood, hair or other substance for drug testing, or require payment of drug testing fees as a condition for entry.

SHW120.2 For all AQHA-approved shows held in California, Hawaii, Alaska, Canada or internationally, show management must collect a $5 show processing fee per horse per show. For all
AQHA-approved shows held in the United States, except California, Hawaii and Alaska show management must collect a $5 show processing and $1 drug testing fee (total of $6) per horse per show. For all AQHA-approved introductory shows, management must collect a $5 show processing fee per horse per show.

**SHW120.3** Show management’s failure to mail the fees to AQHA, postmarked within 10 days after the closing day of said show, may result in show approval being denied the following year.

**SHW120.4** Show management is exempt from collecting the above drug testing fee if the show in question is held in a state where the state government (not an affiliate): (1) operates an equine drug testing program, (2) collects a drug testing fee from shows held within said state, and (3) reports drug violations to AQHA.

**SHW120.5** Drug testing fees charged by an AQHA-approved show are subject to prior approval by AQHA.

**SHW120.6** The show manager shall forward to AQHA complete information, in writing, concerning a forbidden drug case or refusal to allow testing.

**SHW121. PREMIUM LISTS.** Premium lists, show bill or class schedule must be submitted with show approval application.

**SHW121.3** A show is not required to award any existing unwon prizes.

**SHW122. ENTRIES** An exhibitor is not required to enter a particular class or division to be eligible for competition. Entering a class(es) shall be the option of the exhibitor.

- **SHW122.1** A show may not require an exhibitor to enter or pay entry fees for a horse in a halter class for that horse to be eligible to compete in a performance class.
- **SHW122.2** A show may not require an exhibitor to enter or pay entry fees for a horse in a performance class for that horse to be eligible to compete in a halter class.
- **SHW122.3** In order for a horse to be eligible for an all-around circuit award, show management may, at their discretion, require that such horse be exhibited in specified class(es) and/or categories.
- **SHW122.4** In order for a horse to be eligible for a circuit award regarding a particular class, show management may not require that such horse be exhibited in class(es) other than the particular class in question.

**SHW123. ENTRY FEES** may be charged, and if so, must be uniform to all exhibitors in the class, be collected by show management and paid by the entering party, not paid nor reimbursed by a third party, particularly another competitor in the class. All show fees shall
be the same to all exhibitors within each respective division: open, youth, amateur, Level I youth and Level I amateur, and rookie.

**SHW123.1** Entry fees, if charged, must be specified on the application for show approval.

**SHW123.2** Any scheduled class to be held with no entry fee must be so designated on the show application.

**SHW123.3** No change in specific entry fee shall be permitted after approval, unless the change can be published on the aqha.com show events calendar prior to the scheduled date of the show. Violation will be cause for disqualification of the class.

**SHW123.5** Show management may offer discounted entry fees to Level I amateurs or Level I youth who exhibit in the corresponding amateur or youth class.

**SHW123.6** Show management shall maintain detailed written or electronic records, sufficient to establish to AQHA's satisfaction, upon request, that each exhibitor's entry fee was paid as required above. Such records shall be preserved for at least one year from the date of the show. Failure to maintain and preserve such record shall be cause for AQHA to disallow the class and refuse show results, or, if previously entered, remove them from AQHA's records.

**SHW123.6.1** Failure on the part of show management to maintain or preserve such records as required above shall create the presumption that the requisite fees in question were not paid in accordance with the above rule, with the burden of persuasion on show management and the individual exhibitor to prove otherwise.

**SHW123.7** If a horse per SHW904.1 or SHW904.5-6 is entered in a show, its entry fee shall be refunded and it is not to be exhibited.

**SHW124. TIES.** No class is complete until all ties through point-earning places are broken.

**SHW124.1** If a tied contestant, or contestants, is disqualified in the runoff, he/she is not to be placed any lower than the lowest position for which he/she was tied.

**SHW124.2** Contestants disqualified during the first run are not considered to be tied for a place even if there were fewer than 10 different entries in the class.

**SHW124.3** Refer to the all-around trophy award for breaking ties for the all-around award.

**SHW125. RIBBONS.** For AQHA-approved amateur, youth, rookie/Level I amateur and rookie/Level I youth classes, AQHA-approved shows are required to present ribbons or awards through sixth place. The following ribbons are recommended for halter and performance classes:

less of the number of horses in the class, but counts as an entry in
the class.

management; a sample format may be obtained, by request, from
AQHA. Shows failing to submit show results in an accepted elec-
tronic format will not receive priority dates for the following year.

influence the outcome of any show held on such property, shall
enter or exhibit horses in any AQHA-approved open or amateur
show at which he/she is officiating, nor may any horse owned by
such person be entered and exhibited. Youth events and alliance
shows, where it is acceptable by the rules of the alliance, are
excluded from coverage under this rule.

Show management shall make every effort to obtain the concurrence of any AQHA-approved judge on the grounds or AQHA-authorized personnel, if available. Any verbal or written warning performed by the show manager at a show for inhumane treatment is to be reported in writing to AQHA. **SHW130.2** maintaining a set of results on file for at least one year from the show;

**SHW131.5** assist the judge, not advise him/her and shall refrain from discussing, or seeming to discuss, the horses or the exhibitors with the judge;

**SHW131.6** not take part, or seem to take part, in any of the judging;

**SHW132. VETERINARIAN.** At show management’s option, any Licensed Veterinarian may serve as a show veterinarian. If there is more than one veterinarian, one should be delegated as being in charge. Health requirements should be outlined in catalogs and on entry blanks and enforced by the show manager and veterinarian.

**SHW133. AQHA STEWARDS.** Designation as an AQHA Steward is a privilege, not a right, bestowed by the Executive Committee according to procedures formulated by it, to individuals whose equine expertise and personal character merit the honor. An individual’s conduct as an AQHA Steward must be exemplary and is subject to continual Executive Committee review, with an automatic review after three years of becoming an AQHA Steward. Designation as an AQHA Steward is revocable by the Executive Committee at any time with or without cause and with or without notice and formal hearing.

SHW201.4 A required form must be properly completed in its entirety and signatures provided as requested.

SHW201.5 AQHA or AQHYA members may be disciplined, suspended, fined and/or expelled from AQHA and/or AQHYA, and a nonmember may be denied AQHA privileges for violations or fraudulent practices per VIOLATIONS in this Official Handbook.

SHW201.6 Exhibitors are expected to conform to all class rules from the time they enter the show arena until they exit the show arena.

SHW202. AQHA SHOWS offer a variety of classes and levels of competition including Rookie, Level I, Level 2 or Level 3. Refer to TYPES OF SHOWS.

SHW205. ANIMAL WELFARE. Every American Quarter Horse shall, at all times, be treated humanely and with dignity, respect and compassion. This prohibition against inhumane treatment applies to AQHA members and nonmembers.

SHW205.1 AQHA members may be held responsible for the actions of their trainers, agents, representatives and/or employees. For violation of this rule, an individual may be disciplined, suspended, fined, denied AQHA privileges, disqualified, expelled from show grounds and/or expelled from AQHA.

SHW205.2 The standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted equine care, training and exhibition procedures or veterinary standards, would determine to be cruel, abusive or inhumane.

SHW205.3 Refer to VIOLATIONS in this rulebook for comprehensive rules on animal welfare.

SHW210. DISCLAIMER OF RESPONSIBILITY FOR SAFETY OF SHOW PARTICIPANTS:

SHW210.1 Show management is responsible for the condition of show premises, including, but not limited to, arena, exercise, and stall areas; the conduct and competence of show employees and other representatives; implementation of show activities and events; and all other aspects of the show.

SHW210.2 AQHA does not assume or accept duty or responsibility for safety at any show in regard to participants or any other third parties, or for the horses or other property thereof.

SHW210.3 As an express condition of the privilege to participate at an AQHA-approved show or event, each owner of an American Quarter Horse, exhibitor, trainer and participant assumes the risks of participation, and releases and discharges AQHA, its officers, directors, representatives and employees from any and all liability, whenever or however arising, as to personal injury or property damage occurring as a result of participation in an event conducted by the show or on the show grounds thereof.

SHW210.4 Without assuming the affirmative duty to monitor possible physical or mental handicaps of exhibitors, if a condition of exhibitor’s physical or mental disability comes to the attention of AQHA, the individual may be denied participation privileges in AQHA-approved events until such time as he or she provides AQHA with sufficient information to conclusively establish physical or mental capability to participate, without posing a significant risk to the health or safety of the individual.
and/or the other exhibitors of the class in which he or she desires to participate. At AQHA's sole discretion, the individual may be authorized to use special equipment to enhance the physical ability to safely exhibit in AQHA-approved events.

**SHW215. ELIGIBILITY FOR PARTICIPATION.** All AQHA-approved classes must be open to any American Quarter Horse owner meeting age, ownership and eligibility requirements. Membership in AQHA and/or AQHYA for youth competition is the only mandatory membership.

**SHW215.1** Every person competing in an AQHA-approved class must possess either a current, individual AQHYA or AQHA membership card, or AQHA membership card with amateur privileges, recorded solely in their name, or must complete a membership application and pay for it at the show, which will be submitted with the show roster. The exhibitor must accurately complete entry forms and assumes responsibility for errors.

**SHW215.2** Show management must inspect the membership card (or a photocopy) at any show the exhibitor has entered. If the exhibitor is a member but cannot produce the card (or a photocopy) at the show, a replacement form must be completed and a new membership purchased at the show prior to entering. This fee is non-refundable.

**SHW215.2.1** To allow show management qualification for monetary assistance from a state, province or country in which an AQHA-approved show or event is conducted, in which state, province or country prohibits exclusion of nonmembers, if otherwise qualified, a nonmember may gain entry in the open and youth divisions by payment of a nonmember fee equal to an individual member fee. Payment of this fee will allow a nonmember access to the particular event, show, or show circuit. By entering as a nonmember, the individual agrees to abide by AQHA rules.

**SHW215.3** Each member, horse owner or others involved in participation in AQHA-approved events is charged with the ultimate responsibility to determine eligibility of persons exhibiting his or her horse by contacting AQHA regarding the current list of suspended or disciplined persons before authorizing such participation.

**SHW215.4** Any stallion, mare or gelding one year old or older must have been issued an AQHA registration certificate to compete in an AQHA-approved halter class.

**SHW215.5** Only stallions, mares, spayed mares, non-breeding mares and geldings, 2 years old and older, which have been issued an AQHA registration certificate, are eligible to compete in approved performance classes or contests.

**SHW215.6** A 2-year-old may not be shown in any performance class prior to July 1 of its 2-year-old year with the exception of yearlings that may compete and earn points in showmanship at halter classes.

**SHW215.7** Geldings still listed as stallions according to AQHA records at the time the show results are processed will be disqualified.

**SHW215.8** Weanlings may be exhibited without a registration certificate but must be shown as unnamed; must be eligible for registration with AQHA. Either before or after a registration
application is filed, should AQHA determine the weanling is either ineligible for registration or eligible only upon fulfillment of certain conditions, the weanling shall not further participate in AQHA-approved shows, or, if registration is conditional, it shall not participate in AQHA-approved shows until those conditions are fulfilled.

**SHW215.9** Stallions may not be exhibited in walk/trot, rookie, Level I amateur, Level I youth or any youth classes, except for youth ages 14 and older residing in Mexico, South or Central America who may exhibit stallions in youth performance classes if such classes are held in Mexico, South and/or Central America.

**SHW220. AMATEUR AND YOUTH HORSE OWNERSHIP REQUIREMENTS.** In addition to the requirements of the ELIGIBILITY FOR PARTICIPATION, AMATEUR ELIGIBILITY and/or YOUTH ELIGIBILITY, and unless otherwise permitted pursuant to AQHA rules and regulations, any horse exhibited in the youth or amateur division must be solely owned by the contestant showing the horse or the contestant’s immediate family.

**SHW220.1 IMMEDIATE FAMILY** includes: spouse, child, stepchild, parent, grandparents, grandparent’s siblings, step-grandparent, grandchild, step-parent, sibling, half-sibling, step-sibling, spouse’s parent, spouse’s step-parent, sibling’s spouse, half-sibling’s spouse, step-sibling’s spouse, sibling’s child, sibling’s step-child, half-sibling’s child, half-sibling’s step-child, step-sibling’s child, step-sibling’s step-child, parent’s sibling, parent’s half-sibling, parent’s step-sibling, parent’s sibling’s child, parent’s sibling’s stepchild, parent’s half sibling’s child, parent’s half sibling’s stepchild, parent’s step sibling child, parent’s step sibling’s stepchild, legal ward or legal guardian. Persons whose relationship is legally recognized as a domestic partnership or civil union under the laws of the jurisdiction in which they sought such relationship are considered immediate family. Separate legal entities, such as family corporations, trusts or partnerships, are also authorized owners of the amateur exhibitor’s horse so long as all legal and equitable owners and beneficiaries of the legal entity are individuals specifically authorized by this rule.

**SHW220.2** “Owned” means, in addition to other legitimate methods of acquiring ownership, the bona fide legal ownership obtained for adequate consideration in reasonable relationship with the actual market value of the horse. For example, a $5 payment for a world championship quality horse does not meet the required character of required ownership for competition in the amateur or youth division. The relationship of the amateur or youth to the owner of the participating horse must be evidenced by submitting legal documentation (i.e. copies of marriage and/or birth certificates) to AQHA’s Competition Department. Ownership must be evidenced by AQHA records and the registration certificate of such horse must show such person as the owner by proper endorsement of AQHA at the time the horse is entered in any youth or amateur show or class.

**SHW225. AMATEUR ELIGIBILITY.** The application for amateur membership must be true and correct in every detail. A false statement shall be grounds for possible disciplinary action under AQHA’s disciplinary procedure (VIOLATIONS), which includes suspension, fine and/or expulsion from membership. In
addition to the membership requirements, the following rules apply. An amateur:

**SHW225.1** must be 19 years of age on or before January 1 of the year of application and no longer eligible to compete in AQHA youth classes

**SHW225.2** may show in Select amateur classes upon turning 50 years of age.

**SHW225.3** for three years from the date of the last incident which rendered the individual ineligible previous to application for amateur membership, an amateur may not have:

- **SHW225.3.1** shown, judged, trained or assisted in training a horse (whether or not a registered American Quarter Horse) for remuneration, monetary or otherwise, either directly or indirectly. Payment of entry fees and/or expenses by anyone other than the amateur, the amateur’s “Immediate Family” as defined herein or an amateur’s collegiate team and/or nationally sponsored team (team demonstrations, exhibitions or international competitions only) shall be considered remuneration;
- **SHW225.3.2** instructed another person in riding, driving, or showing a horse (whether or not a registered American Quarter Horse) for remuneration, monetary or otherwise, either directly or indirectly;
- **SHW225.3.3** shown, trained or assisted in the training of a horse (whether or not a registered American Quarter Horse) for which an immediate family member accepts remuneration, monetary or otherwise, either directly or indirectly, for such services;
- **SHW225.3.4** held credentials of horse show judge for AQHA or any other equine organization;
- **SHW225.3.5** been a member of the American Quarter Horse Association of Professional Horsemen; or
- **SHW225.3.6** held membership accreditation with the Professional Rodeo Cowboys Association, Women’s Professional Rodeo Association (Barrel Race Only), International Professional Rodeo Association, or have been rated as a #7 or above in the Ranch Sorting National Championships or a #7 in the United State Team Penning Association (ratings effective as of the first of each August or when new rankings are released by the associations) for those events or classes which are the same events or classes in which the individual competes, or desires to compete, in AQHA amateur competition. For example, a person who competes in a PRCA roping event may not compete in amateur tie-down roping or daily team roping (heading or heeling) but may show in any other amateur classes. A permit holder is not considered as one who has membership accreditation in a professional organization and may compete in any AQHA approved amateur class.

**SHW225.4** Notwithstanding SHW225.3.3-4 above, certification as an instructor in equitherapy by Professional Association of Therapeutic Horsemanship International (PATH) or similar organizations recognized by AQHA shall not result in amateur ineligibility. AQHA shall maintain a list of such recognized organizations. To be eligible as an AQHA amateur, the excepted
instructor may only teach students enrolled with the recognized organization or prescribed such rehabilitation by a licensed medical doctor. Any amateur competitor excepted under this provision shall file such certification with the AQHA Amateur Department prior to any competition by such individual.

**SHW225.5** Notwithstanding SHW225.3.4 above, an individual who is 65 years of age or older and holds horse show judging credentials for AQHA or any other equine organization but has not judged in the previous twelve months is eligible to immediately apply for amateur membership so long as he/she meets all other amateur eligibility requirements and relinquishes his/her horse show judging credentials.

**SHW225.6** Notwithstanding SHW225.3.5, an individual who is 65 years of age or older and is a member of the American Quarter Horse Association of Professional Horsemen is eligible to immediately apply for amateur membership so long as he/she meets all other amateur eligibility requirements and relinquishes their Professional Horsemen membership.

**SHW225.7** Notwithstanding SHW225.3.6 above, an amateur member who is eligible to compete as a select amateur and has earned Gold Card status with another association or organization is eligible to compete in any AQHA-approved amateur class so long as he/she has not activated his/her Gold Card to be eligible to compete within the other association or organization.

**SHW225.8** Notwithstanding SHW225.3.2 above, an individual participating as a non-full time, non-professional instructor in an approved horsemanship school recognized by AQHA shall not result in amateur ineligibility. AQHA shall maintain a list of such recognized educational institutions. To be eligible as an AQHA amateur, the excepted instructor may only teach students enrolled with the recognized educational institution. Any amateur competitor excepted under this provision shall report his/her participation in such approved program with the AQHA Amateur Department prior to any competition by such individual.

**SHW226.** As a condition for the issuance of amateur membership, the applicant, and/or the family member who actually owns the horse with which the amateur will participate, agrees to provide, upon request, such documentation or other proof as requested by AQHA to support the representations of sole economic ownership of the horse or horses exhibited by the amateur in amateur or open events, and the other criterion set forth above. Failure to promptly furnish such documentation upon request may be cause for immediate termination of amateur membership and be grounds for possible disciplinary action by the Executive Committee under AQHA disciplinary procedures.

**SHW227.** To become eligible for amateur membership, or become eligible for reinstatement to amateur membership, the individual must wait a period of up to three years from the date of the last incident which rendered the individual ineligible. Violation of AQHA’s rule requirement for truthful application for amateur status may be cause for more severe sanction than such waiting period.

**SHW228.** If a record owner (1) leases a horse for breeding purposes only and (2) retains sole right of competing with the horse, such record owner may exhibit the horse in open or amateur AQHA classes.

**SHW229.** Upon revocation of amateur membership because of ineligibility, all earned amateur points from time of violation of
eligibility rules shall be revoked.

SHW230. AMATEUR PERMITS. Amateur card holders may ride horses owned by someone other than immediate family members in any open division performance class for which they have been granted exemption by AQHA with no penalty, provided the amateur member pays all entry fees and expenses in connection with showing. Upon written request to AQHA’s Competition Department, and after receiving from them a permit authorizing such, an amateur member will be permitted to exhibit a horse he/she does not own in open division classes at a maximum of two AQHA-approved shows. The amateur member seeking exemption must submit to AQHA’s Competition Department the names and exact dates of the two shows, as well as the horse’s name and AQHA registration number which they will exhibit.

SHW230.1 Only one such permit will be granted for a rider for a given horse, and no AQHA points will be awarded.

SHW230.2 Show management shall not allow a non-owned horse to be shown by an amateur member in the open division unless exhibitor has said permit at the time of entry. Failure to properly obtain permit prior to showing may result in revocation of amateur status and/or other penalties.

SHW235. YOUTH ELIGIBILITY. As a condition for the issuance of youth membership, the applicant and/or the family member who actually owns the horse with which the youth will participate, agrees to provide, upon request, such documentation or other proof as requested by AQHA to support the representations of sole economic ownership of the horse or horses exhibited by the youth in youth events, and other criteria set forth above. Failure to promptly furnish such documentation upon request may be cause for immediate termination of youth membership and be grounds for possible disciplinary action by the Executive Committee under AQHA disciplinary procedure for failure to respond to request for information.

SHW236. Although a youth may show a non-owned horse in the open division, doing so could violate AMATEUR ELIGIBILITY.

SHW240. AMATEUR AND YOUTH SHOWING LEASED HORSES. Amateurs and youth may show leased horses subject to the following:

SHW240.1 prior to the lessee (amateur or youth) showing the leased horse, AQHA must have received and recorded a showing lease form;

SHW240.2 the lessee must be responsible for expenses associated with the care of the horse: boarding, feeding, routine farrier services and routine veterinary services;

SHW240.3 during the term of the showing lease, only the lessee and lessee’s IMMEDIATE FAMILY may show the horse. The lessee’s trainer may also show the horse during the term, but only in open division classes. During the term of the lease, the horse may be shown by other eligible exhibitors in Open Division, Level 1 and/or rookie classes only;

SHW240.4 the term of the lease must be for a minimum one year period, and the lease must be to an individual only. If the lease is terminated for any reason before the minimum one year period, the horse can only be shown in the Open Division, Level 1 classes and/or rookie classes until one year has passed since the original start date of the lease; except as provided by the
International Lease for World Championship Show rules, or as follows;

**SHW240.4.1** A Show Lease may be terminated without show restrictions before the minimum one year requirement in the event of the death of the lessee or with a lease termination penalty of $1,000. Any points earned during the lease period will not count toward qualifying for any World Show or Year End Awards subsequent to termination of the lease.

**SHW240.5** only one showing lease at a time per horse will be recognized:

**SHW240.6** a showing lease does not grant a lessee or lessee’s agent authorization to sign breeder’s certificate(s), stallion breeding reports, transfers or registration applications for the horse;

**SHW240.7** during the term of a showing lease, subsequent changes in ownership will not be recorded until the showing lease is terminated;

**SHW240.8** if a lessee qualifies the horse for and intends to exhibit the horse at an AQHA World Show, a showing lease must be in effect and on file with AQHA at the time the lessee (a) enters the horse into the World Show and (b) exhibits the horse at the World Show. Subject to SHW240.4 should a showing lease expire prior to the above times, a new showing lease will be required.

**SHW245. LEVEL I ELIGIBILITY** – Every person competing in Level I amateur or Level I youth class must possess an amateur or youth membership card.

**SHW.245.1** Level I eligibility point ranges will be established every year for each class. Class point ranges are based on the cumulative average of all Level I competitors, per class, during the three immediate previous (November 1-October 31) years. Level I eligibility point cap will be greater of 25 points or the 90th percentile. Level I eligibility point ranges and percentiles, per class can be found at aqha.com/leveling.

**SHW245.2** Level I points are not recorded on a horse’s performance record; points are recorded on the exhibitor.

**SHW245.3** When determining eligibility for a level in a particular class, an individual may not have exceeded the point cap described in SHW245.1 for that particular class. In addition, at the time of application for Level I an individual may not have:

**SHW245.3.1** earned a superior award within the past 10 years in a particular class in any equine organization or association with a membership of more than 7,500 members (including AQHA);

**SHW245.3.2** placed in the top 3 at any AQHA World Championship Show in a particular class;

**SHW245.3.3** won a world, reserve world, national or reserve national championship title in a particular class (excluding Level I class) in any equine organization or association with a membership of more than 7,500 members;

**SHW245.3.4** won a total of $5,000 or more in cash with any equine organization or association by class including earnings reported by Q Data, Equistat and other verifiable resources;

**SHW245.3.5** competed on an NCEA equestrian team on a scholarship, or ride as a starting exhibitor, in a particular class.
SHW245.4 Once an exhibitor is assigned a level for a given show year, they are eligible to compete in that level for the entire year.

SHW245.5 Any individual who has been an accredited horse show judge or who has trained professionally will not be eligible to participate in Level I competition.

SHW245.6 Points earned in Level I may not be used for any amateur or youth awards, or any World Championship Show qualification.

SHW245.7 Applicants are responsible for verifying eligibility for any class/level regarding earned halter and performance points. Applicants may contact AQHA concerning halter and performance points that have been reported to AQHA and recorded in AQHA's records.

SHW245.8 Level I exhibitors, in Amateur or Youth, may participate on a non-owned horse in Level I Amateur or Youth classes. The recorded owner retains the ability to show the same horse in any class other than the same class as the Level I exhibitor. This option is not available to competitors at the top 10 show circuits. The top 10 show circuits can be found at aqha.com. They are determined by the number of entries in the previous year. For the top 10 shows (provided the show accepts permits), a Level I amateur or Level I youth member may apply for up to 10 permits allowing them to compete with one permit per show on a non-owned horse in Level I classes only. Points earned by Level I, whether using permits or not, will count toward the point cap per class for Level I eligibility. Applications for permits shall be directed to the AQHA Competition Department on application forms provided by AQHA or an application may be filled out at an AQHA-approved show, and be granted as AQHA, in its sole discretion, determines. Exhibitors must have a current amateur or youth membership to participate. All Level I rules still apply whether using permits or not.

SHW246 If an exhibitor wins a class at the Level I Championships, he/she is no longer eligible to compete in that class at any future Level I Championships; however, if an exhibitor is Level I eligible, he/she may continue to show in that class in Level I competition.

SHW246.1 If an exhibitor has not reached any of the above achievements (SHW 245) but has pointed out of Level I, the exhibitor can only return to Level I in that particular class if the exhibitor has not earned any points in that class for 10 consecutive years and must meet eligibility requirements per SHW245.3.

SHW250. LEVELING - YOUTH, AMATEUR, OPEN DIVISIONS- Youth and amateur division classes will be based on the exhibitor’s show record. Open division classes, with the exception of cattle and halter classes, will be based on the horse’s record. Open division cattle and halter classes will be leveled by exhibitor record. Rookie eligibility for horse and exhibitor is based on lifetime points earned by class. Open Level I eligibility is based on lifetime points and money earned by class. Horse and rider eligibility, for all other levels, is calculated on a three-year cumulative time period of November 1 through October 31 to determine the horse and rider eligibility level(s) for the next competition year.
SHW250.1 Classes based on exhibitor performance are those in the 1) amateur 2) youth and 3) open division halter and cattle only.

SHW250.2 Classes based on horse performance are open division, excluding halter and cattle.

SHW250.3 Exhibitors must designate which level they are entering. If no specific level is designated he/she will automatically be placed in Level 3.

SHW251. LEVEL ELIGIBILITY. Level eligibility will be effective January 1 of each year and the exhibitor or horse will remain eligible for that level for the entire calendar year, regardless of the number of points earned during the year.

SHW251.1 Throughout the year, horses or exhibitors may show at a higher level than what they are eligible, but cannot show at a level below their eligible level.

SHW251.2 Horses competing in open Level I (horse) classes may not have won $2,500 or more in any equine organization or association in that particular class, including earnings reported by Q Data, Equistat and other verifiable resources.

SHW251.3 A horse which points out of open Level I may continue to show in Level I for the for the remainder of the calendar year. After that calendar year, however, that horse may never return to Level I.

SHW251.4 Horses placing in the top ten in Level 3 classes at the open World Championship Show are no longer eligible for open Level I beginning the following year in that class.

SHW251.5 Exhibitors placing in the top three in the Level 3 classes at the AQHYA, Select, or Open/Amateur World Shows, are no longer eligible for Level I beginning the following year and can never be eligible for Level I in that class.

SHW251.6 Exhibitors and horses can return to Level 2 based on points earned during the calculation period (defined as previous 3 years from November 1 – October 31). However, the following prevent returning:

SHW251.7 Horses in their first year of senior competition will automatically be eligible for Level 2 unless the horse places in the top two in a Level 3 class at the Open World Show. In this instance, the horse is not eligible for Level 2 for the subsequent five years in that class, regardless of points earned during the calculation period.

SHW251.8 Horses placing in the top two in the Level 3 classes at the Open World Shows are not eligible for Level 2 for the subsequent five years in that class, regardless of points earned in the past three years.

SHW251.9 Competitors placing in the top two in the Level 3 classes at the AQHYA, Open/Amateur or Select World Shows are not eligible for Level 2 for the subsequent five years in that class within that division, regardless of points earned in the past three years.

SHW252. ROOKIE LEVEL. Rookie eligibility is based on lifetime achievement of exhibitor and horse.

SHW252.1 For a horse and exhibitor to be eligible in a rookie level class, the exhibitor must have earned fewer than ten (10) lifetime points in that class in any division; open, amateur or youth. The exhibitor may also not have won $5,000 or more in
any equine organization or association by class, including earnings reported by Q Data, Equistat and other verifiable resources. The horse must have earned fewer than fifty (50) lifetime points in that class in any division; open, amateur or youth. The horse may also not have won $1,000 or more in any equine organization or association by class, including earnings reported by Q Data, Equistat and other verifiable resources. The point and earnings limit does not apply to horses in over fence classes. Accuracy of eligibility is the responsibility of the exhibitor. Eligibility is from January 1 – December 31.

SHW252.2 Notwithstanding the ownership requirements associated with competing in youth and amateur classes, ownership of the horse is not required to participate in rookie level classes. Multiple exhibitors, including the record owner, may show the same horse in any class at a show (assuming eligibility requirements for class are met), but not in the same rookie level class(es) at that particular show.

SHW252.3 Youth and amateur rookie level performance classes can be run as stand-alone classes or concurrently with corresponding Level I classes. Open division rookie level performance classes can be run as stand-alone classes or concurrently with corresponding Level I classes. If an exhibitor is eligible to show in the rookie class and the corresponding Level I class, they may enter both classes.

SHW252.4 Rookie level halter classes must be all-aged classes and must be held as stand-alone classes. Rookie level halter classes are not eligible for Grand and Reserve awards.

SHW255. EXHIBITORS CONDUCT

SHW255.1 To make a formal complaint against an AQHA-approved exhibitor, such complaint must be in writing, signed by the complainant, contain specific facts giving rise to the complaint, and be received by AQHA within a reasonable time from the date of occurrence. By filing this complaint, the complainant agrees to attend a hearing, if any, conducted by AQHA in regard to the matter either at AQHA offices in Amarillo, Texas, or as the Executive Vice President directs.

SHW255.2 Exhibitors shall not contact, nor attempt to contact the judge pertaining to judging of any horses at that show. Further, exhibitors shall not approach judges for any reason prior to the completion of judging unless the ring steward is present.

SHW255.3 No exhibitor will visit or socialize with a judge the day prior to or day of the show.

SHW255.4 An AQHA-approved judge shall be treated with courtesy, cooperation and respect. No person, exhibitor, owner, or otherwise, shall direct abuse or threatening conduct toward them, either in the furtherance of their judging duties, or as a result thereof, whether or not the conduct occurs during an approved event or show, or on or off show grounds.

SHW260. POINTS. Points shall be awarded to qualifying 2-year-old and older horses entered and exhibited in AQHA-approved shows and performance events, and to yearlings entered and exhibited in their appropriate halter and showmanship classes only, according to the chart on the following page.

SHW260.1 All AQHA-approved classes must meet minimum entry requirements to receive designated points.
SHW260.2 In any performance class, points shall be awarded based on the total number of eligible horses actually judged in that class, whether or not an elimination was held. For example, if 45 horses were entered and exhibited in an elimination, points would be based on 45 entries, even though entry fees may have been returned on horses which were worked and eliminated.

SHW260.3 No class of less than three horses shall receive points, but all classes shall be judged.

SHW260.4 Points awarded in amateur or youth classes will be designated as such and not be considered for any other AQHA designation, award, registry or title.

SHW260.5 Points earned in rookie or Level I classes do not count toward World Show qualification.

SHW260.6 Points earned in Amateur, Youth and Open Levels 2 and 3 will count toward World Show qualification.

SHW260.7 Points in the amateur and youth divisions are to be compiled on a one horse - one exhibitor basis and will count toward any award so long as the amateur or youth ownership requirements are met as outlined. In the event the horse is sold, a new start will be made by the new exhibitor, except when a horse is repurchased or otherwise reacquired by the seller, in which event previously earned points will be reinstated, except for World Show qualification.

SHW260.8 The Grand Champion of sex divisions with three or more entries will receive one-half point more than any other entry one year old and older. In sex divisions with five or more entries, the Grand Champion will receive one point more than any other entry one year old or older except the Reserve Champion. If necessary, additional points will be added to points the Grand Champion won in its age class to give it this total. AQHA will note the awarding of Grand Champion stallion, mare or gelding on the horse’s performance record only when at least three horses of any age are exhibited in the sex division. i.e. if the Grand Champion Stallion received three points for being first in its class, and the first-place stallion in another class also received three points, the Grand Champion Stallion will be given one point more so it will have a point more than any other horse of its sex division.

SHW260.8.1 If the Grand Champion Stallion received three points for being first in its class, and no other stallion received more than two points in its class, no additional points will be awarded to the Grand Champion Stallion.

SHW260.8.2 The Reserve Champion of sex divisions with three or four entries will receive as many points as any other horse one year old and older in its sex division except the Grand Champion. In sex divisions with five or more entries, the Reserve Champion will receive one-half point more than any other entry one year old and older in its sex division except the Grand Champion. If necessary, additional points will be added to points the Reserve Champion won in its age class to give it this total. i.e. if the Reserve Champion Stallion received two points in its class and another stallion, which was not the Grand Champion Stallion, received three points in its class, the Reserve Champion Stallion will be given 1 1/2 points more so it will have one-half point more than any other horse in its sex division except the Grand Champion Stallion.
SHW260.8.3 If the Reserve Champion Stallion received two points in its class and no other stallion (except the Grand Champion Stallion) received more than 1 1/2 points, no additional points will be awarded to the Reserve Champion Stallion.

SHW300. EQUIPMENT.

SHW300.1 When exhibitor equipment failure causes a delay or a run to be discontinued, the judge will disqualify the entry, except in working hunter and jumping.

SHW300.2 In any approved class, the judge shall have the authority to require the removal or alteration of any piece of equipment or accoutrement which is unsafe, or in his opinion, would tend to give a horse an unfair advantage or which he believes to be inhumane.

SHW300.3 Tails may be lengthened by hair to hair attachment only with no attachments of any kind to the tailbone.

SHW300.4 The use of weighted tails is acceptable.

SHW300.5 The use of earplugs or cotton in the horse’s ears is acceptable.

SHW300.6 Reruns will not be allowed in instances of equipment failure.

SHW300.7 Failure by exhibitor to wear correct number(s) in a visible manner shall result in disqualification. It is recommended the visible numbers be on both sides of the horse when showing in the under saddle classes, excluding the over fence classes.

SHW300.8 All inhumane/prohibited equipment as listed in VIO204.13 is illegal for use at any time on the grounds at an AQHA-approved event.

SHW305. WESTERN EQUIPMENT.

SHW305.1 Hackamore means the use of a flexible, braided rawhide, leather or rope bosal, the core of which must be flexible. A hackamore must use a complete mecate rein, which must include a tie-rein. Absolutely no rigid material will be permitted under the jaws, regardless of how padded or covered. Horse hair bosals are prohibited. This rule does not refer to a mechanical hackamore.

SHW305.2 Snaffle bits in western performance classes mean the conventional O-ring, egg-butt or D-ring with a ring no larger than 4” in diameter (100 mm). The inside circumference of the ring must be free of rein, curb or headstall attachments which would provide leverage. The mouthpiece should be round, oval or egg-shaped, smooth and unwrapped metal. It may be inlaid, but smooth or latex-wrapped. The bars must be a minimum of
5/16" (8 mm) in diameter, measured one inch (25 mm) in from the cheek with a gradual decrease to center of the snaffle. The mouthpiece may be two or three pieces. A three-piece, connecting ring of 1 1/4" (32 mm) or less in diameter, or a connecting flat bar of 3/8" to 3/4" (10 mm to 20 mm) measured top to bottom, with a maximum length of 2" (50 mm), which lies flat in the horse's mouth, is acceptable. Optional leather strap attached below the reins on a snaffle bit is acceptable.

**SHW305.3** Bit in western performance classes means the use of a curb bit that has a solid or broken mouthpiece, has shanks and acts with leverage. All curb bits must be free of mechanical device and should be considered a standard western bit.
The description of a legal, standard western bit includes:

**SHW305.4.1** 8 1/2” (215 mm) maximum length shank to be measured as indicated in the diagram on the previous page. Shanks may be fixed or loose;

**SHW305.4.2** concerning mouthpieces, bars must be round, oval or egg shaped, smooth and unwrapped metal of 5/16" to 3/4" (8 mm to 20 mm) in diameter, measured 1” (25 mm) from the cheek. However, wire on the sway bars (above the bars and attaching to the spade) of a traditional spade bit is acceptable. They may be inlaid, but must be smooth or latex wrapped. Nothing may protrude below the mouthpiece (bar), such as extensions or prongs, including upward prongs on solid mouthpieces. The mouthpiece may be two or three pieces. A three-piece, connecting ring of 1 1/4” (32 mm) or less in diameter, or a connecting flat bar of 3/8” to 3/4” (10mm to 20 mm) measured top to bottom with a maximum length of 2” (50 mm), which lies flat in the horse’s mouth, is acceptable;

**SHW305.4.3** the port must be no higher than 3 1/2” (90 mm) maximum, with rollers and covers acceptable. Broken mouthpieces, halfbreds and spades are standard;

**SHW305.4.4** donut and flat polo mouthpieces are not acceptable;

**SHW305.4.5** a curb bit must be used with a curb strap or curb chain properly attached so as to make contact with horse’s chin;

**SHW305.4.6** slip or gag bit is permitted in speed events.

**SHW305.5** – Except for hackamore/snaffle bit classes or junior horses shown with hackamore/snaffle bit, only one hand may be used on the reins, and the hand must not be changed. The hand is to be around the reins: index finger only between split reins is permitted. In trail, it is permissible to change hands to work an obstacle. Violation of this rule is an automatic disqualification.

**SHW305.5.1** – Any horse of any age shown in any rookie/Level I youth, rookie/Level I amateur or Level I class may be shown one or two handed with a snaffle bit/hackamore.

**SHW305.6** Romal means an extension of braided or round material attached to closed reins. This extension shall be carried in the free hand with a 16-inch (40 cm) spacing between the reining hand and the free hand holding the romal. When using romal reins, the rider’s hand shall be around the reins with the wrists kept straight and relaxed, the thumb on top and the fingers closed lightly around the reins. When using a romal, no fingers between the reins are allowed. The free hand may not be used to adjust the rider’s length of rein in any reining class. During reining, the use of the free hand while holding the romal to alter the tension or length of the reins from the bridle to the reining hand is considered to be the use of two hands and a score of 0 will be applied, with the exception of any place a horse is allowed to be completely stopped during a pattern. In all other classes, including the reined portion of working cow horse and boxing, VRH ranch reining, VRH ranch cow work, VRH limited ranch cow work and all RHC working ranch horse classes, the free hand may be used to adjust the rider’s length of rein. In all western classes, excess rein(s) may be straightened or disentangled anytime during the class, provided the rider’s free hand used to
straighten or disentangle remains behind the rein hand. Any attempt to alter tension or length of the reins from bridle to rein hand is to be considered use of two hands and a penalty score of zero or disqualification will be applied.

SHW305.6.1 The romal shall not be used forward of the cinch or to signal or cue the horse in any way. Any infraction of this rule shall be penalized severely by the judge.

SHW305.7 Junior horses competing in western pleasure, western horsemanship, western riding, trail, reining, working cow horse, boxing, ranch riding, ranch trail, trail, versatility ranch horse and all ranching heritage challenge classes that are shown with a hackamore or snaffle bit may be ridden with one or two hands on the reins. The tails of the reins must be crossed on the opposite side of the neck when riding with two hands on split reins except in reining, working cow horse, boxing, ranch riding, ranch trail, all VRH classes, and all RHC classes. Closed reins (example mecate) may not be used with a snaffle bit, except in working cow horse, boxing, ranch riding, ranch trail, all VRH classes and, all RHC classes, where a mecate is permitted. When using a snaffle bit in working cow horse, boxing, ranch riding, ranch trail, all VRH classes and all RHC classes, a leather or other woven material chin strap of any width is to be used and should be attached to the bit below the reins. No iron, chain, or other material is allowed. The chin strap can include metal buckles and/or keepers.

