

LINKING AQHA ID NUMBERS

If an AQHA ID number has not been linked to the user name, only the user name will be listed when you sign in to the website.

Manage AQHA Account IDs

Active IDs

Add an existing AQHA ID to your account

 + Add

Once on the Manage AQHA Account IDs screen, click on Add.

You must have the AQHA ID number and PIN of the account you wish to link to your user name.

 Account Profile

Manage AQHA Account IDs

Active IDs

AQHA ID:

PIN Number: [Forgot Pin](#)

Default:

Enter the AQHA ID and PIN of the account you wish to link.

If this is the first account you are linking to your user name, check the Default box.

If you do not have the PIN for the AQHA ID, you may click [Forgot PIN](#). The [Forgot PIN](#) screen will ask for the AQHA ID number. Click on [Submit Membership ID](#) once you have entered the information. If a secret question has been set up for that ID, you may answer the secret question. If you answer correctly, a PIN will be emailed to the address on file for that ID number. If you answer incorrectly, or a secret question has not been set up, you will need to contact AQHA Customer Service for a PIN.

Once all information has been entered for the ID number, click [Save](#).

Change Pin

Remove

Add an existing AQHA ID to your account

+ Add

Once the AQHA ID number has been added successfully, it will appear under Active IDs.

The selected AQHA ID number will also appear next to the user name in the upper right hand corner of the screen.

You have the option to change the PIN for the linked account or remove it from your Active IDs.

You can also add more accounts.

Once you have linked an AQHA ID number to your user name, you will have access to the options on Member Services that require you to have a current AQHA membership, a Quarter Horse Journal subscription and/or be the owner/lessee of a horse.
