Achievement points are not considered for World Show qualification or incentive fund eligibility.

SHW762. GENERAL RULES. To provide show management with the option to include equestrians with disabilities competition, AQHA has adopted these rules and provided an achievement points and awards system for participants. In doing so, AQHA does not assume responsibility for safety of participants. Since it is show management, which conducts these events and controls both the physical facility and all aspects of the events, responsibility for participant's safety remains solely with show management.

SHW762.1 Each participant or their parent or guardian by allowing participation, assumes all risk of personal injury or property damage occurring as a result of the participation and does hereby release and discharge the AQHA and show management, their respective officers, directors, representatives and employees from any and all liability, whenever or however arising, from such participation, except for the negligent act or omission, if any, of an indemnities. Further, as parent or legal guardian, they agree to indemnify and hold harmless AQHA and show management from such liability to the minor.

SHW762.2 Attendance at a AQHA-approved event, in whatever capacity, shall constitute authorization for AQHA, its agents, designees, or assigns to photograph, video tape, televise, post to the web or record by other means (hereinafter referred to as "photographic material") any person or animal on the premises of a AQHA approved event, and shall further constitute authorization for the use of such person's name, voice and biography, or the name, pedigree and performance record of any animal on the premises (hereinafter referred to as "related information") in conjunction with any photographic material.

SHW763. SHOW APPROVAL. Show management applies for AQHA-approval of these events on a voluntary basis and assumption of responsibility for safety by show management is required by AQHA as an express condition for AQHA to grant approval for these events.

SHW763.1 To obtain tentative AQHA-approval, application must be submitted a minimum of 120 days prior to the event on forms either provided by or acceptable to AQHA, stating the date and location of the desired events along with the show approval fee.

SHW763.2 The event will be approved if there is not an already known similar approved EWD event on the same date within a 300-mile radius.

SHW763.3 EWD classes may be held at AQHA-approved shows, US Para-Equestrian events or can be stand-alone events.

SHW763.4 An exhibitor may show more than one horse in individually worked classes as outlined in the rulebook, but horses cannot be shown by more than one exhibitor in the same EWD class.

A valid AQHA membership number or AQHA membership application must be submitted to AQHA. Upon receipt of the forms the AQHA membership card will be noted with EWD endorsement.

SHW765.2 Once and exhibitor competes in a walk, jog/trot ,lope/canter, they cannot return to walk, jog/trot classes at that same horse show.

SHW766. Exhibitor Age. Participants must be eight years of age and over to compete.

SHW767.3 The welfare of the horse is outlined in the rulebook, however, horses with a slight disability or lameness may be used at the discretion of the judge.

SHW767.4 Any breed of horse may be shown at the same event, and may be run concurrently. However in order to be eligible for AQHA year-end awards and notation of results on the horse's record the horse must be registered with the AQHA. Judges would only reflect the number of entries in the class, which are registered with the AQHA.

SHW768. GENERAL RULES FOR TACK AND EQUIPMENT. English and western equipment and attire will follow rules as set forth in the rulebook with the exception of EWD acceptable adaptation equipment.

SHW768.1 Helmet. Exhibitors must wear a properly fitted and fastened with harness, ASTM approved protective helmet. A western hat may be affixed over the helmet in western events. Equipment should conform to the riding ability of the competitor and be suitable for the horse.

SHW768.2 Halter. All horses when ridden must wear a halter in a manner that does not interfere with reining of the horse. A halter must be on the horse either over or under the bridle for use by the handler if needed. All exhibitors should be able to hold reins.

SHW768.3 Bits or bosal. A snaffle bit, curb bit or bosal/hackamore may be used no matter the age of the horse.

SHW768.4 Exhibitors are allowed to ride with one or two hands at any time during the class.

SHW768.5 Exhibitors are allowed to hold the saddle with either hand without penalty.

SHW768.6 EWD Acceptable adaptive equipment includes but not limited to:

SHW769. HANDLER. Required for all independent exhibitor classes: one handler per entry to

facilitate the safety of the exhibitor. The handler must be 16 years of age or older. The handler must have a lead line without a chain in their hand in case of safety issues.