SHW305.8 In all western classes, horses will be shown in a western saddle and appropriate bridle, snaffle bit or hackamore for the duration of the class. A western saddle is a common type of saddle distinguished by a large noticeable fork on which there is some form of horn, a high cantle and large skirts. Silver equipment will not count over a good working outfit. Horses 5-years-old and younger may be shown in a snaffle bit, hackamore, curb bit, half-breed or spade bit. Horses 6-years-old and older may only be shown in a curb bit, half-breed or spade bit. Split reins or romal reins must be used on a curb bit except in speed events, team penning, ranch sorting, roping and cowboy mounted shooting where they are optional. When a curb bit is used, a curb strap or curb chain is required, but must meet the approval of the judge, be at least one-half inch in width and lie flat against the jaw of the horse. Curb chains cannot be tied to the bit with string or cord. A broken strap or chain is not necessarily cause for disqualification.

SHW305.8.1 For further clarification on the use of two rein equipment, see SHW509.1.6-509.1.7.

SHW305.9 SPEED EVENT, TEAM PENNING, RANCH SORTING, ROPING AND COWBOY MOUNTED SHOOTING EQUIPMENT:

SHW305.9.1 In roping, speed events, team penning, ranch sorting and cowboy mounted shooting western - type equipment must be used. Use of rawhide or mechanical hackamores or other type of bridles is the optional choice of the contestant. However, mechanical hackamore nosepieces must be covered in leather and cannot have visible or bare metal in contact with the horse’s head. The judge or steward may prohibit the use of any bit or equipment they consider inhumane or would tend to give a horse/rider an unfair advantage.

**SHW315.1** Wire chin straps, regardless of how padded or covered

**SHW315.2** Excessive ornamentation on harness, bridle or cart shall be penalized.

**SHW320. WESTERN AND ENGLISH ATTIRE**

**SHW320.1** In halter, speed events, team penning and other western classes, appropriate western attire is required which includes pants (slacks, trousers, jeans, etc.) shirt with long sleeves and collar (band, standup, tuxedo, etc.), western hat and cowboy boots. Special exception because of religious reasons or physical handicap must be requested by filing a written request to AQHA and obtaining written approval prior to participation. It is optional that an exhibitor may wear a hard hat with harness in all classes. The hat must be on the rider’s head when the exhibitor enters the arena. At show management’s option, a fine may be imposed to an exhibitor for loss of hat. Spurs and chaps are optional. Exhibitors 19 years of age or older may use a rubber band per foot (maximum width of 1/4 inch) during any competition. Exhibitors 19 years of age or older may also be tied, buckled or fastened by other means during any competition. Exhibitors 18 years of age or younger may use a rubber band per foot (maximum width of 1/4 inch) only during speed events in the youth, Level I youth and open divisions. Exhibitors 18 years of age or under may not be tied, buckled or fastened by any other means during any competition.

**SHW320.2** It is mandatory for riders in all hunter, jumper and
equitation over fence classes, including hunter hack, where jumping is required and when jumping anywhere on the competition ground to wear properly fastened protective headgear that meets ASTM/SEI standards or equivalent international standards for equestrian use. The helmet must also be properly fitted with harness secured. It is mandatory that all youth wear an ASTM/SEI approved hard hat with harness during all English classes including flat and over fence classes. It is recommended that amateurs wear an ASTM/SEI approved hard hat with harness in all English classes.

SHW320.3 In all English classes, riders should wear hunt coats of traditional colors such as navy, dark green, grey, black or brown. Maroon and red are improper. Breeches (or jodhpurs), are to be of traditional shades of buff, khaki, canary, light grey or rust with high English boots or paddock (jodhpur) boots of black or brown. Black, navy blue or brown hard hat (with harness for youth in any over fence classes) is mandatory. A tie or choker is required. Gloves, spurs of the unravelled type that are blunt, round or that include a smooth rolling ball and no longer than one inch and crops and bats are optional. Hair must be neat and contained (as in net or braid). Judges must penalize contestants who do not conform.

SHW320.4 In pleasure driving, the exhibitor shall be neatly attired. A coat, tie and hat of choice may be worn. No part of the exhibitor's legs may be exposed above mid-calf.

SHW320.5 Judges, at their discretion, may authorize adjustments to attire due to weather-related conditions.

SHW320.6 The judge will have the authority to disqualify the exhibitor for any piece of equipment, accoutrement, or attire which in his or her opinion would tend to give a rider an unfair advantage.

SHW320.7 For shows conducted in international countries, the exhibitor has the option of wearing traditional attire of the country. Traditional attire shall not encompass informal attire such as baseball caps and t-shirts, but rather the industry standard for historical dress for the local or regional agricultural industry.

SHW325. LAMENESS The judge shall examine and check for lameness of all horses brought into any class. The judge has the authority to excuse any horse from the class, due to lameness, at any time while being judged. This is essential regardless of whether or not the competition indicates it is necessary.

SHW325.1 Obvious lameness shall be cause for disqualification. Obvious lameness is:

SHW325.1.1 Consistently observable at a trot under all circumstances;
SHW325.1.2 Lameness is obvious at a walk;
SHW325.1.3 Minimal weight-bearing in motion and/or at rest and inability to move.

SHW330. GAITS - WESTERN CLASSES. The following terminology shall apply:

SHW330.1 The walk is a natural, flat-footed, four-beat gait. The horse must move straight and true at the walk. The walk must be alert, with a stride of reasonable length in keeping with the size of the horse.

SHW330.2 The jog is a smooth, ground-covering two-beat...
diagonal gait. The horse works from one pair of diagonals to the other pair. The jog should be square, balanced and with straight, forward movement of the feet. Horses walking with their back feet and trotting in the front are not considered performing the required gait. When asked to extend the jog, it moves out with the same smooth way of going.

**SHW330.3** The lope is an easy, rhythmical three-beat gait. Horses moving to the left should lope on the left lead. Horses moving to the right should lope on the right lead. Horses traveling at a four-beat gait are not considered to be performing at a proper lope. The horse should lope with a natural stride and appear relaxed and smooth. It should be ridden at a speed that is a natural way of going. The head should be carried at an angle which is natural and suitable to the horse's conformation at all gaits.

**SHW330.4** There will be an order of priority for evaluating western gaits. This hierarchy of consideration must be adhered to by judges and will be a great aid to exhibitors for how their horses should be presented. Following are the requirements in order of importance.

**SHW330.4.1** Correctness—Concerning correctness, which is the most important element of the hierarchy, judges must assess if the exhibitor has performed each gait correctly as defined during all or the majority of all of the class in order to have a correct or positive evaluation. For western gaits, this includes a four-beat walk, two-beat jog and three-beat lope. The distinctness of the designated cadence for the gait being performed is essential.

**SHW330.4.2** Quality—Concerning quality, which is the second most important element in the hierarchy, and can only be considered positively if the gait performance has complied with the first element of correctness. When evaluating the pleasing characteristics of a gait, among many considerations, judges must consider overall gracefulness, relaxed expression, topline, softness of movement, consistency and length of stride of the designated gait.

**SHW330.4.3** Degree of Difficulty—Concerning degree of difficulty, this is the least important and last element of the hierarchy. This element must only be considered if the requirement for correctness has been met and combination of correctness and quality allow the performance to be considered for placement. Difficulty is greatly influenced by exhibiting a pleasure horse at a pace and speed that allows for correctness and best quality of a gait for that individual. A performance of a walk that is ground covering and free flowing has a high degree of difficulty. A jog or lope that is performed with a slow rhythm without sacrificing correctness or quality has a high degree of difficulty. Slowness that sacrifices correctness or negatively impacts quality shall be considered incorrect and a poor performance at best.

**SHW331. GAITS - WESTERN PLEASURE.** The following terminology is a description of western pleasure gaits:

**SHW331.1** The Walk

**SHW331.1.1** Poor Walk - uneven pace and no cadence. Has no flow and may appear intimidated or appear to march.

**SHW331.1.2** Average Walk - has a four-beat gait, level top-line and is relaxed.
SHW331.1.3 Good Walk - has a flowing four-beat gait, level top-line, relaxed and is bright and attentive.

SHW331.2 The Jog
SHW331.2.1 Extremely Poor Jog - cannot perform a two-beat gait and has no flow or balance in the motion.
SHW331.2.2 Very Poor Jog - hesitates in the motion. Does not keep an even and balanced motion or a level top-line. May appear to shuffle.
SHW331.2.3 Poor Jog - average motion but has negative characteristics such as; walking with the hind legs, dragging the rear toes or taking an uneven length of stride with the front and rear legs.
SHW331.2.4 Correct or Average Jog - has a two-beat gait, a level top-line and a relaxed appearance.
SHW331.2.5 Good Jog - has an average motion with positive characteristics such as balance and self-carriage while taking the same length of stride with the front and rear legs.
SHW331.2.6 Very Good Jog - is comfortable to ride while having a consistent two-beat gait. The horse guides well, appears relaxed and has a level top-line.
SHW331.2.7 Excellent Jog - effortless and very efficient motion. Swings the legs yet touches the ground softly. Confident, yet soft with its motion while being balanced and under control. Moves flat with the knee and hock and has some cushion in the pastern. Has a bright and alert expression and exhibits more lift and self-carriage than the “very good jog.”

SHW331.3 Moderate Extended Jog
SHW331.3.1 Poor Extended Jog - never lengthens the stride and may appear rough to ride.
SHW331.3.2 Average Extended Jog - moves up in its pace and appears smooth to ride.
SHW331.3.3 Good Extended Jog - has an obvious lengthening of stride with a slight increase in pace while exerting less effort and appears smooth to ride.

SHW331.4 The Lope
SHW331.4.1 Extremely Poor Lope - does not have a three-beat gait. Has no flow, rhythm or balance. Uncomfortable to ride.
SHW331.4.2 Very Poor Lope - appears to have a three-beat lope but has no lift or self-carriage. The horse shuffles, has no flow and bobs his head, giving the appearance of exerting a great deal of effort to perform the gait. Also may appear uncomfortable to ride.
SHW331.4.3 Poor Lope - has an average motion but exhibits negative characteristics like head bobbing, not completing the stride with the front leg and leaving the outside hock well behind the horse's buttocks.
SHW331.4.4 Average Lope - has a true three-beat gait with a level top-line and very little head and neck motion. He is relatively straight (not over-canted), guides well and has a relaxed appearance.
SHW331.4.5 Good Lope - has an average motion but exhibits positive characteristics in his performance like
self-carriage, a steady top-line, relaxed appearance and is responsive to the rider’s aids.

**SHW331.4.6** Very Good Lope - has more lift and flow than the average horse. He has a strong but smooth drive from behind. He may bend his knee slightly yet still has a level top-line while exhibiting self-carriage with a relaxed appearance. Appears comfortable to ride.

**SHW331.4.7** Excellent Lope - has a round back with an effortless strong, deep stride with the rear legs and a flat swing with the front legs. He keeps a level top-line, a relaxed yet alert and confident appearance and is correct but soft. A special horse with a great degree of lift and self-carriage.

**SHW331.5** The Back-Up

**SHW331.5.1.** Poor Back-Up - is resistant and heavy in front. May gap the mouth and throw his head or back crooked.

**SHW331.5.2** Average Back-Up - backs straight and quietly with light contact and without hesitation.

**SHW331.5.3** Good Back-Up - displays balanced and smooth flowing movements. Backs straight with self-carriage without gapping the mouth with light contact and without hesitation.

**SHW332. GAITS - ENGLISH CLASSES.** The following terminology shall apply:

**SHW332.1** The Walk

**SHW332.1.1** Poor Walk - this horse may have an uneven pace that lacks a four beat cadence or have a stop and start or robotic appearance that resembles a march. He may appear nervous and on the muscle or intimidated and fearful of going forward. He may anticipate or try to jog or break or he may appear dull, bored and listless dragging his legs and losing rhythm and flow.

**SHW332.1.2** Average Walk - the horse will walk with a four beat gait, a balanced top line and a relaxed appearance. He may slow down some but still maintains forward motion. He keeps his body straight and has cadence and rhythm. All of this done correctly and with manners is average.

**SHW332.1.3** Good Walk - this horse has a four beat gait, a balanced and comfortable top line, relaxed demeanor and appears bright and attentive. He maintains rhythm, flow and cadence and travels straight with light contact from the reins. He reaches from his shoulder and tracks up from behind with his reaching legs staying close to the ground. His feet enter the ground softly and maintain the same pace coming out of the ground as he has going into it.

**SHW332.2** The Trot

**SHW332.2.1** Extremely Poor Trot - this is a horse that cannot seem to do a two beat gait and appears very uncomfortable in his attempt to accomplish it. He does not have any flow or balance in his motion and appears uncomfortable to ride. He may be weak and sloppy in his hocks causing a loss of forward motion or use his hocks loosely or too far back causing a loss of cadence and rhythm. This also could be a horse that is misbehaving and is unwilling to perform the gait properly and therefore is
not exhibiting acceptable motion.

**SHW332.2.2** Very Poor Trot - this is a horse that may have an uneven cadence or be unwilling to go forward. He may not keep an even and balanced motion with a level top line. This horse may appear quick legged or seem to move in an up and down fashion or may be on the muscle looking nervous and tense or he may be on a loose and sloppy rein causing a lack of collection or to travel heavy on the forehand. He may cover the ground by taking more frequent steps instead of correctly increasing the length of the strides.

**SHW332.2.3** Poor Trot - this is a horse with an average motion, exhibiting negative characteristics in their performance. For example, this horse may have an average trot gait but have a dull, unhappy or resentful expression.

**SHW332.2.4** Correct or Average Trot - this horse has a two beat diagonal gait in which the left front and right hind foot touch the ground simultaneously and the right front and left hind do so also. This is the standard trot and a horse MUST have a true two beat gait to be “average” or any of the levels higher than “average”. He has a level top line, with a relaxed appearance and pleasant expression, is shown on light contact and appears to go in a forward, obedient manner.

**SHW332.2.5** Good Trot - this is a horse with an average motion, exhibiting positive characteristics in their performance. For example this horse may have an average trot gait but have excellent manners and expression with ears forward and appearing bright but relaxed and calm.

**SHW332.2.6** Very Good Trot - this is a horse that appears very comfortable to ride, always has a consistent rhythmic cadenced two beat gait, is guiding well and has a relaxed and level top line. He has a good forward stride with balance and impulsion. Compared to the excellent horse he may not have as much stride as he may not have the degree of drive off the hindquarters or as much reach with his shoulders. He may bend his knees or flex his patterns a little but he is still obviously soft, smooth and relaxed. He has an attentive and calm appearance with a pleasant expression and maintains light bit contact.

**SHW332.2.7** Excellent Trot - this horse's motions seem effortless and efficient. He utilizes his top line by rounding his back and driving evenly off his hind legs creating impulsion and suspension while still remaining soft and controlled. He takes long ground covering steps with deliberate full strides and stays close to the ground. He reaches from his shoulder and is flat with his knee and extends his leg forward and seems to enter the ground toe first, even though it actually lands flat. His drive from his hocks allows his hind leg to step into or in front of where his front foot left the ground using full extension of the stride. This horse is balanced, has a level top line and has an even rhythm and cadence. He has excellent manners and great expression appearing relaxed and happy, soft in his poll, jaw and mouth and is shown on light contact.

**SHW332.3** The Extended Trot
**SHW332.3.1** Poor Extended Trot - this horse never appears to lengthen his stride but just trots faster. He may also appear to be jarring and rough to ride.

**SHW332.3.2** Average Extended Trot - is a horse who when asked to extend, moves up in his pace and still appears smooth to post on.

**SHW332.3.3** Good Extended Trot - is a horse who when asked to extend has an obvious lengthening in his stride with a slight increase in his pace making him more versatile. This horse is still smooth but appears to have more length with less effort being exerted.

**SHW332.4** The Canter

**SHW332.4.1** Extremely Poor Canter - this is a horse that does not have a true three beat gait. He has no cadence, no rhythm, and no balance, appears out of sync and obviously is not comfortable to ride. This may also be a horse that is misbehaving and unwilling to perform the gait properly and therefore is not exhibiting acceptable motion.

**SHW332.4.2** Very Poor Canter - this is a horse that may appear to have a three beat gait but lacks self carriage. He may be flat in that he has either not rounded his back, or failed to engage his hindquarters and therefore lacks drive, impulsion and suspension. He may be weak hocked causing him to pull himself forward with his front end or he may not be balancing off his hindquarters causing him to be heavy on his forehand. This horse may lack forward motion, smoothness of gait, or consistency of speed. He may not use his shoulders properly causing excessive knee action. He may be showing on loose reins and be strung out and lacking collection or be nervous and on the muscle causing a shortening or quickening of stride.

**SHW332.4.3** Poor Canter - this is a horse with an average motion, exhibiting negative characteristics in his performance. For example, this horse may have an average canter but be lacking in expression or lack consistency in his top line.

**SHW332.4.4** Correct or Average Canter - this horse has a true three beat gait with a level top line, and a comfortable motion. This is the standard canter and a horse MUST have a true three beat gait to be considered “average” or any of the levels higher than “average”. He is shown on light contact and is responsive to his rider and has a relaxed appearance with a pleasant expression.

**SHW332.4.5** Good Canter - this is a horse with an average motion, exhibiting positive characteristics in his performance. For example, this may be a horse with an average canter gait but has great expression, consistency and lovely manners.

**SHW332.4.6** Very Good Canter - this is a horse that has more style, drive, impulsion and suspension than the average horse. He has a strong but smooth drive from behind. He may bend his knee a little or not have quite the length of stride of the excellent horse, yet he still has a level top line and relaxed appearance, is correct and appears to be comfortable to ride. He has a pleasant expression and is responsive to his rider and shown with light bit contact.
SHW332.4.7 Excellent Canter - this is a horse that utilizes his top line by rounding his back, engaging his hindquarters to drive his hind legs deep underneath him creating impulsion and suspension in his motion. He has a strong, deep, forward stride behind and an equally forward, flat-kneed reach with his front legs. He appears effortless and totally in control of his motion with great self carriage. He creates energy yet stays soft and responsive to his rider. His weight is distributed properly onto his hindquarters and he moves with long, slow strides. He gives the appearance that, if asked, he could easily lengthen his stride and correctly perform a hand gallop. This horse has a great degree of suspension, impulsion and elasticity to his movement. He has great expression with ears forward and is consistent, relaxed and confident with light bit contact.

SHW332.4.8 Hand Gallop - should be a definite lengthening of stride with noticeable difference in speed. Horses should be under control at all times and be able to pull-up (not a sliding stop). If asked to pull-up, after the halt, riders must relax the reins and the horse must stand quietly.

SHW333. GAITS - PLEASURE DRIVING. The following terminology shall apply:

SHW333.1 Walk - a natural, flat-footed, four-beat gait. Loss of forward rhythmic movement shall be penalized.

SHW333.2 Park Gait - a forward, free-flowing, square trot with impulsion. Loss of forward, rhythmic movement or jogging shall be penalized.

SHW333.3 Road Gait - an extended trot showing a definite lengthening of stride, with a noticeable difference in speed. Short, quick, animated strides and/or excessive speed shall be penalized.

SHW334 GAITs - RANCH CLASSES. In all gaits, movement of the ranch horse should simulate a horse needing to cover long distances, softly and quietly, like that of a working ranch horse. The following terminology shall apply:

SHW334.1 Walk - the walk is a natural, flat footed, four-beat gait. The gait is rhythmic and ground-covering. As in all gaits, the horse should display a level, or slightly above level topline with a bright, attentive expression.

SHW334.2 Extended Walk - the extended walk is an obvious lengthening of stride that will naturally increase the pace. The horse should move in a natural manner (not a running walk) as if it were moving across an open pasture.

SHW334.3 Trot- the trot is a natural two-beat gait demonstrating more forward motion than the western jog.

SHW334.4 Extended Trot- the extended trot is an obvious lengthening of the stride with a definite increase in pace. The horse should be moving in a manner as if it were covering a large area on a ranch with an above level topline.

SHW334.5 Lope- the lope is a three-beat gait. The lope should be relaxed and smooth with a natural, forward moving stride.

SHW334.6 Extended Lope- the extended lope is not a run or a race but should be an obvious lengthening of the stride, demonstrating a forward, working speed. The horse should display
an above level topline with a bright, attentive expression.

**SHW350. HALTER CLASSES.** A halter class is defined as a class where the horse is judged based upon its conformation. The purpose of the class is to preserve American Quarter Horse type by selecting well-mannered individuals in the order of their resemblance to the breed ideal and that are the most positive combination of balance, structural correctness, and movement with appropriate breed and sex characteristics and adequate muscling.

**SHW350.1** The ideal American Quarter Horse shown at halter is a horse that is generally considered to be solid in color and possesses the following characteristics: the horse should possess eye appeal that is the result of a harmonious blending of an attractive head; refined throat latch; well-proportioned, trim neck; long, sloping shoulder; deep heart girth; short back; strong loin and coupling; long hip and croup; and well-defined and muscular stifle, gaskin, forearm and chest. All stallions 2 years old and over shall have two visible testicles. These characteristics should be coupled with straight and structurally correct legs and feet that are free of blemishes. The horse should be a balanced athlete that is muscled uniformly throughout.

**SHW350.2** All horses whose registration certificates are marked with a parrot mouth notation per registration rules, cryptorchid notation per registration rules or excessive white notation per registration rules are ineligible to compete in any halter class including performance halter.

**SHW350.3** One of the most important criteria in selecting a horse is conformation, or its physical appearance. While it could be assumed that most horses with several years' seasoning and past performance have acceptable conformation, the goal in selection should always be to find the best conformed horse possible.

**SHW350.4** Rating conformation depends upon objective evaluation of the following four traits: balance, structural correctness, breed and sex characteristics and degree of muscling. Of the four, balance is the single most important, and refers to the structural and aesthetic blending of body parts. Balance is influenced almost entirely by skeletal structure.

**SHW350.5** Faults, to be judged according to severity:

**SHW350.5.1** Major Faults in Balance:
- Steep shoulder
- Long back
- Weak loin
- Short croup
- Steep croup
- Weakness behind the withers
- Shallow heart girth
- Extremely short legs or long legs in relation to the heart girth
- Extremely unlevel from withers to croup
- Extremely unproportional with the shoulder, back or stifle being greatly different in lengths when viewed from the side

**SHW350.5.2** Minor Faults in Balance:
- Moderate slope to the shoulder
- Slightly long in the back
- Slightly weak in the loin
- Slight steepness to the croup
- Slight rounding of the croup
Slight weakness or dip behind the withers
Slightly shallow in the heart girth
Shorter legs or longer legs than depth of heart girth
Slightly unlevel from withers to croup
Slightly unproportional with the shoulder, back or stifle being different lengths when viewed from the side

**SHW350.5.3 Major Faults in Structural Correctness:**
- Steep shoulder that only allows for 4 or less inches of depth of chest
- Long back that gives the appearance of being much longer than the shoulder length and hip length when viewed from the side
- Weak back that gives the appearance of being much more than two inches from the top of the withers
- Front legs from the front when the knee joint is obviously to the inside or outside of a straight line
- Front legs from the front when the fetlock joint is obviously deviated to the inside or outside of a straight line
- Front legs from the front when the hoof is severely deviated to the inside or outside of a straight line possibly causing interference when tracking
- Front legs from the side when the knee is forward of a straight line and can never come close to locking into a straight line
- Front legs from the side when the knee is anywhere behind a straight line or referred to as calf-kneed
- Front legs from the side when the pastern is directly above and runs straight from the pastern joint to the hoof with little or no angle
- Rear legs from the rear when the point of the hock is obviously to the inside or outside a straight line running from the point of the hip
- Rear legs from the rear when the hooves are obviously deviated to the inside or outside of the straight line from the point of the hip
- Rear legs from the side when the hock joint itself (only looking at the hock joint) is anything greater than a 160-degree angle or less than 130 degrees
- Rear legs from the side when the pastern joint is directly above and runs straight from the pastern joint to the hoof with little or no angle

**SHW350.5.4 Minor Faults in Structural Correctness:**
- Steep shoulder that allows for some depth of chest but not at the proper 45-degree angle
- Long back that is longer than the shoulder or hip lengths when viewed from the side
- Weak back that is less than two inches from the top of the withers to the back, but still shows Weakness
- Front legs from the front where there is a slight deviation of the knee joint to the inside or outside of a straight line
- Front legs from the front where the fetlock joint is deviated to the inside or outside of a straight line
- Front legs from the front when the hoof is deviated to the inside or outside of a straight line, but not severe enough to interfere when tracking
- Front legs from the side when knee is slightly forward of a
straight line and can lock into a straight line
Front legs from the side when the knee is only slightly behind
the vertical or slightly calf-kneed
Front legs from the side when the pastern has some angle
from the pastern joint to the hoof, but not enough angle to
give proper concussion
Rear legs from the rear when the point of the hock is to the
inside or outside of a straight line running from the point
of the hip
Rear legs from the rear when the hooves are deviated to the
inside or outside of a straight line from the point of the hip
Rear legs from the side when the hock joint itself (only look-
ing at the hock joint) is slightly outside the boundaries of
ideal which vary from 135 degrees to 150 degrees
Rear legs from the side when the pastern joint has some
angle, but lacks the correct angle to give proper concus-
sion

**SHW350.5.5** Severe Fault in Quality, Gender or Breed-Type
Characteristics:
The horse shall be heavily penalized, so as to not be placed
over a horse in a point-earning placing:
Horses 14 hands or less for horses ages 3 and over
Horses that are gaited (rack or pace)

Characteristics:
Long head
Small bulge between the eyes
Pin eared
Narrow between the eyes
Small eyes
Long ears
Offset ears
Excessively small nostrils

**SHW350.5.7** Major Faults in Muscling:
Chest muscling that appears as a wide flat or no V
Chest muscling that appears to be less than 6 inches from
the neck/chest junction to the floor of the chest when
viewed from the front
Shoulder muscling that appears to be less than half the
length of the back or stifle when viewed from the side

hip when viewed from the rear giving an appearance of
being “apple butted”
Stifle muscling that appears flat with little or no definition

the back or extremely short with no length when viewed
from the side
Gaskin muscling that has little or no bulge. Gaskin muscling

the depth of high quality muscling

from the neck/chest junction, but lacking true high quality
depth of chest
Shoulder muscling that is proportional in length when viewed
from the side, but not equivalent to the back and stifle
Forearm muscling that has little or no bulge. Gaskin muscling
that fails to tie in high with no blending to the stifle or hock

that fails to tie in high with no blending to the stifle or hock

**SHW351. GROUP HALTER CLASSES.** Horses shown in a
group class must be eligible to show in their individual halter
class. The following classes are recommended if interest or
entries justify them, but no points will be awarded for Register of
Merit or Championship:

**SHW351.1 Produce of Dam:** Two produce, 4 years old and
younger of either sex, per dam, may be shown. The dam need not
be shown. The entry at the show must be made by the owner of
the dam or by someone with written permission from the owner
of the dam, but it is unnecessary for the produce to be owned by
the owner of the dam.

**SHW351.2 Get of Sire:** Three get, 4 years old and younger of
either sex, per sire, may be shown. The sire need not be shown. The
entry at the show must be made by the owner of the sire or by
someone with written permission from the owner of the sire, but it
is unnecessary for the get to be owned by the owner of the sire.

**SHW351.3 Broodmares:** Mares that have produced and car-
rried a full-term foal in the current year or the previous year.
Mares may be any age. Mares shown in the broodmare class are
not eligible to compete in any filly or mare class, nor is any mare
shown in any filly or mare class eligible to compete in a brood-
mare class.

**SHW355. Halter Equipment**

**SHW355.1 For the purposes of this rule, the term “halter
equipment” shall include the use of a safety lead or lip cord in
halter classes.**

**SHW355.1.1. Safety lead is defined as a soft/flexible non-
abrasive protective leather/leather-like covered chain with
SHW355.1.2 Lip cord is defined as a round smooth soft/flexible nonabrasive cotton polyblend cord with a dense core no smaller than 3/8 inches that has an unsecured keeper with at least 3/4 inches of the lead outside of the halter before attachment of keeper.

SHW355.1.3 The lip cord described above may not contain internal or external metal.

SHW355.1.4 The safety lead described above cannot be rawhide, suede or roughout, cannot contain external metal and all seams must be turned inside. Further, the protective leather/leather-like covering shall extend up the side of the lead to the base of the snap that attaches to the side of the halter and be clearly visible on the side of the keeper.

SHW355.1.5 Other than described above, no additional substances or materials may be added to a safety lead or lip cord.

SHW355.1.6 The safety lead or lip cord may only be applied over gum and not through mouth.

SHW355.2. Stallions 1 year of age and older may be shown with a safety lead or lip cord defined above in open and amateur divisions; mares and geldings 1 year of age and older may be shown with a safety lead or lip cord defined above in open, amateur and youth divisions; lip chains of any other type are prohibited; all other leads that do not meet the definition of an allowed safety lead or lip cord are prohibited.

SHW355.3. The following horses may not be allowed to be shown with a safety lead or lip cord:

355.3.1. weanlings
355.3.2. any horse shown in a performance halter class: and
355.3.3. any horse shown in a ranch horse conformation class.

SHW355.4. Applying excessive pressure on or excessive jerking of an allowed safety lead or lip cord is prohibited. Safety leads and lip cords and their application to the gum area will be inspected during the judging process. Excessive wear, rough or sharp edges around the protective cover of the safety lead or lip cord is prohibited; any raw area or abrasions of the gum area is grounds for disqualification.

SHW362 PROCEDURE FOR JUDGING HALTER. Horses will walk to the judge one at a time. As the horse approaches, the judge will step to the right (left of the horse) to enable the horse to trot straight to a cone placed 50 feet (15 meters) away. At the cone, the horse will continue trotting, turn to the left making a true “L” and trot toward the next cone placed before the left wall or fence of the arena. After trotting, horses will be lined up head to tail for individual inspection by the judge. The judge shall inspect each horse from both sides, front and rear.

SHW362.1 At single judged shows, the judge should line the horses to be placed in a head to tail order according to preference.

SHW362.2 A well-mannered horse is a horse that (1) is under control by the exhibitor while tracking and standing for inspection and (2) is reasonably still and flat-footed while standing for inspection.
SHW362.3 For purposes of this rule, the term “disruptive behavior” includes, but is not limited to rearing, striking, biting, or backing or falling into others.

SHW362.4 Judges should disqualify and excuse from the ring prior to final placing horse that:

- **SHW362.4.1** exhibits disruptive behavior such that it or other horses are unable to be inspected by the judge;
- **SHW362.4.2** exhibits disruptive behavior such that the safety of it, the handler, an exhibitor, a judge or another horse is endangered;
- **SHW362.4.3** is not under the control of the exhibitor;
- **SHW362.4.4** becomes detached from the exhibitor;
- **SHW362.4.5** has fallen and is on its side with all four feet extended in the same direction;
- **SHW362.4.6** is observed with blood on its body, including, but not limited to, the nose, chin, mouth, tongue, or gums, regardless of cause;
- **SHW362.4.7** is lame;
- **SHW362.4.8** fails to complete the prescribed pattern correctly in three (3) attempts.

SHW362.5 Rather than disqualify, a judge may choose to fault a horse that is exhibiting disruptive behavior so long as such disruptive behavior does not qualify as being any of the behaviors described immediately above in SHW362.4.1-5.

SHW362.6 If a horse exhibits disruptive behavior described in SHW362.4.1-5 and causes other exhibitor(s) to lose their horse(s), only the initiating horse will be disqualified and excused. The decision of the judge(s) will be final.

SHW362.7 All stallions 2 years old and over shall be examined to confirm that they have two visible testicles. All mares and stallions shall be examined for parrot mouth. If examination reveals that a horse has parrot mouth or is cryptorchid, such horse should be excused from the ring prior to final placing by the judge regardless of whether the parrot mouth or cryptorchid condition is marked on the horse’s registration certificate.

SHW362.8 A horse may be exhibited in only one point-earning open division halter class.

SHW362.9 In no individual halter class may horses from two sex divisions be exhibited in the same class.

SHW362.10 Spayed mares may be shown only in performance halter and ranch horse conformation classes, and may not be shown in any other halter class and are not eligible for grand and reserve.

SHW365. PERFORMANCE HALTER. The performance halter class is required in the open, amateur and youth divisions when halter classes are offered. Only an all-age class will be held. Separate classes will be held for stallions, mares and geldings in the open and amateur divisions. Separate classes will be held for mares and geldings in the youth division.

SHW365.1 First and second place in the performance halter class will be eligible for Grand and Reserve in each sex division. The number of entries in the performance halter class count toward the total for each sex division in determining points for Grand and Reserve. First place performance horse will be named Champion Performance Halter in classes with five or more entries.
SHW365.2 For purposes of this rule, the term “AQHA Performance Points” includes points earned in any class outlined in ACHIEVEMENT AWARDS other than halter and racing.

SHW365.3 The following horses are the only horses eligible to compete in the performance halter class:

SHW365.3.1 horses that have earned a Racing Register of Merit;

SHW365.3.2 horses that have earned a Performance Register of Merit prior to January 1, 2010; and

SHW365.3.3 horses that earn a Performance Register of Merit after January 1, 2010 so long as their record reflects that they have earned at least 5 or more AQHA Performance Points during their career in competitions other than Showmanship at Halter. For example, a horse earned 6 Showmanship at Halter points and 4 Western Pleasure points for a total of 10 points to achieve the Performance Register of Merit. If the Performance Register of Merit was earned prior to January 1, 2010, the horse is eligible to compete in a performance halter class. However, if it was earned after January 1, 2010, the horse must earn one more AQHA Performance Point in a class other than Showmanship at Halter to be eligible to compete in a performance halter class.

SHW365.4 For purposes of this rule, a Register of Merit or AQHA Performance Point is considered “earned” only after the Register of Merit or AQHA Performance Point has been officially recorded in AQHA’s records.

SHW365.5 Proof that a horse meets the eligibility requirements specified above must be provided to show management.

SHW365.6 The Register of Merit applies to the horse. If the horse is transferred, the horse is eligible to compete in performance halter with the new owner so long as the horse meets the eligibility requirements specified above.

SHW365.7 A horse may not show in the age division halter class and the performance halter class at the same show in a particular division.

SHW369. GRAND AND RESERVE CHAMPION. When judging of all classes in a halter division has been completed, all first and second-place class winners of that sex division, with the exception of spayed mares, shall return to the ring, with first-place class winners in one line and second-place horses from each class in another line. Refer to SHW260.8 for Grand and Reserve Point allocation.

SHW369.1 It is mandatory that the judge select a Grand Champion and Reserve Champion in each sex division in open, youth and amateur divisions having three or more entries.

SHW369.2 The judge(s) shall select the Grand Champion stallion, mare or gelding from the first-place class winners in the respective sex division. If the first-place horse does not return for any reason, the second-place horse will move up to the first-place line and be considered for Grand and Reserve. The third-place horse cannot move up to second place in the class. All first-place horses will retain points in their respective class.

SHW369.3 The ring steward shall take the second-place horse in the class from which the Grand Champion had been selected and place it in the line with the first-place class win-
ners, to be judged equally for the title of Reserve Champion stallion, mare or gelding in the respective sex division.

**SHW369.4** In amateur halter or youth competition, when an exhibitor has qualified two or more horses for Grand and Reserve Champion, only another amateur or youth may assist that exhibitor as long as the amateur or youth who originally qualified the horses leads one of the horses in that class. An amateur cannot lead a non-owned horse in the open division for Grand and/or Reserve Champion.

**SHW370. SHOWMANSHIP AT HALTER.** Available only in the amateur and youth divisions, showmanship is designed to evaluate the exhibitor’s ability to execute, in concert with a well-groomed and conditioned horse, a set of maneuvers prescribed by the judge with precision and smoothness while exhibiting poise and confidence, and maintaining a balanced, functional and fundamentally correct body position.

**SHW370.1** It is mandatory that the judge post the initial pattern to be worked at least one hour prior to the commencement of the class; however, if the judge requires additional work of exhibitors for consideration of final placing, an additional pattern may be posted. Pattern(s) should be designed to test the showman’s ability to effectively present a horse to the judge. All ties will be broken at the judge’s discretion.

**SHW371. CLASS PROCEDURES:** All exhibitors may enter the ring and then work individually or each exhibitor may be worked from the gate individually. When exhibitors are worked individually from the gate, a working order is required. The following maneuvers are considered acceptable: lead the horse at a walk, jog, trot or extended trot, or back in a straight or curved line, or a combination of straight and curved lines; stop; and turn 90 (1/4), 180 (1/2), 270 (3/4), 360 (full turn) degrees or any combination or multiple of these turns. The pull turn is an unacceptable maneuver. The judge must have exhibitors set the horse up squarely for inspection sometime during the class.

**SHW372. Showmanship whips (dressage whips etc.), war bridles or like devices or any type of wire or rope over a horse’s head are not permitted for showmanship purposes.**

**SHW372.1** A minimum gauge link of 4.0 mm is required.

**SHW373. SCORING:** Exhibitors are to be scored from 0 to infinity, with 70 denoting an average performance. Patterns will be divided into 6 to 10 maneuvers, as specified by the judge, and each maneuver will be scored from plus 3 to minus 3 with 1/2 point increments acceptable that will be added or subtracted from 70. Maneuver scores should be determined independent of penalties, and should reflect equal consideration of both performance of the exhibitor’s pattern and the horsemanship form and effectiveness of the exhibitor to result in the following scores: -3 extremely poor, -2 very poor, -1 poor, 0 average or correct, +1 good, +2 very good, +3 excellent. Exhibitors overall horsemanship form and effectiveness should also be scored from 0 to 5 with 0 to 2 average, 3 good, 4 very good, 5 excellent. Exhibitors should also be judged on the rail, and their pattern score and/or ranking may be adjusted as appropriate.

**SHW374. Overall Presentation of Exhibitor and Horse.** The exhibitor’s overall poise, confidence, appearance and position
throughout the class, and the physical appearance of the horse will be evaluated.

**SHW375. Presentation and Position of Exhibitor.** Appropriate western attire must be worn; clothes and person are to be neat and clean. The use of any type of artificial aid including, but not limited to lighters, hay, dirt, sharp pins, magnetic device, etc. will result in a disqualification.

**SHW375.1** Exhibitors should be poised, confident, courteous and genuinely sportsmanlike at all times, quickly recognizing and correcting faults in the positioning of the horse. The exhibitor should continue showing the horse until the class has been placed or they have been excused, unless otherwise instructed by the judge. The exhibitor should appear business-like, stand and move in a straight, natural and upright manner, and avoid excessive, unnatural or animated body positions.

**SHW375.2** The exhibitor must lead on the horse’s left side holding the lead shank in the right hand near the halter with the tail of the lead loosely coiled in the left hand unless requested by the judge to show the horse’s teeth. It is preferable that the exhibitor’s hand not be on the snap or chain portion of the lead continuously. The excess lead should never be tightly coiled, rolled or folded. When leading, the exhibitor should be positioned between the eye and the mid-point of the horse’s neck, referred to as the leading position.

**SHW375.3** Both arms should be bent at the elbow with the elbows held close to the exhibitor’s side and the forearms held in a natural position. Height of the arms may vary depending on the size of the horse and exhibitor, but the arms should never be held straight out with the elbows locked.

**SHW375.4** The position of the exhibitor when executing a turn to the right is the same as the leading position except that the exhibitor should turn and face toward the horse’s head and have the horse move away from them to the right.

**SHW375.5** When executing a back, the exhibitor should turn from the leading position to face toward the rear of the horse with the right hand extended in front of the exhibitor’s chest still maintaining slight bend in the elbow and walk forward. The ideal position is for the exhibitor’s left shoulder to be in alignment with the horse’s left front leg.

