1. SHW909. INTERNATIONAL AQHA-APPROVED JUDGES residing in an international country may make four trips or judge four shows in any one country in a calendar year.

Judge Re-Certification

2. For purposes of determining appropriate classes for International Judge’s certification, recertification, and related testing, the slate of classes for these purposes will be determined by the classes that had been offered within the past 5 years by any country within the respective AQHA membership region. More specifically, if any country in an AQHA Membership Region has offered a particular class in the preceding 5 years, then that class would be considered within the scope of potential testing for any applicant or Judge within that AQHA Membership Region, regardless of whether the class has been offered in an applicant’s country of origin. Correspondingly, the certification earned would qualify a judge to serve as an AQHA Judge for AQHA shows in any country within that particular AQHA Membership Region.