SHW769.1 Handlers shall stand quietly in a designated area, not obscuring the judge's line of vision, unless their assistance is required and requested by the judge or ring steward in the event of a safety issue. The handler may either take a position behind, beside or in front their respective exhibitor's horse or quietly walk forward and snap onto the horse's halter after the exhibitor's pattern is completed or the class has come in to line up.

SHW769.2 A blind or deaf exhibitor may have an assistant who communicates via verbal or sign language or cue cards to the competitor so they may hear the judge's directives or pattern instructions. This assistant will be outside the ring and their position known to the judge and ring steward.

SHW769.3 LEADERS AND SIDEWALKERS The supported exhibitor must have a leader with a loose lead without a chain, attached to the halter in a manner that does not interfere with reining of the horse. The supported exhibitor may need the assistance of one or two side walkers. Once the class has started, unauthorized assistance from horse leaders, spotters and side walkers will result in penalties. Side walkers may not give verbal commands or extra physical prompting, except in case of emergency.

SHW769.4 Handlers, leaders, side walkers, or extra spotters other than the required horse handler are not considered tack or equipment.

SHW770. ARENA SET UP. Markers must be used and may be numbered or lettered. People shall not be used as markers.

SHW771. PATTERNS All patterns must be posted one hour before the class. One of the suggested EWD patterns(s) must be used, however a judge in concert with the show management may utilize a different pattern in the walk-trot showmanship at halter, walk-trot-canter hunt seat equitation, walk-jog-lope western horsemanship, trail and para-reining using the acceptable maneuvers or obstacles.

SHW772. Classes may be split at the discretion of show management. If a go rounds are necessary, in the interest of successful implementation of the approved show, the number of go-rounds to be held and the number of horses to be shown at each go round should be based on safety and/or physical constraints of show premises when applied fairly and uniformly by a procedure in which all qualified entries are included in a random draw. When necessary to split large classes by running more than one go-round, finalists must rework the specified class requirements EXCEPT any scored class.

SHW773. Judging Equestrians with Disabilities Supported Exhibitor. Classes shall follow these guidelines, reversing only at the walk and omitting all extended gaits. Horses should be backed in the line-up, not on the rail. Horses should be worked for the amount of time necessary to evaluate each gait in each direction, taking into account the stress on the exhibitor and/or leader-side-walkers. The judge could choose to have the horse(s) walk briefly before resuming the jog/trot and completing the judging. The horses in the EWD supported classes are judged doing their jobs in spite of the challenges that may be presented due to the type of support or adaptive equipment that is required. Neither the amount of support and type of EWD acceptable adaptive equipment nor the unique characteristics of a specific exhibitor's disability should enter into the judging criteria.

SHW774. EWD SHOWMANSHIP AT HALTER – Walk Only, and Walk-Trot/Jog. EWD exhibitors may show in only one showmanship class.

SHW787. The following are allowance made for all EWD Para Reining classes only:

SHW787.1 Exhibitors are allowed to choose the size and speed of the circles. Excessive speed will result in a maneuver deduction.

SHW787.2 Lead Changes. Simple lead changes are allowed and the ideal change is to jog for

one stride to change leads. Any deviation from the ideal change that takes place in the lead change area as described by the rulebook would not incur a penalty but deserves less credit. In order of decreasing difficulty would be jogging more than one stride, walking rather than jogging, stopping during the change and finally more than one attempt to execute the change. Penalties would apply if the lead change was early or late just as they would for a flying lead change.

SHW787.3 Judges should allow one-quarter circle coming into the change and one-quarter circle going past the change as an allowable simple change area (safe zone), with only the out of lead penalties applying. For example, a horse that comes across and takes 3 strides past “center” to complete the simple change, but before the end of the first quarter, would not get a break of gait penalty but would incur a one point out of lead penalty. The same logic would apply for changes before reaching center. All penalty applications would apply out of that “safe zone.”

SHW787.4 Break of gait; Note: Simple lead changes are allowed therefore, no break of gait penalty should be applied during the lead change. EWD classes may use altered patterns and if simple lead changes are specified, no break of gait penalty should be applied during the lead changes.