**SHW375.6** When setting the horse up for inspection, the exhibitor should stand angled toward the horse in a position between the horse’s eye and muzzle, and should never leave the head of the horse. The exhibitor is required to use the Quarter Method when presenting the horse. The exhibitor should maintain a position that is safe for themselves and the judge. The position of the exhibitor should not obstruct the judge’s view of the horse and should allow the exhibitor to maintain awareness of the judge’s position at all times. The exhibitor should not crowd other exhibitors when setting up side-by-side or head-to-tail. When moving around the horse, the exhibitor should change sides in front of the horse with minimal steps and should assume the same position on the right side of the horse that they had on the left side.

**SHW375.7** Leading, backing, turning and initiating the set-up should be performed from the left side of the horse. At no time should the exhibitor ever stand directly in front of the horse. The exhibitor
should not touch the horse with their hands or feet, or visibly cue the horse by pointing their feet at the horse during the set-up.

**SHW376. Presentation of Horse.** The horse's body condition and overall fitness should be assessed. The hair coat should be clean, well-brushed and in good condition. The mane, tail, forelock and wither tuft may not contain ornaments (ribbons, bows, etc.), but may be braided or banded for English or western. The length of mane and tail may vary, as long as they are neat, clean and free of tangles. The mane should be even in length or may be roached, but the forelock and tuft over the withers must be left. The bridle path, eyebrows, and long hair on the head and legs may be clipped, except where government regulations prohibit. Hooves should be properly trimmed and if shod, the shoes should fit correctly and clinches should be neat. Hooves must be clean and may be painted black or with hoof dressings, or shown naturally. Tack should fit properly and be neat, clean and in good repair.

**SHW377. Pattern Performance.** The exhibitor should perform the work accurately, precisely, smoothly, and with a reasonable amount of speed. Increasing speed of the work increases the degree of difficulty, however, accuracy and precision should not be sacrificed for speed. The horse should lead, stop, back, turn and set up willingly, briskly and readily with minimal visible or audible cueing.

**SHW377.1** The horse should be led directly to and away from the judge in a straight or curved line and track briskly and freely at the prescribed gait as instructed. The horse's head and neck should be straight and in line with the body.

**SHW377.2** The stop should be straight, prompt, smooth and responsive with the horse's body remaining straight.

**SHW377.3** The horse should back up readily with the head, neck and body aligned in a straight or curved line as instructed.

**SHW377.4** On turns of greater than 90 degrees, the ideal turn consists of the horse pivoting on the right hind leg while stepping across and in front of the right front leg with the left front leg. An exhibitor should not be penalized if their horse performs a pivot on the left hind leg, but an exhibitor whose horse performs the pivot correctly should receive more credit.

**SHW377.5** A pull turn to the left is an unacceptable maneuver.

**SHW377.6** The horse should be set up quickly with the feet squarely underneath the body. The exhibitor does not have to reset a horse that stops square.

**SHW378. Penalties.** Maneuver evaluations and penalty applications are to be determined independently. The following penalties will be applied for each occurrence and will be deducted from the final score:

**SHW378.1 Three (3) points**
- Break of gait at the walk or trot up to 2 strides
- Over or under turning up to 1/8 of a turn
- Ticking or hitting cone
- Sliding a pivot foot
- Lifting a pivot foot during a pivot and replacing it in the same place
- Lifting a foot in a set-up and replacing it in the same place after presentation
SHW378.2 Five (5) points
Not performing the specific gait or not stopping within 10 feet (3 meters) of designated location
Break of gait at walk or trot for more than 2 strides
Splitting the cone (cone between the horse and exhibitor)
Horse stepping out of or moving the hind end significantly during a pivot or turn
Horse stepping out of set-up after presentation
Horse resting a foot or hipshot in a set-up
Over or under turning 1/8 to 1/4 turn

SHW378.3 Ten (10) points
Exhibitor is not in the required position during inspection
Exhibitor touching the horse or kicking or pointing their feet at the horse’s feet during the set-up
Standing directly in front of the horse
Loss of lead shank, holding chain or two hands on shank
Blatant disobedience including biting, kicking, rearing or pawing; horse continually circling exhibitor

SHW378.4 Disqualifications (should not be placed) including:
Loss of control of horse that endangers exhibitor, other horses, or judge
Horse becomes separated from exhibitor
Failure to display correct number
Willful abuse
Excessive schooling or training; use of artificial aids
Illegal equipment
Off pattern, including: knocking over or wrong side of cone or marker; never performing designated gait; over or under turning more than 1/4 turn

SHW380. Rookie/Level 1 Classes Only. Exhibitor’s going off pattern, knocking over or on wrong side of cone, never performing specified gait, or overturning more than 1/4 turn than designated, shall not be disqualified, but must always place below exhibitors not incurring a disqualifying fault.
**SHW400. PERFORMANCE CLASSES.** In open division competition, an exhibitor may enter one or more horses in a class, but each horse may have only one rider per class. In individual open division working events (ranch riding, ranch trail, reining, working cow horse, boxing, western riding, barrel racing, pole bending, jumping, working hunter, trail, tie-down roping, dally team roping - heading, dally team roping - heeling, team penning, ranch sorting and cutting) a rider may:

**SHW400.1** Exhibit three horses in a junior class.

**SHW400.2** Exhibit three horses in a senior class.

**SHW400.3** Exhibit a maximum (total) of four horses in an all-age class. There is no stipulation on the combination of the junior horses and/or senior horses in an all-age class. If a junior class and a senior class are combined due to a lack of entries (may only be combined if there are two or less entries in one or both of the junior and senior classes), that class will become an all-age class.

**SHW400.4** In a leveled class that is run concurrent [Level 2 and Level 3], an exhibitor may show a maximum of four horses. If less than three entries in Level 2 or Level 3, entries will be combined with Level 3.

**SHW400.5** In Level I youth, youth, Level I amateur, select amateur and amateur in individual working events, (ranch riding, ranch trail, reining, working cow horse, boxing, western riding, barrel racing, pole bending, stakes race, jumping, western hunter, trail, breakaway roping, tie-down roping, dally team roping – heading, dally team roping – heeling, team penning, ranch sorting and cutting) an exhibitor may show three horses regardless of sex (except youth, Level I youth and Level I amateur where stallions may not be exhibited).

**SHW400.6** A select exhibitor, in individual working events may show any combination in select and amateur as long as a maximum of three different horses are exhibited and that horse is only shown one time by any exhibitor in that class. For example, a select exhibitor in individual working events may exhibit all three horses in the amateur, all three horses in the select, two horses in select and one in amateur or two in select and one in amateur. A horse may only be exhibited one time in a class in either select or amateur no matter the exhibitor.

**SHW400.7** A select exhibitor in select amateur or amateur classes may show up to two different horses in group classes (showmanship at halter, western pleasure, western horsemanship, hunter under saddle, hunter hack, hunt seat equitation, equitation over fences and pleasure driving) as long as one horse is shown in the amateur group class and a different horse is shown in the select group class. Should the classes be combined, the select amateur must choose on which horse to compete.

**SHW400.8** No horse may be shown in more than one youth or amateur subdivision of any type of event. (Example: A horse ridden in a reining class by a youth in the 11-year-old and younger group cannot also be ridden in a reining class by a youth in the 15-through 18-year-old group). However, the same horse may be shown in a Level I class then shown by another exhibitor or same exhibitor in Level 2 or Level 3 youth or amateur division.

**SHW400.9** No exhibitor 18 years of age or under may be tied, buckled or fastened in the saddle in any manner (except as described in SHW320.1) or by any means during youth or Level I
If there is an elimination, each horse must be ridden in the actual class by the same rider who rode it in the elimination.

Any horse used at an AQHA-approved show as a helping horse in cutting, heading and heeling must be an American Quarter Horse.

Holding the saddle horn with either hand will be penalized and may be disqualified at the judge’s discretion unless covered by specific class rules.

Allow exhibitors to roll over times in speed events. If an exhibitor is eligible to show in multiple classes, they may make one run and declare in advance that particular run will carry over or roll over to the other class(es) entered. This applies to Level 1 youth, youth, Level 1 amateur, amateur, and select amateur exhibitors. The exhibitor must declare at time of entry if any times are to be rolled over and to which particular class(es).

An entry fee and any additional charges will be paid for each class entered. An exhibitor may not declare to roll over a time once the classes have begun or have a time rolled over to any class that has already been held. They will make their run in the first class that they are entered according to the show schedule. They will be included in the draw for that class but are not to be placed in the draw for the upcoming class(es) they have declared so as not to affect the draw for those particular class(es). The announcer should also announce on the initial run whether or not the time is going to be rolled over to any subsequent class. If a show is being held where there are multiple judges, and the class is held one time then the time will be noted for each judge in the appropriate class(es) entered and declared. If the show is a circuit with multiple days, then an entry and declaration must be made for the separate show days. Once the class has started an exhibitor declaring a time will carry over cannot decide to run independently.

Barrels shall not be used as markers in any event except barrel racing.

Chairs shall not be used as markers in any events.

In speed events, it is recommended that drags be conducted before the start and after every seven head; show management may drag more frequently.

The purpose of Level 1 western pleasure is to allow a horse to compete in a field with minimally accomplished horses of the same level of experience. The Level 1 western pleasure is a stepping-stone to the more advanced competition of Level 2 and Level 3.

Horses regardless of their age may be ridden with one hand and a standard western bit, as approved by AQHA equipment rules, or with one or two hands and a snaffle bit or bosal as described under AQHA equipment rules.

With the exception of eligibility and equipment requirements, the same rules apply in Level I western pleasure as apply in western pleasure.

Horses eligible to compete if they have not, as of January 1 of the current year:

SHW401.3.1 won 25 points or more in AQHA-approved western pleasure classes (horse points from all levels in
any division will count including introductory/rookie points and are cumulative in determining eligibility); or
\textbf{SHW401.3.2} won $2,500 or more in any equine organization or association in western pleasure classes, including earnings reported by Q Data, Equistat and other verifiable resources.
\textbf{SHW401.3.3} Accuracy of eligibility is the responsibility of the owner or exhibitor.

\textbf{SHW402. WESTERN PLEASURE.} A good western pleasure horse has a free-flowing stride of reasonable length in keeping with his conformation. He should cover a reasonable amount of ground with little effort. Ideally, he should have a balanced, flowing motion, while exhibiting correct gaits that are of the proper cadence. The quality of the movement and the consistency of the gaits is a major consideration. He should carry his head and neck in a relaxed, natural position, with his poll level with or slightly above the level of the withers. He should not carry his head behind the vertical, giving the appearance of intimidation, or be excessively nosed out, giving a resistant appearance. His head should be level, with his nose slightly in front of the vertical, having a bright expression with his ears alert. He should be shown on a reasonably loose rein. He should be responsive, yet smooth, in transitions when called for. When asked to extend, he should move out with the same flowing motion. Maximum credit should be given to the flowing, balanced and willing horse that gives the appearance of being fit and a pleasure to ride. This class will be judged on the performance, condition and conformation of the horse.

\textbf{SHW403.} A show may have up to three western pleasure classes. If three western pleasure classes are to be held, they shall be:
(1) senior western pleasure shown with a bit; (2) junior western pleasure shown with either a bit, hackamore or snaffle bit; (3) two-year-old western pleasure shown with hackamore or snaffle which will not be approved prior to July 1 of the year for which approval is requested.
\textbf{SHW403.1.} If two western pleasure classes are to be held, they shall be:
(1) senior western pleasure shown with a bit; (2) junior western pleasure shown with either bit, hackamore or snaffle bit.
\textbf{SHW403.2} If only one western pleasure class is to be held, it is to be for all ages.

\textbf{SHW404.} Horses 6 years old and older must be shown on a curb bit.
\textbf{SHW405.} Horses 5 years old and younger may be shown in either curb bit, hackamore or snaffle bit.
\textbf{SHW406.} No horse may be entered in both junior western pleasure and 2-year-old western pleasure at the same show.
\textbf{SHW406.1} No horse may cross enter Western Pleasure and Ranch Riding or Western Pleasure and Versatility Ranch Horse Ranch Riding regardless of division.

\textbf{SHW407.} Entries in the 2-year-old class may be shown with one or both hands on reins. If riding with two hands, reins must be crossed with the tails of the reins on the opposite side of the neck. The rider’s hands should be carried near the pommel and not further than four inches (10 cm) out on either side of the saddle horn. Rider’s hands must be steady with very limited movement.
\textbf{SHW408.} Horses must work both ways of the ring at all three gaits to demonstrate their ability with different leads. At the option of the judge, horses may be asked to lengthen their stride at the
walk or lope, one or both ways of the ring. It is mandatory that a moderate extension of the jog be asked for in at least one direction with the exception of Level 1 classes, the youth II and under, the youth 13 and under, select western pleasure and 2-year-old western pleasure. However, the moderate extension of the jog remains optional in the above classes. A moderated extension of the jog is a definite two-beat lengthening of stride, covering more ground. Cadenced and balanced with smoothness is more essential than speed. Riders should sit at the moderated extension of the jog. Horses are required to back easily and stand quietly. Passing is permissible and should not be penalized as long as the horse maintains a proper and even cadence and rhythm.

**SHW409.** Horses are to be reversed to the inside (away from the rail). They may be required to reverse at the walk or jog at the discretion of the judge, but shall not be asked to reverse at the lope.  

**SHW410.** Judge may ask for additional work of the same nature from any horse.

**SHW411.** Rider shall not be required to dismount except in the event the judge wishes to check equipment.

**SHW412.** Horses to be shown at a walk, jog and lope on a reasonably loose rein or light contact without undue restraint.

**SHW413.** Faults to be scored according to severity:  
  - Excessive speed (any gait)  
  - Being on the wrong lead  
  - Breaking gait (including not walking when called for)  
  - Excessive slowness in any gait, loss of forward momentum (resulting in an animated and/or artificial gait at the lope)  
  - Failure to take the appropriate gait when called for (during transitions, excessive delay will be penalized)  
  - Touching horse or saddle with free hand  
  - Head carried too high  
  - Head carried too low (tip of ear below the withers)  
  - Overflexing or straining neck in head carriage so the nose is carried behind the vertical  
  - Excessive nosing out  
  - Excessive movement of the topline at the lope  
  - Opening mouth excessively  
  - Stumbling  
  - Use of spurs forward of the cinch  
  - Horse appears sullen, dull, lethargic, emaciated, drawn or overly tired  
  - Quick, choppy or pony-strided  
  - Overly canted at the lope (when the outside hind foot is further to the inside of the arena than the inside front foot).  

**SHW414.** Faults that will be cause for disqualification, except in Level I amateur or Level I youth classes, which shall be faults scored according to severity:  
  - Head carried too low and/or clearly behind the vertical excessively and consistently while the horse is in motion, or otherwise showing the appearance of intimidation.  

**SHW415. LEVEL 1 (HORSE) RANCH RIDING.** The purpose of Level 1 ranch riding is to allow a horse to compete in a field with minimally accomplished horses of the same level of experience. The level 1 ranch riding is a stepping-stone to the more advanced competition of Level 2 and Level 3.

**SHW415.1** Horses regardless of their age may be ridden with one
hand and a standard western bit as approved by AQHA equipment rules, or with one or two hands with a snaffle bit or bosal as described under AQHA equipment rules.

**SHW415.2** With the exception of eligibility and equipment requirements, the same rules apply in Level I ranch riding as apply in ranch riding.

**SHW415.3** Horses eligible to compete if they have not, as of January 1st of the current year:

- **SHW415.3.1** earned 25 points or more in AQHA-approved ranch riding classes (horse points from all levels in any division will count including introductory/rookie points and are cumulative in determining eligibility); or
- **SHW415.3.2** won $2,500 or more in any equine organization or association in ranch riding classes, including earnings reported by Q Data, Equistat and other verifiable resources.

**SHW415.3.3** Accuracy of eligibility is the responsibility of the owner or exhibitor.

**SHW416. RANCH RIDING.** The purpose of the ranch riding class is to measure the ability of the horse to be a pleasure to ride while being used as a means of conveyance from performing one ranch task to another. The horse should reflect the versatility, attitude and movement of a working ranch horse riding outside the confines of an arena. The horse should be well-trained, relaxed, quiet, soft and cadenced at all gaits. The ideal ranch horse will travel with forward movement and demonstrate an obvious lengthening of stride at extended gaits. The horse can be ridden with light contact or on a relatively loose rein without requiring undue restraint, but not shown on a full drape of reins. The overall manners and responsiveness of the ranch riding horse to make timely transitions in a smooth and correct manner, as well as the quality of the movement are of primary considerations. The ideal ranch riding horse should have a natural ranch horse appearance from head to tail in each maneuver.

**SHW416.1** For horses three years of age and older, offered as a Level I, junior, senior or all-age open division class, and as a Level I youth, 13 & under, 14-18, or all-age youth division class, and as a Level I amateur, Level I select, select, or all-age amateur division class.

**SHW416.2** No horse may cross enter a western pleasure or walk/trot western pleasure and ranch riding class at the same show regardless of division (youth, amateur, select or open). Show management may run AQHA ranch riding and VRH ranch riding concurrently if held within a full versatility ranch horse show. If held concurrently, AQHA ranch riding rules (SHW416-419.8) will apply.

**SHW417. Class requirements:**

**SHW417.1** Each horse will work individually. Horses will be scored on the basis of 0 to 100, with 70 denoting an average performance. Each maneuver will receive a score that should be added or subtracted from 70 and is subject to a penalty that should be subtracted. Each maneuver will be scored on the following basis, ranging from plus 1 1/2 to minus 1 1/2: -1 1/2 extremely poor, -1 very poor, -1/2 poor, 0 correct, +1/2 good, + 1 very good, + 1 1/2 excellent. Maneuver scores are to be determined and assessed independently of penalty points.

**SHW417.2** One of the 15 approved patterns must be used.
SHW417.3 The overall cadence and performance of the gaits should be as those described in GAITS, (SHW334 Ranch Riding) with an emphasis on forward movement, free-flowing, and ground covering for all gaits. Transitions should be performed where designated, with smoothness and responsiveness.

SHW417.4 No time limit.

SHW417.5 The use of natural logs is encouraged.

SHW417.6 Posting at the extended trot is acceptable.

SHW417.7 Touching or holding the saddle horn is acceptable.

SHW418. Ranch Riding Apparel and Equipment

SHW418.1 No hoof polish.

SHW418.2 No braided or banded manes/tails or tail extensions.

SHW418.3 Trimming inside ears is discouraged.

SHW418.4 Trimming bridle path is allowed, also trimming of fetlocks or excessive (long) facial hair.

SHW418.5 Equipment with silver should not count over a good working outfit. Excessive silver on bridles and saddles is discouraged.

SHW418.6 It is suggested competitors use a breast collar and a rear cinch.

SHW418.7 When exhibiting in a snaffle bit or hackamore, an exhibitor may switch between two hands and one hand on the reins at any time.

SHW419. Ranch Riding Penalties. Maneuver evaluations and penalty applications are to be determined independently. The following penalties will be applied to each occurrence and be deducted from the final score:

SHW419.1 One (1) point
- Too slow (per gait)
- Over-bridled (per maneuver)
- Out of frame (per maneuver)
- Break of gait at walk or trot for 2 strides or less

SHW419.2 Three (3) point
- Break of gait at walk or trot for more than 2 strides
- Break of gait at lope, except when correcting an incorrect lead
- Wrong lead or out of lead
- Draped reins (per maneuver)
- Out of lead or cross-cantering more than two strides when changing leads
- Trotting more than three strides when making a simple lead change
- Severe disturbance of any obstacle

SHW419.3 Five (5) point
- Blatant disobedience (kick, bite, buck, rear, etc.) for each refusal

SHW419.4 Ten (10) point
- Unnatural ranch horse appearance (Horse’s tail is obvious and consistently carried in an unnatural manner in every maneuver)

SHW419.5 Off Pattern (OP) Placed below horses performing all maneuvers
- Eliminates or adds maneuver
- Incomplete maneuver
- Repeated blatant disobedience
- Use of two hands (except junior and Level I horses shown in a snaffle bit/hackamore), more than one finger between split reins or any fingers between romal reins (except in

SHW420. RANCH TRAIL This class should test the horse’s
ability to cope with situations encountered while being ridden
through a pattern of obstacles generally found during the course
of everyday ranch work. The horse/rider team is judged on the cor-
correctness, efficiency, and pattern accuracy with which the obsta-
cles are negotiated, and the attitude and mannerisms exhibited by
the horse. Judging emphasis is on identifying the well broke,
responsive, and well-mannered horse which can correctly navigate
and negotiate the course. The ideal ranch trail horse should have a
natural ranch horse appearance from head to tail in each maneu-
ver.

SHW420.1 No horse may cross enter Trail and Ranch Trail or
Trail and Versatility Ranch Horse Trail, regardless of division.
SHW420.2 No horse may cross enter a trail class or walk/trot
trail class and ranch trail at the same show regardless of division
(youth, amateur, select or open). Show management may run AQHA
ranch trail and versatility ranch horse ranch trail concurrently if
held within a full versatility ranch horse show. If held concurrently,
AQHA ranch trail rules (SHW420-SHW422) will apply.

SHW421. CLASS REQUIREMENTS/PROCEDURES:

SHW421.1 The ranch trail course will include no less than six
and no more than nine obstacles. It is mandatory that the horse
be asked to walk, trot and lope during the course. Walk can be
part of obstacle score or be scored with the approaching obsta-
cle. Trot must be at least 35 feet and score with approaching
obstacle. Lope must be lead-specific, at least 50 feet and score
with approaching obstacle. Care must be exercised to avoid set-
ting up any obstacles that may be hazardous to the horse or
rider.

SHW421.2 When setting courses, management will be mindful
that the idea is not to trap a horse/rider team or eliminate it by
making an obstacle too difficult. All courses and obstacles are to
be constructed with safety in mind so as to reduce the risk for
accidents. Show committee shall have the option of setting up
the trail course to best fit the arena conditions. An outdoor
course is recommended if appropriate terrain is available. Each
single-performance event can be time consuming, especially
with large classes, so it is imperative that time restrictions are
placed on this class. The show committee, either through a pilot
run or estimation, shall select a course that has a continuous and
positive flow that can be negotiated in four minutes or less.

SHW421.3 Judges must walk the course and have the right
and duty to alter the course if it is not in keeping with the intent
of the class. Judges may remove or change any obstacles they
deem unsafe, non-negotiable or unnecessarily difficult. Any time
a trail obstacle becomes unsafe during a class, it shall be
repaired or removed from the course. If the course cannot be
repaired and some horses have completed the course, the score for that obstacle shall be deducted from all previous draws in that class.

**SHW421.4** The course must be designed using the mandatory obstacles and maneuvers plus optional obstacles. Combining two or more of the obstacles is acceptable.

**SHW421.5 PROHIBITED OBSTACLES:** Tarps, water obstacles with slick bottoms, PVC pipe used as a jump or walk over, tires, rocking or moving bridges, logs elevated in a manner that permits such to roll in a dangerous manner.

**SHW421.6 MANDATORY OBSTACLES AND MANEUVERS.**

1. Ride over obstacles on the ground (usually logs). Walk, trot or lope may be used but only one gait is required.
   - Walk-overs: Walk over no more than five logs no more than 10 inches high and spacing between 26 – 30 inches. The formation may be straight, curved, zigzagged or raised.
   - Trot-overs: Trot over no more than five logs no more than 10 inches high. The space between logs or poles should be 36-42 inches. The formation can also be straight, curved, zigzagged or raised.
   - Lope-overs: Lope over no more than five logs no more than 10 inches high. The space between logs should be 6 to 7 feet. The formation can also be straight, curved, zigzagged or raised.

2. Opening, passing through and closing a hinged swinging gate (not a rope gate): Use gate that will not endanger horse or rider and requires minimum side-passing.

3. Ride over wooden bridge: Bridge should be sturdy, safe and negotiated at a walk only. Heavy plywood lying flat on the ground is an acceptable simulation of a bridge. Suggested minimum width shall be 36 inches wide and at least 6 feet long.

4. Backing obstacles: Backing obstacles are to be spaced at a minimum of 28 inches. If elevated, 30 inch spacing is required. Back through and around at least three makers. Back through L, V, U or straight or similarly shaped course which may be elevated no more than 24 inches.

5. Side-pass obstacle: Any object which is safe and of any length may be used to demonstrate responsiveness of the horse to leg signals. Raised side pass obstacles should not exceed 12 inches.

6. Drag an object: For open and amateur classes ONLY. The drag is not to be used in youth classes. Drag may be a complete figure eight and may begin in either direction. The exhibitor must have the rope dallied on the saddle horn (half or full dally) for the duration of the drag.

**SHW421.7 OPTIONAL OBSTACLES.** Optional obstacles may be used provided the obstacles can be found in everyday ranch work. Optional obstacles from which selections can be made include, but are not limited to:

- A jump obstacle whose center height is not less than 14 inches high or more that 25 inches high. Holding the saddle horn is permissible for this obstacle
- Only live or stuffed animals which would normally be
encountered in an outdoor setting may be used but not to be used in an attempt to spook a horse.
- Carry object from one part of the arena to another.
- Remove and replace materials from a mailbox.
- Trot through cones spaced a minimum of 6 feet apart.
- Cross natural ditches or ride up embankments.
- Swing rope or throw rope at a dummy steer head.
- Step in and out of obstacle.
- Put on slicker or coat.
- Stand to mount with mounting block.
- Walk through water obstacle.
- Open gate on foot.
- Pick up feet.
- Walk through brush.
- Ground tie (hobbles are allowed).
- Lead at the trot.

**SHW421.8** At show management option the competition trail course may be made available to exhibitors or posted prior to the day of competition. It must be posted at least one hour prior to competition. Printed handouts for exhibitors are helpful and encouraged.

**SHW422 CREDITS AND PENALTIES.** All runs begin upon entering the area of competition and any infractions are subject to penalty at that time (such as two hands on the reins, using either hand to instill fear or praise, etc.). The rider has the option of eliminating any obstacle, however this will result in being off pattern (OP) and the horse/rider team may not place above others who have completed the pattern correctly. A judge may ask a horse to pass on an obstacle after three refusals or at any time for safety concerns.

**SHW422.1** Credit is given to horse/rider teams who negotiate the obstacles correctly and efficiently. Horses should receive credit for showing attentiveness to obstacles and ability to negotiate through the course when the obstacles warrant it while willingly responding to rider’s cues on more difficult obstacles. Quality of movement and cadence should be considered part of the maneuver score for the obstacle. Maneuver evaluations and penalty applications are to be determined independently. The following penalties will be applied to each occurrence and be deducted from the final score:

**SHW422.2 One (1) point**
- over-bridled (per maneuver)
- out of frame (per maneuver)
- each hit, bite or stepping on a log, cone plant or any component of the obstacle
- incorrect or break of gait at walk or trot for two (2) strides or less
- both front or hind feet in a single-stride slot or space at a walk or trot
- skipping over or failing to step into required space
- split pole in lope-over
- incorrect number of strides, if specified
- one to two steps on mount/dismount or ground tie except shifting to balance

**SHW422.3 Three (3) points**
- wrong lead or out of lead
SHW422.4 Five (5) points
- draped reins
- break of gait at lope, except when correcting an incorrect lead
- break of gait at walk or trot for more than two (2) strides
- three to four steps on mount/dismount on ground tie

SHW422.5 Ten (10) points
- Unnatural ranch horse appearance (Horse’s tail is obvious and consistently carried in an unnatural manner in every maneuver)

SHW422.6 Off-Pattern (OP) - exhibitors cannot place above others who complete pattern correctly
- incomplete maneuver
- eliminating or adding a maneuver
- 3rd refusal
- repeated blatant disobedience, and failure to dally and remain dallied
- use of two hands (except junior shown in a snaffle bit/hackamore), more than one finger
- between split reins or any fingers between romal reins (except in the two-rein)
- failure to open and shut gate, or failure to complete gate

SHW422.7 Disqualified 0 – Score
- lameness
- abuse
- leaving working area before pattern is complete
- illegal equipment
- disrespect or misconduct
- improper western attire
- fall of horse/rider

SHW430. WESTERN HORSEMANSHIP. Available only in the amateur and youth divisions, western horsemanship is designed to evaluate the rider’s ability to execute, in concert with their horse, a set of maneuvers prescribed by the judge with precision and smoothness while exhibiting poise and confidence and maintaining a balanced, functional and fundamentally correct body position. The ideal horsemanship pattern is extremely precise with the rider and horse working in complete unison, executing each maneuver with subtle aids and cues. The horse's head and neck should be carried in a relaxed, natural position, with the poll level with or slightly above the withers. The head should not be carried behind the vertical, giving the appearance of intimidation, or be excessively nased out, giving a resistant appearance.

SHW430.1 Pattern. It is mandatory that the judge post the initial pattern to be worked at least one hour prior to the commencement of the class; however, if the judge requires additional work of exhibitors for consideration of final placing, an additional pattern may be posted. All patterns must include a walk, jog, lope, and a back. Pattern(s) should be designed to test the horsemanship's
ability. All ties will be broken at the judge's discretion.

**SHW431. CLASS PROCEDURES:** All exhibitors must enter the ring and then work individually, or each exhibitor may be worked from the gate individually. When exhibitors are worked individually from the gate, a working order is required. Exhibitors should be instructed to either leave the arena, fall into line or fall into place on the rail after their work. The whole class, or just the finalists, must work at all three gaits at least one direction of the arena. The following maneuvers are acceptable in a pattern: walk, jog, trot, extended trot, lope or extended lope in a straight line, curved line, serpentine, circle, figure 8 or combination of these gaits and maneuvers; stop; back in a straight or curved line; turn or pivot, including spins and rollbacks on the haunches and/or on the forehand; sidepass, two-track or leg-yield; flying or simple change of lead; counter-canter; or any other maneuver; or ride without stirrups. A back should be asked for at some time during the class. Judges should not ask exhibitors to mount or dismount.

**SHW432. SCORING:** Exhibitors are to be scored from 0 to infinity, with 70 denoting an average performance. Patterns will be divided into 6 to 10 maneuvers, as specified by the judge, and each maneuver will be scored from plus 3 to minus 3 with 1/2 point increments acceptable that will be added or subtracted from 70. Maneuver scores should be determined independent of penalties, and should reflect equal consideration of both performance of the exhibitor's pattern and the horsemanship form and effectiveness of the exhibitor to result in the following scores: -3 extremely poor, -2 very poor, -1 poor, 0 average or correct, +1 good, +2 very good, +3 excellent. Exhibitors overall horsemanship form and effectiveness should also be scored from 0 to 5 with 0 to 2 average, 3 good, 4 very good, 5 excellent. Exhibitors should also be judged on the rail, and their pattern score and/or ranking may be adjusted as appropriate.

**SHW433. Overall Presentation of Exhibitor and Horse.** The exhibitor's overall poise, confidence, appearance and position throughout the class as well as the physical appearance of the horse will be evaluated.

**SHW434. Presentation and Position of Exhibitor.** Appropriate western attire must be worn. Clothes and person are to be neat and clean. The use of any type of artificial aid or magnetic device will result in disqualification.

**SHW434.1** The exhibitor should appear natural in the seat and ride with a balanced, functional and correct position regardless of the maneuver or gait being performed. During the railwork and pattern, the exhibitor should have strong, secure and proper position. Exhibitors should sit and maintain an upright position with the upper body at all gaits.

**SHW434.2** The rider should sit in the center of the saddle and the horse's back with the legs hanging to form a straight line from the ear, through the center of the shoulder and hip, touching the back of the heel or through the ankle. The heels should be lower than the toes, with a slight bend in the knee and the lower leg should be directly under the knee. The rider's back should be flat, relaxed and supple. An overly stiff and/or overly arched lower back will be penalized. The shoulders should be back, level and square. The rider's base of support should maintain secure contact with the saddle from the seat to the inner
thigh. Light contact should be maintained with the saddle and horse from the knee to mid-calf. The knee should point forward and remain closed with no space between the exhibitor’s knee and the saddle. The exhibitor will be penalized for positioning the legs excessively behind or forward of the vertical position. Regardless of the type of stirrup, the feet may be placed home in the stirrup, with the boot heel touching the stirrup, or may be placed with the ball of the foot in the center of the stirrup. The rider’s toes should be pointing straight ahead or slightly turned out with the ankles straight or slightly broken in. Riding with toes only in the stirrup and riding without contact of bottom of boot securely on pad of stirrup, will be penalized. Those exhibitors that can maintain the proper position throughout all maneuvers should receive more credit. When riding without stirrups, the exhibitor should maintain the same position as previously described. Both hands and arms should be held in a relaxed, easy manner, with the upper arm in a straight line with the body. The arm holding the reins should be bent at the elbow forming a line from the elbow to the horse’s mouth. The free hand and arm may be carried bent at the elbow in a similar position as the hand holding the reins or straight down at the rider’s side. Excessive pumping of the free arm as well as excessive stiffness will be penalized. The rider’s wrist is to be kept straight and relaxed, with the hand held at about 30 to 45 degrees inside the vertical. The rein hand should be carried immediately above or slightly in front of the saddle horn. The reins should be adjusted so that the rider has light contact with the horse’s mouth, and at no time shall reins require more than a slight hand movement to control the horse. Excessively tight or loose reins will be penalized. SHW434.3 The rider’s head should be held with the chin level and the eyes forward, and may be directed slightly toward the direction of travel. Excessive turning of the head to the inside of the circle, or down at the horse’s head or shoulder will be penalized. SHW434.4 The exhibitor should not crowd the exhibitor next to or in front of them when working on the rail and should pass to the inside of the arena. When reversing on the rail, the exhibitor should always reverse to the inside of the arena. SHW435. Presentation of Horse. The horse’s body condition and overall health and fitness should be assessed. The horse should appear fit and carry weight appropriate for the body size. A horse which appears sullen, dull, lethargic, emaciated, drawn or overly tired should be penalized according to severity. Tack should fit the horse properly and be neat, clean and in good repair. SHW436. Pattern Performance. The exhibitor should perform the work accurately, precisely, smoothly, and with a reasonable amount of promptness. Increasing speed of the maneuvers performed increases the degree of difficulty; however, accuracy and precision should not be sacrificed for speed. Exhibitors that perform the pattern sluggishly and allow their horse to move without adequate impulsion, collection or cadence will be penalized. SHW436.1 The horse should perform all maneuvers in the pattern willingly, briskly and readily with minimal visible or audible cueing. SHW436.2 The horse should track straight, freely and at the
proper cadence for the prescribed gait. Transitions should be smooth and prompt in the pattern and on the rail, and should be performed when called for on the rail. The horse's head and neck should be straight and in line with their body while performing straight lines and slightly arched to the inside on curved lines or circles. Circles should be round and performed at the appropriate speed, size and location as requested in the pattern. The counter-canter should be performed smoothly with no change in cadence or stride unless specified in the pattern.

**SHW436.3** The stop should be straight, square, prompt, smooth and responsive with the horse maintaining a straight body position throughout the maneuver. The back should be smooth and responsive.

**SHW436.4** Turns should be smooth and continuous. When performing a turn on the haunches, the horse should pivot on the inside hind leg and step across with the front legs. A rollback is a stop and 180 degree turn over the hocks with no hesitation. Backing during turns will be penalized severely.

**SHW436.5** The horse should step across with the front and hind legs when performing the sidepass, leg-yield and two-track. The side pass should be performed with the horse keeping the body straight while moving directly lateral in the specified direction. When performing a leg-yield, the horse should move forward and lateral in a diagonal direction with the horse’s body arced opposite to the direction that the horse is moving. In the two-track, the horse should move forward and lateral in a diagonal direction with the horse’s body held straight or bent in the direction the horse is moving.

**SHW436.6** A simple or flying change of lead should be executed precisely in the specified number of strides and/or at the designated location. A simple change of lead is performed by breaking to a walk or trot for one to three strides. Flying changes should be simultaneous front and rear. All changes should be smooth and timely.

**SHW436.7** Position of the exhibitor and performance of the horse and rider on the rail must be considered in the final placing.

**SHW437. Penalties.** Maneuver evaluations and penalty applications are to be determined independently. The following penalties will be applied for each occurrence and will be deducted from the final score:

**SHW437.1 Three (3) points**
- Break of gait at the walk or jog up to 2 strides
- Over or under turn from 1/8 to 1/4 turn
- Tick or hit of cone
- Obviously looking down to check leads

**SHW437.2 Five (5) points**
- Not performing the specific gait or not stopping within 10 feet (3 meters) of designated location
- Incorrect lead or break of gait at the lope (except when correcting an incorrect lead)
- Break of gait at walk or jog for more than 2 strides
- Loss of stirrup
- Bottom of boot not touching pad of stirrup at all gaits including backup
- Head carried too low and/or clearly behind the vertical while the horse is in motion, showing the appearance of intimidation
SHW437.3 Ten (10) points
Loss of rein
Use of either hand to instill fear or praise while on pattern or during rail work
Holding saddle with either hand
Cueing with the end of the romal
Blatant disobedience including kicking, pawing, bucking, and rearing
Spurring in front of the cinch

SHW437.4 Disqualifications (should not be placed) including:
Failure to display correct number
Abuse of horse or schooling
Fall by horse or exhibitor
Illegal equipment or illegal use of hands on reins
Use of prohibited equipment
Off pattern, including: knocking over or on wrong side of cone or marker; never performing designated gait or lead; over or under turning more than 1/4 turn

SHW438. ROOKIE/LEVEL 1 CLASSES ONLY: Exhibitors going off pattern, knocking over or on wrong side of cone, never performing specified gait, or lead or overturning more than 1/4 turn than designated, shall not be disqualified, but must always place below exhibitors not incurring a disqualifying fault.

SHW450. LEVEL 1 (HORSE) WESTERN RIDING. The purpose of Level 1 western riding is to allow a horse to compete in a field with minimally accomplished horses of the same level of experience. The Level 1 western riding is a stepping-stone to the more advanced competition of Level 2 and Level 3. Emphasis is on movement and quality of lead change while allowing for leniency in assistance from the exhibitor, while still rewarding softness and willingness. Credit will be placed on smoothness, even cadence of gaits and the horse’s ability to change leads precisely, easily and simultaneously, both front and hind.

SHW450.1 Horses, regardless of their age, may be ridden with one hand and a standard western bit as approved by the AQHA equipment rules or with one or two hands and a snaffle bit or bosal as described under AQHA equipment rules.

SHW450.2 With the exception of eligibility and equipment requirements, the same rules apply in Level 1 western riding as apply in western riding. The pattern must be selected from one of the six Level 1 patterns.

SHW450.4 Horses are eligible to compete if they have not, as of January 1 of the current show year:

SHW450.4.1 won 25 points or more in AQHA-approved western riding classes (horse points from all levels in any division will count including introduction/rookie points and are cumulative in determining eligibility); or

SHW450.4.2 won $2,500 or more in any equine organization or association in western riding classes, including earnings reported by Q Data, Equistat and other verifiable resources.

SHW450.4.3 Accuracy of eligibility is the responsibility of the owner or exhibitor.

SHW451. WESTERN RIDING. The horse is judged on quality of gaits, lead changes at the lope, response to the rider,
manner and disposition. The horse should perform with reasonable speed, and be sensible, well-mannered, free and easy moving. Credit shall be given for and emphasis placed on smoothness, even cadence of gaits (i.e., starting and finishing pattern with the same cadence), and the horse’s ability to change leads precisely, easily and simultaneously both hind and front at the center point between markers. In order to have balance, with quality lead changes, the horse’s head and neck should be in a relaxed, natural position, with his poll level with or slightly above the level of the withers. He should not carry his head behind the vertical, giving the appearance of intimidation, or be excessively nosed out, giving a resistant appearance. The horse should have a relaxed head carriage showing response to the rider’s hands, with a moderate flexion at the poll. Horses may be ridden with light contact or on a reasonably loose rein. The horse should cross the log both at the jog and the lope without breaking gait or radically changing stride.

