

AQHA SUPREME RACEHORSES

The AQHA Racing Council established an award in 2002 to recognize any racing American Quarter Horse that during its career earns \$500,000 or more, wins two or more open Grade 1 stakes and at least 10 races. American Quarter Horses that received this honor retroactively raced in stakes races prior to 1983 and qualified because those races were considered the equivalent of a current Grade 1 stakes race.

A total of 110 Quarter Horses have received this award | Race records as of October 1, 2017

Owner listed is the owner at the time the award was issued.