**SHW452.** The judge will select one of the 15 patterns to be performed. The judge is responsible for the pattern being correctly set. The 6 Level I western riding patterns may be used for rookie and Level I classes. On the pattern:

**SHW452.1** The small circles represent pylon markers which are recommended. These should be separated by a uniform measured distance of not less than 30 feet (9 meters) nor more than 50 feet (15 meters) on the sides with 5 markers (see diagram). In pattern I, the three markers on the opposite side should be set adjacent to the appropriate markers. It is recommended that markers be set a minimum of 15 feet (4 1/2 meters) from the fence and with 50 to 80 foot (15 to 24 meters) width in the pattern, as the arena permits.

**SHW452.2** A solid log or pole should be used and be a minimum of 8 feet (2.5 meters) in length.

**SHW452.3** The long serpentine line indicates the direction of travel and gaits at which the horse is to move. The shaded area represents the lead changing area between the markers. The dotted line (...) indicates walk, the dash line (- - -) jog, and the solid line ( - ) lope.

**SHW452.4** A cone shall be placed along the wall or rail of the arena to designate where the exhibitor should initiate the walk. On western riding patterns 1, 3, 5 and Level I pattern I, the start cone should be placed a minimum of 15 feet before the first pattern maker. On western riding patterns 2, 4 and Level I patterns 2 and 4, the start cone should be placed even with the first pattern marker. The on-deck exhibitor should not go to the start-cone until the contestant on pattern has cleared the working area by the start-cone for the final time.

**SHW453. SCORING.** Exhibitors will be scored on a basis of 0-100 with 70 denoting an average performance. Points will be added or subtracted from the maneuvers on the following bases, ranging from plus 1 1/2 to minus 1 1/2: -1 1/2 extremely poor, -1 very poor, -1/2 poor, 0 average, +1/2 good, +1 very good, +1 1/2 excellent. Maneuver scores are to be determined independently of penalty points.

**SHW454. PENALTIES.** Maneuver evaluations and penalty applications are to be determined independently. The following
Table of penalties will be applied to each occurrence and be deducted from the final score:

**SHW454.1 One-half (1/2) point**
- tick or light touch of log

**SHW454.2 One (1) point**

- splitting the log (log between the two front or two hind feet) at the lope
- break of gait at the walk or jog up to two strides
- non-simultaneous lead change (including front to hind, hind to front, front or hind legs coming together during the change)

**SHW454.3 Three (3) points**
- not performing the specific gait (jog or lope) or not stopping when called for in the pattern, within 10 feet (3 meters) of the designated area
- simple change of leads
- out of lead at or before the marker prior to the designated change area or out of lead at or after the marker after the designated change area
- additional lead changes anywhere in pattern (except when correcting an extra change or incorrect lead)
- in pattern 1 and 3 failure to start the lope within 30 feet (9 meters) after crossing the log at the jog
- break of gait at walk or jog for more than two strides
- break of gait at the lope

**SHW454.4 Five (5) points**
- out of lead beyond the next designated change area (note: failures to change, including cross-cantering. Two consecutive failures to change would result in two five point penalties).
- blatant disobedience including kicking out, biting, bucking and rearing
- holding saddle with either hand
- use of either hand to instill fear or praise

The following characteristics are considered faults and should be judged accordingly in maneuver scores:

- Opening mouth excessively

- Stumbling
- Head carried too high
- Head carried too low (tip of ear below the withers)
- Over-flexing or straining neck in head carriage so the nose is carried behind the vertical
- Excessive nosing out

The purpose of Level I trail is to allow a horse to compete in a field with minimally accomplished horses of the same level of experience. The Level I trail is a stepping-stone to the more advanced competition of Level 2 and Level 3. This class should be judged on the performance of the horse over obstacles with emphasis on movement, smoothness in gaits and transitions and willingness to execute the maneuvers with a willing attitude. Horses shall be penalized for artificial appearance over the obstacles.

The course should be designed for the entry-level horse. Ample space should be used to execute the obstacles.

Horses, regardless of their age, may be ridden with one hand and a standard western bit as approved by AQHA equipment rules or with one or two hands and a snaffle bit or bosal as described under AQHA equipment rules.

With the exception of eligibility and equipment requirements, the same rules apply in Level 1 trail as apply in trail.

Horses are eligible to compete if they have not, as of January 1 of the current show year:

- Won 25 points or more in AQHA-approved trail classes (horse points from all levels in any division will count including introductory/rookie points and are cumulative in determining eligibility); or
- Won $2,500 or more in any equine organization or association in trail classes, including earnings reported by Q Data, Equistat and other verifiable resources.

Accuracy of eligibility is the responsibility of the owner or exhibitor.

This class will be judged on the performance of the horse over obstacles, with emphasis on manners, response to the rider and quality of movement. Credit will be given to horses negotiating the obstacles with style and some degree of speed, positive expression, and minimal visible or audible cueing, providing correct-
ness is not sacrificed. Horses should receive credit for showing attentiveness to the obstacles and the capability of picking their own way through the course when obstacles warrant it, and willingly responding to the rider’s cues on more difficult obstacles. Horses shall be penalized for any unnecessary delay while approaching or negotiating the obstacles. Horses with artificial appearance over obstacles should be penalized. Horses must not be required to work on the rail. The course must be designed, however, to require each horse to show the three gaits (walk, jog, lope) somewhere between obstacles as a part of its work, and quality of movement and cadence should be considered as part of the maneuver score. While on the line of travel between obstacles, the horse shall be balanced, carrying his head and neck in a relaxed, natural position, with the poll level with or slightly above the withers. The head should not be carried behind the vertical, giving the appearance of intimidation, or be excessively nosed out, giving a resistant appearance.

SHW461.1 No horse may cross enter Trail and Ranch Trail or Trail and Versatility Ranch Horse Trail regardless of division.

SHW462. The course to be used must be posted at least one hour before scheduled starting time of the class.

SHW463. SCORING. Scoring will be on the basis of 0-infinity, with 70 denoting an average performance. Each obstacle will receive an obstacle score that should be added or subtracted from 70 and is subject to a penalty that should be subtracted. Each obstacle will be scored on the following basis, ranging from plus 1 1/2 to minus 1 1/2: -1 1/2 extremely poor, -1 very poor, -1/2 poor, 0 correct, +1/2 good, +1 very good, +1 1/2 excellent. Obstacle scores are to be determined and assessed independently of penalty points.

SHW464. Penalties. Maneuver evaluations and penalty applications are to be determined independently. The following penalties will be applied to each occurrence and be deducted from the final score:

SHW464.1 One-half (1/2) point
- each tick or contact of a log, pole, cone, plant, or any component of an obstacle

SHW464.2 One (1) point
- each hit, bite, or stepping on a log, cone, plant or any component of the obstacle
- incorrect or break of gait at walk or jog for two strides or less both front or hind feet in a single-strided slot or space at a walk or jog
- skipping over or failing to step into required space
- split pole in lope-over
- incorrect number of strides, if specified

SHW464.3 Three (3) points
- incorrect or break of gait at walk or jog for more than two strides out of lead or break of gait at lope (except when correcting an incorrect lead)
- knocking down an elevated pole, cone, barrel, plant, obstacle, or severely disturbing an obstacle
- falling or jumping off or out of a bridge or a water box with one foot once the horse has got onto or into that obstacle
- stepping outside of the confines of an obstacle with designated boundaries (i.e. back through, 360 degree box, side pass) with one foot once the horse has entered the obstacle.
- missing or evading a pole that is a part of a series of an obstacle
with one foot

SHW464.4 Five (5) points
- dropping slicker or object required to be carried on course
- first or second cumulative refusal, balk, or evading an obstacle by shying or backing
- letting go of gate or dropping rope gate
- use of either hand to instill fear or praise
- falling or jumping off or out of a bridge or a water box with more than one foot once the horse has got onto or into that obstacle
- stepping outside of the confines of an obstacle with designated boundaries (i.e. back through, 360 degree box, side pass) with more than one foot once the horse has entered the obstacle.
- missing or evading a pole that is a part of a series of an obstacle with more than one foot
- blatant disobedience (including kicking out, bucking, rearing, striking)
- holding saddle with either hand

SHW464.5 Disqualified – 0 Score
- use of two hands (except in snaffle bit or hackamore classes designated for two hands) or changing hands on reins; except for junior horses shown with hackamore or snaffle bit, only one hand may be used on the reins, except that it is permissible to change hands to work an obstacle as outlined in WESTERN EQUIPMENT, or to straighten reins when stopped.
- use of romal other than as outlined in WESTERN EQUIPMENT
- performing the obstacle incorrectly or other than in specified order
- no attempt to perform an obstacle
- equipment failure that delays completion of pattern
- excessively or repeatedly touching the horse on the neck to lower the head
- entering or exiting an obstacle from the incorrect side or direction
- working obstacle the incorrect direction; including overturns of more than 1/4 turn
- riding outside designated boundary marker of the arena or course area
- third cumulative refusal, balk, or evading an obstacle by shying or backing
- failure to ever demonstrate correct lead and/or gait as designated
- failure to follow the correct line of travel between obstacles
- excessive schooling, pulling, turning, stepping or backing anywhere on course
- failure to open and shut gate or failure to complete gate (except for Level I youth, Level I amateur, or rookie classes where they place below all who complete course correctly)

SHW464.6 Faults scored according to severity which occur on the line of travel between obstacles include:
- head carried too high
- Head carried too low and/or clearly behind the vertical excessively and consistently while the horse is in motion, or otherwise showing the appearance of intimidation.
- opening mouth excessively

SHW464.7 Faults which will be cause for disqualification
that occur on the line of travel between obstacles, except in rookie/Level I amateur or rookie/Level I youth classes which shall be faults scored according to severity, include (1) head carried too low (tip of ear below the withers consistently); (2) over-flexing or straining neck in head carriage so the nose is carried behind the vertical consistently.

SHW465. Trail Course. Management, when setting courses, should keep in mind that the idea is not to trap a horse, or eliminate it by making an obstacle too difficult. All courses and obstacles are to be constructed with safety in mind so as to eliminate any accidents. If difficult courses are set, rookie/Level I trail should be less difficult. When the distances and spaces are measured between all obstacles, the inside base to inside base measurement of each obstacle considering the normal path of the horse should be the measuring point. Enough space must be provided for a horse to jog [at least 30 feet (9 meters)] and lope [at least 50 feet (15 meters)] for the judges to evaluate these gaits. For trail warm-up, obstacles must be set according to class rules per SHW466.

SHW465.1 If disrupted, the course shall be reset. In the case that an obstacle is used in combination, the obstacle cannot be reset until the contestant finishes the entire obstacle.

SHW465.2 The judge must walk the course and has the right and duty to alter the course in any manner. The judge may remove or change any obstacle he deems unsafe or non-negotiable. If at any time a trail obstacle is deemed to be unsafe by the judge, it shall be repaired or removed from the course. If it cannot be repaired and horses have completed the course, the score for that obstacle shall be deducted from all previous works for that class.

SHW465.3 At least six obstacles must be used, three of which must be from the mandatory list of obstacles and at least three others selected from the list of optional obstacles.

SHW466. Mandatory trail course obstacles include:

SHW466.1 Opening, passing through and closing gate. (Losing control of gate is to be penalized.) Use a gate which will not endanger horse or rider. If the gate has a metal, plastic or wooden support bar under the opening, contestants must work the gate moving forward through it.

SHW466.2 Ride over at least four logs or poles. These can be in a straight line, curved, zigzag or raised. The space between the logs is to be measured and the path the horse is to take should be the measuring point. Trotovers and lopeovers cannot be elevated in rookie/Level I classes. All elevated elements must be placed in a cup, notched block, or otherwise secured so they cannot roll. The height should be measured from the ground to the top of the element. Spacing for walkovers, trotovers, and lopeovers should be as follows or increments thereof.

SHW466.2.1 The spacing for walkovers shall be 20” to 24” (50 - 60 cm) and may be elevated to 12” (30 cm). Elevated walkovers should be set at least 22” (55 cm) apart.

SHW466.2.2 The spacing for trotovers shall be 3’ to 3’3” (90 -100 cm) and may be elevated to 8” (20 cm).

**SHW480. REINING.** Reining is a judged event designed to show the athletic ability of a ranch type horse in the confines of a show arena. In reining competition, contestants are required to run one of several approved patterns. Each pattern includes small slow circles, large fast circles, flying lead changes, rollbacks over the hocks, a series of 360 degree spins done in place, and the exciting sliding stops that are the hallmark of the reining horse. To rein a horse is not only to guide him, but also to control his every movement. The best reined horse should be willingly guided or controlled with little or no apparent resistance and dictated to completely. Any movement on his own must be considered a lack of control. Any one of the **18** approved reining patterns may be used and is to be selected by the judge of the class and used by all
contestants in the class. Each contestant will perform the required pattern individually and separately. All horses will be judged immediately upon entering the arena. Any fault incurred prior to the commencement of a pattern will be scored accordingly. All deviations from the exact written pattern must be considered a lack of or temporary loss of control, and therefore faulted according to severity of deviation. Credit will be given for smoothness, finesse, attitude, quickness and authority in performing the various maneuvers while using controlled speed.

**SHW481. SCORING.** Scoring will be on the basis of 0 to infinity, with 70 denoting an average performance. Points will be added or subtracted from the maneuvers on the following basis, ranging from plus 1 1/2 to minus 1 1/2: -1 1/2 extremely poor, -1 very poor, -1/2 poor, 0 average, +1/2 good, +1 very good, +1 1/2 excellent. Maneuver scores are to be determined independently of penalty points.

**SHW481.1** No horse may cross enter Reining and Versatility Ranch Horse Reining regardless of division.

**SHW482. The following will result in no score:**

- Abuse of an animal in the show arena and/or evidence that an act of abuse has occurred prior to or during the exhibition of a horse in competition;
- Use of illegal equipment, including wire on bits, bosals or curb chains;
- Use of illegal bits, bosals or curb chains; when using a snaffle bit, optional curb strap is acceptable; however, curb chains are not acceptable.
- Use of tack collars, tie downs or nose bands;
- Use of whips or bats;
- Use of any attachment which alters the movement of or circulation to the tail;
- Failure to dismount and/or present horse and equipment to the appropriate judge for inspection;
- Disrespect or misconduct by the exhibitor;
- Closed reins are not allowed except as standard romal reins and mecates on bosals in classes where the use of two hands is allowed.
- Excess rein may be straightened anytime during the pattern, provided the rider’s free hand remains behind the rein hand. Any attempt to alter tension or length of the reins from bridle to the rein hand is to be considered use of two hands a penalty score of zero will be applied. In addition, should the judge determine the free hand is being used to instill fear or praise, a penalty five will be applied, and a reduction in the maneuver score.

**SHW482.1 The following will result in a score of 0:**

- Use of more than index or first finger between reins;
- Use of two hands (exception in junior, snaffle bit, or hackamore classes designated for two hands) or changing hands;
- Use of romal other than as outlined in WESTERN EQUIPMENT;
- Failure to complete pattern as written:
  - Performing the maneuvers other than in specified order or exceeding greater than one quarter of the circle out of order;
  - The inclusion of maneuvers not specified, including, but not
limited to:
Back ing more than two (2) strides;
Turning more than ninety (90) degrees;
On run in patterns, once beginning a lope, a complete stop prior to reaching the first marker. (Exception: a complete stop in the 1st quarter (1/4) of a circle after a lope departure is not to be considered an inclusion of maneuver; a two (2) point break of gait penalty will apply.)
Equipment failure that delays completion of pattern; including dropping a rein that contacts the ground while horse is in motion;
Balking or refusal of command where performance is delayed;
Running away or failing to guide where it becomes impossible to discern whether the entry is on pattern;
Jogging in excess of one-half circle or one-half the length of the arena;
Overspins of more than 1/4 turn;
Fall to the ground by horse or rider;
When going to and coming out of a rollback in a pattern requiring a run-around, a rollback that crosses the center line;

SHW483. Neither a no score nor a 0 is eligible to place in a go round or class single go around class, but a 0 may advance in a multi-go event while a no score may not.

SHW484. The following will result in a reduction of five points:
Spurring in front of cinch;
Use of either hand to instill fear or praise;
Holding saddle with either hand;
Blatant disobediences including kicking, biting, bucking, rearing and striking;
Horse dropping to its knees or hocks.

SHW485. The following will result in a reduction of two points:
Break of gait;
Freeze up in spins or rollbacks;
On walk-in patterns, loping prior to reaching the center of the arena and/or failure to stop or walk before executing a lope departure;
On run-in patterns, failure to be in a lope prior to the first marker or break of gait prior to the first marker;
If a horse does not completely pass the specified marker before initiating a stop position.

SHW486. Starting or performing circles or eights out of lead will be judged as follows:

SHW486.1 Each time a horse is out of lead, a judge is required to penalize by one point. The penalty for being out of lead is cumulative and the judge will deduct one penalty point for each one quarter (1/4) of the circumference of a circle or any part thereof that a horse is out of lead. A judge is required to penalize a horse 1/2 point for a delayed change of lead by one stride where the lead change is required by the pattern description.

SHW486.2 Deduct 1/2 point for starting circle at a jog or exiting rollbacks at a jog up to two strides. Jogging beyond two strides, but less than 1/2 circle or 1/2 the length of the arena, deduct two points.

SHW486.3 Deduct 1/2 point for over or under spinning up to 1/8 of a turn; deduct one point for over or under spinning 1/8 to
l/4 turn. A horse can only be assessed one over or under spin penalty per maneuver.

**SHW486.4** A 1/2 point penalty deduction will be given for failure to remain a minimum of 20 feet (6 meters) from the side of the arena when approaching a stop and/or rollback.

**SHW487.** In patterns requiring a run-around, failure to be on the correct lead when rounding the end of the arena will be penalized as follows:

- From the turn to the half-way position at end wall, one (1) point
- Beyond the half-way point to the beginning of the run down, two (2) points

**SHW487.1** In a pattern requiring a run-around, there will be a one half (1/2) point penalty for failure to remain a minimum of 10 feet from either side of the center of the arena; for small arenas it will be at the judge’s discretion.

**SHW487.2** A horse which severely stumbles, significantly detracting from the maneuver shall have the maneuver reduced by one half (1/2) point.

**SHW488.** Faults against the horse to be scored accordingly, but not to cause disqualification:

- Opening mouth excessively when wearing bit;
- Excessive jawing, opening mouth or head raising on stop;
- Lack of smooth, straight stop on haunches-bouncing or sideways stop;
- Refusing to change leads;
- Anticipating signals;
- Stumbling;
- Backing sideways;
- Knocking over markers.

**SHW489.** A show may have up to three approved reining classes and no horse may be entered in both junior bit and hackamore/snaffle bit reining classes at the same show.

**SHW489.1** If three reining classes are to be held at a show, they shall be the following:

- **SHW489.1.1** Senior reining shown with bit;
- **SHW489.1.2** Junior reining shown with bit;
- **SHW489.1.3** Hackamore/snaffle bit reining (5 years old and younger, shown with hackamore or snaffle bit)

**SHW489.2** If two reining classes are to be held at a show, they shall be the following:

- **SHW489.2.1** Senior reining shown with bit;
- **SHW489.2.2** Junior reining shown with either bit, hackamore or snaffle bit at the discretion of the exhibitor.

**SHW489.3** If only one reining class is to be held at a show, it shall be reining - all ages - horses 6 years old and older must be shown in bit; horses 5 years old and younger may be shown in either bit, hackamore or snaffle bit at the discretion of the exhibitor.

REINING PATTERN B
Approved only for Level I Youth & Amateur, Youth I3 & Under
SHW500. CUTTING. The cutting class is a battle of wills between a horse and a cow. Horse and rider must move quietly into a herd of cattle, cut one animal from the herd, drive it to the center of the arena and hold it away from the herd. The cutting horse must match moves with the cow, anticipating its every maneuver. Judges score the horses on their ability to keep the cow from returning to the herd, cow sense, attentiveness and courage. Contestants can cut two or more head of cattle in the 2.5-minute time limit. AQHA strongly recommends AQHA-approved cutting classes be held whenever possible. If both NCHA and AQHA-approved cutting are held at one show, points will be awarded only in the AQHA-approved cutting classes. National Cutting Horse Association or Canadian Cutting Horse Association rules will be used for conducting and judging cutting. All riders in the arena shall comply with rules on dress, equipment and conduct and be limited to bona fide contestants or their helpers per NCHA rules.

SHW500.1 Rules of the National Cutting Horse Association are available from the National Cutting Horse Association, 260 Bailey Avenue, Fort Worth, Texas 76107.

SHW500.2 Rules of the Canadian Cutting Horse Association are available from the Canadian Cutting Horse Association, 14141 Fox Drive, Edmonton, Alberta, Canada T6H 4P3.

SHW501. For NCHA-approved cutting, AQHA points shall be awarded only on the basis of the signed records of the show or contest, forwarded to AQHA by show management providing:

SHW501.1 Horses competed under their AQHA registered name,

SHW501.2 Exhibitors must have current AQHA membership in their individual name,

SHW501.3 The competition was held in conjunction with an AQHA-approved show, and no AQHA-approved cutting classes were held at that show.

SHW502. Scoring. Scoring will be on the basis of 60-80, with 70 denoting an average performance.

SHW503. Penalties. Maneuver evaluations and penalty applications are to be determined independently. The following penalties will be applied to each occurrence and be deducted from the final score:

SHW503.1 One-Half (1/2) point
- a slight miss or slight loss of working advantage

SHW503.2 One (1) point
- miss or loss of working advantage
- reining or visibly cueing

- riding with romal or closed rein on snaffle bit/hackamore
- leaving working area before time expires
- inhumane treatment of horse
- if horse falls to ground

SHW505. WORKING COW HORSE. The Working Cow Horse class is based on the traditional vaquero training techniques used to develop the most highly schooled of all cow horses, the bridle horse. The training begins in a snaffle bit, progresses to a hackamore and then the two-rein on the way to the bridle. This method of training, which takes years rather than months, is geared to helping a horse reach his maximum level of performance, from the working ranch to the competitive arena. Both the cow work portion of this event and the reined work portion are mandatory. Scoring emphasis on the cow work portion shall be based on the horse maintaining control of the cow at all times, exhibiting superior cow sense and natural cow working ability without excessive reining or spurring. The greater the difficulty of the run, the more credit should be given. The difficulty may be due to the extreme speed or stubbornness of the cow, or the cow’s reluctance to move down the fence when sufficiently driven by the contestant. The most controlled cow work with the highest degree of difficulty should be marked the highest. Failure of an exhibitor to attempt to complete the cow work portion of the class, as well as the reined work portion, will result in the exhibitor not being considered an entry in the class. A horse that attempts to complete the cow work and has not been disqualified will be scored accordingly at the judge’s discretion. A horse going off pattern in the reined work will receive a score of zero. A horse that attempts both the reined work and the cow work portion may be placed, even if disqualified in one portion of the class. (Example: If a horse is disqualified and receives a 0 score for the reined work, but scores a 70 for the cow work, its total score would be a 70 and the horse would be eligible for placing.) However, the fall of a horse and rider being judged shall be cause for disqualification and not eligible to be placed.

SHW505.1 The approved pattern will be used and each contestant will cause his horse to travel at the gait indicated for each part of the pattern (patterns pages 214-225). When judging reined work, maneuver evaluations and penalty applications are to be determined independently. The following penalties will be applied to each occurrence and be deducted from the final score:

SHW505.1.1 One-Half (1/2) point
- Not changing leads simultaneously
- Over or under spin 1/8 turn
- Jogging first two strides

SHW505.1.2 One (1) point
- Out of lead
- Out of lead each 1/4 circle
- Slipping a rein in the bridle
- Scotching or anticipating a stop
- Over or under spinning up to 1/4 turn

SHW505.1.3 Two (2) point
- Lead missed around end of arena past second corner
- Not ever changing leads in patterns where there is only 1/2 circle
Failure to run by marker before stop is initiated
Freezing up in turn
Breaking gait (Break of gait is defined as when the cadence of the lope is disrupted or not maintained. Break of gait only occurs from the lope gait)
Jogging beyond two strides
On trot in patterns, failure to “stop” before executing a lope departure
A stop in the first 1/4 of the circle, after a lope departure, is a break of gait

**SHW505.1.4 Five (5) point**
Spurring or hitting in front of the cinch at any time, or excessively whipping or spurring the horse
Blatant disobedience, defined as kicking, biting, bucking, rearing, striking, or obviously insubordinate

**SHW505.1.5 0 Score**
Failure to complete the pattern as given
Using two hands on the reins in a bridle or two rein class
Fingers between the reins in a bridle class except in the two rein class
Horse balking
Bloody mouth
Illegal equipment
Leaving the working area before pattern is complete
Fall of horse or rider
Backing more than two strides, when backing is not called for
Jogging in excess of 1/2 circle or 1/2 the length of the arena
Improper western attire
Failure to work in the proper working order
A judge may blow his/her whistle at any time to terminate the work if the work is not completed at the time the judge blows the whistle
Abuse
Lameness of the horse

**SHW505.1.6** Failure of an exhibitor to attempt to complete the cow work portion of the class, as well as the reined work, will result in the exhibitor not being considered an entry in the class.

**SHW505.2** In approved working cow horse classes, any of the twelve approved AQHA working cow horse patterns may be used. One of the twelve is to be selected by the judge of the class and used by all contestants in the class. All trot-in patterns may be modified to lope-in patterns. When selecting a lope-in pattern, judges should take into consideration the direction of the exhibitor’s approach to the arena center so the horse can be on the correct lead from the gate to the start of the patterns. Rider will walk through the gate and, without trotting, pick up the correct lead and continue loping to the center of arena. At the center, without stopping or breaking gait, begin pattern. When using a lope to the center pattern, judging of the pattern will begin at the center of arena. Penalties occurring while loping to the center of arena to begin pattern will be assessed.

**SHW505.3** For an ideal cow work, each contestant, upon receiving a cow in the arena, shall hold the cow on the prescribed end of the arena for sufficient time to demonstrate the ability of the horse
to contain the cow on that end. After a reasonable amount of time, the contestant shall take the cow down the fence, making at least one turn each way on the fence. The contestant shall then take the cow to an open part of the arena and circle it at least once in each direction. The required pattern for the cow work is boxing, fence turns and circles, in that order. It is the judge’s responsibility to control the pen and treatment of all cattle.

**SHW505.4** The judge should take into consideration the size of the arena, condition of ground and the disposition and degree of difficulty exhibited by the cattle worked.

**SHW505.5** At the discretion of the judge, cow work may be done immediately following each individual’s pattern work or immediately after completion of pattern work by all horses being exhibited.

**SHW505.6** The judge may blow his/her whistle at any time during the work. One whistle to terminate the work, two whistles to award a new cow. If the judge awards a new cow, the exhibitor has the option to refuse the new cow by continuing to work. If the exhibitor intends to accept the new cow, he or she must pull up immediately. If at any time a judge feels that the contestant is out of control endangering themselves and/or their horse, the judge may terminate the work, and a score of zero will be given. In the case of an emergency (such as a person falling into the arena or part of the arena falling apart) the judge may blow two whistles for a second time. At this point, the contestant has no option to continue and must receive a new cow. Contestant must pull up immediately or a score of zero will be given. Judging ends when the whistle blows. A score of zero will be given if the work is not complete at that point.

**SHW505.7** If time and number of cattle permit, the judge may, at his discretion, award new cattle, to enable the contestant to show his horse’s ability on the cow, based on the following criteria:

- **SHW505.7.1** the cow won’t or can’t run;
- **SHW505.7.2** the cow won’t leave the end of the arena;
- **SHW505.7.3** the cow is blind or won’t yield to the horse;
- **SHW505.7.4** the cow leaves the arena.

**SHW506. SCORING.** Scoring will be on the basis of 60-80, with 70 denoting an average performance. The same basis of scoring shall apply to both the reined work and cow work. In the event of a tie, the entry with the highest cow work will be declared the winner. Maneuver evaluations and penalty applications are to be determined independently. The following penalties will be applied to each occurrence and be deducted from the final score:

**SHW506.1 One (1) point**

- Loss of working advantage
- When the cow’s head breaks the plane of the 1 point marker
- Changing sides of arena to turn cow. (1 point each time)

- Excessive hollering

**SHW506.2 Two (2) points**

**SHW506.3 Three (3) points**
- Exhausting or overworking the cow before circling

The goal of this class is to introduce the rider to the “boxing” phase of the cow work. Judging begins when the contestant enters the arena. There shall be no schooling between the completion of the rein work and the cow work, or between cows if a new cow is awarded. The penalty for this is -0-. Each contestant upon receiving a cow in the arena, shall hold that cow on the prescribed end of the arena for 50 seconds, demonstrating the ability of the horse and rider to control the cow. It is legal to hold the reins and romal in one hand (rein hand) while boxing the cow. Time shall begin when the gate closes behind the cow after being let into the arena. SHW520. ROPING EVENTS. The purpose of an AQHA roping class is to provide an opportunity for the horse to demonstrate and be judged on its natural talent and ability, its willingness to perform, and the level of training that makes it suitable for competitive timed roping events outside the AQHA arena. The rope horse will be evaluated through a series of individually judged maneuvers that when combined result in a score that most accurately exemplifies that rope horse’s ability to allow its rider to catch and handle a calf and/or steer most efficiently and effectively.

SHW520.1 Horses must start from the roping box.

SHW520.2 Tie down roping and heading horses only (whether being judged or not) in dally team roping must start from behind a barrier (an electronic barrier is acceptable).

SHW520.3 Only the horse’s performance, including manners behind the barrier and at all other times, is to be judged.

SHW520.4 The contestant shall not attempt to rope the animal until the barrier flag has been dropped. Any attempt by a contestant to position his horse behind the barrier enabling the contestant to rope the animal without attempting to leave the box shall be disqualified.

SHW520.5 Any jerking reins, talking or any noise making, slapping, jerking rope or any unnecessary action to induce the horse to perform better, will be considered a fault and scored accordingly.

SHW520.6 Participation in jackpots paid on time in roping events must be at the contestant’s option.

SHW520.7 In all roping events, a run must be completed within a one-minute time limit.

SHW520.8 All heading and heeling cattle shall be protected by horn wraps.

SHW521. The judge may at his discretion award new cattle to enable contestant to show his horse’s ability on the cow including:

SHW521.1 The cow won’t run or stops,

SHW521.2 Chute or barrier malfunctions,

SHW521.3 Cow turns back immediately,

SHW521.4 Cow leaves arena,

SHW521.5 If the barrier works and the contestant breaks out, a penalty will be assessed. The penalty will be carried over on a re-run.

SHW522. LEGAL CATCHES. Whether being judged or not, legal catches are required by both the header and heeler.

SHW522.1 Legal catches in heading are both horns, half-head and around the neck.

SHW522.2 Legal catches for heeling include a catch that holds from behind the steer’s shoulders and back, around the flank, or on one or both heels.

SHW522.3 Any figure-eight, front leg or the tip of a horn is not a legal heading catch.

SHW522.4 A tail only is not a legal heeling catch.

SHW525. TIE-DOWN ROPING. The roper may throw only two loops and must be done so within a one-minute time limit. The one-minute time limit is from the time the calf leaves the chute until the roper signals the time is complete. Although the time limit stops when the roper signals the tie is complete, the horse will continue to be judged until the rider has mounted the horse and ridden forward.

SHW525.1 In open division competition, if more than one loop is thrown, the roper must carry a second rope tied to the saddle, and this rope must be used for the second loop.
SHW525.2 Youth or amateurs who desire to throw the second loop, may recoil rope or use a second rope tied to saddle. 

SHW525.3 If the roper fails to catch, he will retire from the arena with no score. 

SHW525.4 Any catch that holds is legal, but rope must remain on calf until tie is completed and roper has mounted horse, and ridden forward. 

SHW525.5 If calf is not standing when roper reaches calf, the roper must re-throw calf by hand, crossing any three feet, and tie with not less than one complete wrap and a half hitch. In select amateur classes only, the select roper will not be required to re-throw the calf. In amateur classes, a select amateur exhibitor must re-throw the calf. 

SHW525.6 Rope must be run through a foul rope around the horse’s neck, and may, at the discretion of the rider, be run through a “keeper”. If a keeper is used, it must be attached to the noseband of the tie-down but never in front of the head stall and cannot be attached to the bridle or bit. 

SHW525.7 Only the roper may touch the calf while the horse is being judged. Roper may dismount from either side and leg or flank calf. 

SHW526. SCORING. Scoring will be on the basis of 0-100, with 70 denoting an average performance. Each maneuver will be scored from a plus three to a minus three, in 1/2 point increments. 

SHW526.1 The tie-down roping horse will be judged on four different maneuvers: 
- box and barrier 
- running and rating 
- stop 
- working the rope 

SHW527. Penalties. Manuever evaluations and penalty applications are to be determined independently. The following penalties will be applied to each occurrence and be deducted from the final score: 

SHW527.1 One (1) point 
- dragging the calf including while being tied, deduct 1 point for each 3 feet moved – up to 12 feet. The drag penalty comes into effect from the time the roper has the calf flanked and is in control on the ground until he re-mounts and rides forward. 

SHW527.2 Two (2) points 
- freeze-up in the box (refusing to move) 
- jumping the barrier 
- setting up or scotching 
- rubbing the rope 
- failure to continue backing while roper is flanking the calf 
- slack in the rope 

SHW527.3 Three (3) points 
- a two-loop run 
- bringing the calf over backwards with the calf landing on its back or head with all four feet in the air. (Youth and Amateur only) 

SHW527.4 Five (5) points 
- refusing to enter the box 
- rearing in the box 
- breaking the barrier 
- running into the calf 
- horse walking up the rope (rope on ground) 
- blatant disobedience including kicking, biting, bucking, rearing
and striking

SHW527.5 Disqualified 0 – Score

- failure of calf to stay tied until roper has remounted and ridden forward to loosen rope
- excessive schooling at any time in the arena
- whipling or hitting the horse with the rope
- initiating the run with the rope on the opposite side of the horse’s neck than exhibitor’s roping hand
- dragging the calf, while being tied or after the calf is tied, more than 12 feet
- any attempt by a contestant to position his horse behind the barrier enabling the contestant to rope the animal without attempting to leave the box
- inhumane treatment of the animal being worked, such as, but not limited to rider hitting or kicking the animal
- bringing the calf over backwards with the calf landing on its back or head with all four feet in the air (open division only)

SHW527.6 Faults to be scored according to severity include:

- jerking the reins
- slapping
- jerking the rope or any unnecessary action to enhance the performance of the horse
- turning around in the box
- turning head severely
- squatting in the corner
- stopping crooked
- rearing up in stop
- ducking off
- looking off while working the rope
- shying away while roper is remounting

SHW528. BREAKAWAY ROPING. This event shall be performed following the same general rules as youth tie-down roping, and is available only in the amateur and youth divisions. This is a timed event with a one-minute time limit and calves must be used.

SHW528.1 Horses must start from behind a barrier.

SHW528.2 A 10-second penalty will be added to the time for breaking the barrier.

SHW528.3 Two loops will be permitted. One or two ropes are to be tied to the saddle horn by a heavy string, in such a manner as to allow the rope to be released from the horn when the calf reaches the end of the rope. A visible cloth or flag must be attached to the end of the rope tied to the horn to make it easier for the flagger to see it break free.

SHW528.4 If the roper is carrying one rope and the roper desires to use a second loop, he/she may recoil provided the rope is still tied by a string to the saddle horn. If the rope is no longer attached to the saddle horn with the string after the roper has thrown the first loop, it cannot be rebuilt for a second throw. If the roper is carrying two loops he may use the second loop provided it is still attached to the saddle horn with a string. If the second loop falls loose, it cannot be rebuilt.

SHW528.5 The contestant may free his first rope from the horn after a miss, before getting his second loop ready if he wishes.

SHW528.6 The contestant shall receive no time should he break the rope from the horn by hand or touch the rope or string after the catch is made. If the rope dallies or will not break free when the calf
reaches the end of it, the contestant will receive no time.

**SHW528.7** Time will be called from drop of flag at barrier to the break of rope string from the saddle horn. A legal catch is a loop that passes over the head of the calf and then holds on any part of the calf to cause the string to break away from the saddle horn. Roping the calf without releasing the loop from the hand is not permitted.

**SHW528.8** The contestant shall not attempt to rope the animal until the barrier flag has been dropped. Any attempt by a contestant to position his horse behind the barrier, enabling the contestant to rope the calf without leaving the barrier or box, shall be considered a disqualification.

**SHW528.9** Rope may not pass through bridle, tie-down, neck rope or any other device.

**SHW528.10** A judge may, at his discretion, use the ring steward, flagger, other show officials or approved judges to assist as barrier judges and to help determine legal catches or any rule infractions.

**SHW529. DALLY TEAM ROPING.** The heading horse and the heelng horse are to be entered and scored individually, not as a team. If a contesting horse makes more than one run as a header, or as a heeler, it must be designated ahead of time as to which run is to be judged.

**SHW529.1** All heading and heeling cattle shall be protected by horn wraps.

**SHW529.2** Legal catches are required by both the header and heeler. See LEGAL CATCHES.

**SHW529.3** The roper on the horse being judged may throw only two loops. If more than one loop is thrown, rider must recoil rope and build additional loop or loops. If the roper fails to catch, he will retire from the arena with no score.

**SHW529.4** The rider who is heeling for the header may use two loops within the one-minute time limit from the time the steer is released from the chute.

**SHW529.5** The rider who is heading for the heeler may use two loops.

**SHW529.6** The header must head the steer and the heeler must heel the steer. Horses cannot switch positions.

**SHW529.7** Riders are to stay mounted. When both ropes are dalled and both horses are facing on tight rope, run is completed. Prohibit excessive stretching of the steers. Definition of excessive stretching is intentional and continuous stretching of the steer after the horses have faced. The rope must be wrapped around the saddle horn at least one complete turn before it is considered a dally. Riders age 50 and over and females are permitted to have their rope tied onto the horn of the saddle when heeling.

**SHW529.8** Each contestant will select the other member of his team, who may or may not be competing in this class.

**SHW529.9** The amateur being judged may be assisted by anyone, amateur or non-amateur.

**SHW529.10** The youth being judged may be assisted by any youth, contestant or non-contestant, or any adult.

**SHW530. SCORING.** Scoring will be on the basis of 0-100, with 70 denoting an average performance. Each maneuver will be scored from a plus three to a minus three, in 1/2 point increments.

**SHW531.** The heading horse will be judged on four different maneuvers:
- Box and barrier
- Running and rating
- Setting and handling
Facing

**SHW532. Penalties.** Maneuver evaluations and penalty applications are to be determined independently. The following penalties will be applied to each occurrence and be deducted from the final score:

- jumping the barrier
- setting up or scotching
- ducking off
- failure to face completely
- freeze up while facing

**SHW532.2 Three (3) points**
- additional loop on either end

**SHW532.3 Five (5) points**
- refusing to enter the box
- rearing up in box
- broken barrier
- running into the steer
- refusing to pull
- blatant disobedience including kicking, biting, bucking, rearing and striking

**SHW532.4 Disqualified 0 – Score**
- intentional and continuous stretching of the steer after the horses have faced
- excessive schooling at any time in the arena
- whipping or striking the horse with the rope
- if both the header and heeler fail to complete both catches within one minute from the time the steer leaves the chute
- loss of rope by either the header or the heeler
- failure of the roper on the horse being judged to catch with no more than two loops. If more than one loop is thrown, rider must recoil rope and build an additional loop.
- failure to maintain a dally through the completion of the run. The rope must be wrapped around the saddle horn at least one complete turn before it is considered a dally
- refusal to face

**SHW532.5 Faults to be scored according to severity include:**
- jerking the reins
- slapping
- jerking the rope or any unnecessary action to enhance the performance of the horse
- turning around in the box
- turning head severely
- squatting in the corner
- incorrect position
- failure to rate
- failure to run to steer
- horse being outrun by the steer

**SHW533. The heeling horse will be judged on four different maneuvers:**
- Box
- Run and rate
- Position
- Stopping

**SHW534. Penalties.** A heeling horse will be penalized as follows:

**SHW534.1 Two (2) points**
header breaking the barrier

**SHW534.2 Three (3) points**
additional loop on either end

**SHW534.3 Five (5) points**
refusing to enter the box
rearing up in box

squatting in the corner
incorrect position
failure to be in correct lead before horse moves into position on the steer

**SHW540. TEAM PENNING.** A team of three riders must sort three specifically identified head of cattle from a herd and then pen them at the other end of the arena. Time continues until all unpenned cattle are completely on the cattle side of the starting line, within a specified time limit. The fastest time wins.

**SHW540.1** The numbers and working order will be drawn by the judge and show management before the start of the contest.

**SHW540.2** All cattle will be bunched on the cattle side of the starting line before the time begins.

**SHW540.3** There shall be two flagmen, one at the entrance to the pen and one at the start/foul line. The judge must be located at the start/foul line, and may or may not actually flag the contest at his/her discretion.

**SHW540.4** There shall be at least two timekeepers. The first timer shall be the official time and the second timer shall be the back-up time, in the event the first timer misses the time or his watch fails.

**SHW540.5** The line flagman will raise the flag to signal when the arena is ready.

**SHW540.6** Contestants will be given their cattle penning number
when the line flagman drops his flag as the nose of the first horse crosses the starting line. Riders are committed once they cross the start line.

**SHW540.7** Once committed to the cattle, the team is responsible for their animals. It is the team's responsibility, before working the cattle, to pull up and call for a judge's decision if, in their opinion, there is an injured or unusable animal in their numbered cattle. Once the cattle are worked, no excuses are accepted.

**SHW540.8** If for any reason a team does not participate after the order of go has been drawn, their cattle number will be drawn and announced in the order the team would have run. The drawn number will not be used in that set of teams. This will avoid changing the order of go for the other contestants.

**SHW540.9** Three divisions, all-age youth, all-age amateur and all-age open may be offered. Select amateur classes may also be offered as a separate class from all-age amateur.

**SHW540.10** A snaffle bit, curb bit or hackamore may be used no matter the age of the horse and may be ridden two handed.

**SHW540.11** Cattle numbers must be minimum of six inches (15 cm) tall. Numbers must be applied to both sides of the animal, high up on its side, with the top near the midline of the animal's back between the shoulder and the hip.

**SHW540.12** The optimum number of cattle per herd is 30; however, a maximum of 45 are allowed and a minimum of 21 per herd is required even if there are less than seven teams. All cattle within a herd must be numbered in groups of three.

**SHW540.13** There must be three head of assigned (identical numbers) cattle per team in the herd as each new team begins a run.

**SHW540.14** There must always be the same number of cattle in each of the herds used in a go-round.

**SHW542. Measurement.** The starting and foul line must be designated by markers located on the arena fence, and easily viewed by the line judge and the exhibitors. The foul line shall be between 30 percent and 35 percent of the arena length from the cattle end of the arena, and the foul line shall be determined and advertised as such by the show manager. The foul line may be extended by five percent for each 10' beyond 110' in width, to accommodate bigger, wider arenas. The entry gate to the pen shall be situated 25 percent of the distance from the arena back wall, but shall not be less than 55 feet from the arena back wall.

**SHW543. Time.** Show management may use 60, 75 or 90 second time limits for each division, but must advertise accordingly.

**SHW543.1** A warning must be given to the team working the cattle at 30 seconds, prior to a final time being called.

**SHW543.2** To call for time, one rider must stand in the gate and raise a hand for the flag. Flag will drop when the nose of the first horse enters the gate and the rider calls for time.

**SHW543.3** Time continues until all unpenned cattle are completely on the cattle side of the starting line.

**SHW544. Penalties.** All penalties incurred will be added to a qualified run even if the penalty time exceeds time limit.

**SHW544.1 Reruns**

**SHW544.1.2** In the event the 30 second warning is not given, a rerun may be given at the request of the team. If the team requests a rerun, the cattle will be settled and a rerun will immediately be given using the same numbered or color-

banded cattle, with a 60 second penalty.

**SHW544.1.3** If an animal leaves the arena, either over or through the fence, the team can either be disqualified for unnecessary roughness, or can be given a rerun, depending on the judge’s decision. If a rerun is given, it must be given at the end of that set of cattle.

**SHW544.1.4** If no fresh cattle are available for reruns, the cattle to be used will be determined by the show management and judge. If more than one rerun is given in any go-round, they will be taken in order of occurrence. If cattle are to be re-used and additional fresh cattle are needed, the used cattle must be mixed with fresh cattle and renumbered. Every attempt must be made to insure each team works the same number of used and fresh cattle.

**SHW544.1.5** If a team is given a number that has already been used within a given herd, a rerun must be given immediately, using the correct number within that same herd. Should the error be discovered after the herd has been removed from the arena, then the rerun will be given at the end of the total go-round using the same herd.

**SHW544.1.6** In the event more or less than three assigned (identical numbers) cattle are discovered within a herd, the team(s) with more or less than three assigned cattle must have a rerun at the end of that set of cattle. Times for all other teams within such a mis-numbered herd will remain the same.

**SHW544.1.7** Cattle cannot be reused within a go-round of a division except as specified in above rule for reruns.

**SHW544.2 No Time**

**SHW544.2.1** will be given if an animal is knocked or cut into the pen after time is called

**SHW544.2.2** if an animal escapes from the pen, when team is calling for time

**SHW544.2.3** if animal escapes from the pen, when team is calling for time prior to the time when all unpenned cattle are on the cattle side of the starting line. Escaped animal is one with any part of the animal coming out of the opening of the pen

**SHW544.2.4** if team exhibits any unnecessary roughness.

**SHW544.2.5** excessive use of a whip, rope, crop, bat or reins anywhere on the horse

**SHW544.2.6** Any part of the trash animal that crosses the line will invoke a no time

**SHW544.2.7** any wrong numbered cattle across the line “no trash rule”

**SHW544.3 Disqualification**

**SHW544.3.1** any delay by the contestants to start

**SHW544.3.2** contact with cattle by hands, hats, ropes, bats, romal or any other equipment. No hazing with whips, hats or ropes allowed. Romals or reins may be swung or popped on chaps

**SHW544.3.3** unnecessary roughness to cattle or horses or unsportsmanlike conduct

**SHW544.3.4** fall of horse and/or rider shall not eliminate the entry; however any attempt by a dismounted rider to work cattle before remounting will result in a disqualification

**SHW544.3.5** disqualification of a team member will result
in disqualification of the entire team.

**SHW545. Placing/Ties.** A team may call for time with only one or two assigned cattle being penned. However, teams penning three head of cattle place higher than two, and two higher than one, regardless of time. In multiple go-round contests, teams that pen in each go-round will beat teams that fail to pen in a go-round, regardless of the number of cattle penned or time. In a multiple go-round contest, teams must pen to advance. In multiple go-rounds, times and cattle count are accumulated to determine placings.

**SHW545.1** In the event of a tie affecting the placings, each team will be allowed to pen one numbered animal. Fastest time breaks the tie.

**SHW545.2** Points will be awarded based on the number of teams entered. For every five teams there will be a point awarded to each of three winning team members.

**SHW547. Ranch Sorting.** Ranch sorting is derived from the ranching practice of sorting cows from calves or steers from heifers where finesse, agility and cattle working skills excel. It is a fun competitive timed event that matches a two rider team against II head of cattle to be sorted in numerical order from one sorting pen to another. The most cattle sorted in the fastest time wins. This family-oriented class showcases the great American ranching heritage in arenas all across the country. Points will be awarded based on the number of teams entered. For every five teams there will be a point awarded to each of the two winning team members. The basic concept of ranch sorting is that there are ten numbered cattle, 0-9, and one unnumbered for a total II head at the beginning of a run behind a foul line in an arena with two people mounted on the other side of the foul line.

**SHW547.1** Ranch sorting will take place between two pens of approximately equal size with show management’s option of working cattle back and forth or only one way. Two ranch sorting arenas may be placed side by side with odd numbered teams in one arena and even numbered teams in the other arena. If cattle are to be worked back and forth, they need to be moved to the opposite pen and back before each new herd entering the arena is worked. Recommended sorting area to be 50’ - 60’ in diameter with no 90 degree corners, i.e. 60’ round pen or octagonal “stop sign” design.

**SHW547.2** The start foul line will be recommended as a 12’ - 16’ opening between the two pens.

**SHW547.3** There will be either a 90, 75 or 60 second clock for each class, at the option of show management. The official clock is the electronic display clock and is required at all sorting shows. The official time of each run is determined by the amount of time used until all IO cattle are sorted or the time limit has expired. Time will continue until all cattle are sorted in the correct order or the time limit is reached, either of which becomes the official time for that team.

**SHW547.4** A lap timer is to be used in all sorting classes to break ties where the cattle count is equal in runs of less than 10 cattle sorted. The stop watch used for lap time purposes will also be the back-up timer in the event of a malfunction of the electronic display clock. Lap times are cumulative in multiple go-round events as well as the number of cattle sorted, but do not replace the official time of each run. Lap times only come into play when the cattle counts and the official times are identical.

**SHW547.5** There will be a minimum of one judge for sorting, to be positioned evenly with the foul line.

**SHW547.6** All cattle will be bunched on the cattle side of the gate.
RIDERS ENTER AT GATE IN ARENA WITH NO CATTLE. CATTLE SORTED TO OPPOSITE ARENA WILL BE SORTED BACK BY NEXT TEAM.

RIDERS ENTER AT GATE IN ARENA WITH NO CATTLE. TEAMS ARE DIVIDED AND ARENAS DESIGNATED AS EVEN AND ODD. AS ODD TEAM SortS, EVEN TEAM stages TO EMPTY ARENA UNTIL ODD TEAM COMPLETES SORT AND VICE VERSA. CATTLE SORTED TO OPPOSITE ARENA ARE RETURNED BY TEAM THAT SORTED. NEXT TEAM SHOULD ONLY ENTER WHEN CATTLE HAVE BEEN RETURNED AND SETTLED BY PREVIOUS TEAM.
within the designated area before the time begins. At the conclusion of each run, the judge will designate the need to bunch cattle.

**SHW547.7** The judge will raise the flag to signal when the arena is ready. The flag will drop when the nose of the first horse crosses the start/foul line and the announcer will provide the number to be sorted first. The riders will be given their number instantly. Any delay in crossing the foul line may result in a “no-time” for the team. With particular interest, that no one or two cattle are isolated.

**SHW547.8** All cattle must have approved back numbers; neck numbers are not acceptable. The cattle are sorted in order. If any part of a numbered cow crosses the start/foul line prior to its correct order, then the team receives a no-time. If any part of a sorted cow re-crosses the start/foul line, the team will be disqualified. If any part of any unnumbered cow crosses the foul line before the tenth cow is cleanly sorted, it will result in a no-time.

**SHW547.9** The order of sorting is determined by the picking of a random number by the announcer/timer and then that cow must be sorted first. For instance, if 5 is drawn as the first number, 5 is sorted first, then cow 6 must be sorted, 7, 8, 9, 0, 1 and so on. A cow is considered sorted when the entire cow is completely across the start/foul line. If two or more cows cross the line together as long as the nose of the correct number or numbers cross the line first the cattle are considered to be in order regardless of whether they finish crossing in that order.

**SHW547.10** If there is a malfunction of the sorting pen or a numbered cow jumps any fence and either leaves the arena or ends up in the opposite pen, but did not pass through the gate, (assuming it was not caused by roughing of the cattle) at judge’s discretion a re-ride or a no time can be given. All re-rides will occur immediately using the same numbered cattle starting at 0 cattle with a new clock. Time can also be given on sorted cattle at the time a numbered cow leaves the arena.

**SHW547.11** Should a herd be numbered incorrectly or have too many non-numbered cattle, a rerun must be given immediately using the correct number within the same herd. If a duplicate number is called within the same set of cattle a re-ride will be given immediately upon point of discovery using the same set of cattle with any number that has not already been used. Those re-rides will begin at zero time and zero cows. Re-rides may also be given for official or mechanical errors or downed cattle. In these cases, contestants will be given the option to take their time on the number of cattle sorted when the run is stopped by the official or re-ride immediately with the same numbered cow beginning at a time of zero.

**SHW547.12** Prior to a team crossing the start/foul line the team must notify the judge of any unnumbered, injured or unfit cattle. Once brought to the judge’s attention the judge (not the contestants) will determine whether to correct the problem or proceed forward. No re-rides will be given once a team has committed to the cattle by crossing the start/foul line. If at the judge’s discretion, a re-ride is given because of unnumbered, injured or unfit cattle, the re-ride will occur immediately using the same numbered cattle once unnumbered, injured or unfit cattle are replaced.

**SHW547.13** Any unnecessary roughness to cattle or horses or unsportsmanlike conduct may result in disqualification.

**SHW547.14** Any excessive use of a whip, rope, crop, bat or reins anywhere on the horse will be cause for disqualification.

**SHW547.15** Three divisions, all-age youth, all-age amateur and all-age open may be offered. Select amateur classes may also be
offered as a separate class from all-age amateur. Points will be awarded based on the number of teams entered in the class. For every five teams, there will be a point awarded to each of the two winning team members.

**SHW547.16** In multiple go round events, teams must sort cleanly with a time to advance.

**SHW547.17** A snaffle bit, curb bit or hackamore may be used no matter the age of the horse and may be ridden two handed.

**SHW547.18** Spotting of cattle is permissible.

**SHW550. VERSATILITY RANCH HORSE DIVISION (VRH)**
The versatility ranch horse division demonstrates the performance, versatility and conformation of the American Quarter Horse as a working ranch horse. The intent is to reward an exhibitor and/or horse based on their level of expertise.

**SHW551. APPROVAL.** Show approvals for VRH will fall under the same rules and regulations as other AQHA events, SHW100.

**SHW552. DIVISIONS.** Four divisions will be offered: open, cowboy, amateur, and youth.

**SHW552.1** Open exhibitors would be allowed to show three junior horses and three senior horses in each class if held as a Junior/Senior class. If held as an all-age class, an open exhibitor could show up to four horses in each class.

**SHW552.2** Cowboy, amateur and youth exhibitors would be eligible to show up to three horses in each class. AQHA criteria will be used to determine eligibility for open, amateur and youth exhibitors.

**SHW552.3** The cowboy division is for working ranch cowboys. The rider of the horse must either be an owner, family member or full-time employee of the ranch that owns the horse. Employees must have been employed for a minimum of 90 days prior to competing in the ranch horse competition. The rider must have less than $15,000 per association lifetime earnings in any of the following: NRHA, NCHA, NRCHA, ACHA, RHA, ASHA, NRSHA or SHTX or less than 25 AQHA or APHA open points in reining, cutting, ranch cow horse or versatility ranch horse within the previous 10 years, including earnings reported by Q Data, Equistat and other verifiable resources. No exhibitor can have earned more than $15,000 in any individual association, including earnings reported by Q Data, Equistat and other verifiable resources.

**SHW552.4** For an exhibitor to be eligible in the amateur or youth rookie division, the exhibitor must have earned no more than ten (10) lifetime points in that class in any breed association (including but not limited to AQHA, APHA, AQHA VRH All Around); or $500 in a national organization (including but not limited to NCHA, NRCHA, NRHA, RHAA, NRSHA, NSBA) in any western performance discipline (including but not limited to western pleasure, working cow horse, reining, cutting, trail.) Accuracy of eligibility is the responsibility of the exhibitor. Eligibility is from January 1 - December 31.

**SHW553. SHOW MANAGEMENT:** Show management will have the option of offering only one cattle class. This can either be ranch cutting or ranch cow work. However both classes may be offered.

**SHW553.1** Ranch riding and ranch trail may be combined and held at the same time or held independently. If combined, each class will be scored individually and placed individually.

**SHW553.2** Ranch reining and ranch cow work may be combined and held at the same time or each class held separately. If combined,
each class will be scored individually and placed individually.

**SHW553.3** Multiple arenas may be used and encouraged in order to expedite the show in order to finish in a timely manner. Clinics or educational opportunities may be offered and encouraged to be held prior to the competition.

**SHW554. POINTS.** Points will be awarded in each individual class according to the placing received and based on the total number of horses competing in that particular class. Points earned in each individual class only count toward any award or qualification for the ranch division and do not count toward any other award or qualification for any other approved AQHA class or AQHA show award, and shall not affect leveling any other class.

**SHW555. ALL-AROUND VERSATILITY RANCH HORSE.**
The title of All-Around Versatility Ranch Horse will be named in the open, cowboy, amateur, limited amateur, youth and limited youth divisions for each show if earned. Each division is calculated independently for the number of horses competing in that division. Additional points based on the number of horses/exhibitors in that division competing for the All-Around will be awarded. To be eligible for points for the all-around versatility ranch horse title, one horse one rider must enter and show in all three categories. To qualify for the all-around versatility ranch horse, one cattle class must be included and the horse must also show in conformation. One additional class from the remaining category must be entered and shown. Additional classes may be entered and shown and will also count toward the All-Around. In order to compile all-around points, all horses must be placed in each class. Horses going for the all-around versatility ranch horse will be placed against each other in addition to their class placing. The first place horse in each class that is eligible for the all-around will receive 50 credits no matter the number of other horses entered or eligible. Second all-around will receive 49 credits and so on. For example, a horse competing for the all-around may place 16th in the class. If they are the first all-around placing entry they will receive 50 credits. The next all-around horse placed 22 in the class. They would receive 49 credits. The next all-around eligible horse places fourth in the class, they would receive 50 credits. The next all-around eligible horse places fourth in the class, they would receive 49 credits and so forth. After totaling credits, the horse receiving the highest number of credits in that division will be placed first for the All-Around versatility ranch horse in that division and receive additional points based on the number of horses competing for the all-around title. Points earned in the limited cow work classes do count for the title of limited All-Around Versatility Ranch Horse for limited amateur, and limited youth.

**SHW555.1** If there are ties in the final placing for the all-around versatility ranch horse they will be broken by the highest placing horse in the ranch cow work class, or limited ranch cow work class, whichever is applicable to the division.

**SHW555.2** Year-End High-Point will be awarded to the All-Around in each division including the limited amateur and limited youth, based on number of all-around total points and not in the individual classes.

**SHW556. CLASS PARTICIPATION.**

**SHW556.1** No horses less than 3 years of age may be exhibited.

**SHW556.2** No hoof polish.
SHW556.3 No braided or banded manes/tails or tail extensions, except in any VRH or RHC class where roping is involved, the horses mane may be braided for a distance of 12”–16” in front of the saddle pad. No ribbons or other kind of ornamentation will be allowed.

SHW556.4 Trimming inside ears is discouraged.

SHW556.5 Trimming bridle path is allowed, also trimming of fetlocks or excessive (long) facial hair.

SHW556.6 Equipment with excessive silver should not count over a good working outfit. Excessive silver on bridles and saddles is discouraged.

SHW556.7 Holding the saddle horn with either hand will not be penalized in any class.

SHW556.8 Posting at the extended trot is acceptable.

SHW556.9 For shows conducted in international countries, the exhibitor has the option of wearing traditional attire of the country.

SHW556.10 Romal reins are allowed in all VRH and RHC classes, including VRH and RHC Ranch Cutting. When riding with a romal, a get down rope may be used. A get down rope is defined as a small rope tied around the neck of the horse with a bowline or other non-slip knot and run back to the rider or tied to the saddle. The get down will be used to lead, ground tie, or tie the horse. When ground-tying with split reins, one or both reins may be dropped, romal reins may be loosely draped over the horse when used with or without a get-down rope. Hobbles are allowed.

SHW556.11 The use of two-rein equipment is allowed in working cow horse, boxing, ranch riding, ranch trail, all VRH classes and all RHC classes for one year only.

SHW556.12 When exhibiting in a snaffle bit or hackamore, an exhibitor may switch between two hands and one hand on the reins at any time.

SHW557. SCORING SYSTEM. The scoring system is designed to be positive, straightforward, and always encourage growth and improvement in both horse and rider. The scoring system is designed to give credit for the work done.

SHW557.1 Except for the conformation class, each horse/rider team is scored between 0-100 points and automatically begins the run with a score of 70 points. The horse/rider team is scored on the quality of each maneuver (e.g., -1 1/2 extremely poor, -1 very poor, -1/2 poor, 0 correct, +1/2 good, +1 very good, +1 1/2 excellent). Plusses and minuses are a reflection of the smoothness, finesse, attitude, quickness and authority of the horse/rider team when performing the various maneuvers. Penalties may be accrued for incorrect maneuver execution.

SHW557.2 In each class, the entire class will be scored and placed. All exhibitors in each class will be ranked according to scores, placed from the highest to the lowest scores. In the case of a horse/rider team being off-pattern (OP), repeated blatant disobedience, the horse/rider team cannot place above other horse/rider teams who have completed the pattern correctly.

SHW557.3 No horse/rider team shall be disqualified except for lameness, abuse, illegal equipment, disrespect or misconduct, leaving working area before pattern is complete, improper western attire and or fall of horse/rider. Disqualified horses will count as entries in the class, but will not receive points.
In the case of a fall by a horse or rider, the run shall end when the rider or horse fall to the ground. A horse is considered to have fallen when all four feet are extended in the same direction. A rider is considered to have fallen when the rider is no longer astride.

In the case of equipment failure that delays competition or becomes unsafe, the run is stopped and the horse/rider team will be given credit for what they have accomplished prior to that point but cannot place above other horse/rider teams who have completed the pattern correctly and will be considered off-pattern (OP).

In each class, specific maneuvers will be designated by the judge to be tiebreakers. The tie-breaker maneuvers will be made prior to the start of the class and so noted on score sheets. These maneuvers will be ranked as first tie-breaker, second, third and so forth.

Judges must be chosen from the AQHA Versatility Ranch Horse approved judges’ list. Judges shall use approved score sheets to score all classes. Specific maneuvers will be selected by the judge prior to the class as tie-breaking maneuvers. These maneuvers will be ranked as first tie-breaker, second, third etc.

During the class, a scribe shall assist each judge by recording the score after each of the maneuvers on the appropriate class score sheet. Judges shall sign their score sheets.

Class score sheets shall be posted as soon as possible after each class to allow riders to evaluate their performance.

Exhibitors competing for the All-Around Versatility Ranch Horse, shall have their class placing credits entered into the all-around tabulation. Credits from each class shall be added together for the overall placing for the event. Ties for the all-around versatile ranch horse are broken first using the highest placing in the ranch cow work class, or the limited ranch cow work class, whichever is applicable to the division. If this does not break the tie, other classes will be used in the following order: ranch cutting, ranch reining, ranch trail, ranch riding, and ranch conformation.

At the option of show management, when using two judges to determine one set of winners, the classes will first be placed under each judge and class placing points awarded and posted. One judge shall be designated as the “tie –breaker judge” before judging begins. The composite results (combined results used to determine an overall winner) shall be determined as follows: All class placing points will be added for each judge to determine an all-around winner. If there is a tie, the tie-breaker judge’s class placing will determine the winner. Ties for the all-around winner are broken first using the highest placing in the ranch cow work class, or the limited ranch cow work class, whichever is applicable to the division.

Challenges are open to any horse bred by an AQHA Ranching Heritage Breeder. Anyone can own and show these eligible and fully enrolled horses in the Challenges. The Challenges offer multiple divisions for various ages and skill levels for both horse and rider. Classes include working ranch horse, ranch cutting, ranch riding, team roping and
barrel racing.

**SHW559.2. APPROVAL.** Ranching Heritage Challenges may be held as stand-alone events or in conjunction with a Versatility Ranch show. There will be an approval fee of $100 per event. The shows may consist of six different classes: Working Ranch Horse, Limited Working Ranch Horse (Box-Drive-Box-Drive; amateur and youth only), Ranch Cutting, Ranch Riding, Team Roping and Barrel Racing.

**SHW559.3. DIVISIONS.** Ranching Heritage Challenge shows will offer certain divisions for specific levels of riders, but exclusively to horses bred by AQHA Ranching Heritage Breeders whose horses are fully enrolled.

**Open** – For any exhibitor with any horse regardless of ownership. Both the owner and the exhibitor must be members of AQHA in good standing.

**Limited Open** – For any exhibitor with less than 25 AQHA or APHA Open Points in Reining, Cutting or Working Cow Horse within the previous 10 years. For exhibitors with less than $15,000 lifetime earnings in any of the following: NRHCA, NCHA, NRHA, ACHA, RHAA, ASHA, NRSHA, or SHTX, including earnings reported by Q Data, Equistat and other verifiable resources. No exhibitor can have earned more than $15,000 in any individual association, including earnings reported by Q Data, Equistat and other verifiable resources.

**Amateur** – For any exhibitor meeting AQHA Amateur eligibility and ownership requirements and holds a current AQHA amateur card.

**Level 1 Amateur** – For any amateur member meeting AQHA Level 1 eligibility requirements as described in SHW245.

Employees must have been employed for a minimum of 90 days prior to competing in the Ranching Heritage Challenge. The rider must have less than $15,000 lifetime earnings in any of the following: NRCHA, NCHA, NRHA, ACHA, RHAA, ASHA, NRSHA, or SHTX or less than 25 AQHA or APHA Open Points in Reining, Cutting, Working Cow Horse or Versatility Ranch Horse within the previous 10 years, including earnings reported by Q Data, Equistat and other verifiable resources. No exhibitor can have earned more than $15,000 in any individual association, including earnings reported by Q Data, Equistat and other verifiable resources.

**Youth** – For any AQHYA member in good standing.

**Level 1 Youth** – For any youth member meeting Level 1 eligibility requirements as described in SHW245.

**SHW560. VRH and RHC RANCH RIDING.** The purpose of the ranch riding class is to measure the ability of the horse to be a pleasure to ride while being used as a means of conveyance from performing one ranch task to another. The horse should reflect the versatility, attitude and movement of a working ranch horse riding outside the confines of an arena. The horse should be well-trained, relaxed, quiet, soft and cadenced at all gaits. The ideal ranch horse will travel with forward movement and demonstrate an obvious lengthening of stride at extended gaits. The horse can be ridden with light contact or on a relatively loose rein without requiring undue restraint, but not shown on a full
drape of reins. The overall manners and responsiveness of the ranch riding horse to make timely transitions in a smooth and correct manner, as well as the quality of the movement are of primary considerations. The ideal VRH ranch riding horse should have a natural ranch horse appearance from head to tail in each maneuver.

**SHW560.1** No horse may cross enter western pleasure and ranch riding at the same show regardless of the division. Show management may run AQHA ranch riding and full versatility ranch horse ranch riding concurrently if held within a VRH show. If held concurrently, AQHA ranch riding rules (SHW416-419.8) will apply.

**SHW560.2** Horses shall be shown individually and the class may be conducted inside or outside of an arena. The pattern may be started either to the right or left direction. Show management has the option to set markers to designate gait changes. If the class is held inside an arena, the course shall be set up to make approximately one pass of the arena in each direction. The optional ranch riding pattern may be used or another pattern may be used as long as all elements of the class are fulfilled as follows:
- Horses will be shown individually at three gaits; walk, trot and lope in each direction of the arena.
- Horses will also be asked to reverse, stop and back.
- The judge must ask for an extended trot and extended lope at least one direction of the ring.

**SHW560.3 CREDITS AND PENALTIES.** Part of the evaluation of this class is on smoothness of transitions. A horse may be collected from the extended trot as the horse moves into the lope. The transition from the extended lope down to the trot is a transition to the seated trot not the extended trot. Therefore, an extra cue to achieve this gait is expected. Horses that complete this total transition within three strides calmly and obediently should be rewarded. Horses that attempt to stop or do stop prior to trotting will be penalized. Judges expect to see horses that have been trained to respond to cues. To see these cues applied discretely and the horse responding correctly could be a credit-earning situation. **Maneuver evaluations and penalty applications are to be determined independently. The following penalties will be applied to each occurrence and be deducted from the final score:**
- 1 Point: Over-bridled (per maneuver); out of frame (per maneuver); too slow; break of gait at walk or trot for two (2) strides or less.
- 3 Point: Wrong lead or out of lead; draped reins; break of gait at lope, except when correcting an incorrect lead; break of gait at walk or trot for more than two (2) strides; out of lead or cross-cantering more than two strides when changing leads; trotting more than three strides when making a simple lead change.
- 5 Point: Spurring in front of cinch; blatant disobedience; use of either hand to instill fear/praise.
- 10 point: Unnatural ranch horse appearance (Horse’s tail is obvious and consistently carried in an unnatural manner in every maneuver)
- Off-Pattern (OP): Repeated blatant disobedience; breaking pattern; incomplete maneuver; eliminating or adding maneuvers; use of two hands (except junior and Level I horses shown in a snaffle bit/hackamore); more than one finger between split reins or any
fingers between romal reins (except in the two-rein). Exhibitors cannot place above others who complete pattern correctly.

- Disqualification (DQ): Lameness; abuse; illegal equipment; disrespect or misconduct; leaving working area before pattern is complete; improper western attire; fall of horse/rider.

**SHW561.VRH and RHC RANCH TRAIL.** The ranch trail class should test the horse’s ability to cope with situations encountered while being ridden through a pattern of obstacles generally found during the course of everyday ranch work. The horse/rider team is judged on the correctness, efficiency and pattern accuracy with which the obstacles are negotiated and the attitude and mannerisms exhibited by the horse. Judging emphasis is on identifying the well broke, responsive and well-mannered horse which can correctly navigate and negotiate the course. The ideal VRH ranch trail horse should have a natural ranch horse appearance from head to tail in each maneuver.

**SHW561.1 No horse may cross enter trail and ranch trail or trail and VRH trail, regardless of division.**

**SHW561.1.2 No horse may cross enter a trail class or walk/trot trail class and VRH ranch trail at the same show regardless of division (youth, amateur, select or open).** Show management may run AQHA ranch trail and versatility ranch horse ranch trail concurrently if held within a full versatility ranch horse show. If held concurrently, AQHA ranch trail rules (SHW420-SHW422) will apply.

**SHW561.2** The ranch trail course will include no less than six and no more than nine obstacles. It is mandatory that the horse be asked to walk, trot and lope during the course. Walk can be part of obstacle score or be scored with the approaching obstacle. Trot must be at least 35 feet and score with approaching obstacle. Lope must be lead-specific, at least 50 feet and score with approaching obstacle. Care must be exercised to avoid setting up any obstacles that may be hazardous to the horse or rider.

**SHW561.3** When setting courses, management will be mindful that the idea is not to trap a horse/rider team or eliminate it by making an obstacle too difficult. All courses and obstacles are to be constructed with safety in mind so as to reduce the risk for accidents. Show committee shall have the option of setting up the trail course to best fit the arena conditions. An outdoor course is recommended if appropriate terrain is available. Each single-performance event can be time consuming, especially with large classes, so it is imperative that time restrictions are placed on this class. The show committee, either through a pilot run or estimation, shall select a course that has a continuous and positive flow that can be negotiated in four minutes or less.

**SHW561.4** Judges must walk the course and have the right and duty to alter the course if it is not in keeping with the intent of the class. Judges may remove or change any obstacles they deem unsafe, non-negotiable or unnecessarily difficult. Any time a trail obstacle becomes unsafe during a class, it shall be repaired or removed from the course. If the course cannot be repaired and some horses have completed the course, the score for that obstacle shall be deducted from all previous draws in that class.

**SHW561.5** The course must be designed using the mandatory obstacles and maneuvers plus optional obstacles. Combining two or more of the obstacles is acceptable.

**SHW561.6 PROHIBITED OBSTACLES:** Tarps, water
obstacles with slick bottoms, PVC pipe used as a jump or walk over, tires, rocking or moving bridges, logs elevated in a manner that permits such to roll in a dangerous manner.

**SHW561.7 MANDATORY OBSTACLES AND/OR MANEUVERS.**

1. Ride over obstacles on the ground (usually logs). Walk, trot or lope may be used but only one gait is required.
   - Walk-overs: Walk over no more than five logs no more than 10 inches high and spacing between 26–30 inches. The formation may be straight, curved, zigzagged or raised.
   - Trot-overs: Trot over no more than five logs no more than 10 inches high. The space between logs or poles should be 36–42 inches. The formation can also be straight, curved, zigzagged or raised.
   - Lope-overs: Lope over no more than five logs no more than 10 inches high. The space between logs should be 6 to 7 feet. The formation can also be straight, curved, zigzagged or raised.

2. Opening, passing through and closing a hinged swinging gate (not a rope gate): Use gate that will not endanger horse or rider and requires minimum side-passing.

3. Ride over wooden bridge: Bridge should be sturdy, safe and negotiated at a walk only. Heavy plywood lying flat on the ground is an acceptable simulation of a bridge. Suggested minimum width shall be 36 inches wide and at least 6 feet long.

4. Backing obstacles: Backing obstacles are to be spaced at a minimum of 28 inches. If elevated, 30 inch spacing is required. Back through and around at least three makers. Back through L, V, U or straight or similarly shaped course which may be elevated no more than 24 inches.

5. Side-pass obstacle: Any object which is safe and of any length may be used to demonstrate responsiveness of the horse to leg signals. Raised side pass obstacles should not exceed 12 inches.

6. Drag an object: For open, cowboy and amateur classes ONLY. The drag is not to be used in youth and rookie classes. Drag may be a complete figure eight and may begin in either direction. The exhibitor must have the rope dallied on the saddle horn (half or full dally) for the duration of the drag.

**SHW561.8 OPTIONAL OBSTACLES.** Optional obstacles may be used provided the obstacles can be found in everyday ranch work. Optional obstacles from which selections can be made include, but are not limited to:

- A jump obstacle whose center height is not less than 14 inches high or more that 25 inches high. Holding the saddle horn is permissible for this obstacle.
- Only live or stuffed animals which would normally be encountered in an outdoor setting may be used but not to be used in an attempt to spook a horse.
- Carry object from one part of the arena to another.
- Remove and replace materials from a mailbox.
- Trot through cones spaced a minimum of 6 feet apart.
- Cross natural ditches or ride up embankments.
- Swing rope or throw rope at a dummy steer head.
- Step in and out of obstacle.
- Put on slicker or coat.
- Stand to mount with mounting block.
- Walk through water obstacle.
- Open gate on foot.
- Pick up feet.
- Walk through brush.
- Ground tie. (Hobbles are allowed)
- Lead at the trot.

SHW561.9 At show management option the competition trail course may be made available to exhibitors or posted prior to the day of competition. It must be posted at least one hour prior to competition. Printed handouts for exhibitors are helpful and encouraged.

SHW561.10 CREDITS AND PENALTIES. All runs begin upon entering the pen and any infractions are subject to penalty at that time (such as two hands on the reins, using either hand to instill fear or praise, etc.). The rider has the option of eliminating any obstacle, however this will result in being “off pattern” (OP) and the horse/rider team may not place above others who have completed the pattern correctly. A judge may ask a horse to pass on an obstacle after three refusals or at any time for safety concerns.

SHW561.11 Credit is given to horse/rider teams who negotiate the obstacles correctly and efficiently. Horses should receive credit for showing attentiveness to obstacles and ability to negotiate through the course when the obstacles warrant it while willingly responding to rider’s cues on more difficult obstacles. Quality of movement and cadence should be considered part of the maneuver score for the obstacle. **Maneuver evaluations and penalty applications are to be determined independently. The following penalties will be applied to each occurrence and be deducted from the final score:**

- 1 point: Over-bridled (per maneuver); out of frame (per maneuver); each hit, bite or stepping on a log, cone plant or any component of the obstacle; incorrect or break of gait at walk or trot for two (2) strides or less; both front or hind feet in a single-stride slot or space at a walk or trot; skipping over or failing to step into required space; split pole in lope-over; incorrect number of strides, if specified; one to two steps on mount/dismount or ground tie except shifting to balance.
- 3 point: Wrong lead or out of lead, draped reins; break of gait at lope, except when correcting an incorrect lead; break of gait at walk or trot for more than two (2) strides; three to four steps on mount/dismount on ground tie.
- 5 point: Spurring in front of cinch; blatant disobedience; use of either hand to instill fear/praise; knocking over, stepping out of or falling off an obstacle; dropping an object required to be carried; 1st or 2nd cumulative refusal; letting go of gate; five or more steps on mount/ dismount or ground tie.
- 10 point: Unnatural ranch horse appearance (Horse’s tail is obvious and consistently carried in an unnatural manner in every maneuver)
- Off-Pattern (OP): Incomplete maneuver; eliminating or adding a maneuver; 3rd refusal; repeated blatant disobedience, and failure to dally and remain dallied during the drag; use
of two hands (except junior and level 1 horses shown in a snaffle bit/hackamore), more than one finger between split reins or any fingers between romal reins (except in the two-rein); failure to open and shut gate, or failure to complete gate. Exhibitors cannot place above others who complete pattern correctly.

- Disqualification (DQ): Lameness, abuse, leaving working area before pattern is complete, illegal equipment, disrespect or misconduct, improper western attire; fall of horse/rider.

**SHW562.VRH and RHC RANCH REINING.** The ranch reining class measures the ability of the ranch horse to perform basic handling maneuvers with a natural head carriage in a forward looking manner. The ideal VRH ranch reining horse should have a natural ranch horse appearance from head to tail in each maneuver. Patterns may be chosen from any of the ranch reining patterns or approved by the show management and judge.

**SHW562.1** No horse may cross enter Reining and Versatility Ranch Horse Reining regardless of division.

**SHW562.2 CREDITS AND PENALTIES.** All runs begin upon entering the pen and any infractions are subject to penalty at that time such as two hands on the reins, using either hand to instill fear or praise, etc.

**SHW562.3** To rein a horse is not only to guide him but also to control his movement. The best reined horse should be willingly guided or controlled with little or no apparent resistance. All deviations from the exact written pattern must be considered a lack of or temporary loss of control and therefore a fault that must be marked down according to severity of deviation. The horse/rider team's overall performance should be credited for smoothness, finesse, attitude, quickness and authority of performing various maneuvers while using controlled speed which raises the degree of difficulty and makes the horse/rider team more exciting a pleasing to watch.

**SHW562.4 PENALTIES:**

- One-half (1/2) point: Starting a circle or exiting a roll-back at a trot for up to two (2) strides; delayed change of lead by one stride where the lead change is required by the pattern description; failure to remain a minimum of twenty feet from the wall or fence when approaching a stop and/or roll-back; over-spin or under-spin up to 1/8 turn.
- 1 point: Over-bridled (per maneuver), out of frame (per maneuver), out of lead in the circles, figure eights or around the end of the arena (this penalty is cumulative and will be deducted for each quarter of a circle the horse is out of lead); Over or under spinning 1/8 to 1/4 turn. Slipping rein.
- 2 point: Break of gait; freeze up in spins or roll-backs; failure to stop or walk before executing a lope departure on trot-in patterns; failure to be in a lope prior to the first marker on run-in patterns; failure to completely pass the specified marker before initiating a stop position, trotting beyond two strides, but less than 1/2 circle or 1/2 length of the arena.
- 5 point: Spurring in front of cinch; blatant disobedience; use of either hand to instill fear/praise;
- 10 point: Unnatural ranch horse appearance (Horse's tail is obvious and consistently carried in an unnatural manner in every maneuver)
- Off-Pattern (OP): breaking pattern; inclusion of maneuver
(e.g. over or under-spinning, backing more than two (2) strides, etc.); trotting in excess of 1/2 circle or 1/2 length of the arena; repeated blatant disobedience; use of two hands (except junior and Level 1 horses shown in a snaffle bit/hackamore), more than one finger between split reins or any fingers between romal reins (except in the two-rein). Exhibitors cannot place above others who complete the pattern correctly.

- Disqualification (DQ): Lameness; abuse; illegal equipment; disrespect or misconduct; leaving arena before pattern is complete; improper western attire; fall of horse/rider.

SHW563. VRH and RHC RANCH COW WORK. The ideal Ranch horse must also be a cow horse and this class demonstrates and measures the horse’s ability to do cow work. In addition the ideal ranch cow horse should have a natural ranch horse appearance from head to tail in each maneuver. Holding the saddle horn is permitted. There is a time limit per horse/rider team to perform the work depending on the division and the time begins when the cow is turned into the arena. If the time has not elapsed and the judge is satisfied that all requirements of the class have been met, the judge should blow the whistle for the exhibitor to cease work. The judge may blow a whistle at any time for the exhibitor to cease work for safety reasons. Judges will give credit for what they have seen. Only the judge may award a new cow to a contestant to replace a cow that will not honor a horse. If the judge awards a new cow, the exhibitor has the option to refuse the new cow by continuing to work. If the exhibitor accepts the new cow, the time for working the cow will start over. If the exhibitor intends to accept the new cow, the exhibitor must pull up immediately. When multiple judges are scoring, any one of the judges may terminate the work or signal for a new cow.

SHW563.1 CONTENT. Exhibitors in the open, cowboy, amateur and youth divisions are allotted three minutes to complete the work. When there is one minute left, the announcer will announce, one minute remaining. At three minutes, the announcer will call for time. There are three parts to the class: boxing, fence work and roping or circling.

- Part One – Boxing the Cow: The rider shall ride into the arena, face the cattle entry gate and signal for their cow to be turned into the arena. The cow shall be controlled on the entry end of the arena for a sufficient amount of time to demonstrate the horse’s ability to hold the cow. If the cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to demonstrate his horse’s ability to drive and block the cow on the entry fence.

- Part Two – Fence Work: After the cow has been controlled on the entry end of the arena, the rider shall set the cow up and drive it down either side of the arena. The cow should be turned on the fence at least once in each direction. The first run out for a turn shall be past the half-way mark of the arena. All turns down the side shall be completed before reaching the end fence.

- Part Three – Roping or Circling: The amateur and youth exhibitor has the option of circling the cow in the middle of the arena in both directions in lieu of roping. An amateur or youth exhibitor may circle or rope the cow but cannot combine the two to get credit for this portion of the run. Open and cowboy exhibitors must rope the cow.
To rope the cow, the exhibitor must be carrying a rope when the run starts. The exhibitor may pull up after the fence work, take down the rope and proceed to rope and stop the cow. The exhibitor must then rope the cow and bring it to a stop. In the roping portion of the class, two throws are permitted and the horse will be judged on two maneuvers: tracking/rating and stopping the cow. It is not necessary that the exhibitor catch to receive a score in the roping portion. The catch is legal as long as the cow looks through the loop and the rope pulls tight on any part of the animal’s body except the tail. The rope may be tied on or dallied. If the exhibitor does not catch, the horse will be given credit for tracking and rating and will be assessed the appropriate penalty per SHW563.2. For shows conducted in international countries, the exhibitor has the option of circling the cow each direction instead of roping or break-away roping and wearing traditional attire of the country.

To circle the cow, the exhibitor will maneuver the cow smoothly at least 360 degrees in each direction without interference from the fence. The circle’s size, symmetry, speed and relative balance from right and left show control. Tightening the circles down with fast head-to-head speed will be a credit situation. The circles should be completed before the cow is exhausted. Once an exhibitor has committed to circling a cow, if the cow falls no new cow will be awarded. The exhibitor will complete the run by riding around the fallen cow to fulfill circling requirements. In the circling portion of the judging, one whistle will terminate the work and two whistles will award a new cow.

**SHW563.2 CREDITS AND PENALTIES.** All runs begin upon entering the pen; any infractions (such as two hands on the reins, using either hand to instill fear or praise, etc.) are subject to penalty at that time. During Boxing, credit will be given for the horse’s expression and its cow sense (i.e., making moves with little rider assistance); holding, controlling, and turning the cow; the amount of work actually done; and the degree of difficulty of the work. Credit will be given during Fence Work for making the first run past the center of the arena; making turns right on the cow; and controlling a difficult cow. If Roping, credit will be given for rating and following cow to allow rider the optimal roping position; stopping hard; and staying in the ground during the hold. Credits for each element of Roping range from –1 1/2 to +1 1/2 points. If Circling, credit will be given when the horse works willingly; acknowledges the cow; and gets close enough to the cow to control the circles. Credits for Circling range from -1 1/2 to +1 1/2 points for each direction. **Maneuver evaluations and penalty applications are to be determined independently. The following penalties will be applied to each occurrence and be deducted from the final score:**

- 1 point: Over-bridled (per maneuver), out of frame (per maneuver), loss of working advantage; Using the corner or the end of the arena to turn the cow when going down the fence; changing sides of arena to turn cow; for each length horse runs past cow; working out of position; slipping rein; failure to drive cow past middle marker on first turn; two-loop catch in amateur and youth classes.
- 2 point: Going around the corner of the arena before turning cow; when working an animal in the open field (at least 20’ from the side of arena) and the animal gets within 3 feet from the end fence before being turned; an illegal catch (loop fails to pass over head or pulls tight on tail only), or failure to catch if roping in amateur and youth classes.
- 3 point: Exhausting or overworking the cow before circling or roping; hanging up on the fence (refusing to turn); knocking down the cow without having a working advantage; two-loop catch when roping in open/cowboy class.
- 5 point: Failure to turn the cow both directions on the fence; spurring in front of cinch; Blatant disobedience; use of either hand to instill fear/praise; an illegal catch (loop fails to pass over head or pulls tight on tail only), or failure to catch when roping, in open/cowboy class.
- 10 point: Unnatural ranch horse appearance (Horse’s tail is obvious and consistently carried in an unnatural manner in every maneuver)
- Off-Pattern (OP): Turning tail; failure to attempt any part of the class (includes no attempt at roping in the open/cowboy divisions); repeated blatant disobedience; schooling after entering the arena prior to calling for cow; schooling horse between cows if new cow is awarded, or complete loss of rope in open/cowboy class; complete loss of rope in amateur or youth classes, once committed to roping; use of two hands (except junior and level I horses shown in a snaffle bit/hackamore), more than one finger between split reins or any fingers between romal reins (except in the two-rein). Cannot place above others who complete pattern correctly.
- Disqualification (DQ): bringing the cow straight over backwards landing on its back or head with all four feet in the air, lameness, abuse, illegal equipment, disrespect or misconduct, leaving arena before run is complete; improper western attire; fall of horse/rider

Note: If the open or cowboy rider runs out of time to rope, there will be no credit for the stop/hold maneuver and a 5 point penalty for failure to catch. Riders may still earn credit for tracking/rating, control/position and speed/degree of difficulty.

**SHW564. VRH and RHC LIMITED RANCH COW WORK AMATEUR/YOUTH. (Box - Drive - Box -Drive)**

**SHW564.I Content.** Exhibitors in the limited ranch cow work can only compete in one sub-division of cow work, at the same show with the same horse. Limited ranch cow work exhibitors are allotted one minute and forty-five seconds to complete the work. When there is 50 seconds left, the announcer will announce, “50 seconds remaining”. At one minute and forty-five seconds, the announcer will call for time. Exhibitors are not required to use all the allotted time but must ride until the judge whistles the end of the run or time expires, whichever occurs first. There are four parts to the work: boxing the cow; setting up the cow and driving it down the fence to the opposite end of the arena; boxing it at the opposite end of the arena, and then driving the cow past the middle marker again. There is no expectation that the exhibitor will make a fence turn, instead the drive down the fence demonstrates correct position and control around the corner.

- Part One – Boxing the Cow – The rider shall ride into the
arena, face the cattle entry gate, and signal for their cow to be turned into the arena. The cow shall be controlled on the entry end of the arena for a sufficient amount of time to demonstrate the horse’s ability to hold the cow. If the cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to demonstrate his horse’s ability to drive and block the cow.

- Part Two – Set Up Cow and Drive Down Fence to Opposite End of Arena – After the cow has been controlled on the entry end of the arena, the rider shall set the cow up for driving down the side of the arena. When coming out of corner, the horse shall be close enough to cow to demonstrate control with cow against the fence. This distance and control should be maintained for approximately 1/2 to 3/4 the length of arena. Rider will then stop and release the cow and move horse toward center of arena to set the cow up for boxing.

- Part Three – Boxing the Cow at Opposite End of Arena – The exhibitor will regain control or hold the cow at end of the arena to demonstrate the horse’s ability to “hold” the cow.

- Part Four – Drive the Cow back down the fence (original side) past the middle marker and continue until the judge blows the whistle to show completion.

**SHW564.2 Credits and Penalties.** All runs begin upon entering the pen; any infractions (such as two hands on the reins, using either hand to instill fear or praise, etc.) are subject to penalty at that time. During Boxing, credit will be given for the horse’s expression and its ‘cow sense’ (i.e., making moves with little rider assistance); holding, controlling, and turning the cow; the amount of work actually done; and the degree of difficulty of the work. Credit will be given during Set Up Cow and Drive Down Fence for rating the cow; blocking the cow with pressure towards the end of the arena; driving the cow with control down the side of the arena; and controlling a difficult cow. **Maneuver evaluations and penalty applications are to be determined independently. The following penalties will be applied to each occurrence and be deducted from the final score:**

- 1 point: Over-bridled (per maneuver); out of frame (per maneuver); loss of working advantage; driving cow down the opposite fence (changing sides); working out of position; slipping rein; in limited cow work, failure to drive cow past the middle marker on second drive before time expired.

- 3 point: Knocking down the cow without having a working advantage; losing a cow while boxing.

- 5 point: Spurring in front of cinch; blatant disobedience; use of either hand to instill fear/praise.

- 10 point: Unnatural ranch horse appearance (Horse’s tail is obvious and consistently carried in an unnatural manner in every maneuver)

- Off-Pattern (OP): Turning tail; failure to attempt any part of the class; repeated blatant disobedience; schooling after entering the arena prior to calling for cow; schooling horse between cows (if new cow is awarded); use of two hands (except junior and level I horses shown in a snaffle bit/hackamore), more than one finger between split reins
or any fingers between romal reins (except in the two-rein). Exhibitors cannot place above others who complete the pattern correctly.
- Disqualification (DQ): lameness, abuse, illegal equipment, disrespect or misconduct, leaving arena before run is complete; improper western attire, fall of horse/rider.

**SHW565. VRH ROOKIE RANCH COW WORK**

**AMATEUR/YOUTH (BOXING).**

**SHW565.1 Content.** Exhibitors in the rookie ranch cow work may only compete in one sub-division of VRH cow work, at the same show with the same horse. Horses, regardless of their age, may be ridden with one hand and a standard western bit as approved by AQHA equipment rules or with one or two hands and a snaffle bit or hackamore as described under AQHA equipment rules. Rookie ranch cow work exhibitors are allotted 50 seconds to complete the work. The rider shall ride into the arena, face the cattle entry gate, and signal for their cow to be turned into the arena. The cow shall be controlled on the entry end of the arena to demonstrate the horse’s ability to hold the cow. If the cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to demonstrate his horse’s ability to drive and block the cow.

**SHW565.2 Credits and Penalties.** All runs begin upon entering the pen; any infractions (such as two hands on the reins, using either hand to instill fear or praise, etc.) are subject to penalty at that time. During Boxing, credit will be given for the horse’s expression and its ‘cow sense’ (i.e., making moves with little rider assistance); holding, controlling, and turning the cow; the amount of work actually done; and the degree of difficulty of the work. Penalties will be assessed as follows:

- 1 point: Over-bridled (per maneuver); out of frame (per maneuver); loss of working advantage; working out of position; slipping rein.
- 3 point: Knocking down the cow without having a working advantage; losing a cow.
- 10 point: Unnatural ranch horse appearance (Horse’s tail is obvious and consistently carried in an unnatural manner in every maneuver).
- Off-Pattern (OP): Turning tail; failure to attempt any part of the class; repeated blatant disobedience; schooling after entering the arena prior to calling for cow; schooling horse between cows (if new cow is awarded); use of two hands (except horses shown in a snaffle bit or hackamore), more than one finger between split reins or any fingers between romal reins (except in the two-rein). Exhibitors cannot place above others who complete the pattern correctly.
- Disqualification (DQ): lameness, abuse, illegal equipment, disrespect or misconduct, leaving arena before run is complete; improper western attire, fall of horse/rider.

**SHW566. VRH AND RHC RANCH CUTTING.** This class is judged on the ability of the horse to work a cow by separating it from the herd and holding it to demonstrate the horse’s ability to work the cow. A single cow is cut from the herd and the horse must demonstrate its ability to work the cow. The ideal VRH ranch cutting horse should have a natural ranch horse appearance from head to tail in each maneuver.
SHW566.1 Objective will be to cut two cows from the herd and work the cow(s) with the assistance of two turn-back riders and two herd holders. Show management may supply two herd holders and two turn back riders, or exhibitors may supply their own helpers. If an exhibitor is a herd holder or turn back rider, he or she may use the horse that they are competing on, or use a different horse. Herd holders’ and turn back riders’ horses must be American Quarter Horses.

SHW566.2 In all divisions, there will be a two minute time limit. The announcer/time keeper will give a warning when one minute of the two minute working time has expired. Each exhibitor must work two head and has the option of ending their run before the two minute limit or working the full two minutes. For international countries, show management has the option of allowing exhibitors to work the two head or there may be a one and one half time limit and work only one head.

SHW566.3 Time will begin when a rider crosses a time line just prior to entering the herd. Time should not start until contestant crosses a pre-determined and marked timeline. The rider will then quietly separate his/her cow from the herd.

SHW566.4 Unnecessary roughness or disturbing the herd excessively could result in disqualification.

SHW566.5 Ultimate credit will be given to horses demonstrating excellence in the herd work by committing to, driving, setting up and working a cow in the center of the arena with minimal disturbance to the herd.

SHW566.6 Exhibitors will not be penalized for reining during the cutting portion, but should display natural ability.

SHW566.7 Scoring. 100 percent will be judged by the horse's performance and natural ability.

SHW566.8 Penalties should be assessed as follows:
- 1 point: over-bridled (per maneuver), out of frame (per maneuver), losing working advantage; toe, foot, or stirrup on the shoulder; working out of position
- 3 points: cattle picked up or scattered; spurring on shoulder; pawing or biting cattle; back fence; hot quit
- 5 points: horse quitting cow; losing cow; changing cattle after a specific commitment; failure to separate a single animal after leaving the herd; blatant disobedience
- 10 points: unnatural ranch horse appearance (Horse's tail is obvious and consistently carried in an unnatural manner in every maneuver)
- Off Pattern (OP): turn tail; failure to cut two cows; repeated blatant disobedience; use of two hands (except junior and level 1 horses shown in a snaffle bit/ hackamore), more than one finger between split reins or any fingers between romal reins (except in the two-rein)
- Disqualification (DQ): lameness; abuse; disrespect or misconduct; illegal equipment; excessive disturbance of herd to the point that exhibitor is asked to leave the arena; leaving arena before run is complete, fall of horse/rider; improper western attire

SHW567. VRH RANCH CONFORMATION. The purpose of ranch conformation is to preserve American Quarter Horse type selecting well-mannered individuals in the order of their resemblance to the breed ideal and that are the most positive combination of bal-
ance, structural correctness, and movement with appropriate breed and sex characteristics and adequate muscling. The ideal VRH Ranch conformation horse should have a natural ranch horse appearance from head to tail.

SHW567.1 To be eligible to compete in the ranch conformation class the horse must be shown in at least one riding class in that division the day of the show.

SHW567.2 All horses in each division will be shown together as one class:
- Open, Cowboy and Amateur/Ltd Amateur: stallions, mares and geldings
- Youth/Ltd Youth: mares and geldings

SHW567.3 All horses whose registration certificates are marked with a parrot mouth, cryptorchid or excessive white notation are ineligible to compete in the ranch horse conformation class. All stallions shall be examined to confirm that they have two visible testicles. All stallions and mares shall be examined for parrot mouth. If examination reveals that a horse has parrot mouth or is cryptorchid, such horse should be excused from the ring prior to final placing by the judge regardless of whether the parrot mouth or cryptorchid condition is marked on the horse's registration certificate.

SHW567.4 Horses are to be shown in a good working halter: rope, braided, nylon or plain leather. Any horse shown in the ranch horse conformation class may not be shown with an allowed lip cord or safety lead; however a lead shank with an attached chain may be used under the chin or over the nose.

SHW567.5 As the horse approaches, the judge will step to the right to enable the horse to trot straight to a cone placed 50 feet away. At the cone, the horse will continue trotting, turn to the left and trot toward the left wall or fence of the arena. After trotting, horses will be lined up head to tail for individual inspection by the judge. The judge shall inspect each horse from both sides, front and rear and place the horses in order of preference.

SHW567.6 Exhibitors may qualify and show more than one horse in ranch conformation classes. Not allowing these horses to be shown by other exhibitors will make them ineligible for the all-around which will also affect the overall all-around results for other exhibitors. Open exhibitors cannot show another youth or amateur horse; however a youth or amateur exhibitor can show other youth or amateur horses. The preference is for another family member to show the additional horse(s). This guideline is similar to SHW369.4 for other halter classes. For additional rules concerning halter not addressed in ranch conformation see SHW350 HALTER CLASSES.
When establishing the course, the following distances are suggested. Patterns may begin in either direction and markers are optional.

SHW600. LEVEL 1 (HORSE) HUNTER UNDER SADDLE.
The purpose of Level I hunter under saddle is to allow a horse to com-
pete in a field with minimally accomplished horses of the same level of
experience. The Level I hunter under saddle is a stepping-stone to the
more advanced competition of Level 2 and Level 3. Horses must be
ridden with equipment that is approved as per AQHA equipment rules
for hunter under saddle.

SHW600.1. With the exception of eligibility requirements, the
same rules apply in Level I hunter under saddle as apply in hunter
under saddle.

SHW600.2 Horses are eligible to compete if they have not, as of
January 1 of the current show year:

SHW600.2.1 won 25 points or more in AQHA-approved
hunter under saddle classes (horse points from all levels in
any division will count including introductory/rookie points
and are cumulative in determining eligibility); or

SHW600.2.2 won $2,500 or more in any equine organiza-
tion or association in hunter under saddle classes, including
earnings reported by Q Data, Equistat and other verifiable
resources.

SHW600.2.3 Accuracy of eligibility is the responsibility of
the owner or exhibitor.

SHW601. HUNTER UNDER SADDLE. The purpose of the
hunter under saddle horse is to present or exhibit a horse with a bright,
alert expression, whose gaits show potential of being a working hunter.
Therefore, its gait must be free-flowing, ground covering and athletic.
Hunters under saddle should be suitable to purpose. Hunters should
move with long, low strides reaching forward with ease and smooth-
ness, be able to lengthen stride and cover ground with relaxed, free-
flowing movement, while exhibiting correct gaits that are of the proper
cadence. The quality of the movement and the consistency of the gaits
is a major consideration. Horses should be obedient, have a bright
expression with alert ears, and should respond willingly to the rider with
light leg and hand contact. Horses should be responsive and smooth in
transition. When asked to extend the trot or hand gallop, they should
move out with the same flowing motion. The poll should be level with, or
slightly above, the withers to allow proper impulsion behind. The head
position should be slightly in front of, or on, the vertical.

SHW601.1 This class will be judged on performance, condition
and conformation. Maximum credit shall be given to the flowing,
balanced, willing horse.

SHW601.2 At the judge’s discretion, horses may be asked to
change to canter from the flat-footed walk or trot. They may also be
asked to lengthen their stride at the walk, trot or canter, one or both
ways of the ring. An extension is an obvious lengthening of the
stride with a slight increase of pace while exerting less effort and
appears smooth to ride.

SHW601.3 At the option of the judge, all or just the top 12 horses
may be required to hand gallop, one or both ways of the ring. Never
more than 12 horses to hand gallop at one time. At the hand gallop,
the judge may ask the group to halt and stand quietly on a free rein
(loosened rein).

SHW602. Horses to be:

SHW602.1 shown under saddle, not to jump.

SHW602.2 shown at a walk, trot and canter both ways of the
ring. Horses should back easily and stand quietly.
SHW602.3 reversed to the inside away from the rail.

SHW603. Faults scored according to severity:
- Quick, short or vertical strides
- Being on the wrong lead
- Breaking gait
- Excessive speed at any gait
- Excessive slowness in any gait, loss of forward momentum
- Failure to take the appropriate gait when called for
- Head carried too high
- Head carried too low (such that poll is below the withers)
- Overflexing or straining neck in head carriage so the nose is carried behind the vertical
- Excessive nosing out
- Failure to maintain light contact with horse’s mouth
- Stumbling
- If a horse appears sullen, dull, lethargic, emaciated, drawn or overly tired

SHW604. Faults which will be cause for disqualification, except in Level I amateur or Level I youth, which shall be faults scored according to severity:
- Head carried too low and/or clearly behind the vertical excessively and consistently while the horse is in motion, or otherwise showing the appearance of intimidation.

SHW605. WORKING HUNTER UNDER SADDLE. The purpose of this class is to exemplify a horse doing its job in the hunting field and to promote correct natural appearance and forward movement in all gaits. Horses should be shown with active, working, and energetic ground-covering gaits at the walk, trot, and canter. The gait should be comparable to a horse performing a working hunter course. Excessive slowness at the walk, trot, and/or canter must be penalized. Working hunter under saddle horses should exhibit a natural self-carriage, correct uphill balance, and the fluid forward movement that is desirable for working hunters and which allows horses to build strength and coordination for performing correctly over fences.

SHW605.1 For the horse to be eligible to be shown in the working hunter under saddle class, it must be shown in a minimum of one over fence class (hunter hack, equitation over fences, working hunter, and/or jumping) in any division at that show.

SHW605.2 Horses may not be shown in hunter under saddle and working hunter under saddle at the same show.

SHW605.3 To offer working hunter under saddle in any division, a show must also offer at least one of the following over fence classes: hunter hack, equitation over fences, working hunter, and/or jumping. Working hunter under saddle is to be held immediately following the over fence classes. Management has the option to keep or remove jumps from the ring.

SHW606. Horses to be:

SHW606.1 shown under saddle, not to jump in this class. Horses are required, however, to be entered in at least one over fence class in any division at the same show. Eligible over fence classes are hunter hack, equitation over fences, working hunter, or jumping.

SHW606.2 shown at a walk, trot and canter both ways of the ring. Horses should back easily and stand quietly.

SHW606.3 reversed to the inside away from the rail.

SHW606.4 At the judge’s discretion, horses may be asked to
change to canter from the flat-footed walk or trot. They may also be asked to lengthen their stride at the walk, trot or canter, one or both ways of the ring. An extension is an obvious lengthening of the stride with a slight increase of pace while exerting less effort and appears smooth to ride.

**SHW606.5** At the option of the judge, all or just the top 12 horses may be required to hand gallop, one or both ways of the ring. Never more than 12 horses to hand gallop at one time. At the hand gallop, the judge may ask the group to halt and stand quietly on a free rein (loosened rein).

**SHW607. Faults scored according to severity:**
- Quick, short or vertical strides
- Being on the wrong lead
- Breaking gait
- Excessive speed at any gait
- Excessive slowness in any gait, loss of forward momentum
- Failure to take the appropriate gait when called for
- Head carried too high
- Head carried too low (such that poll is below the withers)

**SHW608. Faults which will be cause for disqualification:**
- Head carried too low and/or clearly behind the vertical exces-
sively and consistently while the horse is in motion, or other-
wise showing the appearance of intimidation.

**SHW610. PLEASURE DRIVING.** The purpose of the class is to evaluate the horse's ability and pleasurable attitude while pulling a cart. The horse should have an engaged trot with more impulsion and a long ground covering stride. Style, conformation and safety are paramount in this class. A pleasure driving horse should carry himself in a natural balanced position with a relaxed head and neck. His poll should be level with, or slightly above the level of the withers.

**SHW610.1** Horses shall enter the ring in the same direction. Each horse shall then be exhibited at the walk, park gait and road gait in both directions of the show ring. At the direction of the ring steward, such change of direction shall be accomplished by the horses crossing the show ring on the diagonal while walking only. The recommended class procedure is walk, park gait, road gait, park gait and walk.

**SHW610.2** Each horse shall also be required to back easily and straight and stand quietly. At the completion of judging, headers may be called in to assist drivers in the lineup.

**SHOW610.3** Horses must be shown with natural hooves. If shod, standard shoes will be used with no extended hooves, heavy shoes or toe weights will be allowed.

**SHW610.4** No exhibitor shall drive a horse while standing, kneeling or using a seat extension in the cart at any time. An exhibitor may momentarily rise if circumstances warrant. No horse shall be unbridled or unattended while hooked to a cart. Excessive noise making by exhibitors shall be penalized according to severity.

**SHW610.5** This class will be judged 80 percent on the horse's performance and suitability for assuring a pleasurable drive, with a maximum of 20 percent on condition and conformation.

**SHW610.6** Maximum credit should be given to a horse that moves straight, with free movement, manners and a bright expression.

**SHW610.7** The horse shall be severely penalized if he carries his head behind the vertical, is over flexed, excessively nosed out, the poll is below the withers or exhibits lack of control by exhibitor.

**SHW610.8** Consistently showing too far off the rail shall be
penalized according to severity.

**SHW616. HUNT SEAT EQUITATION ON THE FLAT.** Available only in the amateur and youth divisions. The purpose is to evaluate the ability of the hunter rider to perform various maneuvers on his/her horse which provides a base for natural progression to over fence classes. The communication between horse and rider through subtle cues and aids should not be obvious. Equitation is judged on the rider and his/her effect on the horse. Hunt seat equitation on the flat provides a base for a natural progression to over fence classes. The poll should be level with, or slightly above the withers, to allow proper impulsion behind. The head should not be carried behind the vertical, giving the appearance of intimidation, or be excessively nosed out, giving a resistant appearance.

**SHW617. Pattern.** It is mandatory that the judge post the pattern at least one hour prior to commencement of the class. All patterns must include a walk, trot, canter and back. Patterns used in classes for riders 13 and under should use maneuvers from Group #1 and/or Group #2 (SHW620). Horses’ gaits are to be ridden with the same cadence and speed as you would find in the rail phase. All ties will be broken at the discretion of the judge.

**SHW618. Basic Position.** Judges should not ask exhibitors to mount or dismount.

**SHW618.1** Hands should be over and in front of horse’s withers, knuckles 30 degrees inside the vertical, hands slightly apart and making a straight line from horse’s mouth to rider’s elbow. Method of holding reins is optional, and bight of reins may fall on either side. However, all reins must be picked up at the same time.

**SHW618.2** The eyes should be up and shoulders back.

**SHW618.3** Toes should be at an angle best suited to rider’s conformation; heels down, calf of leg in contact with horse.

**SHW618.4** Iron should be on the ball of the foot. Iron or stirrup leather may not be connected by string or any other material to the girth.

**SHW618.5** Appropriate English attire must be worn. Clothes and person are to be neat and clean. The use of any type of artificial aid or magnetic device will result in a disqualification.

**SHW619. Class Procedure:** Exhibitors may be worked individually from the gate or they may all enter at once, but a working order must be drawn regardless. The entire class, or only the finalists, must work at all three gaits at least one direction of the arena. Rail work can be used to break ties and possibly adjust placings.

**SHW619.1** A turn on the forehand to the right is accomplished by moving haunches to the left.

**SHW619.2** A forehand turn to the left is accomplished by moving haunches to the right.

**SHW619.3** If riders are asked to drop their irons, they can leave them down or cross them over the withers.

**SHW619.4** When performing a leg-yield, the horse should move forward and lateral in a diagonal direction with the horse’s body straight with a slight flexion of the head in the opposite direction of lateral movement. When a horse yields to the right, the head is slightly (just to see the eye of the horse) to the left. A horse yielding to the left, the head is slightly flexed to the right.

**SHW620. Individual works may be comprised of any of the following: Group #1 - Walk, Sitting Trot, Extended Trot, Posting Trot, Canter, Circles, Figure 8, Halt, Back, Sidepass, Address Reins, Demonstrate Change of Diagonal; Group #2 - Serpentine (Trot or Canter),
Turn on Haunches or Forehand, Leg-Yield, Flying or Simple Change of Lead (A simple change of lead is performed by breaking to a walk or trot for 1 to 3 strides); or Group #3 - Canter and Hand Gallop in a straight or curved line, Counter-Canter Figure 8, Drop or Pick-up Irons without stopping.

**SHW620.1 THE WALK:** Should be a four-beat gait with the rider in a vertical position with a following hand.

**SHW620.2 THE POSTING TROT:** Figure 8 at trot, demonstrating change of diagonals. At left diagonal, rider should be sitting the saddle when left front leg is on the ground; at right diagonal, rider should be sitting the saddle when right front leg is on the ground; when circling clockwise at a trot, rider should be on left diagonal; when circling counter-clockwise, rider should be on right diagonal. The rider should close his/her hip angle to allow his/her torso to follow the horizontal motion of the horse. The upper body should be inclined about 20 degrees in front of the vertical.

**SHW620.3 SITTING TROT AND CANTER:** At the sitting trot, the upper body is only slightly in front of the vertical. At the canter, the body should be positioned slightly more in front of the vertical. As the stride is shortened, the body should be in a slightly more erect position.

**SHW620.4 TWO-POINT POSITION:** The pelvis should be forward, but relaxed, lifting the rider’s weight off the horse’s back and transferring the weight through the rider’s legs. In this position the two points of contact between horse and rider are the rider’s legs. Hands should be forward, up the neck, not resting on the neck.

**SHW620.5 HAND GALLOP:** A three-beat, lengthened canter ridden in two-point position. The legs are on the horse’s sides while the seat is held out of the saddle. When at the hand gallop, the rider’s angulation will vary somewhat as the horse’s stride is shortened and lengthened. A good standard at a normal hand gallop should be about 30 degrees in front of the vertical.

**SHW621. SCORING:** Exhibitors are to be scored from 0 to infinity, with 70 denoting an average performance. Patterns will be divided into 6 to 10 maneuvers, as specified by the judge, and each maneuver will be scored from plus 3 to minus 3 with 1/2 point increments acceptable that will be added or subtracted from 70. Maneuver scores should be determined independent of penalties, and should reflect equal consideration of both performance of the exhibitor’s pattern and the horsemanship form and effectiveness of the exhibitor to result in the following scores: -3 extremely poor, -2 very poor, -1 poor, 0 average or correct, +1 good, +2 very good, +3 excellent. Exhibitors overall horsemanship form and effectiveness should also be scored from 0 to 5 with 0 to 2 average, 3 good, 4 very good, 5 excellent. Exhibitors should also be judged on the rail, and their pattern score and/or ranking may be adjusted as appropriate.

**SHW621.2 Penalties.** Maneuver evaluations and penalty applications are to be determined independently. The following penalties will be applied for each occurrence and will be deducted from the final score:

**SHW621.2.1 Three (3) points**
- Break of gait at the walk or trot up to 2 strides
- Over or under turn from 1/8 to 1/4 turn
- Tick or hit of cone
- Obviously looking down to check leads or diagonals
SHW621.2.2 Five (5) points
Not performing the specific gait or not stopping within 10 feet (3 meters) of designated location
Missing a diagonal up to 2 strides in the pattern or on the rail
Incorrect lead or break of gait at the canter (except when correcting an incorrect lead)
Complete loss of contact between rider’s hand and the horse’s mouth
Break of gait at walk or trot for more than 2 strides
Loss of iron Head carried too low and/or clearly behind the vertical while the horse is in motion, showing the appearance of intimidation

SHW621.2.3 Ten (10) points
Loss of rein
Missing a diagonal for more than 2 strides in the pattern or on the rail
Use of either hand to instill fear or praise while on pattern or during rail work
Holding saddle with either hand
Spurring or use of the of crop in front of girth
Blatant disobedience including kicking, pawing, bucking, and rearing

SHW621.2.4 Disqualifications (should not be placed)
Failure by exhibitor to wear correct number in visible manner
Willful abuse of horse or schooling
Fall by horse or exhibitor
Illegal use of hands on reins
Use of prohibited equipment
Off pattern, including: knocking over or wrong side of cone or marker; never performing designated gait, lead, or diagonal; over or under turning more than 1/4 turn

SHW622. ROOKIE/LEVEL 1 CLASSES ONLY. Exhibitor going off pattern, knocking over or on wrong side of cone, never performing specified gait, lead or diagonal, or overturning more than 1/4 turn than designated, shall not be disqualified, but must always place below exhibitors not incurring a disqualifying fault.

SHW625. HUNTER HACK. The purpose of hunter hack is to give horses and opportunity to show their expertise over low fences and on the flat. The hunter hack horse should move in the same style as a working hunter. The class will be judged on style over fences, even hunting pace, flat work, manners and way of going. The poll should be level with, or slightly above the withers, to allow proper impulsion behind. The head should not be carried behind the vertical, giving the appearance of intimidation, or be excessively nosed out, giving a resistant appearance.

SHW625.1 Horses are first required to jump two fences, two feet three inches (69 cm) to three feet (91 cm). Show management has the option to allow a third fence, except in Rookie classes. However, if the jumps are set on a line, they are recommended to be in increments of 12 feet (3.5 meters) but adjusted to no less than two strides. A ground line is recommended for each jump.

SHW625.2 Horses being considered for placing are then to be shown at a walk, trot and canter both ways of the ring with light contact.

SHW625.3 At the discretion of the judge, contestants may be asked to hand gallop, pull up or back and stand quietly following the last fence.

SHW625.4 When necessary to split large classes by running
more than one go-round, finalists must both be re-jumped and reworked on the flat.

**SHW625.5** Placing for the class shall be determined by allowing a minimum of 70 percent for individual fence work and a maximum of 30 percent for work on the flat.

**SHW625.6** Faults over fences will be scored as in the working hunter class. Horses eliminated in the over-fence portion of the class shall be disqualified.

**SHW625.7** With the exception of eligibility requirements, heights of jumps and distances between jumps in a line, the same rules apply in rookie over fence events as apply in the corresponding over fence class.

**SHW625.8** Fence Heights: Minimum height for rookie class must be a 2’ with maximum height of 2’3”. Due to low fence height in rookie over fence events it is recommended that the distance between fences be in 11 feet increments. Also recommended that the course not contain combinations such as one or two stride elements or oxers for use in Level I and rookie events.

**SHW626.** Faults to be scored accordingly, but not necessarily cause disqualification during the rail work, include:
- Being on wrong lead and/or wrong diagonal at the trot
- Excessive speed (any gait)
- Excessive slowness (any gait)
- Breaking gait
- Failure to take gait when called
- Head carried too low or too high
- Nosing out or flexing behind the vertical
- Opening mouth excessively
- Stumbling

**SHW627.** Faults which will be cause for disqualification, except in Level I amateur or Level I youth classes, which shall be faults, scored according to severity:
- Head carried too low and/or clearly behind the vertical excessively and consistently while the horse is in motion, or otherwise showing the appearance of intimidation.

**SHW630. LEVEL 1 (HORSE) WORKING HUNTER.** The purpose of Level I working hunter is to allow a horse to compete in a field with minimally accomplished horses of the same level of experience. The Level I working hunter is a stepping-stone to the more advanced competition of Level 2 and Level 3. Fence heights shall be two feet six inches (76cm) to two feet nine inches (84 cm).

**SHW630.1** With the exception of eligibility requirements and heights of the jumps, the same rules apply in Level I working hunter class as apply in working hunter.

**SHW630.2** Horses are eligible to compete if they have not, as of January 1 of the current show year:

- **SHW630.2.1** won 25 points or more in Level I working hunter or won $2,500 or more in any equine organization or association in working hunter classes, including earnings reported by Q Data, Equistat and other verifiable resources.
- **SHW630.2.2** exhibited in the following classes with AQHA or any other equine organization or association: working hunter (other than Level I Working Hunter), equitation over fences or jumping.
- **SHW630.2.3** If a horse meets above eligibility requirements as of January 1 of the current show year, but subse-
quently enters any working hunter, equitation over fences or jumping class with any equine organization or association, such horse shall remain eligible to compete in Level I working hunter classes, but only for the remainder of the current show year.

**SHW630.2.4** If a horse meets the above eligibility requirements as of January 1 of the current show year, but subsequently enters any AQHA-approved working hunter (other than the Level I Working Hunter), equitation over fences or jumping class, such horse shall remain eligible to compete in Level I working hunter classes but only for the remainder of the current show year.

**SHW630.2.5** Accuracy of eligibility is the responsibility of the owner or exhibitor.

**SHW635. PROGRESSIVE WORKING HUNTER.** The purpose of the Progressive working hunter is the next step in the progression from the Level I working hunter to the more advanced level of competition with the seasoned horse. This class should be judged according to the purpose of its intent.

**SHW635.1** Eligibility: Horses of all ages that have not earned 10 points in AQHA-approved working hunter classes excluding Level I working hunter points. A horse is eligible to compete only one time in the Progressive working hunter class at the AQHA World Show.

**SHW635.2** Fence heights shall be 2’ 9” (84 cm).

**SHW636. WORKING HUNTER.** The working hunter is a representative of the type of horse used in the hunt field. He should possess manners, jumping ability, style, pace and quality. The working hunter must be able to demonstrate his ability to furnish the rider with a smooth comfortable and safe ride. The same rules apply in junior working hunter as apply in senior or all-ages working hunter classes, except the minimum height of obstacles.

**SHW636.1** A hunter course shall be any course that management deems a fair test of a hunter. Judges are responsible for correctness of each course after it has been set and shall call the show management’s attention to any errors that would tend to result in unfair or inappropriate courses. The judge must walk the course and has the right and duty to alter the course in any manner to ensure its safety. The judge may remove or change any obstacle he deems unsafe or non-negotiable.

**SHW636.1.1** The handy hunter course is an optional course design for show management. The class is still judged on the performance, even hunter pace, jumping style and quality. Also included are the movement, handiness and brilliance of pace. Handiness is defined as ground-saving movement without adversely affecting performance and style. Different elements that might be seen in a handy hunter course are gallop jumps, option jumps, rollbacks and trot jumps.

**SHW636.1.2** At the option of show management, handy hunter maybe offered in the junior, senior, amateur and/or youth class. This class is not recommended for Level I, progressive horses or Level I rider classes.

**SHW636.2** There will be a minimum five minute warm-up period after the course walk is closed before the first competitor is called to the ring to compete.

**SHW636.3** Circling once upon entering the ring is permissible.

**SHW636.4** Horses shall not be requested to rejump the course.
SHW636.5 Manners shall be emphasized in youth and amateur classes.
SHW636.6 When an obstacle is composed of several elements, any disturbance of these elements will be penalized; however, only a reduction in height of the top element shall be considered a knockdown.
SHW636.7 In cases of broken equipment, the rider may either continue without penalty, or stop and correct the difficulty and be penalized the same as any loss of forward impulsion.
SHW636.8 When an obstacle requires two or more fences (in and out), faults committed at each obstacle are considered separately. In case of a refusal or runout at one element, entry must rejump the previous elements.
SHW636.9 The course must be posted at least one hour before scheduled time of class.
SHW636.10 It is mandatory that a schooling area with at least one practice jump or practice time in the arena be provided.
SHW636.11 Schooling over obstacles in the ring or over any part of an outside course is permitted only at the time designated by show management.

SHW637. Course or Arena Arrangement. One change of direction is mandatory. Minimum of four obstacles. Horses to jump a minimum of eight fences.

SHW637.1 Obstacles which may be used: fences shall simulate obstacles found in the hunting field, such as natural looking post and rail, brush, walls, coops and ascending oxers (not square). Triple bar and hogsback are prohibited. Striped poles are not recommended; PVC poles used as rails are not permitted.

SHW637.2 The top element of all fences must be securely placed so that a slight rub will not cause a knockdown. It is recommended, but not required, to use FEI approved safety cups of breakable pins in the schooling/warm up ring and on all fences in the show arena.

SHW637.3 Distance between fences is recommended to be in 12-foot (3.5 meters) increments with the exception of some combinations: one stride in and out, 24-26 feet (7 meters); two strides in and out, 36 feet (11 meters); three strides, 48 feet (14.5 meters). In Rookie classes, exhibitor may add one stride in standard set standard set line without penalty as long as it is done consistently throughout the course. Footage of distance between fences must be on the posted courses. If footage is not posted then management is required to allow a course walk prior to class.

SHW637.4 The use of wings on obstacles in hunter classes is recommended; standards made of PVC material must be anchored or properly secured.

SHW637.5 Jump standards with hole heights at 3” (8 cm) intervals with jump cups are recommended.

SHW638. Fence Heights. A variation of 3” (8 cm) in fence height, lower than official heights listed below, may be instituted if show management and the judge feel circumstances warrant, i.e., footing, weather, etc.

SHW638.1 If select amateurs are required to combine to regular amateur classes because of SHW117.1, the resulting all-age amateur class fence height should be set as 2’9” (84 cm).

SHW638.2 Rookie classes may not have oxers in class. In and outs are not allowed in any rookie or Level 1 class.
Scoring.

Scoring shall be on a basis of 0-100, with an approximate breakdown as follows:

- **90-100**: an excellent performer and good mover that jumps the entire course with cadence, balance and style.
- **80-89**: a good performer that jumps all fences reasonably well; an excellent performer that commits one or two minor faults.
- **70-79**: the average, fair mover that makes no serious faults, but lacks the style, cadence and good balance of the scopier horses; the good performer that makes a few minor faults.
- **60-69**: poor movers that make minor mistakes; fair or average movers that have one or two poor fences but no major faults or disobediences.
- **50-59**: a horse that commits one major fault, such as a hind knockdown, refusal, trot, cross-canter or drops a leg.
- **30-49**: a horse that commits two or more major faults, including front knockdowns and refusals, or jumps in a manner that otherwise endangers the horse and/or rider.
- **10-29**: a horse that avoids elimination but jumps in such an unsafe and dangerous manner as to preclude a higher score.

**SHW639.2** The following will result in elimination:

A total of three disobediences that can include any of the following: refusal, stop, run out or extra circle. Jumping an obstacle before it is reset. Bolting from the arena. Off course. Deliberately addressing an obstacle. Failure to trot the horse in a small circle on a loose rein for soundness, after jumping the last fence, while still mounted and prior to leaving the arena.
SHW639.3 Disobediences/Major faults. Refer to JUMPING; excluding refusal on an in-and-out jump.

SHW645. HUNT SEAT EQUITATION OVER FENCES. Available only in the amateur and youth divisions. The purpose of this event is to evaluate amateur and youth rider’s correctness and ability over the fences. This class should be judged on the precision of riding ability while executing the jumps. The class objective is to judge the rider’s ability over the fences, not the horse. Only the effect the rider has on a horse is to be considered. How a rider elects to ride the course, the pace and approach to the jumps are used to evaluate the rider’s judgment and ability.

SHW645.1 Position. Refer to HUNT SEAT EQUITATION ON THE FLAT; BASIC POSITION.

SHW646. Course requirements. Course is to be posted one hour prior to the class.

SHW646.1 At least four obstacles are required and horses must jump a minimum of six fences.

SHW646.2 Refer to WORKING HUNTER regarding hunter courses which should be offered enabling the rider to be judged on their ability to establish and maintain an even hunting pace.

SHW646.3 At least one change of direction is required.

SHW646.4 Minimum height of fences must be 2’6” (76 cm), with a maximum height of 3’ (91 cm). Except in Level I and select classes where the maximum height is 2’9” (84 cm).

SHW646.5 It is recommended that show management offer this class after its corresponding working hunter class.

SHW647. Class Routine. The exhibitor is being judged as soon as he/she enters the arena.

SHW647.1 Exhibitors have the option of entering the arena at any gait (unless otherwise stated on the course), making transition to canter from halt, walk or trot before approaching the first fence.

SHW647.2 Each competitor may circle once before approaching the first obstacle, then proceed around the course keeping an even pace throughout. If a rider steps into the obvious wrong lead for one or two strides only before or on the courtesy circle, it is noted on the score sheet, which may be used as a tie breaker in the event of a ride of equal quality and score.

SHW647.3 Rider must obtain correct lead to properly turn around end of arena before breaking into final trot circle. The class is not over until the exhibitor trots a circle and walks out of the ring. Riders should leave the arena at a walk unless otherwise instructed.

SHW647.4 Except for refusals, and knockdowns, jumping faults of the horse are not to be considered unless it is the result of the rider’s ability. If a refusal occurs in a double or triple, competitors must re-jump all obstacles in the combination. In case of knockdowns, the judge will determine a base score for each competitor’s performance. A knockdown penalty of 4 points per obstacle will be deducted from base score.

SHW647.5 In cases of broken equipment or loss of shoe, competitor must continue or be eliminated.

SHW647.6 An exhibitor may enter the class only one time.

SHW648. SCORING may be on a basis of 0-100, with an approximate breakdown as follows:

90-100: Excellent equitation, position and presentation; meets all fences squarely and at proper distance. Uses all options to their advantage.
80-89: Minor equitation faults, i.e., long, weak distance, deep distance, one step landing at counter-canter. Rider still maintains a quality ride.

70-79: More problems occur, equitation suffers, i.e., rounded shoulders, heels are not down, hands incorrect, lacks the style and presence. One major fence problem, i.e., chip with a ride up the neck, or discreet swap out, jumping off one side of jump. No dangerous fences, not a flowing course.

60-69: Major equitation faults, poor body position, loose legs and seat, failure to obtain or maintain trot to a trot fence approach, two or three misses at the fence.

40-59: Breaking to a trot while on course, counter-canter or cross-canter at ends of arena, missed lead changes, loss of stirrup, dropping a rein, extra stride in combination.

10-39: Rider avoids elimination, one or two refusals, knock-downs, dangerous fences.

**SHW649. The following will result in elimination:**
- three cumulative refusals
- off course

**SHW649.1** If elimination occurs during a ride-off, the competitor is placed last of all those chosen for the ride-off.

**SHW650. Major faults include:**
- a refusal
- loss of stirrup
- trotting while on course when not part of a test
- loss of reins
- incorrect diagonal

Outside assistance will be penalized at the judge’s discretion.

**SHW655. LEVEL I (HORSE) JUMPING.** The purpose of Level I jumping is to allow a horse to compete in a field with minimally accomplished horses of the same level of experience. The Level I jumping is a stepping-stone to the more advanced competition of Level 2 and Level 3. This class should be judged according to the purpose of its intent. Fence heights shall be 3’ (91 cm) to 3’ 3” (99 cm).

**SHW655.1** With the exception of eligibility requirements and heights for the jumps, the same rules apply in Level I jumping class as apply in jumping.

**SHW655.2** Horses are eligible to compete so long if they have not, as of January 1 of the current show year:

- **SHW655.2.1** won 25 combined points or more in the following AQHA-approved classes: working hunter, equitation over fences or jumping (horse points from all levels in any division will count and are cumulative in determining eligibility); or
- **SHW655.2.2** won a combined $2,500 or more in any equine organization or association in working hunter, equitation over fences or jumping events, including earnings reported by Q Data, Equistat and other verifiable resources.

**SHW655.2.3** Accuracy of eligibility is the responsibility of the owner or exhibitor.

**SHW656. JUMPING.** The jumper’s task is to solely jump and his score is based entirely on his performance alone. Open jumping is offered only as an all-age class.

**SHW657. Arena Arrangement:** There will be a minimum of four obstacles. Horses are to make a minimum of eight jumps.

**SHW657.1** A spread fence consisting of two or more elements will be mandatory.
SHW657.2 It is recommended the first obstacle be no more than minimum height.
- Post and Rail (at least two)
- Chicken Coop
- Stone Wall
- Triple Bar
- Brush Jump

SHW657.3 Both a starting line at least 12 feet (3.6 meters) in front of the first obstacle, and a finish line at least 24 feet (7.3 meters) beyond the last obstacle must be indicated by markers at least 12 feet (3.6 meters) apart at each end of the lines. Horse must start and finish by passing between markers.

SHW657.4 Obstacles, except within combinations, should be located a minimum distance of 48 feet (14.6 meters) apart, size of arena permitting.

SHW657.5 Height of obstacles must be a minimum of 3’ 6” and a maximum of 4’ (122 cm) in first go-round, except in youth and amateur which is a minimum of 2’ 9” (88 cm) and a maximum of 3’ 3” (99 cm).

SHW658. Jumping is a scored and timed event. The time taken will be used to break all ties on horses with jumping faults and/or the combination of jumping and time faults. Time allowed may be used under the direction of show management, judge(s), and professional course designer. The time allowed to complete the course should be calculated from an actual measurement of the course’s length (a minimum speed of 360 yards (327.6 meters per minute)). The length of the course must be announced or posted prior to the start of the class. The judge should assure that the course has in fact been properly measured and the time allowed calculated according to the speed. After the first competitor has completed their round, the time allowed and the competitor’s time should be announced. The use of a time allowed is optional in the first round.

SHW658.1 The judge(s) may change the time allowed if they feel it is inaccurate, but only after consultation with the course designer. The time allowed may only be adjusted after the first competitor completes the round without a disobedience and not later than following the third competitor to complete the course without a disobedience.

SHW658.2 The time limit to complete the course is double the time allowed.

SHW658.3 A one-second time fault is charged for each second or fraction thereof by which the time allowed is exceeded. Time faults awarded in a final jump-off are penalized one fault for each commenced second over time allowed. Knockdown(s) occurring from a refusal will incur a four-second penalty. Any competitor whose time including penalty seconds exceeds the time limit is eliminated.

SHW659. Jump-offs will be held over the original course altered as follows:

SHW659.1 The sequence of obstacles may be in any order as long as the original direction is maintained, with the exception of vertical obstacles being able to be jumped in the opposite direction from the first round.

SHW659.2 The height and spread of at least 50 percent of the obstacles shall be increased not less than three inches (8 cm) and not more than six inches (16 cm) in height, and to a maximum spread of six feet (1.8 meters).

SHW659.3 Courses may be shortened after the first round that might include obstacles that might not have been used in the first round. However, the course may not be shortened to less than 50
percent of the original obstacles and must include at least one vertical and one spread jump.  

**SHW659.4** When a jump-off is required, the winner will be decided on time only if faults are equal. If two or more horses are disqualified in the timed jump-off and are tied for a point, they are not to be re-jumped, but should flip a coin to break the tie.  

**SHW659.5** Time shall begin from the instant the horse’s chest reaches the starting line until it reaches the finish line. Time shall be stopped while a knocked down jump is being replaced, this is from the moment the rider gets his mount in a position to retake the jump until the proper authority signals that the jump has been replaced. It shall be the rider’s responsibility to be ready to continue the course when the signal is given.  

**SHW660. Scoring.** Jumpers are scored on a mathematical basis and penalty faults which include knockdowns, disobediences and faults.  

**SHW660.1** First disobedience anywhere on course - four faults.  

**SHW660.2** Second cumulative disobedience anywhere on course - four faults.  

**SHW660.3** In cases of broken equipment, the rider may either continue without penalty or stop and correct difficulty, in which case he/she will be penalized four faults.  

**SHW660.4** In case of loss of shoe, rider may continue without penalty or be eliminated.  

**SHW660.5** Knockdown. An obstacle is considered knocked down and four faults assessed, when a horse or rider, by contact:  

- **SHW660.5.1** Lowers any part thereof which establishes the height of the obstacle or the height of any element of a spread obstacle even when the falling part is arrested in its fall by any portion of the obstacle; or  
- **SHW660.5.2** Moves any part thereof which establishes the height of the obstacle so it rests on a different support from the one on which it was originally placed;  
- **SHW660.5.3** Knocks down an obstacle, standard wing, automatic timing equipment or other designated markers on start and finish lines.  
- **SHW660.5.4** If an obstacle falls after the horse leaves the ring, it shall not be considered a knockdown.  

**SHW660.6 Disobediences.**  

- **SHW660.6.1** Refusal. When a horse stops in front of an obstacle (whether or not the obstacle is knocked down or altered), it is a refusal unless the horse then immediately jumps the obstacle without backing one step. If horse takes one step backwards, it is a refusal.  
  - **SHW660.6.1.1** After a refusal, if horse is moved toward the obstacle but does not attempt to jump, it is considered another refusal.  
  - **SHW660.6.1.2** In the case of a refusal on an in-and-out jump, the horse must return to the start of the in-and-out sequence and rejump previous elements as well as following elements.  

**SHW660.7 Run-out.** A run-out occurs when the horse evades or passes the obstacle to be jumped; jumps an obstacle outside its limiting markers; or when the horse or rider knocks down a flag, standard, wing or other element limiting the obstacle (without obstacle being jumped).  

- **SHW660.7.1** Loss of forward movement. Failure to maintain trot, canter or gallop after crossing starting line, except
when it is a refusal, a run-out or when due to uncontrollable circumstances, such as when an obstacle is being reset. **SHW660.7.2** Unnecessary circling on course. Any form of circle or circles, whereby the horse crosses its original track between two consecutive obstacles anywhere on course, except to retake obstacle after refusal or run-out.

**SHW660.8 Elimination.**
Third cumulative disobedience anywhere on course.
Jumping an obstacle before it is reset, or without waiting for signal to proceed.
Starting before judges signal to proceed.
Failure to enter ring within one minute of being called.
Failure to cross the starting line within 45 seconds after an audible signal to proceed.
Jumping an obstacle before crossing start line unless said obstacle is designated as a practice obstacle, or after crossing the finish line, whether forming part of the course or not.
Off course.
Rider and/or horse leaving the arena before finishing the course (penalized at any time the horse is in the ring).
Excessive use of a whip, rope, crop, bat or reins anywhere on the horse.

**SHW680. DRESSAGE.** An AQHA-approved event. AQHA will recognize these levels of dressage competition starting with the Training Level, continuing through First Level, Second Level, Third Level, Fourth Level, FEI Prix St. George, FEI Intermediate I, FEI Intermediate II, and FEI Grand Prix. Dressage may also be offered at an AQHA-approved show or special event and must be judged by a licensed USEF/USDF judge.

**SHW680.1** Freestyle is not recognized.
**SHW680.2** Dressage will be offered and approved through USEF/USDF licensed competitions holding an AQHA-approved class.
**SHW680.3** Show approval as well as horse and exhibitor eligibility requirements must be met.
**SHW680.4** A one-time license fee of $85 for the horse must be recorded with AQHA prior to the competition.

**SHW681. POINTS.** The percentage score will be converted into a point value. Points will be awarded in each division and recorded on horse’s records. AQHA points can be earned starting at Training Level going through Grand Prix. The points are listed on the horse’s record and count for awards such as Register of Merit, and year-end high points. AQHA recognizes high points (first through 10th) for open, amateur and youth divisions for each level.

SHW700. BARREL RACING. Exhibitors race against the clock, following a course consisting of three barrels in a triangular “clover-leaf” pattern. Contestants must choose either the right or left barrel, circle it, and go to the next barrel, completing the course after circling the third barrel and running home. Barrel racing is a timed event.

SHW700.1 The contestant is allowed a running start. At a signal from the starter, the contestant will run to barrel number 1, pass to the left of it, and complete an approximately 360 degree turn around it; then go to barrel number 2, pass to the right of it, and complete a slightly more than 360 degree turn around it; then go to barrel number 3, pass to the right of it, and do another approximately 360 degree turn around it; then sprint to the finish line, passing between barrel number 1 and 2. This barrel course may also be run to the left. For example, the contestants will start to barrel number 2, turning to left around this barrel, then to barrel number 1, turning to the right, then to barrel number 3, turning again to the right, followed by the final sprint to the finish line.

SHW700.2 Knocking over a barrel carries a five-second penalty.

SHW700.3 Failure to follow the course shall cause disqualification.

SHW700.4 A contestant may touch the barrel with his or her hands in barrel racing.

SHW700.5 A whip may not exceed two feet in length excluding over and unders which must be attached to the saddle.

SHW700.6 If exhibitor shows in more than one barrel racing class and pays entry fees for each class, exhibitor may run once and carry over the time for all the classes (roll over times).

SHW700.7 It is recommended that drags be conducted before the start of a barrel race and after every seven head. Show management may drag more frequently.

SHW700.8 The judge must disqualify any contestant for excessive use of a whip, rope, crop, bat or reins anywhere on the horse.

SHW700.9 If a tie occurs where points are involved, placing will be worked off if all tied exhibitors agree to participate in a run-off; if not, a coin toss will be used to separate the ties. The horse declared the winner in the runoff must rerun the pattern within two seconds of its original time or the runoff must be held again. Pen-
alty time will not apply to the two-second rule but will apply to the final runoff time.

**SHW701. COURSE.** The course must be measured exactly according to diagram and cannot exceed these dimensions. However, if the course is too large for the available space, the pattern should be reduced five yards at a time until the pattern fits the arena. Adequate space must remain between barrels and any obstacle. The distance from barrel number three to the finish line need not be reduced five yards (4.6 meters) at a time if there is sufficient room for the horse to stop.

**SHW701.1** When measuring the area for the barrel course, allow ample room for horses to complete their turns and stop at the finish. It is recommended there be at least 45 feet (13.5 meters) from the starting line to the end of the arena, at least 18 feet (5.4 meters) from barrel number 1 and 2 to the fence and 36 feet (10.8 meters) from barrel number 3 to the end of the arena.

**SHW701.2** Brightly colored 55 gallon (200 liters) steel drums with both ends in must be used.

**SHW701.3** There shall be no rubber or plastic barrels or barrel pads used.

**SHW702.** Electronic timers are recommended to be used along with two back-up watches used by official timers. If electronic timer fails the average of the watches will be used to indicate the official time.

**SHW702.1** Timing shall begin as soon as the horse's nose reaches the starting line and will be stopped when the horse's nose passes over the finish line.

**SHW703. POLE BENDING.** This timed event consists of a series of six poles spaced 21 feet apart, which horses and riders weave through at a high rate of speed. Horses run to the far end of the series of poles, turn and weave in and out as they work their way back to the front. Horses then complete a turn around the front pole and maneuver through the series again. At the last pole, they complete that turn and race toward the finish line at full speed.

**SHW703.1** Each contestant will begin from a running start, and time shall begin and end as the horse's nose crosses the line. A clearly visible starting line must be provided. A horse may start either to the right or to the left of the first pole and then run the remainder of the pattern accordingly.

**SHW703.2** Knocking over a pole shall carry a five-second penalty.
SHW703.3 Failure to follow the course shall cause disqualification.
SHW703.4 A contestant may touch a pole with his or her hand in pole bending. If the original course is altered by a rider intentionally grasping a pole, a five-second penalty for each pole grasped will be assessed.
SHW703.5 A whip may not exceed two feet in length excluding over and unders which must be attached to the saddle.
SHW703.6 If exhibitor shows in more than one pole bending class and pays entry fees for each class, exhibitor may run once and carry over the time for all the classes (roll over times).
SHW703.7 It is recommended that drags be conducted before the start of a pole bending and after every seven head. Show management may drag more frequently.
SHW703.8 The judge must disqualify any contestant for excessive use of a whip, rope, crop, bat or reins anywhere on the horse.
SHW703.9 If a tie occurs where points are involved, placing will be worked off if all tied exhibitors agree to participate in a run-off, if not, a coin toss will be used to separate the ties. The horse declared the winner in the runoff must rerun the pattern within two seconds of its original time or the runoff must be held again. Penalty time will not apply to the two-second rule, but will apply to the final runoff time.

SHW704. COURSE. Each pole is to be 21 feet (6.4 meters) apart, and the first pole is to be 21 feet (6.4 meters) from the starting line. Poles shall be set on top of the ground, six feet (1.8 meters) in height, with no base more than 14 inches (35 cm) in diameter.

SHW704.1 The pole bending pattern is to be run around six poles.

SHW705. Electric timers are recommended to be used along with two back-up watches used by official timers. If electronic timer fails, the average of the watches will be used to indicate the official time.

SHW710. STAKE RACE. An event for youth, amateur and Select exhibitors only, the stake race is a timed event consisting of markers set on either side of a center line. Contestants are given a running start to complete a figure 8 pattern. They must cross the center line between upright markers, head to either the right or left of the first pole, make a 180 degree turn, head to the second pole, turn around it in the opposite direction and then to the center line to stop the clock.

SHW710.1 The contestant is allowed a running start and may begin his run from either the left or right side of the first pole. Start by crossing the center line between the upright markers, turn around the second pole, cross over the center line again between the markers, then
around the first pole and run back across the finish line.

**SHW710.2** If an upright marker or pole is knocked down, it will be a 5 second penalty. If the original course is altered by a rider intentionally grasping a pole, a five-second penalty for each pole grasped will be assessed.

**SHW710.3** All horses must start from same end of arena.

**SHW710.4** Failure to cross the start and finish line between the markers shall result in no time.

**SHW710.5** Failure to cross over the center line between the markers before turning the second pole and cross back over the center line after turning the second pole, shall result in no time.

**SHW710.6** A whip may not exceed two feet in length excluding over and unders which must be attached to the saddle.

**SHW710.7** It is recommended that drags be conducted before the start of a stake race and after every seven head. Show management may drag more frequently.

**SHW710.8** The judge must disqualify any contestant for excessive use of a whip, rope, crop, bat or reins anywhere on the horse.

**SHW710.9** If a tie occurs where points are involved, placing will be worked off if all tied exhibitors agree to participate in a run-off; if not, a coin toss will be used to separate the ties.

**SHW711. COURSE.** The start and finish line is 20 feet (6 meters) wide and marked by two upright markers 10 feet (3 meters) on each side of the center line and short enough so as to not interfere with the timer if one is used. Short pylons or cones are recommended. The first and second poles marking the center line are each 40 feet (12 meters) from the start and finish line, making them a total of 80 feet (24 meters) apart.

**SHW712.** Electric timers are recommended to be used along with two back-up watches used by official timers. If electronic timer fails, the average of the watches will be used to indicate the official time.

**SHW712.1** Timing shall begin as soon as the horse’s nose reaches the starting line and will be stopped when the horse’s nose passes over the finish line.

**SHW750. COWBOY MOUNTED SHOOTING.** As an AQHA-approved event, this is a fast-action, timed event over specific courses with a high degree of speed and agility from the horse and skilled shooting from the rider. Competitions will be held at existing Cowboy Mounted Shooting Association events.

**SHW750.1** CMSA competition will be offered and approved through the Cowboy Mounted Shooting Association.

**SHW750.1.1** Rules of the Cowboy Mounted Shooting Association are available at cowboymountedshooting.com.

**SHW750.1.2** AQHA/CMSA events for officiating purposes will follow AQHA bit and bridle, western equipment and speed event rules. Notwithstanding, these rules include but are not limited to SHW300, SHW305, SHW306, SHW307, SHW325, VI0300 and VI0320.

**SHW750.2** AQHA horse and exhibitor eligibility requirements must be met.

**SHW750.3** Approval privileges will be granted or denied by CMSA.

**SHW750.4 POINTS.** Points will be awarded in each division according to the existing point structure. Points and placing will be recorded on horses’ and exhibitors’ records. All points are eligible for existing AQHA awards.

**SHW755. WALK/TROT CLASSES.** Walk/trot classes can be held in western pleasure, western horsemanship, trail, hunter under
saddle and hunt seat equitation. Walk/trot classes are available, at the discretion of show management, at any approved show in youth and amateur classes.

**SHW755.1** To compete in walk/trot classes, an exhibitor must be Level I eligible in that particular class.

**SHW755.2** Walk/trot classes can only be held as an all-age class and cannot be split out into youth age groups or select. Only one horse/rider combination is allowed per class. If a rider is entered into a walk/trot class that rider cannot show in the corresponding loping/cantering class at that show. However, that combination can switch back and forth between the different shows.

**SHW755.2.1** No horse may cross enter walk/trot western pleasure and ranch riding or walk/trot western pleasure and VRH ranch riding at the same show regardless of division.

**SHW755.2.2** No horse may cross enter walk/trot trail and ranch trail or walk/trot trail and VRH ranch trail at the same show regardless of division.

**SHW755.3** There is no year-end high-point and it is not a World Show class. Walk/trot points do not count for Performance Halter qualification. An exhibitor may earn any number of points and continue in the walk/trot or progress to the rookie level in their respective class at their own pace. Walk/trot points do not affect exhibitor or horse eligibility in any level or division.

**SHW755.4** The same rules apply in walk/trot classes as apply in the corresponding class, except loping/cantering is prohibited in both pattern and rail work.

**SHW755.5 FAULTS:**

- Exhibitors going off pattern, knocking over or on wrong side of cone, never performing specified gait, or overturning more than 1/4 turn than designated, shall not be disqualified, but must always place below exhibitors not incurring a disqualifying fault.
- Scored according to severity include:
  - Head carried too low and/or clearly behind the vertical excessively and consistently while the horse is in motion, or otherwise showing the appearance of intimidation.

**SHW760. EQUESTRIANS WITH DISABILITIES (EWD) COMPETITION FOR INDEPENDENT & SUPPORTED EXHIBITORS.**

**SHW761. AWARDS AND RECOGNITION.** Achievement points to be awarded in each class according to SHW261. Achievement points will be awarded to horse/exhibitor combination with the points being recorded on both the horse and exhibitor’s individual AQHA records. A year-end high-point award will be available for the highest point earning exhibitor in the supported walk only division, independent walk/trot division and the independent walk/trot/lope division. Achievement points are not considered for World Show qualification.

**SHW762. GENERAL RULES.** To provide show management with the option to include equestrians with disabilities competition, AQHA has adopted these rules and provided an achievement points and awards system for participants. In doing so, AQHA does not assume responsibility for safety of participants. Since it is show management, which conducts these events and controls both the physical facility and all aspects of the events, responsibility for participant’s safety remains solely with show management.

Eligible conditions include: amputation, arthrogryposis, Asperger syndrome, autism spectrum disorder, Batten disease, cerebrovascular accident (stroke), cerebellar ataxia, cerebral palsy, Coffin-Lowry syndrome, cystic fibrosis, Down syndrome, dwarfism, fragile X syndrome, Friedreich's ataxia, Guillain-Barre syndrome, hearing impairment, Hunter syndrome, juvenile rheumatoid arthritis, mental retardation, microcephaly, multiple sclerosis, muscular dystrophy, post-polio syndrome, Prader-Willi syndrome, Rett syndrome, spina bifida, spinal cord injury, Tourette syndrome, traumatic brain injury, trisomy disorders and visual impairment. Additional diagnosis will be considered upon request.

SHW765.1 Diagnosis Form and Acceptable Adaptive Equipment Form. In order to participate in EWD events, a licensed medical physician must sign an AQHA diagnosis form. A valid AQHA membership number or AQHA membership application must be submitted to AQHA. Upon receipt of the forms the AQHA membership card will be noted with EWD endorsement.

SHW765.2 Once an exhibitor competes in a Walk/Trot-Jog/Canter-Lope class, they cannot return to Walk/Trot-Jog classes at that same horse show.

SHW767. Horse and exhibitor eligibility requirements must be met.

SHW767.1 Neither the exhibitor or their immediate family is required to own the horse. However the owner(s) must be current AQHA member(s) in order to compete.

SHW767.2 Stallions are not eligible to be shown in any AQHA EWD classes.

SHW767.3 The welfare of the horse is outlined in the rulebook, however, horses with a slight disability or lameness may be used at the discretion of the judge.

SHW767.4 Any breed of horse may be shown at the same event, and may be run concurrently. However in order to be eligible for AQHA yearend awards and notation of results on the horse’s record the horse must be registered with the AQHA. Judges should only reflect the number of entries in the class, which are registered with the AQHA.

SHW768. GENERAL RULES FOR TACK AND EQUIPMENT. English and western equipment and attire will follow rules as set forth in the rulebook with the exception of EWD acceptable adaptive equipment.

SHW768.1 Helmet. Exhibitors must wear a properly fitted and

**SHW768.3** Bits or bosal. A snaffle bit, curb bit or bosal/hackamore may be used no matter the age of the horse.

**SHW769. HANDLER.** Required for all independent exhibitor classes: one handler per entry to facilitate the safety of the exhibitor. The handler must be 16 years of age or older. The handler must have a lead line without a chain in their hand in case of safety issues.

**SHW769.1** Handlers shall stand quietly in a designated area, not obscuring the judge’s line of vision, unless their assistance is required and requested by the judge or ring steward in the event of a safety issue. The handler may either take a position behind, beside or in front their respective exhibitor’s horse or quietly walk forward and snap onto the horse’s halter after the exhibitor’s pattern is completed or the class has come in to line up. Outside assistance may be penalized at the judge’s discretion.
SHW769.2 A blind or deaf exhibitor may have an assistant who communicates via verbal or sign language or cue cards to the competitor so they may hear the judge’s directives or pattern instructions. This assistant will be outside the ring and their position known to the judge and ring steward.

SHW769.3 LEADERS AND SIDEWALKERS The supported exhibitor must have a leader with a loose lead without a chain, attached to the halter in a manner that does not interfere with reining of the horse. The supported exhibitor may need the assistance of one or two side walkers. Once the class has started, unauthorized assistance from horse leaders, spotters and side walkers will result in penalties. Side walkers may not give verbal commands or extra physical prompting, except in case of emergency.

SHW769.4 Handlers, leaders, side walkers, or extra spotters other than the required horse handler are not considered tack or equipment.

SHW770. ARENA SET UP. Markers must be used and may be numbered or lettered. People shall not be used as markers.

SHW771. PATTERNS All patterns must be posted one hour before the class. One of the AQHA-approved EWD patterns(s) for each class must be used. (Patterns pages 278-286)

SHW772. Classes may be split at the discretion of show management. If go-rounds are necessary, in the interest of successful implementation of the approved show, the number of go-rounds to be held and the number of horses to be shown at each go round should be based on safety and/or physical constraints of show premises when applied fairly and uniformly by a procedure in which all qualified entries are included in a random draw. When necessary to split large classes by running more than one go-round, finalists must rework the specified class requirements EXCEPTION any scored class.

SHW773. Judging Equestrians with Disabilities Supported Exhibitor. Classes shall follow these guidelines, reversing only at the walk and omitting all extended gaits. Horses should be backed in the line-up, not on the rail. Horses should be worked for the amount of time necessary to evaluate each gait in each direction, taking into account the stress on the exhibitor and/or leader-side-walkers. The judge could chose to have the horse(s) walk briefly before resuming the jog/trot and completing the judging. The horses in the EWD supported classes are judged doing their jobs in spite of the challenges that may be presented due to the type of support or adaptive equipment that is required. Neither the amount of support and type of EWD acceptable adaptive equipment nor the unique characteristics of a specific exhibitor’s disability should enter into the judging criteria.

SHW774. EWD SHOWMANSHIP AT HALTER – Walk Only, and Walk/Trot-Jog. EWD exhibitors may show in only one showmanship class.

SHW787. The following are allowance made for all EWD Para Reining classes only:

SHW787.1 Exhibitors are allowed to choose the size and speed of the circles. Excessive speed will result in a maneuver deduction.

SHW787.2 Lead Changes. Simple lead changes are allowed and the ideal change is to jog for one stride to change leads. Any deviation from the ideal change that takes place in the lead change area as described by the rulebook would not incur a penalty but deserves less credit. In order of decreasing difficulty would be jogging more than one stride, walking rather than jogging, stopping during the change and finally more than one attempt to execute the change. Penalties would apply if the lead change was early or late just as they would for a flying lead change.
Judges should allow one-quarter circle coming into the change and one-quarter circle going past the change as an allowable simple change area (safe zone), with only the out of lead penalties applying. For example, a horse that comes across and takes 3 strides past “center” to complete the simple change, but before the end of the first quarter, would not get a break of gait penalty but would incur a one point out of lead penalty. The same logic would apply for changes before reaching center. All penalty applications would apply out of that “safe zone.”

**SHW787.4** Break of gait; Note: Simple lead changes are allowed therefore, no break of gait penalty should be applied during the lead change.

**SHW790. INTERNATIONAL PERFORMANCE EVENTS.**

**SHW790.1** All international performance events can be held as a special event or can be utilized as a performance event for show approval and will receive recognition for year-end awards.

AWARDS

SHW800. GENERAL. Any horse declared ineligible from participation in AQHA-approved shows arising from violation of AQHA show rules is ineligible to receive any AQHA year-end award during that calendar year.

SHW801. GRAND CHAMPION - OPEN, AMATEUR, YOUTH - will be awarded in the open, amateur, and/or youth division to any horse earning the title of grand champion if there are five or more horses exhibited in the sex division. A trophy will be awarded to a horse the first time it earns a grand championship in each division - open, amateur and/or youth - under the current record ownership. If the horse subsequently earns another grand championship under the same ownership, the owner may purchase a similar trophy if the show does not award it.

SHW802. REGISTERS OF MERIT - OPEN, AMATEUR, YOUTH DIVISION - There are three Registers of Merit; racing, halter/performance halter, performance. Points earned in rookie and Level I amateur and youth divisions do not apply toward registers of merit awards; however, points earned in Level I open divisions do apply toward a performance register of merit. A ROM is awarded when a horse:

SHW802.1 Racing ROM: has received at least one official speed index rating of 80 or higher in racing. A racing ROM is based on speed index rating only and not racing points.

SHW802.2 Performance ROM: in the open division, or an amateur or youth with any one horse in their respective division, has won at least 10 points in one or more events (other than halter, performance halter and racing). No horse can be advertised as Register of Merit in any specific performance class without having won at least five points in that specific class. Level I (open division only), Level 2 and Level 3 (all divisions) points count toward the performance ROM award.

SHW802.3 Halter/Performance Halter ROM: won at least 10 points in halter/performance halter classes.

SHW802.4 Youth and/or amateur register of merits do not qualify a horse for advancement.

SHW803. ALL-AROUND - OPEN, AMATEUR, SELECT AMATEUR, YOUTH - a trophy will be awarded in the open, amateur, select amateur classes and/or youth division to any horse earning the title of all-around the first time it earns the all-around title under the current record ownership. If that horse earns another all-around title in another division - open, amateur, select amateur classes and/or youth - the owner may purchase a similar trophy if the show does not award it. Once the first-time complimentary trophy has been awarded, AQHA will subsequently award specially designed certificates to any horse earning the title of all-around or reserve all-around each time the title is earned in each - open, amateur, select amateur and/or youth classes. Points earned in rookie and Level I do not count to this award.

SHW803.1 For the open division all-around trophy to be awarded, the show must meet the requirement of a minimum of five halter classes for stallions, five halter classes for mares, five halter classes for geldings and one performance class.

SHW803.2 For the youth division all-around trophy to be awarded, four approved youth performance events must be offered whether the youth show is conducted separately or in conjunction with approved AQHA shows for exhibitors of all ages and/or amateur shows.

SHW803.3 For the amateur division all-around trophy to be awarded, four approved amateur performance events must be offered whether the amateur show is conducted separately or in conjunction with approved...
AQHA shows for exhibitors of all ages and/or youth shows.

**SHW803.4** Only select classes count for earning a select all-around trophy, only amateur classes (not select amateur classes) count toward earning an amateur all around. If the class is offered as an all age class, the points will follow their respective age division. Should the select class be combined with the amateur all-age class, the points earned by the select will count toward their all-around eligibility as a select.

**SHW803.4.1** If a select exhibitor exhibits in halter, team penning, ranch sorting or jumping, those classes will count even though they are not offered as a select class.

**SHW803.5** To be eligible for all-around honors, a horse in the open division, amateur in the amateur division, select amateur in the select amateur classes or youth in the youth division must compete in at least three AQHA-approved classes in their respective division – in three or more categories.

SHW900. AQHA-APPROVED JUDGES: Designation as an AQHA-approved judge is a privilege, not a right, bestowed by the Judges Committee according to procedures formulated by it, to individuals whose equine expertise and personal character merit the honor. Such designation is revocable by the Judges Committee with or without notice and formal hearing, subject only to ultimate review by the Executive Committee, with or without notice and formal hearing.

SHW901. An individual’s conduct as a member, exhibitor and judge must be exemplary; is subject to continual review by the Judges Committee, with an automatic review after five years of becoming an AQHA judge.

SHW902. An AQHA-approved judge shall not have a conflict of interest between AQHA’s objective and their own personal business or pecuniary interests. Each judge should refrain from using his or her official status to further one’s own personal or financial purpose. When such conflict of interest arises, the judge is expected to either withdraw the personal objective from the transaction in question or resign as an AQHA-approved judge, so he or she may pursue the personal objective. Breach of this ethical rule shall be subject to review.

SHW903. If a judge cannot exercise an objective opinion, free from possible prejudice, bias or outside influence, because of a connection with an owner, exhibitor or anyone else connected with the horse, or, for that matter, if such connection would appear to others as possible bias, whether or not the judge feels he or she would be affected, a judge must disqualify himself or herself.

SHW904. These following specific examples of conflicts of interest are not all inclusive, and judges are ineligible to judge any horse or exhibitor in other situations in which SHW903 above is applicable. Certain specific examples of obvious conflict of interest for judges include:

SHW904.1 judging a horse at a show or set of shows that is owned or exhibited by anyone from whom he or she has received a salary, commission or any kind of remuneration for selling or buying any horse for that individual, whether or not a horse is concerned in the transaction, has been in the employ, or has represented such individual in any capacity for remuneration, within three months prior to the date of the subject show.

SHW904.2 personally exhibiting a horse at a show or set of shows at which he or she is judging.

SHW904.3 owning, in whole or part, a horse being exhibited at a show or set of shows held on the same show grounds in which that judge is officiating. However, the judge is allowed to judge speed events, EWD, or Level I classes and be allowed to show at the same show or set of shows on the same show grounds.

SHW904.4 being involved in the management of a show or set of shows while officiating as a judge at that show.

SHW904.5 judging a show or set of shows in which a horse owned by or being exhibited by any member of his/her immediate family is entered. See SHW220.1 for definition of “immediate family”. This rule applies regardless of whether the judge is scheduled to judge such horse.

SHW904.6 judging a horse at a show or set of shows that is trained by an immediate family member or an immediate family member’s assistant trainer.

SHW904.7 If prohibited by a show’s conflict of interest policy...
(check with show management), judging a show or set of shows in which a horse trained by an immediate family member or an immediate family member's assistant trainer is entered and such immediate family member or their assistant trainer are on the show grounds. If not prohibited by a show’s conflict of interest policy, SHW904.6 above still applies.

**SHW904.8** judging a horse at a show or set of shows that he/she has been owner, trainer, agent in any capacity, or conditioner of that horse within the previous three months prior to the date of the subject show.

**SHW905. TO MAINTAIN APPROVAL AS A JUDGE,** an individual must:

**SHW905.1** maintain a current individual membership. Failure to do so will result in removal from the list of AQHA-approved judges. If removed for failure to maintain an individual membership, the judge must wait 12 months from the date their membership is activated to reapply for judging credentials.

**SHW905.2** attend an AQHA-sanctioned judges conference once every three-years beginning January I of the year in which the individual becomes an AQHA-approved judge; furthermore, all AQHA-approved specialized judges must attend a judges conference when their discipline is conducted. **A judge may request a one-time exemption, that is subject to approval, by contacting the Sr. Director of Judges.** If approved, there will be a cost recovery fee of $500 and he/she must watch the conference via online training prior to judging his/her next show.

**SHW905.3** attain a minimum of three credits from AQHA-approved shows per calendar year beginning January I of the year following the individual’s approval as an AQHA-approved judge (one show number = one credit). No more than one credit for judging an IEA, IHSA, or NCEA show, or non-judged events (team penning, ranch sorting, barrel racing, pole bending and stake race) may be counted towards the minimum three credit requirement. In cases where four or more, show numbers are judged at the same show, or set of shows, only four credits will be counted against the maximum of 25 shows for that judge. AQHA-approved specialized judges must earn a minimum of one credit every three years beginning the date they go on the list of AQHA-approved judges. This credit may be earned by judging an AQHA approved show or an alliance show in the discipline for which they are approved. An individual who has served as a panel member for an AQHA-sanctioned judges conference; a panel member for an AQHA-sanctioned educational judging seminar; and/or an official judge for an AQHA-sanctioned qualifying exam will receive credit for one show judged.

**SHW905.4** to serve as a specialized judge, be approved per AQHA’s specialized certification process and hold and maintain a judges card with the alliance in that discipline (i.e. NCHA, NRHA, NRCHA, USTPA, WCHA, or USEF “R”). To serve as a specialized judge an individual may be approved per AQHA’s specialized certification process in roping and speed events without holding and maintaining a judges card with an association in such disciplines.

**SHW906. GROUNDS FOR REMOVAL** as an AQHA-approved judge shall include, but not be limited to:

**SHW906.1** suspension from AQHA membership or denial of any privilege thereof.

**SHW906.2** failure to comply with AQHA’s rules and regulations.
SHW907. Removal of an individual as an AQHA-approved judge, for any reason, shall be absolute, with no provision for automatic reinstatement.

SHW908. An individual who is suspended from AQHA membership or is denied AQHA privileges may not apply to become an AQHA-approved judge until the expiration of one year following reinstatement of AQHA membership or privileges.

SHW909. INTERNATIONAL AQHA-APPROVED JUDGES residing in an international country may make four trips or judge four shows in any one country in a calendar year.

SHW910. A JUDGE SHALL:

SHW910.1 judge an AQHA-approved event in accordance with all rules, regulations, directives and guidelines issued by AQHA.

SHW910.2 honestly, fairly and impartially judge each horse exhibited to him or her, strictly on the horse's conformation and/or its performance as the rules of the particular event dictate.

SHW910.3 at all times act in a professional manner.

SHW910.4 disqualify any contestant for abuse of the horse.

SHW910.5 eliminate any horse/exhibitor as an entry which he/she feels is in violation of the intent of AQHA’s prohibited conduct rules, or which he/she does not feel has legitimately attempted to exhibit the horse to the best of the horse’s ability.

SHW910.6 adhere to the AQHA Judge Code of Ethics.

SHW910.7 during an approved show, be present to meet his/her responsibilities under AQHA rules and shall be available to assist show management in meeting its responsibilities of rule compliance.

SHW910.8 make every reasonable effort to judge a show after accepting a judging commitment. If unable to fulfill the commitment, the judge must (1) notify show management in a timely manner to allow show management maximum time to secure a suitable replacement and (2) if reasonably possible, offer to locate a suitable replacement. The judge must also immediately notify AQHA in writing with a complete explanation of the failure to meet the commitment, including the time, date and manner that show management was notified. AQHA will review such explanation to determine among other things whether the judge made every reasonable effort to fulfill his/her judging commitment. Failure to comply with this rule may result in disciplinary action including, but not limited to, a monetary fine and/or removal from the approved judges list. Determining factors in whether disciplinary action should be taken include the nature of the excuse and the judge's efforts to timely notify show management. All failure to fulfill judging commitments shall be recorded in the judge’s file for future reference if necessary.

SHW910.9 contact an official of the show upon arrival in a city in which he/she is to officiate and advise him/her of his/her presence and location.

SHW910.10 wear western attire, including hat and boots, while judging an AQHA-approved show except when judging a dual approved AQHA/USEF hunter competition when they may wear appropriate English judging attire.

SHW910.11 be at least 21 years of age to serve as a specialized Level I show judge or 25 years of age to judge all other approved shows/events.
SHW911. JUDGES MAY:

SHW911.1 judge two judged special events in the same state; province or country within one calendar year.

SHW911.2 order any person or horse from competition for poor conduct of either.

SHW911.3 at his/her discretion, refuse entry into the arena or remove an entry from a class for improper attire and/or equipment.

SHW911.4 use the ring steward, other show officials or approved AQHA judges to assist in scoring individual jumps in jumping.

SHW911.5 An AQHA-approved judge may charge a fee lower than the $200 minimum for Versatility Ranch Horse competitions, Level 1 shows, special events and Equestrians with Disabilities events.

SHW911.6 At all shows where there is an official videographer, judges will be allowed to review all major and/or severe penalties of two points or more, excluding marker penalties in the reining and the reined work portion of working cow horse, as long as one judge has called a reviewable penalty.

SHW911.7 Judges may for scored classes only, upon completion of runs, confer in a timely manner regarding disqualifications or major penalties provided a ring steward or show official is present. There shall be no consultation or visiting between judges during the actual judging of any class. In all classes, judges should not confer regarding any other judging considerations. When questioning obvious lameness or other disqualifications:

Halter – if soundness is in question, immediately retract the horse. Make a decision in a timely manner. If all the judges determine the horse is unsound, wait until all horses have tracked to have the ring steward dismiss the horse. If all judges have not called the horse unsound, judge the horse accordingly. Similar procedures should be followed in cases of bites, absence of testes, or excessive white.

All other classes – If the welfare of the horse is in danger, immediately dismiss the horse. If the welfare of the horse is not in danger, but the majority agree it’s unsound, dismiss the horse at the most convenient and discreet time. In individual worked classes and if the welfare of the horse is not in danger, let the horse finish the work and score it accordingly.

SHW912. JUDGES MAY NOT:

SHW912.1 earn more than 25 credits (one show number = one credit). In cases where four or more show numbers are judged at the same show, or set of shows, only four credits will be counted against the maximum 25 credits for that judge. Non-judged events (team penning, ranch sorting, barrel racing, pole bending, and stake race) shall not count toward a judge’s maximum 25 credits.

SHW912.2 judge two consecutive years at the same show, set of shows or circuit except when judging cutting, working cow horse, roping, team penning, ranch sorting, speed events, ranch riding, ranch trail or versatility ranch horse where they may judge up to two consecutive years.

SHW912.3 make more than three trips to one state, province or country to judge within one calendar year. One of the trips must be a single day show, a show that occurs in a 24 hour period, if three trips are made. Non-judged events (team penning, ranch sorting, barrel racing, pole bending and stake race) shall not count
towards a judge’s maximum number of shows within a state, province or country.

**SHW912.4** judge two shows within 150 miles of each other within 30 days, except he/she may judge multiple shows on the same grounds on consecutive days as long as the judge does not judge a particular class but one time during those shows.

**SHW912.5** appear on the show grounds more than one hour before the judging.

**SHW912.6** visit the stall area, nor visit with owners, trainers, exhibitors or owners’ representatives, nor inspect or discuss any horse entered in the show before the judging (including the day prior to the contest).

**SHW912.7** visit, socialize or fraternize with any exhibitor the day prior to or during the show.

**SHW912.8** review the program until after the judging has been completed; but he/she shall be furnished a schedule of events by the show management prior to the judging.

**SHW912.9** ride or, in any manner, participate in the role of an exhibitor for a horse in the class while judging an event.

**SHW912.10** ask the exhibitor to change horses with another exhibitor.

**SHW912.11** rejudge a class once it has been judged.

**SHW912.12** change his/her score card (record) after awards have been presented unless a clerical error has occurred. In the event of a clerical error, validated by proper documentation, the clerical error must be corrected before show results are entered by AQHA.

**SHW912.13** With the exception of timed events, a judge may not judge for a show management team/entity that the judge has already judged three shows, or set of shows in a calendar year. A show management team/entity consists in whole or in part of:

(a) common individual(s) listed as show management;

(b) common individual(s) involved in the actual management of a show (whether or not listed);

(c) common individual(s) who are compensated by or have an ownership interest in a show management team/entity; or

(d) immediate family members (spouse, parent, child or grandparent)

**SHW912.14** A judge may not solicit a show to judge after fulfilling their minimum show requirement.

**SHW913. IT IS THE JUDGE’S RESPONSIBILITY TO:**

**SHW913.1** control the cattle pens and treatment of all cattle in cattle classes.

**SHW913.2** have bridles dropped in at least one class per show.

**SHW913.3** allow exhibitors in individually worked classes who incur a penalty of 0 to complete the pattern as long as they stay within reasonable confines of the described pattern or course, stay within a reasonable working time allowed for the pattern or course and avoid abusive or excessive training.

**SHW913.4** submit all score sheets to show management to be posted.

**SHW913.5** rely on the ring steward to facilitate an exhibitor’s request to speak directly to him/her. When an exhibitor makes a request through the ring steward or other show official for the judge’s opinion concerning that exhibitor’s horse, the judge will give his/her opinion courteously and sincerely in the presence of the ring steward or other show official.
SHW914. IN ANY PERFORMANCE CLASS, the judge:  
SHW914.1 shall not call contestants off the rail at any gait other than a walk, where horses are worked on the rail.  
SHW914.2 may, at his/her discretion, require the backing of only the finalists in the class where backing is required.  
SHW914.3 must disqualify, anytime a horse is ridden with a hackamore and has an open, raw or bleeding sore that comes in contact with the hackamore, or at his/her discretion, penalize the horse which appears sullen, dull, lethargic, emaciated, drawn or overly tired.  
SHW914.4 must disqualify a horse any time a horse’s mouth is bleeding  
SHW914.5 is not to penalize a horse for the manner in which it carries its tail nor for normal response with its tail to cues from its rider or when changing leads. A judge may, at his/her discretion, penalize a horse for excessive or exaggerated switching or wringing of the tail or for a seemingly dead tail that merely dangles between the legs and does not show normal response.  
SHW914.6 the fall of a horse or rider being judged shall be cause for disqualification in all classes except for team penning and ranch sorting. A horse is considered having fallen when he or she is on their side and all four feet are extended in the same direction. Rider is considered to have fallen when he or she is not astride.  
SHW914.7 shall disqualify a horse any time its mouth is tied or fastened.  
SHW914.8 must inspect horses in at least one class per show by examining both sides, front and rear for signs of abuse or excessive training.  
SHW915 CLASS PLACINGS - A judge must place  
SHW915.1 through nine places in classes where there are 9-34 qualified horses exhibited  
SHW915.2 through 10 places in classes of 35-39 horses  
SHW915.3 through 11 places in classes of 40-44 horses  
SHW915.4 through 12 places in classes of 45 or more horses.  
SHW915.5 All qualified horses in classes of nine or less. If a horse is disqualified, however, it is not to be placed regardless of the number of horses in the class.
RACING RULES AND REGULATIONS

IMPORTANT NOTICE: The welfare of the horse and all other animals is paramount to AQHA. Before proceeding, please read AQHA’s welfare statement concerning American Quarter Horse racing on page 3. RAC301.5 and RAC311 are examples of ways that AQHA has worked to protect horses involved in racing.

RAC300. GENERAL RACING PROVISIONS

RAC300.1 AQHA does not assume or accept duty or responsibility for safety at any race or races in regard to participants, third parties or participating horses.

RAC300.2 As an express condition of the privilege to participate at an AQHA-recognized race event, each owner of an American Quarter Horse, trainer and participant assumes the risks of participation and releases and discharges AQHA, its officers, directors, representatives and employees from any and all liability, whenever or however arising, as to personal injury or property damage occurring as a result of participation in a race event.

RAC300.3 In cases where races eligible for AQHA recognition are run under the supervision of a Racing Authority, the Racing Authority’s rules take precedence. While rules of Racing Authorities take precedence, AQHA, for purposes of AQHA records and programs, reserves the right to deny or revoke recognition of a race which does not observe the rules and regulations contained herein. American Quarter Horse racing is defined as two or more American Quarter Horses registered with the American Quarter Horse Association, entered and competing in the same race at the same time from a regulation starting gate, at distances and conditions recognized by AQHA and running at full speed, unimpeded by obstacles, thru a common finish line. Also see rules RAC301 and RAC302.

RAC301. RACE RECOGNITION AND RESULTS

RAC301.1 AQHA accepts race results in Amarillo, Texas, as official and uses such results for purposes of recording information in AQHA records, conducting AQHA racing programs and determining qualification for advancement of a horse in AQHA's breed registry.

RAC301.2 Race results are eligible for AQHA recognition if the race is run under the supervision of a Racing Authority and complies with the rules and regulations contained herein.

RAC301.3 Effective April 1, 1992, AQHA imposed a moratorium on applications for AQHA sanction/regulation of nonpari-mutuel race meets. Such moratorium remains in effect and may only be waived by the AQHA Executive Committee.

RAC301.4 AQHA will not recognize a race that involves an American Quarter Horse competing with horses other than

- RAC301.4.1 other American Quarter Horse(s);
- RAC301.4.2 Thoroughbred(s) registered with The Jockey Club, The Canadian Jockey Club or The Mexican Jockey Club;
- RAC301.4.3 horse(s) registered with the APHA; or
- RAC301.4.4 horse(s) registered with the Appaloosa Horse Club.

RAC301.5 AQHA will not recognize a race in which a 2-year-old:

- RAC301.5.1 starts prior to March 1 (with the exception of the trials and finals for the West Texas Futurity and the Mardi Gras Futurity);
- RAC301.5.2 competes against older horses; or
- RAC301.5.3 is allowed to compete at a distance greater than 440 yards prior to September 1.
RAC301.6 A questionable time is a time in which past performance records indicate possible error.

RAC301.6.1 In cases of questionable times, AQHA may withhold its recognition of the times as official until the race is reviewed by AQHA.

RAC301.6.2 If presiding race officials or the Racing Authority do not provide reasonable justification for the questionable time, AQHA reserves the right to adjust the time by using the video of the race to estimate the time by counting the number of video frames in the race from the moment the starting gate stall doors are fully open parallel to the racing track.

RAC301.6.3 AQHA decisions regarding questionable times may be appealed to the AQHA Racing Council for further consideration. Decisions of the Racing Council may be appealed to the AQHA Executive Committee per VIO505.

RAC302. TRACK RESPONSIBILITIES

RAC302.1 Unless otherwise specified herein, AQHA recognizes the Model Rules for Flat Racing adopted by the Association of Racing Commissioners International (“ARCI”) and requests that races eligible for AQHA recognition be run in accordance with such rules.

RAC302.2 AQHA recommends that all stewards at American Quarter Horse tracks be certified as accredited stewards and have adequate experience and/or education concerning American Quarter Horse racing.

RAC302.3 Tracks must file race results charts and official programs with AQHA following each racing day. Tracks may file such charts and programs by fax, online computer transmission (directly to AQHA or via submission to Equibase) or express delivery. The race results chart should include all of the necessary information to produce past performance lines as well as information concerning monies earned (purse and bonus) paid through the horseman’s bookkeeper. The official program should include conditions of the races and distances, names of the horses in each race, post positions, color, sex, age, breeding, owner, trainer, jockey and weight carried.

RAC302.4 If requested by AQHA, tracks must provide AQHA with a videotape of all graded or restricted graded stakes races at the track’s expense.

RAC302.5 The track is responsible for setting starting gates so races are actually run at designated distances. There shall not be a downhill slope in excess of one degree (1°) over the length of the straightaway. At AQHA’s request, a track must file with AQHA a certified statement by a licensed surveyor that all American Quarter Horse distances at the track have been surveyed for a grade and distance within the last ten years, or in the event a distance is added or any physical change is made to the track since the last survey filed with AQHA.

RAC302.6 AQHA will only recognize those official races that are run on oval tracks that meet the standards and requirements of AQHA and the model rules of racing.

RAC302.7 All tracks conducting American Quarter Horse racing shall utilize an electronic photo-finish camera or computerized video tape photo-finish camera. The minimum accuracy of the camera shall be no less than 1/100th (.01) of a second. The maximum accuracy of the camera shall be no greater than 1/1000 (.001) of a second. The track must calibrate the photo-finish camera every
year and, at AQHA's request, file a copy of the calibration report with AQHA.

RAC302.8 The recommended minimum scale of weights of American Quarter Horse jockeys riding 2-year-olds is 122 pounds; 3-year-olds is 124 pounds; and 4-year-olds or older is 126 pounds.

RAC303. EARNINGS. AQHA will only record the following as total money earned in the Official AQHA Race Record:

RAC303.1 Purse earnings reported in the race results chart; and

RAC303.2 Bonus earnings, including annuity awards, that are:
  RAC303.2.1 paid to the owner(s) of a horse as a result of the horse's performance in a specific race or series of races that are not included in the actual purse of the race(s) but are paid through the horseman's bookkeeper (in the case of a series of races, paid through the horseman's bookkeeper at the track where the last leg of the series was held); and
  RAC303.2.2 reported in the race results chart.

RAC303.3 Bonus earnings will be recorded separately from purse earnings, and an annotation will appear on materials such as Champions Balloting specifying that the horse's total earnings include a particular amount of bonus earnings.

RAC303.4 Bonus earnings in the form of an annuity award will be recorded as the cash value of the annuity on the date the award was earned, whether or not the owner receives the award as a lump sum or in periodic payments. In the event an owner receives an annuity award in periodic payments, the determination of the cash value of the annuity on the date the award was earned shall be in accordance with generally accepted accounting principles.

RAC303.5 AQHA records all monetary amounts reported as part of race results (purse, bonus earnings, claiming prices, wagering pool, payoffs, etc.) in U.S. funds.

RAC304. HORSE OWNERSHIP.

RAC304.1 "AQHA Race Ownership Record" shall mean a horse's official AQHA ownership record as it existed within AQHA's ownership data system at the time of a race.

RAC304.2 A person shall be considered a “Record Owner” of a horse if such person is:
  RAC304.2.1 listed as the owner per “AQHA Race Ownership Records”; or
  RAC304.2.2 listed as the lessee per “AQHA Race Ownership Records”.

RAC304.3 For purposes of AQHA recognition and AQHA awards only, points and earnings earned as a result of a horse's performance in a particular race (“AQHA Credit”) shall only be credited to the Record Owner of such horse for that race.

RAC304.4 AQHA recognizes that reporting services and/or racetracks, for purposes of their record keeping, may rely on certain documentation as being sufficient for their official and final determination/recognition of a person as being the owner of a horse. AQHA recognizes that such documentation might include, but not necessarily be limited to:
  RAC304.4.1 an AQHA registration certificate presented to race officials;
  RAC304.4.2 an AQHA lease certificate presented to race officials; or
  RAC304.4.3 a valid transfer report presented to race officials.
Notwithstanding such reliance and official and final determination/recognition by reporting services and/or racetracks, if a person is not a Record Owner as defined in subsection RAC304.2 above, such person shall not receive the AQHA Credit referenced in subsection RAC304.3 above. This remains true even if AQHA official ownership records are subsequently updated after a race to reflect that such person was the owner of the horse at the time of the race.

**RAC304.5** See REG124.6 for information on transferring horses claimed in claiming races.

**RAC305. TIME TRIALS.** In the absence of specific conditions for particular elimination or time trial races, the following rules shall apply.

**RAC305.1** Except in cases where the starting gate physically restricts the number of horses starting, each time trial shall consist of no more than 10 horses.

**RAC305.2** The time trials shall be raced under the same conditions as the final. If the time trials are conducted on the same day, the horses with the 10 fastest times shall qualify to participate in the final. If the time trials are conducted on two days, the horses with the five fastest times on the first day and the horses with the five fastest times on the second day shall qualify to participate in the final. When time trials are conducted on two days, the racing secretary shall make his/her best effort to split owners with more than one entry into separate days and/or time trials.

**RAC305.3** If the track’s starting gate has less than 10 stalls, then the maximum number of qualifiers will correspond to the maximum number of starting gate post positions.

**RAC305.4** Except in races around a turn, if only 11 or 12 horses are entered to run in time trials from a gate with 12 or more stalls, the track may choose to run a final only. If 11 or 12 horses participate in the final, only the first 10 finishers will receive purse money.

**RAC305.5** In the time trials, horses shall qualify on the basis of time and order of finish. The times of the horses in the time trial will be determined to the limit of the timer. The only exception is when two or more horses have the same time in the same trial heat. Then the order of finish shall also determine the preference in qualifying for the final. Should two or more horses in different time trials have the same qualifying time to the limit of the timer for the final qualifying position(s), then a draw by public lot shall be conducted as directed by the stewards. Qualifying times in separate trials shall not be determined beyond the limit of the timer by comparing and/or enlarging photo-finish images.

**RAC305.6** Except in the case of disqualification, under no circumstances shall a horse qualify ahead of a horse that finished ahead of that horse in the official order of finish in a time trial.

**RAC305.7** Should a horse be disqualified for interference during the running of a time trial, it shall receive the time of the horse it is immediately placed behind plus one hundredth of a second, or the maximum accuracy of the electronic timing device. No adjustments will be made in the times recorded in the time trials to account for head-wind, tail-wind, off-track, etc. If a horse is disqualified for interference with another horse causing loss of rider or the horse not to finish the race, the disqualified horse shall be given no time and that horse should not be eligible to run in the final.

**RAC305.8** Should a malfunction occur with the electronic timer on any time trial, finalists from that time trial will then be deter-
mined by official hand times operated by three official and disinterested persons. The average of the three hand times will be utilized for the winning time, unless one of the hand times is clearly incorrect. In such cases, the average of the two accurate hand times will be utilized for the winning time; other horses shall be given times according to the order and margins of finish with the aid of the photo finish, if available.

**RAC305.9** When there is a malfunction of the timer during some time trials, but the timer operates correctly in other time trials, the accurate electronic times shall not be discarded, nor shall the average of the hand times be used for all time trials.

**RAC305.10** If the accuracy of the electronic timer and/or the average of the hand times are questioned, the video of a time trial may be used by the stewards to estimate the winning time by counting the number of video frames in the race from the moment the starting gate stall doors are fully open parallel to the racing track. When the timer malfunctions and there are no hand times, the stewards may select qualifiers based on the video.

**RAC305.11** Should there be a malfunction of the starting gate and one or more stall doors not open or open after the exact moment when the starter dispatches the field, the stewards may declare the horses with malfunctioning stall doors non-starters or may allow any horse whose stall door opened late, but still ran a time fast enough to qualify, to be declared a starter for qualifying purposes. If a horse breaks through the stall door, or the stall door opens prior to the exact moment the starter purposely dispatches the field, the horse may be declared a non-starter, and the stewards may direct that all entry fees be refunded. If one or more, but not all, stall doors open at the exact moment the starter purposely dispatches the field, these horses should be considered starters for qualifying purposes and placed according to their electronic time. If the electronic timer malfunctions in this instance, the average of the hand times, or if not available, the video may be utilized for the horses declared starters.

**RAC305.12** If a horse should be scratched from the time trials, the horse’s owner shall not be eligible for a refund of the fees paid and shall not be allowed to enter the final. If a horse that qualified for the final should be unable to enter due to racing soundness or scratched for any reason other than a positive drug test or a rule violation, the horse shall be deemed to have earned and the owner will receive last place purse money. If more than one horse is scratched from the final, then those purse monies shall be added together and divided equally among those owners.

**RAC305.13** If a qualifier for a final or consolation is disqualified for ineligibility or a rule violation after the time trials are declared official, but prior to entry for the final or consolation, the non-qualifier with the next fastest time shall replace the disqualified horse. If a qualifier is disqualified after entry for the final or consolation for any reason other than racing unsoundness, illness or death, if necessary, the purse shall be redistributed among the remaining qualifiers.

**RAC306. STAKES AND RESTRICTED STAKES RACES.**

In order to be eligible for AQHA recognition as a stakes or restricted stakes race, the following conditions must be met:

**RAC306.1** Stakes race – A stakes race is a race in which any horse must make nomination(s), sustaining and/or entry fee
payment(s), or a supplemental payment to participate in a race. 

**RAC306.1.1** Nominations must close more than 48 hours before time for the first race of the day on which such stake(s) race(s) is conducted.  

**RAC306.1.2** Must be worth a minimum of $15,000 to be considered  

**RAC306.1.3** Can either be considered open or restricted  

**RAC306.1.4** Eligible for grading when it meets the conditions for a graded stakes race  

**RAC306.1.5** Conditions and/or nomination form along with purse structure must be on file with the AQHA Racing Office in Amarillo, TX at the same time the information is sent to horsemen.  

**RAC306.1.6** The minimum purse for stakes races conducted internationally shall be $7,500 U.S. funds, based on the conversion rate on each race day, except Canada where the minimum is $15,000 Canadian funds.  

**RAC306.1.7** Races not eligible for stakes race status include but not limited to:  

- **RAC306.1.7.1** match races  
- **RAC306.1.7.2** races restricted to horses that are non-winners of a stakes race  
- **RAC306.1.7.3** races that are restricted to maidens, limit eligibility to horse that have started for a claiming price, horses entered to be claimed or that carry an optional-claiming condition.  
- **RAC306.1.7.4** races that use a speed number (index, rating, etc).  
- **RAC306.1.7.5** any trial races, with the exception of the Z Wayne Griffin Directors trials  

**RAC306.2 Open stakes race** – A race at which any horse at any time can make a payment(s) and enter the stakes race or trials for that particular stakes race according to the conditions of the race.  

- **RAC306.2.1**. Can only limit entry by sex or age  
- **RAC306.2.2**. An invitational (horses must have competed in a stakes race(s) to be invited) or handicap can be considered a stakes race if it meets the minimum purse, is advertised in the official stakes program and satisfies all other criteria. This includes juvenile or “consolation” races for horses that ran in trials but did not qualify for the final.  

**RAC306.3 Restricted stakes race** – A race that limits entry of horses based on any other criteria other than age or sex. This includes but is not limited to the following:  

- **RAC306.3.1**. state breeding, foaling and/or ownership  
- **RAC306.3.2**. horses that were sold in a certain sale  
- **RAC306.3.3**. progeny of a group of stallions either owned or standing at certain stallion farm(s)  
- **RAC306.3.4**. tend to exclude better horses while allowing participation by lesser horses  
- **RAC306.3.5**. raced in certain states or at certain tracks  

**RAC306.4 Graded stakes races** – Annually, AQHA will consider for grading, all eligible open and restricted stakes races as outlined in the Graded Stakes Committee Guidelines. Stakes may be graded as Grade I, 2 or 3, with Grade I being the
highest grade. Restricted stakes may be graded as Restricted 1, 2 or 3, with Restricted 1 being the highest grade. Primary considerations for grading will be the quality of horses attract- ed to the race and such factors as competition, conditions, purse and prestige of the race. In order for AQHA to grade a stakes race, such race must limit entry and competition to only American Quarter Horses registered with the American Quar- ter Horse Association.

Races not eligible for graded stakes status but could still qualify for stakes race status:

**RAC306.4.1.** Overnight stakes races

A race whose conditions give preference to or are limited to non-qualifiers of another graded or non-graded stakes race

**RAC307. THE BANK OF AMERICA® RACING CHAL -
LENGE.** The general rules and conditions for the Bank of America® Racing Challenge are contained in the Official AQHA Bank of America® Racing Challenge Condition Book applicable to the year in which the Challenge races are conducted (“Official Challenge Condition Book”). The Official Challenge Condition Book is published on AQHA’s website (aqha.com) and is incorporated herein by reference.

**RAC308. SPEED INDEX.** Speed index is a system of rating the performance of American Quarter Horse racehorses.

**RAC308.1** Speed index ratings are based on an average of the three fastest winning electronic times at a particular distance run each year for the immediate past three years at a given track (nine total times). The average of the nine times (to the nearest 1/1000 (.001) of a second) represents a speed index rating of 100 for the following year.

**RAC308.1.1** In the event a time included within the nine times is slower than the established Minimum Standard Time for that distance, the Minimum Standard Time will be used in lieu of such slower time in calculating the average from which the speed index ratings will be computed the following year.

**RAC308.1.2** No horse will be used more than one time in any one year at a particular distance at any one track in calculating the nine fastest times.

**RAC308.2** The following times constitute Minimum Standard Times.

**RAC308.3** In the event a track does not have a three-year immedi- ate history for a particular distance, but, at least once in the immediate
past three years has recorded three fastest winning electronic times at a particular distance, then the speed index of 100 will be based on the average of:

**RAC308.3.1** the Minimum Standard Time for those year(s) that the track did not run the particular distance; and

**RAC308.3.2** average of the three fastest winning electronic times in each of the years that the race was run in the immediate past three years (average of 3 times if distance only run during 1 meet in the last 3 years or average of 6 times if distance run during 2 meets in the last 3 years)

**RAC308.4** In the event a track has not recorded three fastest winning electric times at a particular distance at least once in the immediate past three years, but is a track that has run races that AQHA has recognized in the past, then the speed index of 100 will correspond to the Minimum Standard Time for that particular distance.

**RAC308.5** Horses starting at tracks eligible for recognition by AQHA for the first time will receive a speed index rating based on the following:

- **RAC308.5.1** First year: A speed index of 100 will be based on an average of the three fastest winning electronic times at a particular distance run for the previous year at each of the five tracks with the largest number of race starters the previous year (hereinafter referred to as the “Five Track Average”). No horse will be used more than one time in any one year at a particular distance at any one track.

- **RAC308.5.2** Second year: A speed index of 100 will be based on an average of the Five Track Average and the average of three fastest times at the track in question for the previous year. No horse will be counted more than once at a particular distance at any one track.

- **RAC308.5.3** Third year: A speed index of 100 will be based on an average of the Five Track Average and the average of the three fastest times at the track in question for the previous two years. No horse will be counted more than once at a particular distance at any one track.

**RAC308.6** A speed index point varies according to the distance of the race as follows:

- .100 equals one speed index point at 1,000 yards.
- .087 equals one speed index point at 870 yards.
- .077 equals one speed index point at 770 yards.
- .066 equals one speed index point at 660 yards.
- .055 equals one speed index point at 550 yards.
- .044 equals one speed index point at 440 yards.
- .04 equals one speed index point at 400 yards.
- .035 equals one speed index point at 350 yards.
- .033 equals one speed index point at 330 yards.
- .03 equals one speed index point at 300 yards.
- .025 equals one speed index point at 250 yards.
- .022 equals one speed index point at 220 yards.
- .011 equals one speed index point at 110 yards.

**RAC308.7** To calculate a specific speed index for a specific horse in a specific race, the time run by the horse is compared to the speed index time associated with 100 for the distance in question at that particular track. Points are added or subtracted based on whether the time was faster or slower than 100 speed index time. The only exception to the point interval chart above relates to a horse achieving a speed index of 101. In order to achieve a speed
index of 101, a horse need only be .01 faster than the speed index
time associated with 100. Thereafter, speed indexes greater than
101 are calculated using the speed index point intervals above. By
way of example, if a 100 speed index associated with a 350 yard
race is 17.75, then a horse that runs a 17.74 shall earn a speed index
of 101. Using the same example, if the horse runs a 17.705 (.035
faster than 17.74), then such horse shall earn a speed index of 102.

RAC308.8 An American Quarter Horse may not earn a speed
index at a distance exceeding 1,000 yards or around more than one
turn. However, such races will be listed on the participating horse’s
race record.

RAC308.9 A speed index will only be awarded to a horse for
approved electronic times at AQHA recognized official distances.

RAC309. RACING POINTS.

RAC309.1 Racing points will be awarded according to conditions
of the race and order of finish for all races recognized by AQHA, at
official AQHA distances. (See chart on page 307.)

RAC309.2 Starter allowance and optional claiming races are
considered in the same category as claiming races, based on claim-
ing and optional claiming price.

RAC309.3 Should a dead heat occur, all horses involved will
receive the same points based on the place for which they dead
heated. All other horses will receive points based on their actual
finish.

RAC309.4 Unless otherwise specified herein, a disqualified
horse will receive points according to its final placement.

RAC309.5 Horses participating in match races or races with less
than five horses on the race card will receive no race points.

RAC309.6 AQHA’s Racing Department shall be responsible for
making the final decision as to which category a race shall be placed.

RAC310.7.3 the race must be electronically timed.

RAC310.7.4 the race is run at an official surveyed distance.

RAC310.7.5 at a racetrack racing for the first time, or racing for the first time in 10 years or longer, the fastest winning time for the race meet at each distance will be recognized as the track record.

**RAC310.8.5** produced at least three individual American Quarter Horse stakes winners prior to 1983 and those wins were equivalent of Grade I quality race.

**RAC310.9** Horses earning a speed index of 80 or higher will receive a Racing Register of Merit. AQHA will furnish a Register of Merit certificate to the horse’s owner at the owner’s request. If the electronic timer malfunctions but a hand-time is recorded that would have resulted in a speed index of 80 or higher, the owner of the horse may appeal to AQHA for designation of the horse a Register of Merit qualifier if the hand-time is certified by track stewards.

**RAC310.10** Membership in AQHA on or before a deadline specified by AQHA prior to the date the award is bestowed (“Membership Deadline”) is required for the owner of an American Quarter Horse to receive any racing award for achievement, including, but not limited to, a certificate, plaque or trophy. Jockeys, Trainer, Owners and Breeders received individual awards must be members in good standing with AQHA on or before the Membership Deadline. In the event membership requirements are not met on or before the Membership Deadline, the next eligible horse/person shall receive the achievement and physical award.

**RAC310.11** If a racing jurisdiction reports that a horse (a) tested positive for a Class I substance, Class 2 substance, Clenbuterol, any prohibited substances in the presiding jurisdiction, or any other medication other than those defined by ARCI as being a Controlled Therapeutic Medication or (b) failed to report for out of competition testing, such horse and record trainer as of the violation date in question shall be ineligible to be considered for AQHA awards or be included in AQHA media (online and publications) in accordance with AQHA’s Policy Concerning Awards and Publicity of Horses and/or Trainers with Racing Medication Positives published on AQHA’s website (aqha.com).

**RAC311. DISCIPLINARY ACTIONS**

**RAC311.1** Upon official notice to AQHA by the disciplining Racing Authority, a person who is suspended or otherwise disciplined by a Racing Authority for their conduct associated with an AQHA-recognized race may be suspended or disciplined by AQHA for the following:

- **RAC311.1.1** positive lab result involving forbidden substances detected in horses entered in a race;
- **RAC311.1.2** positive lab result involving an overage of a conditionally permitted therapeutic medication;
- **RAC311.1.3** possession of electrical devices in the course of a recognized race meeting;
- **RAC311.1.4** racing a ringer for fraudulent purposes; and
- **RAC311.1.5** multiple offenses for the same ownership.

**RAC311.2** In addition to affording reciprocity to a racing authority, AQHA reserves the right to impose additional fines, suspend AQHA membership privileges and suspend participation privileges (both individual and horse) in AQHA-approved/recognized events.

**RAC311.3** Notwithstanding anything to the contrary contained in AQHA’s Disciplinary and Appeal Procedure Rules, no person who is suspended or disciplined by a Racing Authority and/or under Rules RAC311.1-2 shall be entitled to a hearing before the Executive Com-
mittee or an AQHA hearing committee.

**RAC311.4** A horse may not receive an official speed index or racing points for having started in the race, if:

- **RAC311.4.1** its owner is:
  - **RAC311.4.1.1** currently under AQHA suspension;
  - **RAC311.4.1.2** ineligible for a license; or
  - **RAC311.4.1.3** ineligible to participate under the rules of any racing authority or breed registry

- **RAC311.4.2** a racing authority disqualifies the horse from the race.

**RAC311.5** Any racing authority or breed registry ruling involving horses registered by AQHA or affecting personnel engaged in American Quarter Horse racing shall be filed with AQHA unless the fine is less than $500 or the suspension is less than 90 days.

**RAC311.6** AQHA, in cooperation with ARCI, can provide information on licensing, rulings and racing statistics for American Quarter Horse trainers. This information may be requested by contacting AQHA's Racing Department.

**RAC312. TATTOOING AND PARENTAGE VERIFICATION.**

**RAC312.1** Unless otherwise stipulated by the responsible Racing Authority, every horse registered with AQHA prior to participating in an AQHA recognized race shall be identified and branded with a tattoo number on the upper lip by an AQHA-authorized tattoo technician.

**RAC312.2** The official tattoo identification number shall be noted on the horse's registration certificate and become part of the identifying markings of the horse.

**RAC312.3** The fee for tattoo identification by an AQHA-authorized tattoo technician is payable at the time of tattoo identification.

**RAC312.4** The tattooing of an identification number on a horse is another means of identification only and, in no event, constitutes a waiver by AQHA of its authority to correct and/or cancel a registration certificate for cause under AQHA's rules and regulations.

**RAC312.5** In order to be eligible to be tattoo identified, all horses foaled on or after January 1, 1992 shall be parentage verified through genetic testing. The horse's registration certificate shall be issued or reissued designating that the horse has been parentage verified. Payment of all fees, for parentage verification is the expense of the owner of the horse for which tattoo identification is requested.

**RAC312.6** If a horse is presented for tattoo identification with a significant discrepancy in markings, age or other features of the horse according to the registration certificate, the tattoo technician shall refuse to tattoo the horse and report such discrepancies to AQHA. Refer to REG121, for rules pertaining to age determination by tooth examination and ineligibility to compete, if age shown by teeth does not correspond with age shown on registration certificate.

**RAC312.7** A horse owner's refusal to comply with the requirements regarding tattoo identification or parentage verification shall automatically disqualify such horse from participation in AQHA-approved racing until such time as the owner complies with such requirements. Such refusal is grounds for possible disciplinary action by AQHA.

**RAC313. GENERAL CUTTER AND CHARIOT RACING PROVISIONS.**

**RAC313.1** AQHA will accept cutter and chariot race results in Amarillo, Texas, as official and use such results for purposes of recording information in AQHA records, conducting AQHA cutter
and chariot racing programs and determining qualification for advancement of a horse in AQHA’s breed registry.

**RAC313.2** Cutter and chariot race results are eligible for AQHA recognition if the race is run under the direct supervision of a state racing commission and/or the World Championship Cutter and Chariot Racing Association (WCCCRA).

**RAC313.3** Unless otherwise specified in this rulebook, the racing rules of the WCCCRA will be utilized for the governance of cutter and chariot racing recognized by AQHA.

**RAC313.4** A cutter and chariot racing contest shall consist of a series of races constituting one complete go-round for all horses entered, each race shall match two or more two-horse teams pulling a cutter and driver or a chariot and driver. For a contest to be recognized, 12 teams of registered horses (24 horses) must compete.

**RAC313.5** All American Quarter Horses participating in cutter and chariot races must be properly identified.

**RAC313.6** Cutter and chariot racing is a timed event, with placings determined on the basis of time lapsed for each team in the contest. The winning team in each contest will be the team with the least lapsed time between the time the starting gate opens to dispatch the horses until the nose of the leading horse on such team crosses the finish line.

**RAC313.7** Officials of a cutter and chariot racing contest shall consist of a presiding steward and two associate stewards, a starter, a clerk of the scales and three timers. In the event an electronic timer is used, there must still be two hand-timers. The time for any given team will be the time electronically recorded for that team, or the average of the hand timers in the event the electronic timer is not used or fails to operate.

**RAC313.8** To be eligible for placing, the aggregate weight of the cutter or chariot, harnesses, bridles and driver for such team must not be less than 275 pounds.

**RAC313.9** A cutter and chariot race must be started from a closed starting gate and conducted on a straight course.

**RAC313.10** During the course of a cutter and chariot race, if a team moves out of the lane in which it starts in such a manner that it interferes with or impedes another team, the offending team shall be disqualified when, in the opinion of the stewards, the outcome of the contest was affected. Any such team disqualified shall be placed behind the team or teams it fouled, and shall be given the time of the team it was placed behind, plus .01 second, or the maximum accuracy of the timer not to exceed .001 second.

**RAC313.11** Any horse finishing first, and any horse randomly selected by the stewards in a cutter and chariot racing contest shall be properly tested for the presence of unauthorized drugs or foreign substances.

**RAC313.12** Official speed indexes and Register of Merits shall be awarded according to RAC308.

**RAC313.13** High-Point Champions will be awarded at the end of the cutter and chariot racing season in the following categories: 3-year-old colt, 3-year-old filly, 3-year-old gelding, aged stallion, aged mare and aged gelding. An appropriate award will be given to the horse’s recorded owner as of April 1.

**RAC313.14** Superior Chariot Horse will be awarded to any American Quarter Horse who earns 200 chariot racing points.

**RAC313.15** Chariot racing points will be awarded according to the order of finish in each division as listed in the chart below.
